Process manuf., Acetylene; Sunlight generator.
Pop. district supplied, 400; No. meters, 12.
Mains, approx., 0.5; 2 in. and 1.25 in.
Carbide consumed, 2 tons.
Price gas per 1,000 c. f., gross \$15; net \$13.50.
Annual sales, approx., 15,000 c. f.
Supplies New Albany.

Port Royal Gas Co., Port Royal.

Capital stock, \$3,100; ann. div., 6 p. c.
President, G. T. Kepner.
Secretary, W. C. Stimmel.
Treasurer and mgr., D. C. Pomeroy.
Process manufacture, Acetylene; Davis generator.
Pop. dist. supplied, 800. No. meters, 35.
Miles of mains, approx., 5.
Carbide consumed, 12 tons.
Price, gas per 1,000 c. f., gross \$15.
No. public lamps, 22; lighted 2,500 hours.
Price per year, \$18 per lamp.

Consumption per burner per hour, .5 c. f.
Price includes repairs, care, lighting and extinguishing.
Annual sales, approx., 105,000 c. f.
Supplies Port Royal.

Quarryville Gas Works, Quarryville.

Capital stock, \$5,000.
President, Hiram F. W. LeFevre.
Treasurer Hiram F. W. LeFevre.
Sec'y. and pur. agent, C. P. LeFevre.
Superintendent, B. P. LeFevre.
Process manuf., Acetylene; Abner Giant generator.
Pop. dist. supplied, 900. No. meters, 54.
Miles of mains, approximate, 1.5; 1 in. to 2.5 inches.
Price of gas, 40c. per 1,000 candle-power.
No. public lamps, 30.
Price includes repairs, care, lighting and extinguishing.
Lighting hours per lamp per annum, 2,200.
Annual sales, approx., 260,000 c. f.
Supplies Quarryville.

SOUTH CAROLINA.

Bowman Acetylene Plant, Bowman.

(Municipal plant.)
Superintendent, D. E. Wannamaker.
Process manuf., Acetylene; Eagle generator.
Pop. dist. supplied, 600.
Miles of mains, approx., .5 mile.
Price gas, gross; 40c per light per mo.
No. public lamps, 7.

TENNESSEE.

Spring Hill Acetylene Gas Plant, Spring Hill.

Owned and controlled by Branham and Hughes School.
Supplies the school and several consumers in town.

TEXAS.

China Springs Light Co., China Springs

Capital stock, \$600.
President, G. P. Harris.
Process manuf., Acetylene; Davis generator.
Pop. dist. supplied, 200. No. meters, 4.
Miles of mains, 0.5; 0.5 to 1.25 in.
Carbide consumed, 8 tons.
Price gas per 1,000 c. f., \$20.
Annual sales, approx., 7,500 c. f.
(Mutual company; not run for profit.)

VIRGINIA.

Elkton Acetylene Light Co., Elkton.

Capital stock, \$500.
Annual dividend, 20 p. c.
President, J. T. Heard.
Treas. and agent, J. T. Heard.
Process manuf., Acetylene; Davis generator.
Miles pipe line, 0.25; 2 in. iron
Carbide consumed, 6 tons.
No. meters, 20.
Price gas, gross, \$20 per 1,000 c. f.
Annual sales, approx., 25,000 c. f.

Capital stock, \$1,100.
 President, E. J. Stack.
 Secretary, Frank E. Cox.
 Treasurer, J. L. Brown.
 Purchasing agent, Frank E. Cox.
 Superintendent, Frank E. Cox.
 Process manufacture, Gasoline; Springfield generator; sp. g. 0.86.
 Pop. dist. supplied, 300. No. meters, 28.
 Miles of mains, approximate, 2; 1.5 to 2.5 in.
 Price gas, per 1,000 c. f., \$2.50.
 Annual sales, approximate, 140,000 c. f.
 Supplies South Otselic.

SOUTH DAKOTA.**De Smet Gas Plant, De Smet.**

(Municipal plant.)
 Mayor, E. F. Green.
 Auditor, O. P. Williams.
 Superintendent, Gay Barrows.
 Process manuf., Practical (oil.)
 Price oil per gallon, delivered, 5.66c.
 Miles of mains, approx., 6.
 Street main pressure, max., 3.5 in.
 Annual sales, approx., 2,000,000 c. f.
 Candle-power, 23.
 Pop. city supplied, 1,063.
 No. consumers, 138.
 No. meters, reg., 100; prepay., 38.
 Price gas: Light and Fuel, net, \$2.
 No. public Welsbach lamps, 25.
 Supplies De Smet.

The Gas Plant, Flandreau.

(Plant closed down Jan. 11, 1918.)

Gettysburg Gas Co., Gettysburg.

Capital stock, \$12,000.
 President, Wm. E. Marshall.
 Vice-president, Lucy E. Ocock.
 Secretary, W. C. Marshall.
 Treasurer, W. E. Marshall.
 Pur. agents, W. E. and W. C. Marshall.
 General manager, William E. Marshall.
 Superintendent, C. H. Marshall.
 Process manufacture, Gasoline, sp. gr., 0.84 to 86.
 Generator used, Mowrer.
 Miles of mains, approx., 5.5; 2 to 3 in.
 Pop. of dist., 850. No. meters, 60.
 Price gas: Light, net, \$1.50 per 1,000 c. f.
 No. public lamps, 21.
 Price per year, approx., \$325.

 Process manufacture, Gasoline; sp. g., 0.86-0.88; Practical generator.
 Pop. dist. supplied, 700. No. meters, 145.
 Miles of mains, approx., 2; 3 in. to 1 in.
 Price gas, per 1,000 c. f., \$2.

No. public lamps, 30; lighted moon scale.
 Contract includes repairs, care, lighting and extinguishing.
 Closed down 1918

Clinton Gas and Water Works, Clinton.

(Gas plant has been discontinued.)

Fox Lake Gas Plant, Fox Lake.

(Municipal plant.)
 Bonds, \$2,750; due, \$350 each yr.; int., 4 p. c.
 Overseer of plant, H. Clausen.
 Superintendent, A. B. Rogers.
 Process manufacture, Gasoline; sp. g. 0.86.
 Pop. dist. supplied, 900. No. meters, 160.
 Miles of mains, approx., 3; 1.5 in. to 3 in.
 Price gas, per 1,000 c. f., \$1.25.
 No. public lamps, 43; lighted, moon schedule.
 Price per year, \$1,200.
 Price includes repairs, lighting and extinguishing.
 Annual sales, approx., 3,381,360 c. f. (including street lighting.)
 Supplies Fox Lake.

Hammond Gas Plant, Hammond.

(Plant closed.)

Hilbert Gas Plant, Hilbert.

(Municipal plant.)
 Bonds, \$500; due, 1918; int., 5 p. c.
 Village president, E. F. Raddatz.
 Treasurer, John J. Madler.
 Clerk, Nick Berg.
 Pur. agent, J. W. Grupe.
 Superintendent, Fred. Boeselager.
 Process manufacture, Gasoline; sp. g., 0.87;
 Practical Gas Machine Co. generator.
 Pop. dist. supplied, 700. No. meters, 72.
 Miles of mains, approx., 2.75; 3 to 1.25 in.
 Price gas, per 1,000 c. f., \$1.50.
 No. public lamps, Miner, 18.
 Lamps lighted from dusk to 11 p. m.
 Price per year, \$1,400; price includes repairs care, lighting and extinguishing.
 Consumption, 10 c. f. per burner hour.
 Annual sales, approx., 1,400,570 c. f.
 Candle power, 75.
 Supplies Hilbert.

Hortonville Light, Heat and Power Co., Hortonville.

(Plant closed down March 1, 1918.)

Markesan Village Gas Plant, Markesan.

(Operations discontinued.)

CHEMICAL CONTROL OF GAS MANUFACTURE

By W. M. Russell, Mgr., and F. Wills, Gen'l Supt.

Emporia Gas Co., Emporia, Kansas.

PART I.—"Practical Application" deals with the retort house. **PART II.**—"Elementary Chemical Theory" provides the necessary fundamentals.

The Book has 140 pages with 47 illustrations and numerous reference tables and diagrams. Smallest possible use of technical language or formulæ is made, and every description of elementary principles is based on actual demonstration to workers, in the writers' experience.

THE GAS AGE

Price \$1.50 Postpaid

Process used, Burrton.

No. of tank cars owned, 25.

Great Western Oil Refining Co., Erie.

Capital stock, \$500,000.

Vice-president, Ossian Cameron.

Secretary and treasurer, John M. Cameron.

Manager, John M. Cameron.

Distributing station in Kansas City.

Miles of pipe line owned, 12.

Process: Horizontal stills and special.

Annual prod., gas oil, 3,500,000 gals.; gasoline, 6,000,000 gals.; lubricating oils, 2,100,000 gals.

Quality of oil: Naphtha, gravity 0.54 to 0.62 deg.

Tank cars owned, 82.

Great Western Petroleum Corporation, Erie.

Executive office, 10 S. La Salle St., Chicago, Ill.

Capital stock issued, \$2,605,873.60.

Bonds outstanding, \$94,750; due 1927; int., 6 p. c.

President, W. R. Jones.

Sec'y, treas., and mgr., John M. Cameron.

Location of refinery, Erie, Kan.

Location of distributing stations: Kansas City, Chicago, Iowa, Minnesota, Illinois, Michigan, Wisconsin and Indiana.

Miles of pipe line owned, 15.

Process used: Cameron.

Annual production: Gas oil, 2,520,000 gals.; gasoline, 3,500,000 gals.; lubricating oils, 1,500,000 gals.

In storage: Oil, 25,000 bbls.

Quality of oil: Naphtha, 56-58 degrees Baume; gasoline content, 30 p. c.; sulphur content, trace.

Annual sales, gasoline: Shipments, 3,500,000 gals.

No. of tank cars owned, 82.

Miller Petroleum Refining Co., Humboldt.

Executive office, Chanute, Kan.

Capital stock, \$75,000.

President, J. H. Miller.

Secretary and treasurer, F. L. Miller.

Manager, J. H. Miller.

Pur. agent, F. L. Miller.

Superintendent, G. L. Rowsey.

Process: Ordinary distillation.

Annual production, gasoline, 2,585,000 gals.

In storage: Oil, 3,000 bbls.; fuel oil, 6,835 bbls.; gasoline, 10,145 gals.; distillates, 24,164 gals.

Quality of oil: Naphtha, 50 to 51 deg.

Annual sales, gasoline: Shipments, 2,520,000 gals.; local, 65,000 gals.

No. of tank cars owned, 40.

General Refining Co., Kansas City.

Executive office, Tulsa, Okla.

Capital stock, \$3,000,000.

President, J. B. Ryan.

Secretary, John E. Sharp.

Treasurer, Harry Bell.

Manager, J. B. Ryan.

No. of tank cars, 175.

The Uncle Sam Oil Co., Kansas City.

President, H. H. Tucker, Jr.

Secretary, B. F. Billingsley.

Treasurer, Frank P. Lucas.

Pur. agent, L. E. Thomson.

Refineries at Cherryvale, Kan.; West Tulsa, Okla.; Kansas City, Kan. Paraffine wax plant at Cherryvale, Kan.

Distributing stations in Missouri, Kansas and Oklahoma.

Miles of pipe line owned, 200.

Process: Anderson.

No. of tank cars owned, 97.

Commonwealth Oil and Refining Co., Moran.

Executive office, Kansas City, Mo.

Capital stock, \$600,000.

President, S. A. Darrough.

Secretary, R. A. Darrough.

Treasurer, R. A. Darrough.

Manager, S. A. Darrough.

No. of tank cars, 23.

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

The Standard Oil Co., (a Kansas Corporation), Neodesha.

Capital stock, \$2,000,000.
 Dividend paid, annual rate, 24 p. c.
 President, J. C. McDonald.
 Secretary and treasurer, E. A. Warren.
 Manager, Thos. Black.
 Superintendent, A. S. Hopkins.
 Purchasing agent, W. H. Hill.
 Process used: Burton.
 Quality of oil: Naphtha, gravity 52 deg., Be;
 gasoline content, 10 p. c.
 Capacity, 8,000 (42 gals.) bbls. per day.

O. K. Refining Co., Niotaze.

Operated by Kansas Refining Co., Tulsa, Okla.
 Executive office, Hutchinson, Kan.
 Capital stock, \$80,000.
 President, F. D. Larabee.
 Sec'y and treas., Walter Grundy.

 4,536,000 gals.; lubricating oils, 1,512,000
 gals.
 In storage: Crude oil, 17,750 bbls.
 Quality of oil: Naphtha, 52 degrees; gasoline
 content, 30 p. c.; sulphur, none.
 Annual sales, gasoline: Shipments, 4,536,000
 gals.
 No. tank cars owned, 45.

Oklahoma Kansas Refining Co., Niotaze.

Executive office, Tulsa, Okla.
 Capital stock, \$1,000,000.
 President, C. J. Benson.
 Vice-pres., Geo. S. Hoagland.
 Secretary, M. A. Isaacs.
 Treasurer, Moritz Hilder.
 General manager, Geo. S. Hoagland.
 No. of tank cars, 269.

Morgan Oil and Refining Co., Rollins.

Executive office, 703 New Ridge Arcade, Kan-
 sas City, Mo.
 Capital stock issued, 40,445½ shares without
 par value.
 President, D. H. Morgan.
 Secretary, W. H. Lynn.
 Treasurer, O. J. Brady.
 Refinery at Rollins, Kan.
 Process used, M. & M.

North American Refining Co. of Kansas, Rosedale.

Executive office, Independence Rd. and Blue
 River, Kansas City, Mo.
 Capital stock, \$50,000.
 President, Roy Colcord.
 Secretary, Leon S. Ditzell.
 Treasurer, John Maney.
 Manager and pur. agent, Leon S. Ditzell.
 Superintendent, John G. Nobles.
 Miles of pipe line owned, 15.
 Parker process-straight run down, and Dr.
 Cross process.
 Capacity, 1,000 bbls.
 No. tank cars owned, 50.
 Annual prod., gasoline, 3,066,000 gals.

Golden Rule Refining Co., Wichita.

(Began operations June 20, 1917.)
 Capital stock, \$50,000.
 President, Elbert S. Rule.
 Secretary and treasurer, C. P. Hale.
 Manager and pur. agent, Elbert S. Rule.
 Superintendent, Eugene Gibbs.
 Process: Straight run.
 Quality of oil: Naphtha, 50 to 51 deg.; gaso-
 line content, 58 to 59 p. c.
 No. of tank cars owned, 20.
 Daily capacity of plant, 500 to 800 bbls.

The Cumberland Petroleum and Refining Co., Wichita.

Capital stock, \$1,000,000.
 President, R. C. Clapp.
 Secretary and treasurer, Elizabeth McCorkle.
 Manager, R. C. Clapp.
 Refinery under construction.

The Sterling Oil and Refining Co., Wichita.

Capital stock, \$2,000,000.
 President, S. H. Hale.

Process, Tower.

Capacity of refinery, 3,000 bbls. per day.

Oil in storage, 55,000 bbls.

Quality: Naphtha, gravity, 54 to 60 degrees; gasoline content, 56 p. c. (up); sulphur, none.

No. of tank cars owned, 150.

Ohio Cities Gas Co., Ardmore and Cushing.

Successor to Ardmore Refining Co. and International Refining Co.

Executive office, Columbus, O.

See company's report in "Parent Cos." and "Appendix."

Daily capacity, 11,000 bbls. crude oil.

Annual production, oil, 444,394 bbls.

Annual production, gasoline, 153,249 bbls.; gas oil, 135,640 bbls.; fuel oil, 569,351 bbls.

Empire Gasoline Co., Bartlesville.

Capital stock, \$2,000,000.

President, G. C. Blankner.

Secretary, C. E. Murray.

Treasurer, E. H. Johnston.

Distributing stations in Arkansas City, Bigheart, Cushing, Caney and Gordon, Kan.

Annual sales, gasoline, 1,603,368.37 gals.

Empire Petroleum Co., Bartlesville.

Capital stock, \$2,000,000.

President, Geo. C. Blankner.

Secretary, C. E. Murray.

Treasurer, E. H. Johnston.

Empire Refineries, Inc., Bartlesville.

Manager, P. M. Miskell.

Purchasing agent, H. H. Sloan.

Companies operated:

Refineries: No. 1, Okmulgee, Okla.; No. 2, Ponca City, Okla.; No. 3, Cushing, Okla.; No. 4, Cushing, Okla.; No. 5, Oklahoma City, Okla.

Producers Refining Co., Gainesville, Tex.

Standard Asphalt Refining Co., Independence, Kan.

Distributing stations in Oklahoma and Texas. (See Parent Co.'s also.)

Producers Refining Co., Bartlesville.

Subsidiary of Empire Refining Co.

Capital stock, \$400,000.

President, J. C. McDowell.

Secretary, C. E. Murray.

Treasurer, R. C. Russum.

Standard Asphalt and Refining Co., Bartlesville.

Subsidiary of Empire Refining Co.

Capital stock, \$5,000,000.

President, J. C. McDowell.

Secretary, C. E. Murray.

Treasurer, R. C. Russum.

Bigheart Petroleum Refining Co., Bigheart.

Executive office, Tulsa, Okla.

Capital stock, pref., \$375,000; com., \$375,000.

Annual dividend, pref., 8 p. c.

President, Stanley L. Smith.

Sec'y and treas., Earle G. Hastings.

Manager, Earle G. Hastings.

Purchasing agent, J. S. Allen.

Superintendent, E. B. Gray.

Miles of pipe line owned, 12.

Refinery capacity, 1,280 bbls. daily.

Process, Skimming (Cracking process to be installed.)

In storage: Oil, 7,000 bbls.; fuel oil, 5,000 bbls.; gasoline, 25,000 gals.; distillates, 15,000 gals.

Quality of oil: Gasoline, 22 p. c.; sulphur, none.

No. of tank cars leased, 40 (60 to be purchased.)

The Globe Oil & Refining Co., Blackwell.

Capital stock, \$450,000.

President, I. A. O'Shaughnessy.

Secretary, O. S. Smithhesler.

Superintendent, C. B. Houn.

Miles of pipe line owned, 10.

Capacity, 1,500 bbls.

Refinery completed in 1918.

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

Modern Refining Co., Blackwell.

Capital stock, \$100,000.
 President, T. S. Chambers.
 Secretary, G. M. Cassity.
 Treasurer, A. G. West.
 Purchasing agent, T. S. Chambers.
 Manager, T. S. Chambers.
 Superintendent, J. W. Squire.
 Refinery at Blackwell, Okla. (under construction).
 Miles of pipe line owned, approx., 6.
 Process used, D'Yarmett-Combination of Compression, Absorption and Distillation.
 Annual production: Gasoline, estimated, 16,000,000 gals.
 Quality of oil as shown by tests: Gasoline from 60 to 72 degrees.

Eagle Refining Co., Cushing.

Capital stock, \$200,000.
 (Plant under construction.)

Hillman Oil & Gas Co., Cushing.

Executive office, Oklahoma City, Okla.
 Capital stock, \$1,100.
 President, C. F. Hillman.
 Secretary, J. A. S. Wright.
 Vice-president, C. T. Clarke.
 Miles of pipe line owned, 20.
 Oil in storage: 15,000 bbls.; fuel oil, 3,000 bbls.; gasoline, 1,000 gals.; distillates, none.
 Quality of oil: Naphtha, 58 degrees.
 Annual sales, gasoline: Shipments, 3,650,000 gals.
 No. of tank cars owned, 59.

Illinois Oil Co. of Rock Island, Cushing.

Executive office, Rock Island, Ill.
 Capital stock, \$500,000.
 Annual dividend, 32 p. c.
 President, F. P. Welch.
 Secretary, David Warwick.
 Treas. and pur. agent, J. M. Welch.
 Manager, F. P. Welch.
 Superintendent, C. E. Welch.
 Refinery at Cushing, Okla.
 Distributing stations: 117 in Iowa, Illinois, Wisconsin, Minnesota, Missouri and Kentucky.
 Miles of pipe line owned, 15.
 Annual prod., gas oil, 400,000 gals.; gasoline, 5,000,000 gals.
 In storage: Fuel oil, 60,000 bbls.; gasoline, 400,000 gals.; distillates, 250,000 gals.
 Annual sales, gasoline: Shipments, 5,000,000 gals.
 No. of tank cars owned, 95.

The Diamond Gasoline Co., Delaware.

Location of Casinghead Plant, Delaware, Okla.
 Executive office, 1012 Baltimore Ave., Kansas City, Mo.
 Capital stock, \$150,000.
 President, W. H. McCoun.
 Secretary, B. E. Bush.
 Treasurer, W. H. McCoun.
 Manager, John J. McPherson.
 Miles of pipe line owned, 70.

No. of tank cars, 45.

Annual production gasoline, 5,000,000 gals.
 Annual sales gasoline: Shipments, 5,000,000 gals.

Danciger Oil and Refining Co., Drumright.

Executive office, Kansas City, Mo.
 Capital stock, \$300,000.
 President, Dan Danciger.
 Secretary and treasurer, A. Danciger.
 Manager, Jack Danciger.

Champlin Refining Co., Enid.

Owner, H. H. Champlin.
 General manager, V. E. Boline.
 Capacity, 2,000 bbls. daily.

Oil State Refining Co., Enid.

Capital stock, \$250,000.
 President, John S. Graham.
 Secretary, E. B. Wallace.
 Treasurer, E. P. Kilgore.
 Manager, E. P. Kilgore.
 Purchasing agent, John S. Graham.
 Superintendent, E. P. Kilgore.
 Process: Cracking.
 Quality of oil: Naphtha, 49.1 degrees; gasoline content, 56 p. c.
 (Plant under construction: will begin operations May 1, 1918.)

Southwestern Oil Corporation, Enid.

Executive office, Campbell Bldg., Oklahoma City, Okla.
 Capital stock, \$150,000.
 President, C. C. Von Stein.
 Sec'y and treas., J. L. Dickey.
 Manager, Edw. L. Kittredge.
 Purchasing agent, Edw. L. Kittredge.
 Skimming plant, 1,000 bbls. capacity.

Forty-sixth Star Refining Co., Healdton.

Capital stock, \$100,000.
 President, William Elliott.
 Vice-pres., A. J. Welsh.
 Secretary, H. E. Welsh.
 Treasurer, C. E. Morris.
 Superintendent, A. B. Gregg.
 Refinery under construction.
 Daily capacity, estimated 2,500 bbls.

Henryetta Oil and Refining Co., Henryetta.

Capital stock, \$250,000.
 President, Wm. Brink.
 Vice-president, J. G. Edwards.
 Secretary, J. C. Cline.
 Treasurer, J. R. Vaughan.
 Producers of crude oil and natural gas.
 Refiners and distributors of refined products.
 Refinery under construction.

Wabash Refining Co., Hominy.

Executive office, Tulsa, Okla.
 Capital stock, pref., \$350,000; com., \$150,000.
 President, L. W. Baxter.
 Vice-President, C. E. King.
 Sec'y and treas., D. G. Kehrer.
 Manager, C. E. King.
 Superintendent, Geo. B. Dartois.
 Process used: Dartois.
 Capacity of plant, 1,200 bbls. per day.

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

Totem Gasoline Co., Jenks.

Executive office, Tulsa, Okla.
 Capital stock, \$1,000,000.
 President, F. S. Larabee.
 Secretary, W. E. Burk.
 Treasurer, R. B. Pringle.
 Manager, R. B. Pringle.
 Annual prod., gasoline, 1,000,000 gals.
 Annual sales, gasoline, 1,000,000 gals.

In storage: Oil, 18,128 bbls.; fuel oil, 34,253 bbls.; gasoline, 99,342 gals.
 Annual sales, gasoline: Shipments, 2,269,944 gals.
 No. of tank cars owned, 30.

Lawton Refining Co., Lawton.

Capital stock, \$25,000.
 President and gen'l mgr., J. R. Travis.
 Secretary and treasurer, A. E. Senter.
 Refinery at Lawton.

Naphthiol Manufacturing Co., Oklahoma City.

(Plant under construction.)
 Capital stock, \$50,000.
 President, J. P. Williams.
 Vice-president, H. C. Hyde.
 Sec'y and treas., Guy F. Shields.
 Purchasing agent, H. C. Hyde.
 Manager, Dr. F. C. Thiele, Chemist.
 Superintendent, Chas. F. Thiele.
 Process: Thiele.
 Capacity, 500 bbls. per day.

Muskogee Refining Co., Muskogee.

Capital stock, \$500,000.
 Annual dividend, 20 p. c.
 President, John M. Crawford.
 Sec'y and treas., A. J. Vaughan.
 Manager, A. A. G. Scherbel.
 Superintendent, J. J. Cassidy.
 Process: Straight distillation.
 No. of tank cars owned, 250.

Allied Refining Co., Okmulgee.

Executive office, Tulsa, Okla.
 Capital stock, \$250,000.
 Annual dividend, 10 p. c.
 President, E. L. Robinson.
 Secretary, E. A. Ewing.
 Manager, supt., pur. agt., Benj. Kalkhoff.
 Process: Continuous distillation and Jenkins cracking stills.
 Quality of oil produced: Naphtha, 35 degrees gravity, crude. Gasoline content, 17 p. c.; a trace of sulphur.
 No. of tank cars owned, 89; leased, 102.

North American Oil & Refining Corp., Oklahoma City

Executive office, 914 Colcord Bldg.
 Capital stock, \$3,000,000.
 President, Irving H. Wheatcroft.
 Secretary, Edwin C. Ruff.
 Treasurer, John Maney.
 Manager, Murray H. Warren.
 Location of 3 refineries: Pemeta, Okla.; Rose-dale, Kan.; Sheffield, Mo.
 Miles of pipe line owned, 30.
 Process used, Parker.
 Production: Gas oil, 20,000 gals. daily; gasoline, 30,000 gals. daily.
 No. of tank cars owned, 256.

Okmulgee Producing and Refining Co., Okmulgee.

Capital stock, com., auth. \$5,000,000, issued, \$4,000,000.
 Annual div., 10 p. c.; extra div., 5 p. c.
 President, E. G. Crocker.
 Vice-pres. and gen'l mgr., F. A. Young.
 Asst. gen'l mgr., W. C. Mee.
 Treasurer, Harlan Read.
 Secretary, Harlan Read.
 Refinery at Okmulgee, Okla.

Oneta Refining Co., Oneta.

Capital stock, \$250,000.
 President, J. P. Howe.
 Secretary, H. C. Meier.
 Treasurer, J. M. Roland.
 Manager, D. T. Caspary.
 Miles of pipe line owned, 25.
 No. of tank cars, 53.
 Production, crude oil, 400 bbls. per day.

Crescent Refining Co., Newkirk.

Capital stock, \$752,075.
 Annual dividend, 24 p. c.
 President, J. R. Utterbach.
 Secretary, W. A. Doty.
 Treasurer, W. T. Utterbach.
 Manager, J. R. Utterbach.
 Superintendent, H. C. Moore.
 Miles of pipe line owned, 20.
 Blaisdell continuous process used.
 Tank cars owned, 80.
 Daily capacity, 1,000 bbls.

The Osage Gasoline Co., Ochelata.

Executive office, 1012 Baltimore Ave., Kansas City, Mo.
 Capital stock, \$300,000.
 President, W. H. McCrum.
 Secretary, B. E. Bush.
 Treasurer, W. H. McCrum.
 Manager, John J. McPherson.
 Miles of pipe line owned, 65.
 No. of tank cars, 24.
 Annual prod., gasoline, 1,000,000 gals.
 Annual sales, gasoline, 1,000,000 gals.

Equality Refining Co., Oilton.

Executive office, 509 Majestic Bldg., Oklahoma.
 Capital stock, pref., \$50,000; com., \$50,000.
 President, Robert A. Lysle.
 Sec'y and treas., J. D. Bunou.
 Manager and pur. agent, F. E. Hooper.
 Superintendent, E. S. Bennett.
 Process: Straight refining.
 (Will be in operation about Feb. 1, 1918.)

Atwood Refining Co., Oklahoma City.

Capital stock, pref., \$104,330; com., \$271,405.
 Annual dividend paid, pref., 10 p. c.; com., 10 p. c.
 President and manager, Weston Atwood.
 Secretary, I. S. Mahan.
 Treasurer, J. L. Wilkin.
 Superintendent, E. H. Long.

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

The Akin Gasoline Co., Tulsa.

Location of plants, Bartlesville, Dewey and Bixby, Okla.
 Capital stock, \$40,000.
 President, D. A. Bartlett.
 Secretary, F. L. Bartlett.
 Treasurer, L. S. Randolph.
 Miles of pipe line owned, 50.
 No. of tank cars, 10.
 Annual production, gasoline, 1,100,000 gals.

Constantin Refining Co., Tulsa.

Office, 1016 Kennedy Building.
 Capital stock, \$75,000.
 President, E. Constantin.
 Secretary, O. Bourg.
 Treasurer, M. Constantin.
 Manager, E. Constantin.
 Superintendent, J. Constantin.
 Refinery at West Tulsa.
 Miles of pipe line owned, 23.
 Daily capacity, 12,000 bbls.
 Process, Skimming.
 No. of tank cars owned, 288.

Consumers Oil and Refining Co., Tulsa.

Capital stock, \$500,000.
 President, F. C. Hoyt.
 Secretary, Mathews Nelson.
 Treasurer, Mathews Nelson.
 Miles of pipe line owned, 10.

Duluth-Augusta Petroleum Co., Tulsa.

Location of plant, Sapulpa, Okla., and Augusta, Kan.
 Secretary, Leo Kaufman.
 Manager, Leo Kaufman.
 No. of tank cars, 30.
 (This company is merely a selling organization taking the output of the above two refineries.)

Great American Refining Co., Tulsa.

Capital stock, issued, preferred \$500,000.
 Annual dividend, 7 p. c.
 President and mgr., Jos. O. More.
 Vice-pres., T. J. Ryan.
 Sec'y and treas., R. M. Blackmore.
 Superintendent, Joseph Donnelly.
 Refinery at Jennings, Okla.
 Miles of pipe line owned, 10.
 Process, Continuous.
 Annual production: gas oil, 3,000,000 gals.; gasoline, 5,748,750 gals.; distillates, 4,599,000 gals.
 Quality of oil: Naphtha, 58-60 degrees.
 No. of tank cars owned, 96.

Mid-Co. Gasoline Co., Tulsa.

President, M. M. Travis.
 Sec'y and treas., L. E. Z. Aaronson.
 Manager, Cornelius Kroll.
 Pur. agent, G. W. Allen.
 Superintendent, Cornelius Kroll.
 Refinery located in West Tulsa, Okla.
 Annual production, gas oil, 17,000,000 gals.; gasoline, 38,000,000 gals.
 No. of tank cars owned, 500.

Mileage Gasoline Co., Tulsa.

Executive office, 206-8 Kennedy Bldg., Tulsa.
 Location of plants, Bartlett, Red Fork, Bald Hill, Okla.
 Capital stock, \$530,000.
 President, H. Appleman.
 Secretary, A. M. Appleman.
 Treasurer, A. J. Lewis.
 Manager, A. J. Lewis.
 Miles of pipe line owned, 25.
 No. of tank cars, 26.
 Annual production, gasoline, 2,000,000 gals.

Pan-American Refining Co., Tulsa.

Capital stock, pref., \$600,000; com., \$399,988.
 Annual dividend, pref., 7 p. c.; com., 7 p. c.

 President, J. M. Burk.
 Secretary, Myers Gross.
 Treasurer, J. W. McNeal.
 Purchasing agent, J. M. Killian.
 Manager, C. F. Hopkins.
 Superintendent, Westen Coast.
 Refinery at West Tulsa, Okla.; distributing station in Tulsa.
 40 miles of 6-in. and 22 miles of 4-in. pipe in yards.
 Process: Ordinary (6,000 bbls. per day) and Cosden High Pressure Stills (2,000 bbls. per day.)
 Annual prod.: Gas oil, 2,500,000 gals.; gasoline, 7,500,000 gals.; no lubricating oils.
 In storage: Crude oil, 100,000 bbls.; gasoline, 10,000 bbls.; distillates, 25,000 bbls.
 Annual sales: Shipments, 7,500,000 gals.; local, 500,000 gals.
 No. of tank cars owned, 600.

Petroleum Producing and Refining Co., Tulsa.

President, Geo. H. Bradford.
 Secretary, R. T. Epperson.
 Treasurer, N. F. Lauener.
 Manager and pur. agent, Ed. C. Reynolds.
 Asst. manager, N. F. Lauener.
 (Plant under construction.)

Stewart Refining Co., Inc., Tulsa.

President, W. R. Stewart.
 Treasurer, E. M. Cowkey.
 Manager, G. W. Snedden.
 Location of refinery, West Tulsa, Okla.

Tulsa Gasoline Manufacturing Co., Tulsa.

Executive office, 310 Scott Bldg.
 Capital stock, \$15,000.
 President, T. C. Hughes.
 Secretary, W. E. Rohde.
 Treas. and mgr., W. E. Rohde.
 Miles of pipe line owned, 8.
 No. of tank cars, 1.
 Annual prod., gasoline, 200,000 gals.
 Annual sales, gasoline, 200,000 gals.

Wright Producing and Refining Corporation, Tulsa.

Capital stock, auth., \$5,000,000; issued, \$450,000.
 Bonds outstanding, \$500,000; due annually to 1922; int. rate, 6 p. c.
 President, G. N. Wright.
 Secretary, W. A. Brownlee.

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

Treasurer, James A. Hobson.
 Purchasing agent, E. L. Talman.
 Superintendent, E. M. Corah.
 Location of refinery, Cherryvale, Kan.
 Process used, Converter system.
 Quality of oil: Naphtha; gravity of, 52-54 degrees.
 No. of tank cars owned, 26.
 (Refinery is just completed; unable to give information as to output, sales, etc.)

Wilson Refining Co., Wilson.

Exec. office, New Wilson, Okla.
 Capital stock, \$75,000.
 President, Wm. A. Rogers.
 Secretary, W. B. Gill.
 Treasurer, W. J. Hickman.
 Superintendent, E. W. Piper.
 Miles of pipe line owned, 4½.
 Process used: Straight run stills, with steamer and agitator, treating with chloride of lime and soda.

Home Oil Refining Co., Yale.

Executive office, 504 So. Boston, Tulsa, Okla.
 Capital stock issued, \$290,000.
 Dividend paid, annual rate, 12 p. c.
 President, Bendet Isaacs.
 Secretary, Fay T. Chew.
 Treasurer, Moritz Hilder.
 Purchasing agent, M. A. Isaacs.
 Manager, M. A. Isaacs.
 Superintendent, Eugene Solow.
 Location of refinery, Yale, Okla.
 Process used, Lorch.
 Annual production: Fuel oil, 350,000 bbls.; gasoline, 5,500,000 gals.
 In storage: Crude oil, 2,500 bbls.; fuel oil, 7,500 bbls.; gasoline, 100,000 to 125,000 gals.
 No. of tank cars leased, 175.
 Above figures are approximated as company has not been in existence a whole year.

Southern Oil Corporation, Yale.

Executive office, 1,005 Kennedy Bldg., Tulsa, Okla.
 President, R. A. Ayers.

Yale Oil Corporation, Yale

Capital stock, auth., \$50,000; issued, \$44,200.
 President, L. B. Hancock.
 Sec'y and treas., F. B. Hancock.
 Superintendent, C. H. Gifford.
 Refinery at Yale.

PENNSYLVANIA

Bradford Oil and Gasoline Co., Bradford.

Location plant, Bills Camp, McKean Co., Pa. (Partnership.)
 W. T. Daugherty and H. K. Daugherty.
 Secretary and manager, H. K. Daugherty.
 Miles of pipe line owned, 24 miles.
 Annual production, gasoline, 250,000 gals.

Emery Manufacturing Co., Bradford.

Proprietor, Lewis Emery, Jr.
 Manager, Lewis Emery.
 Sales Manager, W. A. McCafferty.

Superintendent, A. Lackman.
 Miles of pipe line owned, 69.
 No. of tank cars owned, 92.

Kendall Refining Co., Bradford.

Capital stock, \$750,000.
 Annual dividend, 10 p. c.
 President, Otto Koch.
 Sec'y and treas., P. C. Hubbard.
 Distributing stations at Buffalo and Dunkirk, N. Y., and Hartford, Conn.

 Annual prod., gasoline, 50,000 bbls.

Warren Gasoline Co., Eldred.

Executive office, 101 Main St., Bradford, Pa.
 Capital stock, \$148,000.
 President, R. T. Zoot.
 Sec'y and treas., Wm. J. Sloan.
 Manager, R. T. Zoot.
 Miles of pipe line, 50.
 No. of tank cars, 12.
 Annual prod., gasoline, 799,017 gals.
 Annual sales: Shipments, 799,017 gals.

Emlenton Refining Co., Emlenton.

Capital stock, \$200,000.
 President, P. J. Bayer.
 Secretary, T. B. Gregory.
 Treasurer and manager, S. Messer.
 No. of tank cars owned, 48.

Bayerson Oil Works, Erie.

Capital stock, \$100,000.
 President, P. J. Bayer.
 Secretary, W. K. Bayer.
 Treasurer, C. P. Grunden.
 Compounding plant at Erie, Pa.
 Distributing stations at North East, and
 Girard, Pa.
 Owns no pipe line nor tank cars.

The B. B. Stroud Co., Farmers Valley.

Executive office, Bradford, Pa.
 Capital stock, \$1,000,000.
 President, F. G. Bishoff.
 Secretary, Frank K. Leighton.
 Treasurer, Frank K. Leighton.
 Manager, B. B. Stroud.
 Miles of gas pipe line owned, 70.
 No. of tank cars, 10.
 Annual sales, gasoline, 2,160,000 gals.

Foco Oil Co., Franklin.

Capital stock, \$20,000.
 President and mgr., H. F. Grant.
 Sec'y and treas., G. W. Black.
 Superintendent, C. E. McElheney.
 Refinery under construction.

Franklin Oil Works, Franklin.

Capital stock, \$20,000.
 President, J. Reamer.
 Annual production, crude oil, 240 bbls.
 Annual sales, shipments, 24,000 gals.
 Compounding only; no stills.

Galena-Signal Oil Co., Franklin.

Capital stock, pref., \$2,000,000; com., \$12,-
 000,000.
 Annual dividend, pref., 8 p. c.; com., 12 p. c.
 President, Gen. Charles Miller.
 Sec'y and treas., J. French Miller.
 Pur. agent, Geo. C. Miller.

 Location of plants: Franklin, Pa.; Bayway,
 N. J.; Parkersburg, W. Va.; Whiting,
 Ind.; Rouen, France.
 26 distributing stations in the United States.
 Manufacturers and compounders of lubricat-
 ing and illuminating oils and greases.
 No gas oil.

The Freedom Oil Works Co., Freedom.

President, P. L. Craig.
 Sec'y and treas., C. E. McKee.
 Manager and pur. agent, E. J. Bischoffberger.
 Distributing stations in Pennsylvania, New
 York State, West Virginia, Maryland and
 Ohio.
 No. of tank cars, owned, 97.

Kane Gasoline Co., Kane.

Executive office, Bradford, Pa.
 Capital stock, \$50,000.
 President, R. T. Zoot.
 Secretary and treasurer, Wm. J. Sloan.
 Manager and pur. agent, R. T. Zoot.
 Superintendent, H. P. Atwell.
 Process used, Bessemer.
 Annual prod., gasoline, 956,049 gals.
 Annual sales, gasoline: Shipments, 956,049
 gals.
 No. of tank cars owned, 10.

Pennsylvania Refining Co., Ltd., Karns City.

Capital stock, \$15,000.
 Annual dividend, 30 p. c.
 President, J. A. Beck.
 Secretary, W. W. Beck.
 Treasurer, Geo. E. McGill.
 Gen'l manager, J. A. Beck.
 Refinery at Karns City, Pa.
 Process, Straight distillation.
 Annual production: Gas oil, 107,400 gals.;
 gasoline, 122,045 gals.; petrolatum, 1,368,-
 456 lbs.
 In storage: crude oil, 416 bbls.; fuel oil, 574
 bbls.; gasoline, 18,911 gals.
 Quality of oil: Naphtha, 54 degrees; gasoline
 content, 29 p. c.
 Annual sales, gasoline: Shipments, 93,130 gals.
 No. tank cars owned, 5.

Starlight Refining Co., Karns City.

(Partnership.)
 President, W. H. Pickard.
 Sec'y, treas. and pur. agt., W. J. Anderson.
 Manager, W. J. Anderson.
 Superintendent, C. E. Pickard.

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

Refinery and distributing stations. Karns City, Pa.

Annual production: Fuel oil, 240,000 gals.; gasoline, 96,000 gals.

Annual sales, gasoline: Shipments, 96,000 gals.

No. of tank cars owned, 4.

(Specialize in petrolatum, 500 bbls. per mo.)

Continental Refining Co., Oil City.

Location of refinery, Cornplanter Township, Venango County, Pa.

Capital stock, \$50,000.

President, A. F. Anderton.

Secretary, J. W. Anderton.

Treasurer, T. A. Anderton.

Superintendent, W. J. Anderson.

Annual production: Gas oil, \$1,520,000 gals.; gasoline, 1,612,000 gals.; lubricating oils, 1,750,000 gals.

In storage: Oil, 26,000 bbls.; fuel oil, 6,000 bbls.; gasoline, 253,000 gals.; distillates, 50,000 gals.

Quality of oil: Naphtha, 0.54 to 0.72.

Annual sales, gasoline: Shipments, 1,500,000 gals.

No. of tank cars owned, 50.

Cumberland Pipe Line Co., Inc., Oil City.

(Engaged in the transportation and storage of crude petroleum in the State of Kentucky only.)

The Eureka Pipe Line, Oil City.

(Engaged in the transportation and storage of crude petroleum oil in the State of West Virginia only.)

Penn American Refining Co., Oil City.

Capital stock, \$2,000,000.

President and treasurer, C. L. Suhr.

Secretary, D. J. Cavanaugh.

Superintendent, Plant No. 1, L. D. Fulton.

Superintendent, Plant No. 2, D. J. Harvey.

Refineries at Oil City and Ransville.

Refine: Penna. Crude.

Capacity, 2,500 bbls. daily.

No. tank cars owned, 225.

South West Penna. Pipe Lines, Oil City.

(Engaged in the transportation and storage of crude petroleum oil in the State of Pennsylvania only.)

W. H. Daugherty & Son Refining Co., Petrolia.

New York City office, 262 Pearl St.

Capital stock, \$100,000.

President, Dr. F. Sonneborn.

Vice-president, S. B. Sonneborn.

Gen'l mgr. and sec'y, F. S. Stern.

Treasurer, M. Pick.

Refinery at Petrolia.

Atlantic Refining Co., Philadelphia.

Office, 3144 Passyunk Ave.

Capital stock, auth. and issued, \$5,000,000.

President, J. W. Van Dyke.

Vice-president, W. P. Cutler.

Vice-pres. and gen'l mgr., W. M. Irish.

Secretary, W. D. Anderson.

Treasurer, Henry S. Mustin.

Refineries located at Philadelphia, Pa.; Pittsburgh, Pa., and Franklin, Pa.

Distributing stations in Pennsylvania, Delaware, and Eastern States.

Manufactures lubricating oils.

Crew Levick Company (Del.), Philadelphia.

Capital stock, 100,000.

President, Wm. P. Lehrer.

Secretary, E. E. McWhiney.

Treasurer, Thomas A. Wallace.

Miles of pipe line owned, 210.

Capacity of refineries, 80,000 bbls. per month.

No. of tank stations, 149.

No. of tank cars, 196.

Ohio Cities Gas Co. (Marcus Hook), Philadelphia.

Executive office, Columbus, O.

(See this company's report in "Parent Cos." and "Appendix.")

Capacity, 4,000 bbls.

Storage capacity, 880,000 bbls.

Crude runs, 1,066,107 bbls.

Beaver Refining Co., Pittsburgh.

Location of plants, Washington, Pa.

Capital stock, \$500,000.

President, Harry N. Dauler.

Secretary, H. C. TerBush.

Treasurer, C. B. Mercer.

Manager, H. H. Fuller.

No. of tank cars, 25.

Miller's A. D. Sons Co., Pittsburgh.

Proprietors, R. B. Miller, John B. Miller and A. D. Miller, Jr.

Refinery at Pittsburgh, Pa.

Annual production: Gasoline, 1,236,300 gals.; lubricating oils, 618,165 gals.

In storage: Crude oil, 3,675 bbls.; fuel oil, 341 bbls.; gasoline, 131,957 gals.; distillates, 70,350 gals.

Quality of oil: Naphtha, 54 degrees; gasoline content, 30 p. c.

Annual sales, gasoline: Shipments, 142,347 gals.; local, 1,717,653 gals.

No. tank cars owned, 26.

Riverside Eastern Oil Co., Pittsburgh.

Office, Benedum Trees Building.

Capital stock, pref., \$1,000,000; common, \$2,000,000.

Annual dividend, pref., 7 p. c.; common, 3 p. c.

President, O. D. Robinson.

Secretary and treasurer, E. D. Robinson.

Purchasing agent, F. G. Peters.

Superintendent, A. N. Kerr.

Plants and blending stations in Pennsylvania and West Virginia.

Miles of pipe line owned, 61.

Manufacture gasoline from casing-head gas by compression.

Annual production, gasoline, 1,628,856 gals.

In storage: Gasoline, 256,560 gals.

Annual sales, gasoline: Shipments, 2,047,008 gals.

No. tank cars owned, 32.

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

Riverside Western Oil Co., Pittsburgh.

Office, Benedum Trees Building.
Capital stock, pref., \$986,200; common,
\$1,500,000.

Annual dividend, pref., 7 p. c.; common, 6 p. c.
President, O. D. Robinson.
Secretary and treasurer, E. D. Robinson.
Purchasing agent, F. G. Peters.
Manager, H. C. Meyers.
Superintendent, A. N. Kerr.
Refineries in Delaware and Eram, Okla.
Miles of pipe line owned, 70.
Process: Compression and condensation of
casing-head gas.

Annual production, gasoline, 2,600,000 gals.
In storage: Gasoline, 520,567 gals.
Annual sales: Shipments, 8,000,000 gals.
No. tank cars owned, 65.

Waverly Oil Works Co., Pittsburgh.

Executive office, 54th St. and A. V. R. R.
Capital stock, \$400,000.
President, David E. Weir.
Secretary and treasurer, Harry H. Willock.
Purchasing agents: (Office) G. J. Willock;
(works) D. E. Weir.
Manager, George J. Willock.
Superintendent, David E. Weir.
Process: Continuous distillation.
No. of tank cars owned, 44.

Crystal Oil Works, Rouseville.

Executive office, Oil City, Pa.
Partners, J. A. Fawcett and E. V. D. Selden.
No. of tank cars, 44.
Annual prod., crude oil, 200,000 bbls.

Maloney Oil and Manufacturing Co., Scranton.

New York office, 17 Battery Place.
President, Martin Maloney.
Vice-pres. and treasurer, M. W. Collins.
Plants at Scranton, Pottsville, Carbondale
and Wilkes-Barre, Pa.
This company specializes in paraffin base gas
and fuel oils free from sulphur; also re-
finers and manufacturers of gasoline and
lubricating oils and greases.

Empire Oil Works, Reno.

Executive office, Oil City, Pa.
Proprietor, A. L. Confer.
Secretary, J. F. Means.
Treasurer, E. W. Chase.
Refinery at Reno, Pa. Distributing station,
Montreal, Que.
No. of tank cars owned, 76.

The Fred. G. Clark Co., Warren.

Executive office, Cleveland, O.
President, Wm. E. Wall.
Secretary, F. I. Harding.
Treasurer, R. J. Wall.
Refinery at Warren, Pa. Distributing sta-
tions in Cleveland, Chicago, Minneapolis.

Mutual Refining Co., Warren.

Capital stock, \$200,000.
President, W. F. Bennett.
Secretary, A. W. Eaton.
Treasurer, Geo. H. Jackson.

Manager, H. G. Eaton.
Superintendent, A. T. Eaton.
No. of tank cars owned, 28.

Pennsylvania Oil Products Refining Co., Warren.

(See report under Eldred, Pa.)

Superior Oil Works, Warren.

Capital stock, \$175,000.
President, Frank Morrison.
Secretary, Fred B. Jackson.
Treasurer, Herbert G. Eaton.
Manager, Herbert G. Eaton.

Beaver Refining Co., Washington.

Office, 555 Union Arcade, Pittsburgh, Pa.
Capital stock, \$300,000.
President, H. N. Dauler.
Secretary, H. C. TerBush.
Treasurer, C. B. Mercer.
Superintendent, H. W. March.
Sales mgr., H. H. Fuller.
Distributing stations at Pittsburgh, Pa., Belle
Vernon and Waynesburg, Pa.
No. tank cars owned, 11.

Wayne Naphtha Co., Waynesburg.

Executive office, 308 Columbia Bank Bldg.,
Pittsburgh.
Capital stock, \$15,000.
President, H. A. Quay.
Secretary, E. E. Duvall.
Treasurer, R. W. Hay.
Manager, S. C. Preston.
Annual prod., gasoline, 50,000 gals.
Annual sales, gasoline: Shipments, 20,000
gals.; local, 30,000 gals.

TEXAS**Magnolia Petroleum Co., Dallas.**

Refineries at Beaumont, Corsicana and Fort
Worth, Tex.
Capital stock, auth., \$30,000,000; issued,
\$22,000,000.
Bonds, \$9,603,000; due 1937; int., 6 p. c.
President, John Sealy.
Vice-president, E. R. Brown.
Secretary, Courtney Marshall.
Treasurer, W. C. Froctor.
Pipe lines in Texas extend to Healdton and
Cushing oil fields.
Supply stations through Texas, Oklahoma,
Kansas and Arkansas.
Production, approx., 30,000 bbls. crude oil per
day, in Texas, Oklahoma and Kansas.

Great State Oil and Refining Co., Humble.

Executive office, Houston, Tex.
Capital stock, \$150,000.
President, J. H. McCracken.
Secretary, C. C. Cannan.
Treasurer, C. C. Cannan.
Manager, J. H. McCracken.
Annual production, crude oil, 3,000 bbls.
(Gasoline skimming plant not yet in opera-
tion.)

METAL HOSE AND TUBING CO., BROOKLYN, N.Y.

Humble Oil and Refining Co., Houston.

Capital stock, \$4,000,000.
 President, R. S. Sterling.
 Secretary, F. M. Sterling.
 Treasurer, F. M. Sterling.
 Pur. agent, S. A. Giraud.
 Refineries at San Antonio and Humble, Tex.
 Distributing stations at Houston and San Antonio.
 Miles of pipe line owned, 10.
 No. of tank cars owned, 105.

Petroleum Refining Co., Houston.

Executive office, 1502 Carter Bldg.
 Capital stock, \$1,000,000.
 President, F. C. Smith.
 Secretary, W. N. Long.
 Treasurer, L. J. Drake, Jr.
 Pur. agent, A. M. Bowman.
 Superintendent, E. R. Lederer.
 Refinery at Galena, Tex.
 No. tank cars leased, 250.

The Texas Co., Houston.

New York office, 17 Battery Place.
 (For capitalization, bonds, etc., see Parent Cos.)
 President, E. C. Lufkin.
 Secretary, C. P. Dodge.
 Refineries at Port Arthur, Port Neches, Dallas, Tulsa and Lockport.
 Capacity, 70,000 bbls. per day.
 Storage capacity: Steel, 28,000,000 bbls.; emergency, 3,000,000 bbls.
 No. tank cars owned and leased, 2,970.

Wichita Valley Refining Co., Iowa Park.

Capital stock, \$50,000.
 President, John T. Overburg.
 Sec'y and treas., J. F. Royal.
 Manager, John T. Overburg.
 Superintendent, Geo. A. Sourickier.

 (British American Oil Co., Toronto, Canada, leases Greenstreet Process license from Canadian Gasoline Corp.).

The Importance of High Percent CO₂ in Boiler Flue Gases will be furnished free by mentioning this book.

PRECISION INSTRUMENT COMPANY : : : : DETROIT, MICHIGAN

CHEMICAL CONTROL OF GAS MANUFACTURE

**By W. M. Russell, Mgr., and F. Wills, Gen'l Supt.
 Emporia Gas Co., Emporia, Kansas.**

PART I.—"Practical Application" deals with the retort house. **PART II.**—"Elementary Chemical Theory" provides the necessary fundamentals.

The Book has 140 pages with 47 illustrations and numerous reference tables and diagrams. Smallest possible use of technical language or formulæ is made, and every description of elementary principles is based on actual demonstration to workers, in the writers' experience.

APPENDIX

Containing Brief Historical Data and Financial Status of the Companies Reported.

BIRMINGHAM RAILWAY, LIGHT AND POWER COMPANY, BIRMINGHAM, ALA.

The Birmingham Railway, Light & Power Co. was incorporated June 6, 1901, under the laws of the State of Alabama, as a consolidation of the old Birmingham Railway, Light and Power Co., the Birmingham Gas Co. and the Consolidated Electric Light Co.

The Company owns or controls and operates the entire street railway, gas, electric light and power and steam heat business in the City of Birmingham and all the principal nearby cities and towns, except electric lighting in North Birmingham. Power lines were extended to the latter section in 1912.

The franchises covering the electric light and power business are unlimited in time, except in a few sections. The gas franchises are unlimited in time.

CAPITALIZATION.

	Authorized	Outstanding
Common stock (\$100 par)	\$3,900,000	\$3,900,000
Preferred stock, 6% cumulative (\$100 par)...	3,500,000	3,500,000

Dividends (6%) have been paid regularly on the preferred stock (January 1 and July 1) since issuance, except in 1915, when 3 per cent was paid, and in 1916 and 1917, in addition to the regular 6 per cent dividend, 1 per cent was paid on the 1915 accrual.

Dividends have been paid on the common stock as follows: 1903, 3 per cent.; 1904, 4 per cent.; 1905, 4 per cent.; 1906, 5 per cent.; 1907, 1908, nothing; 1909, 2 per cent.; 1910, 5 per cent.; 1911, 7 per cent.; 1912, 8 per cent.; 1913, 6 per cent.; 1914, 6 per cent.; 1915, 1916 and 1917, nothing;

Transfer Agents for Stock.—American Trust & Savings Bank, Birmingham, and Commercial-Germania Trust & Savings Bank, New Orleans.

Registrars.—First National Bank, Birmingham; Isidore Newman and Son, New Orleans.

FUNDED DEBT.

	Authorized	Outstanding
Birmingham Railway & Electric Co. 1st mtg. 5% bonds	\$250,000	\$860,000
General mtg. refunding 4½% bonds.....	10,000,000	8,720,000
Refunding and extension mtg. 6% bonds.....	25,000,000	4,734,000
Two year 6 per centum gold notes	2,000,000	1,312,000

Birmingham Railway & Electric Co. 1st mtg. gold 5s, dated July 2, 1894; due July 2, 1924. Interest payable January 1 and July 1, at Central Trust Co., of New York, N. Y. Trustee, Birmingham Trust & Savings Co., Birmingham, Ala. Denomination, \$1,000. Coupon, with priv-

ilege of registration of principal only. No option of prior payment. \$225,000 redeemed and canceled through the sinking fund and \$165,000 exchanged for 4½% bonds, and held by Trustee of 4½% bonds, as additional security. Secured by a first lien on 45 miles of railway lines in Birmingham. Sinking Fund, \$12,500 annually, payable to trustee. May purchase bonds at not higher than 105; bonds so purchased to be canceled.

Birmingham Railway, Light & Power Co. gen. mtg. gold 4½s, dated April 1, 1904; due April 1, 1954. Interest payable April 1 and October 1, at office of trustee or at New York Trust Co., New York, N. Y. Trustee, Commercial-Germania Trust & Savings Bank, New Orleans, La. Denomination, \$1,000. Coupon, with privilege of registration of principal only. Authorized, \$10,000,000. Outstanding, \$8,720,000. The balance cannot be issued. Secured by a first mortgage on all property except 45 miles of track covered by the (\$860,000) Birmingham Railway & Electric Co., mortgage due 1924. Optional at 105 and interest on any interest day on 60 days' notice. Sinking fund, one half of 1 per cent of all outstanding bonds payable to trustee, August 1, 1924, and annually thereafter. May purchase these bonds at not over 105, callable by lot. Bonds purchased to be canceled. This fund will retire not less than \$1,150,000 bonds before the issue matures.

Birmingham Railway, Light & Power Co., refunding and ext. mtg. gold 6s, dated May 1, 1907; due May 1, 1957. Interest payable May 1 and November 1, at office of trustee or at Company's agency in New York. Directors may make the rate of interest of succeeding instalments not exceeding 6 per cent. Trustee, Old Colony Trust Co., Boston, Mass. Denomination, \$1,000. Coupon, with privilege of registration of principal only. No option of prior payment. Authorized, \$25,000,000; outstanding, \$4,734,000. Secured by mortgage on the entire property, subject to \$8,720,000 general 4½s due 1954, and \$860,000 Birmingham Railway & Electric Co. 1st 5s, due 1924. The unissued bonds are reserved as follows: \$9,617,000 to retire underlying bonds; \$1,200,000 for the cost of the new power house, if first lien on same, and \$9,449,000 for 80 per cent of cost of additional property if net earnings for previous twelve months are one and one-half times interest on all bonds outstanding, including those to be issued; provided 10 per cent of gross earnings have been expended for maintenance during the same period.

Sinking Fund.—One-half of 1 per cent of all outstanding bonds payable to trustee September, 1918, and annually thereafter. May buy these

Coal Gas Plants, Water and Gas Works Appliances, Hydraulic Machinery, Pumping Engines and Purifiers

R. D. WOOD & CO., PHILA., PA.

APPENDIX

bonds at not over 4½ per cent basis. Bonds purchased to continue to draw interest, which shall be reinvested.

Annual meeting of stockholders held in May at San Francisco, Cal.

Company's fiscal year ends December 31.

LOS ANGELES GAS AND ELECTRIC CORPORATION, LOS ANGELES, CALIFORNIA.

The Los Angeles Gas and Electric Corporation is a consolidation of the Los Angeles Gas and Electric Company, organized in 1904, and the Pasadena Consolidated Gas Company, organized in 1896. The Los Angeles Gas and Electric Company succeeded to the business of The Los Angeles Electric Company, organized in 1882, and the Los Angeles Lighting Company, organized in 1889.

CAPITAL STOCK.—First preferred 6 per cent cumulative, authorized, \$4,000,000; issued, none. Second preferred 6 per cent cumulative, authorized, \$6,000,000; issued, none. Common authorized, \$20,000,000; issued, \$10,000,000.

BONDS.—First and refunding 5s: authorized, \$15,000,000; issued, \$4,947,000. Constituent Company Bonds: Los Angeles Lighting Company 5s, issued \$944,000; The Los Angeles Electric Company 5s, issued \$482,000; Los Angeles Gas and Electric Company 5s, issued \$1,993,000. \$654,000 of the foregoing bonds are held in the sinking funds of constituent companies, and \$784,000, first and refunding 5s, in addition to foregoing, have been cancelled.

Of the authorized \$15,000,000 first and refunding mortgage bonds, \$3,419,000 are reserved to retire the Constituent Company bonds mentioned above, and \$5,850,000 are reserved in escrow and can be issued for not exceeding 75 per cent of the cash cost of permanent extensions and additions of and to the plants and

properties of the corporation, but only when the net earnings for the preceding year, after deducting all operating expenses and taxes, shall have been at least one and three-fourths times the annual interest charge on all bonds outstanding and those applied for.

TRUSTEES OF BONDS.—Union Trust Company of San Francisco, and Harris Trust and Savings Bank, Chicago.

EARNINGS AND EXPENSES.

for Years ended December 31.

	1916.	1917.
Gross earnings	\$4,833,266	\$5,031,074
Operating expenses and taxes	2,659,774	3,044,981
Net earnings	\$2,173,492	\$1,986,093
Bond int. paid.....	418,414	389,823
Surplus	\$1,755,078	\$1,596,270

Attention is directed to the fact that the net earnings for the year 1917 were over five times the annual interest charge of \$385,600 on all outstanding bonds (other than those in sinking funds) Dec. 31, 1917.

DEPRECIATION—SINKING FUND.

It is the policy of the Corporation to make liberal allowances for depreciation, \$7,563,480 having been written off since May 1, 1904.

For twenty years the largest Gas Companies in America and England have used the GOODMAN STOPPER.

SAFETY GAS MAIN STOPPER COMPANY,

263 East 133rd Street, New York, N. Y.

The Corporation is required to make annual sinking fund payments, which began July 1, 1910, equal to 2 per cent of the total amount of bonds outstanding.

PROPERTY.—The Corporation has a thoroughly modern equipment for the manufacture and distribution of gas and electricity for light and power, and in addition has extensive holdings of real estate valued at \$1,500,000, including 20.80 acres in Los Angeles, most of which is in the down-town district. Gas is generated at the works in Los Angeles principally from crude petroleum. Plants consist of twenty-three sets of generating apparatus, having a rated capacity of 31,140,000 cubic feet in twenty-four hours, and scrubbers, condensers, purifiers, station meters, and auxiliary apparatus sufficient for operation. Holders with a combined capacity of 15,000,000 cubic feet are located in Los Angeles and Pasadena. On January 1, 1918, the distributing systems consisted of 1,431½ miles of gas mains, including two trunk mains from the gas works in Los Angeles to the distributing system in Pasadena. The territory served was well covered, 144,783 gas meters being in service, of which 14,254 were in Pasadena. During the year 1917 gas to the amount of 4,676,891,000 cubic feet was sold. The base rates charged for gas range from 68 cents to 85 cents per thousand feet, according to territory served. Bills are computed on the block system with discounts of from three cents to forty cents per thousand.

The electric plant consists of 12,000 horsepower (builders' rating) in boilers, 25,150 horsepower (builders' rating) in steam engines and turbines, and 23,469 horsepower (builders' rating) in electrical apparatus. This plant

served 40,869 consumers on January 1, 1918, from 2,788.70 miles of overhead main wire and 21.84 miles of underground conduits. The total connected load was about 77,363 horsepower.

The Corporation operates directly under the provisions of the constitution of the State of California. Its rights for the conduct of its business are adequate and equal to the life of the Corporation.

The corporation carries on a large and profitable gas and electric business in Los Angeles and controls all of the gas business in Pasadena, So. Pasadena, Alhambra, Huntington Park, Inglewood, Eagle Rock, Watts, San Gabriel, San Marino and part of Vernon, Monterey Park and other suburban districts. Two-thirds of the gross earnings are derived from the sale of gas.

The territory served by the Los Angeles Gas and Electric Corporation has a population of about 674,000, of which 590,000 are in the City of Los Angeles, 46,500 in Pasadena, and 37,500 in South Pasadena, Alhambra, Huntington Park, Vernon, Inglewood, Eagle Rock, Watts, San Gabriel, San Marino and other suburban districts.

OFFICERS.—W. B. Cline, President; Wm. Baurhyte, Vice-President; C. S. Vance, Second Vice-President; C. A. Luckenbach, Third Vice-President; A. B. Day, General Manager; T. P. McCrea, Secretary; Horace Cline, Treasurer; F. E. Seaver, Assistant Secretary; H. L. Phelps, Assistant Treasurer.

DIRECTORS.—W. B. Cline, Wm. M. Van Dyke, William Baurhyte, C. S. Vance, C. A. Luckenbach, C. O. G. Miller and A. Schilling.

ANNUAL MEETING.—Fourth Wednesday in January.

MIDLAND COUNTIES PUBLIC SERVICE CORPORATION, LOS ANGELES, CAL.

Incorporated Nov. 29, 1909, in California, and has acquired the properties of the Coalinga Water & Electric Co., Midland Counties Gas & Electric Co., Paso Robles Light & Water Co. and Russell Robinson Light & Water Co. Operates Coalinga District in western portion of Fresno County, southern part of Monterey, San Luis Obispo County, and northern part of Santa Barbara County. Principal towns served, Coalinga, San Miguel, Paso Robles (electricity and water), San Luis Obispo (gas and electricity), Santa Maria and Arroyo Grande (electricity and water). Power purchased from San Joaquin Light & Power Corp. at Henrietta substation.

CAPITAL STOCK.—Authorized, \$2,000,000; outstanding, \$1,000,500; par, \$100.

BONDED DEBT.—\$267,000 Midland Counties Gas & Electric Co. first gold 6s; dated Jan. 1, 1912; due Jan. 1, 1922; int. J & J 1, at Los Angeles Trust and Savings Bank, Trustee. Coupon, \$1,000; principal may be registered. Authorized issue, \$1,000,000, but mortgaged closed. Subject to call at 105 and interest on any interest date on or after Jan. 1, 1915. Sinking and improvement fund, 2 per cent per annum, with a deposit of 2 per cent of the bonds outstanding on March 1, 1915, one-half of the amount deposited to be

held by the Trustee and released on statements of the company to pay for permanent additions and improvements to the property, and the other one-half to be forthwith invested by the Trustee in the bonds of this company. A first lien on entire property of former Midland Counties Gas & Electric Co. Interest paid without deduction for Normal Income Tax.

\$45,000 Coalinga Water & Electric Co. first gold 6s; dated Jan. 1, 1910; due Jan. 1, 1940; int. J & J 1, at Southern Trust Co., Los Angeles, Trustee. Authorized issue, \$2,000,000, but mortgage is closed. Of these bonds, \$555,000 have been certified, of which \$455,000 retired, \$48,000 alive in sinking fund and \$45,000 are outstanding and \$7,000 repurchased and held by Company. Sinking fund commencing Jan. 1, 1913, 1½ per cent annually on outstanding bonds for five years; Jan. 1, 1918, 2 per cent for five years; Jan. 1, 1923, 2½ per cent for five years; Jan. 1, 1928, 3 per cent for twelve years. Normal Income Tax deducted from interest.

\$574,000 first and refunding bonds; dated Oct. 1, 1913; due Oct. 1, 1953; int. A & O 1, at Los Angeles and New York. Authorized issue, \$3,000,000, of which \$497,000 with public, \$77,000 certified unsold. Security Trust & Savings Bank, Los Angeles Trustee. Subject to call at 107½

Test Meters, steel cases, with capacities from 1/10 to 1 cubic foot per revolution, reading fractional quantities direct and adding up and indicating large volumes. Write for Bulletin.

PRECISION INSTRUMENT COMPANY : : : : DETROIT, MICHIGAN

and interest. Sinking fund; 1916 to 1925; 2 per cent of outstanding bonds; 1926 to 1935, 2½ per cent; 1936 to 1953, 3 per cent. Interest paid without deduction for Normal Income Tax.

INCOME ACCOUNT, year ended Dec. 31, 1917.—Gross earnings, \$286,863; operating expenses, \$168,315; net earnings, \$118,548. Charges: Bond interest, \$49,779; other deductions, \$39,720—Balance for year, \$29,048.

Annual meeting, second Tuesday in February. General office, 805 Garland Building, Los Angeles, Cal.

SOUTHERN CALIFORNIA EDISON COMPANY, LOS ANGELES, CAL.

Southern California Edison Co. was incorporated in July, 1909, in California, as a reincorporation of The Edison Electric Co., Los Angeles; incorporated originally in 1896 as a California corporation, and in 1902 as a Wyoming corporation.

On May 26, 1917, the company purchased the physical properties of the Pacific Light & Power Corporation, together with the controlling interests, in other smaller companies. Controls through stock ownership Mt. Whitney Power* & Electric Company, Santa Barbara Gas & Electric Company, San Joaquin & Eastern Railroad Company and Santa Barbara & Suburban Railway Company. In December, 1917, purchased the physical properties of Ventura County Power Company. This greater Edison Company now operates a comprehensive system for the generation, transmission and distribution of electric energy, operating throughout Southern California and in the San Joaquin Valley, covering an area of 55,000 square miles, having a population of more than 1,000,000.

FRANCHISES—The franchise rights of the Company, in municipal corporations, are unlimited as to time on streets occupied on October 10, 1911, and are conferred by Section 19, Article XI, of the California Constitution, as it existed prior to its amendment, October 10, 1911.

As to rights-of-way for transmission lines not upon public highways, the Company either has perpetual easements or owns the property in fee. As to substantially all lines on public highways outside the limits of municipal corporations, the Company holds satisfactory franchises which expire between 1940 and 1959.

During 1914 the United States Supreme Court rendered a decision, with reference to the rights of holders of constitutional franchises, under which this Company secures in perpetuity a blanket franchise in all the incorporated cities in which it was operating prior to October 10, 1911.

TERRITORY SERVED.—The Southern California Edison Co. and its controlled companies operate electric properties throughout Southern Cali-

fornia and in the San Joaquin Valley. This territory, with a population of over 1,000,000, includes 10 counties with a combined area greater than that of New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New Jersey and Delaware.

Over 150 cities and towns are served with electricity for power, light and heat, either directly or at wholesale, the most important being Los Angeles, Pasadena, Riverside, San Bernardino, Santa Barbara, Long Beach, Santa Monica, Redlands, Oxnard, Ventura, and in the San Joaquin Valley the cities of Visalia, Tulare and Porterville.

GENERAL STATISTICS. SOUTHERN CALIFORNIA EDISON COMPANY AND CONTROLLED COMPANIES—Capacity of Electric Plants: Water Power Plants (17), 158,920 h. p.; Steam Stations (8), 143,510 h. p.; total, 302,430 h. p.

Miles of Lines—Miles of transmission line, 1,422; miles distributing system, 7,714.

ADDITIONAL COMMON STOCK—In June, 1917, the California Railroad Commission approved the issue and sale of \$2,500,000 new common stock which has since been sold; and in October, 1917, an additional \$2,500,000.

BONDED DEBT—Total, \$45,209,500, including \$1,978,000 debentures as of Dec. 31, 1917.

\$10,000,000 General and Refunding Mortgage 2-year 6 per cent Gold Bonds, "Series of 1917"; dated July 1, 1917; due July 1, 1919; interest, J. & J. 1 in New York, Chicago or Los Angeles; Harris Trust and Savings Bank, Chicago, Ill., and Los Angeles Trust and Savings Bank, Los Angeles, Cal., Trustees. Coupon bonds of \$500 and \$1,000 denomination with privilege of registration as to principal only; authorized, \$136,000,000, of which "Series of 1917" is limited to an authorized amount of \$75,000,000. Escrow Bonds may be issued to reimburse the company for 75 per cent of expenditures for acquisitions, extensions and additions to the company's properties, provided net earnings for the preceding twelve months have been at least one and three-fourths times the annual bond interest charge on all bonds outstanding, including those to be issued. Escrow bonds may also be issued dollar for dollar for the retirement of underlying bonds and also for the retirement of \$1,978,000 debentures of 1915, due March 15, 1920, which are secured equally with the General and Refunding Mortgage Bonds. Special Trust Fund to be deposited with the Trustee on the first day of March and on the first day of September each year, beginning with the year 1918, cash equal in each case to one per cent of the aggregate par value of outstanding bonds of the company, including the bonds of this issue and all underlying bonds and debentures of 1915 outstanding in the hands of the public, after providing for sinking fund payments made to Trustees of underlying mortgages. This money may be withdrawn for the cost of acquisitions, extensions, against which no General and Refunding Bonds shall be issued, or at the option of the company may be used for the retirement of General and Refunding Bonds, or for the purchase of underlying bonds. Subject to call on any interest date at 100½ and accrued interest. Secured by a direct mortgage on all property, rights and franchises of the company, subject to the underlying bonds still outstanding. No additional underlying bonds can be issued unless pledged as additional security for the General and Refunding Mortgage Bonds. Interest paid without deduction for two per cent Normal Income Tax.

\$13,360,000 General Mortgage Gold 5's; dated November 1, 1909; due, November 1, 1939; interest, J & J 1, at Harris Trust & Savings Bank, Chicago, and Los Angeles Trust & Savings Bank,

Los Angeles, Cal., Trustees, and Bankers Trust Company, New York. Coupon, \$1,000; principal may be registered. Authorized, \$30,000,000; sufficient reserved to retire prior liens; balance may be issued to reimburse company for 75 per cent of cost of permanent improvements from January 1, 1910, provided net earnings for preceding year are at least equal to one and three fourths times the interest charge on all bonds issued and to be issued. Sinking fund, beginning in 1910, cash equal to 2 per cent of outstanding bonds under this and prior mortgages to be deposited with Harris Trust & Savings Bank, Trustee, may be applied to sinking fund of prior mortgages, permanent improvements, or retiring bonds issued under this mortgage. Subject to call on any interest date at 105 and interest. A lien on entire property. Interest paid without deduction for 2 per cent Normal Income Tax.

\$2,806,000 The Edison Electric Company (of Wyo.) First and Refunding Gold 5's; dated Sept. 1, 1902; due Sept. 1, 1922; interest M & S 1, at Harris, Forbes & Co., New York, and Los Angeles (Cal.) Trust & Savings Bank, Trustee. U. S. Mortgage & Trust Company, New York, co-trustee. Coupon, \$1,000; principal may be registered. Authorized, \$10,000,000; but no more will be issued. Sinking fund, 1½ per cent of outstanding bonds. Subject to call at 110 and interest on any interest date. Sufficient amount of above described General 5's reserved to retire these bonds. Secured on all property formerly of The Edison Electric Company of Los Angeles. Listed on San Francisco Stock and Bond Exchange.

\$45,000 United Electric Gas & Power Company First 5's; dated Dec. 1, 1900; due Dec. 1, 1920; interest J & D 1, at Citizens Trust & Savings Bank, Los Angeles, Trustee, and at agency in New York. Sinking fund of \$15,000 per annum began Jan. 2, 1905. Original issue, \$500,000. Mortgage closed.

\$390,000 Edison Electric Company (of California) First 5's; dated Sept. 1, 1899; due Sept. 1, 1929; interest M & S 1, at Citizens National Bank, Los Angeles, and at agency in New York. Title Insurance & Trust Company, Los Angeles, Trustee. Authorized, \$1,250,000; mortgage closed. A sufficient amount of Southern California Edison General 5's reserved to retire these bonds.

There are also outstanding \$48,000 Edison Electric Company of Los Angeles 6's of 1927.

\$1,978,000 Five-Year 6 per cent Convertible Gold Debentures; dated March 15, 1915; due March 15, 1920; interest M & S 15, in New York, Chicago or Los Angeles. Coupon, \$1,000; principal may be registered. Authorized issue, \$5,000,000. Los Angeles (Cal.) Trust & Savings Bank, Trustee.

These debentures were issued to provide funds for permanent extensions and additions to the company's plants and properties. Under the terms of Southern California Edison Company General and Refunding Mortgage of 1917 these Debentures are now secured equally with bonds issued under that mortgage. Subject to call on any interest date at 101 and interest. Convertible at the option of the holder into

common stock of the Southern California Edison Company on the basis of eleven shares of stock (par \$100) for each \$1,000 Debenture. First publicly offered (\$2,000,000) in May, 1915, at par and interest. Interest paid without deduction for 2 per cent Normal Income Tax.

\$7,278,000 Pacific Light & Power Company First Mortgage Gold 5's: dated July 1, 1902; due July 1, 1942; interest, J & J 1, at National Bank of Commerce, New York and Union Trust Company, San Francisco, Trustee. Coupon, \$1,000; principal may be registered. Authorized issue, \$10,000,000, of which \$264,000 reserved to retire a like amount of bonds of San Gabriel Electric Company, and \$2,458,000 have been retired by sinking fund. Sinking fund, Jan. 1, 1905, to Jan. 1, 1909, inclusive, 2 per cent of bonds outstanding; 1910 to 1942, 2½ per cent. Said fund is to be invested in the bonds at not exceeding 110; otherwise in other securities. Interest paid without deduction for 2 per cent Normal Income Tax.

\$264,000 San Gabriel Electric Company First 6's: dated Feb. 26, 1898; due April 1, 1928; interest A & O 1, at Company's office, Los Angeles. Coupon, \$1,000; principal may be registered. Union Trust Company, San Francisco, Trustee. Subject to call at 104 and accrued interest at any time. Original issue, \$500,000, of which \$236,000 retired to Jan. 1, 1918.

\$37,000 Mentone Power Company First 5's: dated Dec. 1, 1901; due Dec. 1, 1931; interest, J & D 1, at Company's office and at Union Trust Company, San Francisco, Trustee. Total issue, \$300,000, of which \$263,000 is in sinking fund.

\$8,135,000 Pacific Light & Power Corporation First and Refunding Sinking Fund Gold 5's: dated Sept. 1, 1911; due Sept. 1, 1951; interest, M & S 1, at United States Mortgage & Trust Company, New York, Trustee, and at company's office, Los Angeles. Principal and interest payable also in London, at \$4.86 per pound sterling; in France and Switzerland, fcs., 5.18; Germany, marks, 4.20; Holland, florins, 2.48. Coupon (principal may be registered) and registered, \$1,000 interchangeable. Subject to call as a whole (or in part, by lot, for sinking fund) at 105 and int., on any interest date, upon sixty days' notice. Authorized issue, \$35,000,000, of which \$10,000,000 were issuable for the new development at Big Creek. In addition to the \$8,135,000 of these bonds outstanding, \$1,123,000 are held alive in the sinking fund, and \$5,000,000 are deposited under Southern California Edison Company General Mortgage of 1909.

Sinking fund provides for annual payments, from Sept. 1, 1914, equal to 1 per cent of the maximum amount of First and Refunding bonds issued (whether or not outstanding), as well as bonds reserved for refunding.

Secured by a first mortgage on all of the developments constructed by the Pacific Light & Power Corporation since it began active business in 1911. This includes principally the Big Creek plants, the high tension transmission lines from Big Creek to Eagle Rock, the Eagle Rock sub-station, the high tension lines running from San Fernando westward through Ventura

County, the distributing loop around the city of Los Angeles and the turbine portion of the steam plant at Redondo. Also a lien, subject to the prior liens, on the other power plants and distributing systems formerly owned by Pacific Light & Power Corporation. First publicly offered (\$10,000,000) in Jan., 1912, at 92 and interest. Interest paid without deduction for 2 per cent Normal Income Tax.

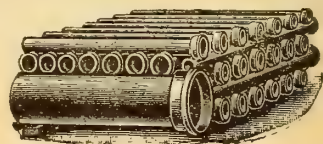

\$175,500 Ventura Water, Light & Power Company First Mortgage 6 per cent Gold Bonds: dated July 9, 1901; due May 1, 1921; interest M & N 1 at Los Angeles Trust & Savings Bank, Los Angeles, Cal. Coupon, \$500; principal may be registered. Authorized issue, \$250,000, of which \$74,500 have been retired. Callable on any interest date after May 1, 1906, at 101 and interest. Title Insurance & Trust Company, Trustee.

\$693,000 Ventura County Power Company Sinking Fund 30-Year Gold Bonds: dated Nov. 1, 1906; due Nov. 1, 1936; interest, 6 per cent, M & N 1 at Los Angeles Trust & Savings Bank, Los Angeles, Cal., and Liberty National Bank, New York. Coupon, \$1,000; principal may be registered. Authorized issue, \$1,000,000, of which \$176,000 reserved to retire a like amount of Ventura Water, Light & Power Co. First Mortgage 6's; and \$131,000 have been retired by sinking fund. Sinking fund, beginning 1911, 2 per cent of outstanding bonds. Sinking fund to be used to retire outstanding bonds at not exceeding 101 and accrued interest. Callable on any interest date at 101 and accrued interest. Title Insurance & Trust Company, Los Angeles, Cal., Trustee.

Annual meeting, last Thursday in February.

SOUTHERN CALIFORNIA GAS COMPANY, LOS ANGELES, CAL.

The Southern California Gas Co. was incorporated in October, 1910, and acquired all the property formerly owned by the Domestic Gas Co. of Los Angeles, the Riverside Light & Fuel Co., and San Bernardino gas property of the Pacific Light & Power Corporation.

FRANCHISES.—The rights and franchises under which the Company operates in Los Angeles are unlimited in time.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock	\$4,000,000	\$875,000
Common stock	6,000,000	6,000,000
Shares, \$100.		

BOND STATEMENT.

Southern California Gas Co. first mtg. 6% bonds, auth. \$10,000,000; out- standing and assumed (since July 1, 1917)	\$3,382,000.
Riverside Light, Fuel & Power Co. 5% bonds outstanding	30,000

First mortgage 6 per cent gold sinking fund bonds are dated November 1, 1910; due November 1, 1950. Callable at 105 and interest on and after November 1, 1915. Interest payable semi-annually May 1 and November 1, in New York City. Denomination, \$1,000. Coupon or registered interchangeable bonds. Equitable Trust Co. of New York (successors to the Trust Company of America), trustee.

SECURITY OF BONDS.—The Southern California Gas Co. first 6s, 1950, are secured by an absolute first mortgage on the entire property of the Company, subject to \$30,000 underlying divisional bonds covering a minor portion of the present system.

SINKING FUND.—The mortgage provides for a sinking fund calling for annual cash payments, from 1921 to 1949, ranging from \$60,000 to \$140,000 annually, a total of \$3,000,000 during the life of the bonds. One-half of these payments must be used in the retirement of bonds of this issue. The balance can be used for new construction and the acquisition of new property, under restrictions similar to those covering the issuance of escrow bonds.

DESCRIPTION OF PROPERTY.—The Southern California Gas Co. property in the City of Los Angeles consists of a modern gas plant having a capacity of 8,000,000 cu. ft. per day. The main buildings of the works are all of concrete and steel construction and entirely fireproof.

The Company's new plant at Colton (completed in December, 1911) has a generating capacity of 2,000,000 cu. ft. per day, supplying the distributing systems owned in San Bernardino, Riverside and Colton. In addition, the Company owns two reserve plants at San Bernardino and Riverside, with a total capacity of about 250,000 cu. ft. per day.

The Company's distributing system comprises 700 miles of mains, serving directly over 38,865 consumers, not including the wholesale business of the Company.

TERRITORY SERVED.—The Southern California Gas Co. supplies a considerable portion of the City of Los Angeles, and, in addition to this service, supplies gas to the following cities and towns: Glendale, Tropic, Compton, Athens, Riverside, Arlington, San Bernardino, Rialto, and wholesale to Long Beach, Wilmington, San Pedro, Santa Monica, Venice, Ocean Park and Sawtelle. The total population supplied by the Company is approximately 575,000.

The position of the Southern California Gas Co. has been further strengthened through the control by it of an important natural gas supply which is being introduced in Los Angeles and vicinity, and which will be in part distributed by this Company and in part wholesale to other companies operating in that territory.

STATEMENT OF EARNINGS.

(For year ending Dec. 31, 1917.)

SOUTHERN COUNTIES GAS CO. OF CALIFORNIA.
Principal office, 724 South Spring Street, Los Angeles, Cal.

The Southern Counties Gas Co. of California was incorporated February 27, 1911, under the laws of California, and is a consolidation of Piedmont Gas Co., Monrovia, Covina Valley Gas Co., Southern California Edison Co., Whittier, Orange County Gas Co., Anaheim, Orange & Fullerton, Home Gas Co., Fullerton, Southern California Edison Co., Santa Ana. In accordance with its plan, the Company purchased in June, 1916, all the gas properties formerly operated by the Southern California Edison Co. and the Long Beach Consolidated Gas Co., with the exception of the gas property at Santa Barbara, and connected them with the system operated by the Southern Counties Gas Co., making up the present system, which supplies in the neighborhood of forty cities and towns and a large territory adjacent to its transmission lines, serving a population estimated at 250,000. Entire system is served with natural gas from the natural gas fields in this district and carries a calorific value of 1,100 B. t. u.

The company has in reserve seven fully equipped artificial gas generating plants and more than 850 miles of mains. The number of consumers exceeds 43,000.

FRANCHISES—For the most part, operates under perpetual rights under the Constitution of California, the balance of the properties under long-time franchises.

CAPITALIZATION.

	Authorized	Outstanding
Common stock	\$2,500,000	\$1,500,000
Shares, \$100.		

FUNDED DEBT.—Bonds, first mortgage, 20-year sinking fund $5\frac{1}{2}$ per cent, authorized \$10,000,000, issued \$3,049,000. Dated May 1, 1916; due May 1, 1936. Interest payable May 1 and November 1 at Central Trust Co. of Illinois, Chicago, or Los Angeles Trust & Savings Bank, Los Angeles. Denominations, \$1,000, \$500 and \$100. Principal may be registered. Callable at 102½ and interest on any interest date.

SINKING FUND.—The Company covenants that beginning February 1, 1923, it will annually deposit with the trustee an amount in cash equal to 2 per cent of the bonds outstanding, of which one-half shall be devoted to the redemption of bonds by purchasing same in the open market or calling at 102½ and interest and the balance to permanent improvements to the Company's property, which shall not be made the basis for the certification of additional bonds.

NOTES—Two-year 6 per cent gold notes, dated December 1, 1917; due December 1, 1919; authorized and outst., \$400,000. Redeemable on any interest date at 101 and interest. Interest

payable June 1 and December 1. Principal and interest payable at Central Trust Co. of Illinois, Chicago, Trustee. Coupon notes of \$1,000, \$500 and \$100 denominations, with privilege of registration as to principal. Interest is payable without deduction or account of 2 per cent Normal Federal Income Tax.

The annual stockholders' meeting is held on the second Wednesday in January each year at Los Angeles, Cal. The fiscal year of the Company ends December 31.

SAN JOAQUIN LIGHT AND POWER CORPORATION, LOS ANGELES, CAL.

The San Joaquin Light and Power Corporation was incorporated under the laws of California, July 19, 1910, and acquired all of the property formerly belonging to several well-established public service corporations in the San Joaquin Valley, including the San Joaquin Light and Power Company, serving the territory centering at Fresno; the Power Transit and Light Company of Bakersfield and its subsidiaries; and the Merced Falls Gas and Electric Company.

Supplies electricity for lighting, power and pumping purposes, throughout the San Joaquin Valley, including the cities of Merced, Madera, Fresno, Selma, Hanford, and Bakersfield and 50 other towns and small cities. Population served about 250,000.

The Midland Counties Public Service Corporation, controlled in same interest, purchases all of its power from the San Joaquin Light and Power Corporation.

Franchises: The rights under which the corporation operates are without limitation in point of time in the cities. Franchises outside of the incorporated limits, with two exceptions, extend beyond the life of the bonds. About one-half the total length of transmission lines are on private right-of-way.

The corporation owns and has in operation five important hydraulic generating plants, a steam reserve plant in Fresno, a modern steam turbine plant in Bakersfield and a modern steam turbine plant at Betteravia of 2,500 kw. capacity. The electric generating capacity of these plants amounts to 65,000 h. p. Water is received at the principal hydraulic generating plant from the Crane Valley reservoir under the exceptional high head of 1,412 feet. The corporation has in operation 782 miles of high tension transmission lines; the current is transformed at 33 substations and distributed through 2,432 miles of distributing lines. Natural gas is distributed in Bakersfield and artificial gas in Kern, Merced and Selma; a street railway system of 10.51 miles of track is operated in the cities of Bakersfield and Kern, supplemented by the operation of automobile bus lines in outlying territory and water is furnished for domestic purposes in Selma and Madera. The combined gas plant capacity is 3,775,000 cubic feet daily and the combined distributing system aggregates 90 miles of mains. A massive dam at the outlet of Crane Valley has been constructed, increasing capacity of reservoir to 51,000 acre feet (twelve times its former capacity) thus providing ample water to operate the hydraulic plants to their full capacity during the entire season, with large amount in reserve.

The corporation owns important water rights,

capable of development at moderate expense, permitting a large increase of generating capacity whenever market conditions warrant.

Operating statistics, December 31, 1917—Light consumers, 23,078; power consumers, 3,325; gas consumers, 5,546; hydraulic capacity, 42,700; steam capacity, 22,300 h. p.; reservoir capacity, 51,000 acre feet.

Under the management of H. M. Byllesby & Co., Chicago, Ill.

Annual meeting of stockholders held the first Tuesday in January at San Diego. Company's fiscal year ends December 31.

COAST COUNTIES GAS AND ELECTRIC COMPANY, SAN FRANCISCO, CAL.

The Coast Counties Gas and Electric Co. was organized under the laws of the State of California, Mar. 20, 1912, for the purpose of purchasing and operating the properties of the Coast Counties Light and Power Co., Big Creek Light and Power Co., San Benito Light and Power Co., which properties have been deeded to the Coast Counties Gas and Electric Co. subject to their respective bonded indebtedness, and these issues are now closed. In addition to the purchases above enumerated, it was necessary to provide for the payment of the floating debt and to furnish capital for the extension of its lines in the rapidly growing territory served by the Company. This needed capital has been secured entirely through the sale of the preferred and common stock of the Company; there being no bond issue provided, the bonded indebtedness of the Company being limited to the underlying issues.

FRANCHISES.—The interpretation of counsel of the Company is that its franchise rights in municipalities are in accordance with Article II of the California Constitution, unlimited in time. Its transmission lines run largely over a private right of way owned in fee, and County franchises covering portions of the lines running over the County highways extend until 1946 to 1959.

CAPITALIZATION.

Original preferred, 6% cum.	\$1,000,000	\$1,000,000
First preferred, 6% cum.	1,000,000	100,100
Common stock	2,000,000	1,000,000
Shares, \$100. Dividend on pref. (both issues) stock, annual rate 6%, payable quarterly.		

OUTSTANDING BONDS.—The Coast Counties Gas & Electric Co. has issued no bonds, having provided for its financing through the sale of cumulative preferred and common stock. As will be noted from the financial statement, the outstanding bonds of the merged companies amount to a total of \$1,508,000.

SINKING FUND.—There are at present in the sinking funds of the various companies bonds to the par value of \$131,000 and cash \$3,772.09. All

bonds are kept in the sinking fund for interest purposes, the interest being added to the sinking fund for the retirement of outstanding bonds.

The Coast Counties Light & Power Co. sinking fund commenced June 30, 1911; 1 per cent of bonds annually.

The Big Creek Light & Power Co. sinking fund commenced March 30, 1908; \$3,600 per annum to be applied to the purchase of these bonds.

San Benito Light & Power Co. sinking fund commences June 30, 1915; 1 per cent of bonds annually.

All of the bonds purchased of these issues are kept alive for sinking fund accumulations.

TERRITORY SERVED.—The territory served by the company extends from the towns of Morgan Hill and Ben Lomond on the north, to Hollister on the south, and westward to the coast, including the cities of Santa Cruz, Watsonville and Gilroy, and the highly developed and growing contiguous territory.

The company has in operation one hydro-electric generating plant with a capacity of 1,080

horsepower, a steam plant at Santa Cruz with a capacity of 1,266 horsepower, and a steam plant at Watsonville with a capacity of 1,000 horsepower.

In addition, the Company has a long time contract, under very favorable terms, with the Pacific Gas & Electric Co. for such additional power as needed in supplying the demands of its territory. By its physical connection with the Pacific Gas and Electric Co. and steam plants, its customers are assured continuous and uniform service. Its distributing system consists of 87 miles of transmission lines and 675 miles of distribution lines.

The Company owns the gas plants in the towns of Santa Cruz, Watsonville and Hollister and operates municipal plant at Gilroy.

OFFICERS.—President and General Manager, S. Waldo Coleman; Vice-President, R. M. Hotaling; Secretary and Treasurer, L. W. Pryor.

DIRECTORS.—R. M. Hotaling, John C. Coleman, Louis Sloss, Joseph D. Grant, S. W. Coleman, J. Henry Meyer, W. T. Jeter.

Annual meeting held third Tuesday in March; fiscal year ends December 31.

COAST VALLEYS GAS AND ELECTRIC CO., SAN FRANCISCO, CAL.

The Coast Valleys Gas & Electric Co. was incorporated in March, 1912, under the laws of California and purchased physical properties of Monterey County Gas & Electric Co., Salinas Valley Water Co. and King City Water, Light & Power Co.

FRANCHISES.—The Company operates directly under the provisions of the constitution of the State of California. Its rights for the conduct of its business are adequate and without time limitation.

CAPITALIZATION.

Annual meeting, last Wednesday in February.

PACIFIC GAS AND ELECTRIC CO., 445 SUTTER STREET, SAN FRANCISCO, CAL.

The Pacific Gas & Electric Co. was incorporated under the laws of California in 1905. All of the properties now comprising its system, with minor exceptions, have been owned or controlled and have been operated as a single unit practically since the organization of the Company, which is the owner, in absolute fee, of all the properties which it operates. These properties, of which those heretofore belonging to the California Gas & Electric Corporation and to the San Francisco Gas & Electric Co. are the principal constituents, are devoted to the manufacture and sale of gas and electricity for light, heat and power, to street railway operations and to the sale of water. In the extent and value of its properties and assets, in the area of its operation, and in the magnitude of its revenue, the Company ranks as one of the largest and most successful public utility corporations in the United States.

FRANCHISES.—The franchise rights of the Company in municipalities are, in the opinion of counsel, unlimited in time, in accordance with Article II of the California Constitution. The larger part of the rights of way for transmission lines is owned in fee, and, where county franchises are necessary, with minor exceptions, same extend, in the opinion of counsel, beyond the maturity of the bonds.

CAPITALIZATION.

Common stock outstanding with public	\$34,004,058
Original preferred stock outstanding with public (6% cumulative)....	76,300
First preferred stock 6% cumulative:	
Issued, full paid	24,721,992
Subscribed but unissued.....	49,300

Dividend on preferred stock, annual rate 6%, payable quarterly.

BONDED DEBT.

General and refunding mortgage 5s outstanding	\$33,042,000
Underlying divisional bonds for the retirement of which a like amount of general and refunding 5s are reserved	46,361,800
Total bonded debt outstanding.	\$79,403,800

The aggregate amount of the present underlying issues can never be increased.

General and refunding mortgage 5 per cent gold bonds are dated December 1, 1911; due January 1, 1942. Interest payable January 1

and July 1. Optional as a whole January 1, 1937, or any interest date thereafter at 100 and interest, or in blocks of \$500,000 or upwards, or in any amount for sinking fund, on any interest date at 105 and interest; coupon bonds of \$1,000 denomination with privilege of registration as to principal or exchangeable for fully registered bonds. Bankers' Trust Co., trustee.

The general and refunding mortgage gold bonds are secured by a direct lien on all the properties now owned by the Company (and all extensions thereto, as well as any other property acquired by means of such bonds), subject only to the lien of the underlying divisional bonds.

The gas and electric properties of the Company, situated within the city of San Francisco, have an appraised value of about \$27,500,000, and are subject to underlying bonds aggregating only \$9,417,000. Upon the payment of these bonds, the present issue will become a first lien on such San Francisco properties, and pursuant to the provisions of the mortgage, all subsequent issues at the option of the Company may be denominated "First and Refunding Mortgage Gold Bonds," and the outstanding bonds may be exchanged for bonds in the new name.

The authorized issue of these bonds is \$150,000,000. The unissued bonds are available to the extent of \$46,340,300 for refunding the underlying issues and to the extent of \$68,802,700 to be issued under restrictions safeguarding the rights of outstanding bonds, for not exceeding 90 per cent of the cost of additions, betterments, extensions, acquisitions, etc., provided, however, the earnings available for bond interest are at least one and one-half times the annual interest on all outstanding bonds, including those to be issued, but excluding those held alive in the sinking fund.

SINKING FUND.—The general and refunding mortgage provides for semi-annual sinking fund payments to the trustee, beginning April 1, 1912, amounting annually to 1 per cent of the par value of all bonds, including the underlying bonds outstanding and those held alive in sinking funds, at the time the payments fall due. It is estimated that at the maturity of this issue more than \$38,000,000 of bonds, including underlying bonds, will have been retired through the operation of this sinking fund. The sinking fund has purchased and canceled to date \$815,000.

EQUITY.—The general and refunding bonds precede \$24,798,292.50 par value of preferred stock and \$34,004,058 par value of common having a present aggregate market value of more than \$40,000,000.

Annual meeting of stockholders held second Tuesday in April.

PACIFIC LIGHTING CORPORATION.

519 California St., San Francisco, Cal.

The Pacific Lighting Corporation was incorporated in San Francisco May 21, 1907, under the laws of California, and is a reorganization of the Pacific Lighting Company. The company controls the Los Angeles Gas & Electric Corporation, through ownership of stock.

CAPITALIZATION.

	Authorized	Outstanding
Pref. stock	\$10,000,000	\$4,162,000
Com. stock	10,000,000	4,800,000

Shares, par \$100. Transferred at office of corporation. Registrars, Union Trust Company of San Francisco.

During the year this corporation paid dividends quarterly. Upon the preferred stock at the regular rate of \$5 per annum, amounting to \$208,100. Upon the common stock the first three quarterly dividends were each at the rate of \$2.50 per share, and the last quarterly dividend was at the rate of \$3 per share, amounting on the common to \$504,000, and making the total of dividends paid \$712,100.

By resolution of the board of directors it was provided that the dividends paid May 15, 1917, were paid from the surplus profits of the corporation earned prior to March 1, 1913.

EVERYWHERE men in charge of Street Mains welcomed the GOODMAN STOPPER 20 years ago.

SANTA BARBARA GAS AND ELECTRIC COMPANY, SANTA BARBARA, CAL.

Executive offices, Edison Building, Los Angeles, Cal.

Incorporated in August, 1909, in California as a consolidation of The Merchants Mutual Light & Power Company and the properties at Santa Barbara of the Southern California Edison Company.

Supplies gas and electricity to Santa Barbara, Montecito and Miramar. Owns and operates a modern steam generating station of 2,120 kw. capacity. The gas plant has a daily capacity of 1,000,000 cu. ft. and distributing system supplying entire city. Capacity of (three) gas holders, 460,000 cu. ft. Length of mains, 76 miles. Number of consumers, gas, 4,704; electricity, 6,408. Population served about 15,000.

CAPITAL.—Authorized common, \$500,000; outstanding, \$400,900. Authorized 6% cumulative preferred, \$500,000; outstanding, \$400,000. Controlled by Southern California Edison Company through ownership of a majority of capital stock. Dividends paid in 1917: preferred, 6%, common, 4%.

BONDS.—First mtg. 5% Serial and Sinking Fund Gold Bonds, dated July 1, 1916, due \$10,000 annually July 1-20 to 1940, and \$790,000 July 1, 1941. Authorized, \$3,500,000; outstanding, \$1,000,000. Interest January and July, at Los Angeles Trust & Saving Bank, Trustee, Los Angeles, Cal., and at E. H. Rollins & Sons, New York and San Francisco, Cal. Callable at 103. Denominations, \$100 and \$500 in 1941 maturity and \$1,000 in all maturities.

SINKING FUND.—Annual cash sinking fund begins July 1, 1917, of 1% of bonds outstanding in excess of \$1,000,000. This sinking fund is to be used in purchasing or calling by lot at 103

plus accrued interest bonds of this issue maturing in 1941. In addition to this sinking fund the trust deed provides for an improvement fund beginning July 1, 1917, which requires the deposit of cash equal to 1% of all outstanding bonds, which sum may be used to retire outstanding bonds or to reimburse the company for expenditures made for permanent extensions and additions, which expenditures may not then be used as a basis against which bonds may be issued.

Interest on above bonds payable in full without deduction of normal United States income tax.

COMPARATIVE STATEMENT AS OF DECEMBER 31.

CALORIMETERS

American Meter Company

561 W. 47th St., New York, N. Y.

The American-Junkers' Calorimeter has been greatly improved and accessories added until it has been made what we consider the most advanced type of instrument for this purpose now in use. This is confirmed by the numerous orders we are constantly receiving for it from all parts of the country and that it has been furnished to all the large syndicates, State Public Utilities Commissions and the City Gas Inspectors, the Public Utilities Commission at Washington, D. C., the U. S. Bureau of Standards, and the U. S. Department of War.

voting rights. Dividends payable monthly on 6% cumulative preferred stock, on the first of month, to holders of record on the 15th of the preceding month. Par value \$100. Callable on 30 days' notice at \$110. Registrars: The German-American Trust Co., Denver, Colo., and Metropolitan Trust Co. of New York. Transfer Agents: The International Trust Co., Denver, Colo., and Henry L. Doherty & Co., New York.

FUNDED DEBT.—(1) First and refunding sinking fund 5s of Denver Gas & Electric Light Co.; authorized, \$25,000,000; outstanding, \$5,372,000; dated May 1, 1911; due May 1, 1951. Denomination, \$1,000. THE CONNECTICUT POWER COMPANY, NEW LONDON, CONN.

This company has acquired by consolidation the properties formerly owned by The New London Gas and Electric Company and The Middletown Electric Light Company, and does the entire gas, electric lighting and commercial power business in New London, Conn., and the entire electric lighting and commercial power business in Middletown, Middlefield, Durham, Portland and Cromwell, Conn. Through the purchase of the properties of The Berkshire Power Company, The Sharon Electric Light Company and The Norfolk Electric Light Company, the company does the entire electric lighting and commercial power business in North Canaan, Norfolk, Sharon and Salisbury, Conn. Under a 999-year lease the company operates the Thomaston Electric Light Company which serves Thomaston, Conn., and vicinity. From the new hydro-electric plant on the Housatonic River at Great Falls, Falls Village, Conn., where 12,000 horse power has been developed, wholesale current is furnished to public service companies in Torrington, Bristol and Hartford.

FRANCHISES.—Not limited in time.

Stock.—(Shares, \$100 par.) Non-taxable in Connecticut. Preferred authorized (by stockholders) and outstanding, \$1,250,000. Redeemable at 115. Preferred as to dividends and in case of liquidation. Common authorized (by stockholders) and outstanding, \$1,000,000.

NOTE.—Capital stock, preferred and common, authorized by charter, is unlimited, but only so much of the unissued stock shall be preferred as the stockholders may determine.

DIVIDENDS.—Preferred stock, 6% cumulative, payable March 1, June 1, September 1 and December 1. Common stock paid in 1917, 6%.

TRANSFER AGENTS.—Stone & Webster, Boston.

STOCK REGISTRAR.—Old Colony Trust Company, Boston.

BONDS.—First and consolidated mortgage, 50 year, 5% gold, due April 1, 1963:

Outstanding	\$1,928,000
In sinking fund cancelled	36,000
Authorized (see Note)	1,964,000
Callable as a whole (or in part for sinking fund) at 107½, and interest on any interest day.	

NOTE.—The amount of authorized bonds is not limited, but additional bonds may be issued only under the carefully guarded restrictions of the mortgage. The issued bonds bear interest at the rate of 5%, but the unissued bonds may bear interest at a lower rate, as determined by the Board of Directors. These bonds are issued in exchangeable denominations and forms: in coupon form in \$500 and \$1,000 denominations, registerable as to principal only; in registered

ULCO LEAD WOOL FOR ECONOMY

JACKSONVILLE GAS COMPANY, JACKSONVILLE, FLA.

The Company was incorporated July 14, 1874, under the laws of Florida. The Company does all of the gas business in the City of Jacksonville, Florida, and suburbs. Population served, 90,000 (estimated).

FRANCHISES.—Perpetual.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock	\$1,500,000	\$250,000
Common stock	3,000,000	1,500,000

Dividend on preferred stock, 7 per cent, payable March, June, September and December 1.

BONDED DEBT.

*First mortgage sinking funds 5s	\$6,000,000	\$1,880,000
6% 10-year debentures....	1,200,000	1,200,000

*Dated June 1, 1912. Due June 1, 1942. Redeemable on any interest date at 105 and interest. Interest payable semi-annually, on the first day of June and December. Coupon bonds of \$1,000 denomination. May be registered as to principal. Principal and interest payable at First National Bank, New York City, or Central Trust Company of Illinois, Chicago, Trustee.

SECURITY OF INVESTMENT.—These bonds are secured by an absolute first mortgage upon all the property, rights and franchises owned by the Company at the time of the execution of such mortgage, and such mortgage also covers all after acquired property.

SINKING FUND.—The mortgage provides for the creation of a sinking fund by the payment to the Trustee of the following named sums, which fund must be held by the Trustee as so

much additional security for the bonds, unless used to retire outstanding bonds of this issue at not exceeding 105 and accrued interest: Beginning June 1, 1917, which is at the end of five years, \$5,000 annually for a period of five years; \$10,000 annually during the next five years; \$30,000 annually during the next five years; \$35,000 annually during the next five years, and \$40,000 annually during the next five years, making a total payment of \$600,000 into the sinking fund before the maturity of the bonds.

ESCROW BONDS.—The escrow bonds are deposited with the Trustee. \$600,000 of these bonds may be used by the Company after January 1, 1914, to retire a like amount of the 6 per cent Debentures of the Company, at the rate of not more than \$100,000 a year, provided the net earnings of the Company for the preceding 12 months shall have been at least double the bond interest, including the interest on the bonds which it is proposed to use for this purpose. The remaining escrow bonds can be issued for only 80 per cent of the actual cost of improvements, betterments and additions, and then only provided the net earnings of the Company for the preceding 12 months shall have been at least double the bond interest, including the interest on the bonds which it is proposed to issue.

ADDITIONAL SECURITY OF INVESTMENT.—In order to meet the growing demands of the Company, an issue of \$1,200,000 of 6 per cent 10-Year Debenture Bonds has been authorized, \$1,035,000 of which have already been issued. These Debenture Bonds come after the First Mortgage Bonds and therefore add materially to the security of the investment.

Tycos Temperature Instruments are the result

of more than 50 years of experience as makers of high grade, accurate instruments. Tycos products are as different from ordinary instruments as unusual skill, great care and the highest standard of manufacture can make them. Write for Catalogue 600.

Annual meeting of stockholders held fourth Tuesday of March at Kissimmee, Florida. Company's fiscal year ends December 31.

TAMPA GAS COMPANY, TAMPA, FLORIDA.

The Tampa Gas Co. was incorporated under the laws of Florida.

CAPITALIZATION.—Authorized, \$600,000; outstanding, \$600,000. Shares, \$100.

FUNDED DEBT.—Bonds: First mortgage gold 5s, authorized \$1,000,000, issued \$985,000. Dated May 1, 1907; due May 1, 1937. Interest payable May 1 and November 1 at Fidelity Trust Co.,

Philadelphia, Trustee. Denomination, \$1,000 coupon, registerable as to principal.

OFFICERS.—President, John Gribbel; Vice-President, D. J. Collins; Secretary, Rosco Nettles; Treasurer, D. J. Collins; Manager, Rosco Nettles.

DIRECTORS.—John Gribbel, D. J. Collins, P. O. Knight.

GEORGIA RAILWAY & POWER CO., ATLANTA, GA.

The Georgia Railway & Power Company was incorporated on October 16, 1911, under the laws of Georgia.

In addition to the properties acquired in the early part of 1912, the Georgia Railway & Power Co. has acquired by purchase properties on the Tallulah River for the construction of the hydro-electric development at Tallulah Falls and for the storage reservoir at

Mathis, Ga., on the Tallulah River, about seven miles from Tallulah Falls. Also the dam across the Tallulah River; the intake, tunnel and forebay, power house, machinery and equipment at Tallulah Falls; the Steel Tower transmission line extending from Tallulah Falls to Atlanta, Ga., and from Atlanta, Ga., to Rome, Ga., and Newnan, Ga., and wooden-pole transmission line extending from Rome, Ga., to the Tennessee

HOLDERS, WATER AND GAS WORKS APPLIANCES, PIPE

R. D. WOOD & CO., PHILA., PA.

State line, and from Atlanta, Ga., to Social Circle, Ga., and Monroe, Ga., and from Newnan, Ga., to Carrollton, Ga., together with electric sub-stations. Also various distributing systems, and a line of electric railroad, extending eight miles.

The Georgia Railway & Power Company owns four developed hydro-electric plants, viz., one at Tallulah Falls, Ga., one at Gainesville, Ga., one on the Chattahoochee River, one on the Savannah River; and also owns property controlling other undeveloped powers on the Etowah, Chattahoochee, Tugaloo and Savannah Rivers.

CAPITALIZATION.—First preferred stock (6% cumulative) authorized, \$2,000,000; second preferred (4% non-cumulative), authorized \$10,000,000; common stock, authorized, \$15,000,000. Shares, \$100. Transfer agents, Old Colony Trust Co., Boston, Mass. Registrar, American Trust Company, Boston, Mass. Par value, \$100.

The first preferred stock may also be transferred at Atlanta (Ga.) Trust Co. and registered at the Trust Co. of Georgia, Atlanta, Ga.

Second preferred has preference over the common stock, to the extent of receiving 4% non-cumulative dividends. Its preference ceases whenever it and the common have received as much as 4 per cent per annum for three (3) consecutive years, when it becomes common.

Voting trust agreement dated March 18, 1912.

Trustees of voting trust certificates: H. M. Atkinson, Bradley W. Palmer, C. Elmer Smith, George G. Moore, Randal Morgan, Percy R. Pyne, Elliott G. Stevenson.

Depository: Old Colony Trust Company, Boston, Mass.

**BONDED DEBT—TOTAL \$14,003,500, AS OF
DECEMBER 31, 1917.**

\$12,167,000.* First and refunding 5s; dated April 1, 1914; due April 1, 1954; interest April 1 and October 1, at the office of Fidelity Trust Company, Philadelphia, Pa., or at option of the holder, in sterling money of Great Britain at the office of Morgan, Grenfell & Company, London. Coupon, \$1,000 or £205, 15s. 3d. and \$500 or £102 17s. 7d.; principal may be registered, subject to call on April 1 in each of the years 1919 to 1923, inclusive, at 102½ per cent and accrued interest, or on any interest date thereafter at 105 per cent and accrued interest after 56 days' notice. Sinking fund payments on February 1 in each of the years: 1919 to 1924 inclusive, each year, \$75,000; 1925 to 1928 inclusive, each year, \$100,000; 1929 to 1953 inclusive, each year, \$125,000.

Bonds are callable for the sinking fund at not exceeding 102½ per cent and accrued interest to April 1, 1923, or at 105% and accrued interest after April 1, 1923. Bonds purchased for and held in the sinking fund shall be in force for the purpose of the sinking fund, but for all other

* Includes \$436,500 certified for retiring like amount of Blue Ridge Electric Co. and Savannah River Power Co. bonds.

purposes shall be considered paid. Authorized \$30,000,000, of which \$1,000,000 issued to reimburse the Company for construction and acquisition of properties, and \$11,917,000 reserved to retire prior liens. Of these \$8,865,000 have been issued and exchanged at par for a like amount of the first mortgage bonds of the Georgia Power Company; the balance for additions, extensions or improvements at 80 per cent of actual cost, and for lands for and construction of hydro-electric plants at 85 per cent of actual cost.

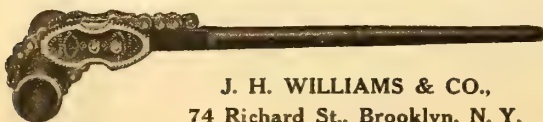

\$236,500 (closed mortgage) Blue Ridge Electric Company first gold 5s; dated July 1, 1910; due July 1, 1940; interest January 1 and July 1, at Columbia Trust Company, New York, Trustee. Coupon, \$500; principal may be registered. Authorized, \$1,370,000. The Georgia Railway and Power Company has assumed the agreement indorsed on each bond by the Georgia Power Company to purchase them at par for cash on or before October 1, 1916, or to substitute for them at its option at par Georgia Power Company first 5 per cent bonds, due 1940. These latter bonds are assumed and guaranteed by the Georgia Railway and Power Company.

\$1,400,000. Atlanta Water and Electric Power Company first 5s; dated October 1, 1903; due January 1, 1943; interest, January 1 and July 1 at Columbia Trust Company, New York, Trustee. Coupon, \$1,000; principal may be registered. Authorized, \$1,500,000; \$62,000 held in sinking fund. Sinking fund, \$5,000 per annum, January 1, 1908, to January 1, 1917; thereafter, \$10,000 per annum for purchase of bonds at not exceeding 105 per cent and accrued interest. Bonds must not be canceled, but kept alive and the interest accruing to be added to the sinking fund payments for the redemption of bonds. Subject to call at 105 per cent and accrued interest by sinking fund and drawings. A sufficient amount of Georgia Railway and Power Company first and refunding 5s are reserved to retire this issue.

\$200,000 (entire issue) Savannah River Power Company first 5s; dated October 1, 1911; due October 1, 1921; interest, April 1 and October 1 at Columbia Trust Co. Coupon, \$1,000; subject to call at par and accrued interest on any interest date. A sufficient amount of Georgia Railway and Power Company first and refunding 5s are reserved to retire this issue.

Annual meeting last Tuesday in January.

GEORGIA RAILWAY & ELECTRIC COMPANY.
(Leased to Georgia Railway & Power Company.)

Incorporated January 28, 1902, in Georgia; on April 1, 1902, took over the Atlanta Railway & Power Company, Atlanta Rapid Transit Company, Georgia Electric Light Company, and Atlanta Steam Company. Owns the entire capital stock of the Atlanta Northern Railway and the Atlanta Gas Light Company.

On March 18, 1912, the Georgia Railway and Power Co. took over under lease for 999 years from January 1, 1912, the properties of the Georgia Railway and Electric Company. The shares of the Atlanta Gas Light Co. and of the Atlanta Northern Railway Co. are not included in the premises demised under the lease, but the lessor assigned and transferred to the lessee the income arising from the said shares.

Franchises in large part, perpetual; others are

for fifty (50) years from August, 1899. As consideration for franchises, the company paid to the City of Atlanta \$50,000 in cash, and agrees to pay a tax of 1% of gross earnings from 1902 to 1904, inclusive; 2% from 1905 to 1924, inclusive, and pay 3% thereafter. Owns 211.820 miles of electric railway. Gauge, standard. Rails, 70, 80 and 90 lbs. Motor cars, 389. Power stations, 2; engines to generate power, 12. Leased to Georgia Railway & Power Company, effective January 1, 1912, for 999 years, the lessee to pay interest, taxes, and dividends of 5% on preferred, and 8% on common stocks. (See also statement of Georgia Railway & Power Company.)

CAPITAL STOCK.—Authorized and outstanding, \$8,514,600 common, and \$2,400,000 5% non-cumu-

RELIABLE

RANGES

So readily apparent are the many desirable features of "RELIABLE 'ANGLIRON'" ranges and so strongly do they appeal to the most exacting that sales are effected with least effort. Write for catalog.

GEORGIA LIGHT, POWER AND RAILWAYS, MACON, GA.

Office of the Secretary, 62 Cedar Street, New York City, N. Y.

The Georgia Light, Power and Railways was formed Sept. 18, 1911, in Massachusetts to acquire the securities of the Macon Railway and Light Company, the Macon Gas Company,

the Central Georgia Power Company, the Central Georgia Transmission Company, and for the acquisition of securities of other companies owning or operating public utilities, power plants or transmission lines in Georgia.

EFFICIENCY is the watch-word of progress. The GOODMAN STOPPER will help you attain efficiency.

SAFETY GAS MAIN STOPPER COMPANY,

Retired by sinking fund.....	137,000
Held in company's treasury.....	291,000
Outstanding	3,489,000

Bonds are dated September 1, 1911; maturing September 1, 1941. Principal and interest (March and September) payable at the office of A. B. Leach & Co., New York, or at the Bank of Scotland, London. Coupon bonds. Denom.. \$1,000, with privilege of registration of principal, or may be exchanged for registered bonds of \$1,000 and \$5,000 denomination. These bonds are redeemable at the option of the Railways on any interest date at 105 and interest upon thirty days' previous notice. The New York Trust Co., New York, Trustee.

SECURITY.—These bonds are secured by first lien on practically all (\$887,700) of the common stock of the Macon Railway and Light Company, practically all of the common stock and preferred stock of the Macon Gas Company, \$3,660,000 stock of the Central Georgia Power Company, the entire capital stock of the Central Georgia Transmission Co. and \$2,003,194 6 per cent securities of constituent companies issued to provide for extensive improvement and construction work.

All of these securities are deposited with the New York Trust Company as trustee. Accordingly through ownership of the above mentioned securities these bonds are a first lien on the Macon Gas Company and a lien upon the Macon Railway and Light Company and Central Georgia Power Company subject to prior issues, viz.: \$1,001,500 bonds of the Macon Railway and Light Company, and \$2,856,400 bonds of the Central Georgia Power Company.

SINKING FUND.—The indenture securing this issue provides that the Georgia Light, Power and Railways shall pay to The New York Trust Company, trustee, \$50,000 annually 1916 to 1920, \$75,000 annually 1921 to 1925, \$100,000 annually 1926 to 1940 for the retirement of these bonds either by purchase at the lowest price or drawn by lot at 105 and interest.

FRANCHISES.—The franchises of the Macon Railway and Light Company and the Macon Gas Company and the charters of the Central Georgia Power Company and the Central Georgia Transmission Company extend many years be-

yond the life of the bonds. All franchises and charters are exceedingly liberal and contain no objectionable restrictions.

PROPERTY.—The Georgia Light, Power and Railways, through its constituent companies, the Central Georgia Power Company, the Central Georgia Transmission Company, the Macon Railway and Light Company and the Macon Gas Company, furnishes electricity for light and power to the cities and towns of Macon, Jackson, Forsyth, Barnesville, Griffin, Bibb, Monticello, Hampton, Thomaston and Jonesboro in the state of Georgia, and also the entire gas and street railway business in the city of Macon, Ga.

In addition to above the Georgia Light, Power & Rys. through one of its constituent companies sells under a long term contract, assuring a substantial income, a large amount of electricity in the city of Atlanta, the capital of and the largest city in the State of Georgia.

The properties of the Georgia Light, Power and Railways are located and operate in the heart of one of the most prosperous and rapidly growing sections of the South, rich in agriculture and manufacturing industries of a varied character, the territory served constituting the center of the cotton belt of Georgia.

The system's hydro-electric plant (of the Central Georgia Power Company) is located on the Ocmulgee River near Jackson, Ga., about midway between Macon and Atlanta, Georgia. The plant consists of a dam of solid concrete construction of 1,070 feet in length, 102 feet in height, and power house of concrete and brick, 190 feet in length, in which there has been installed hydraulic and electrical equipment having a generating capacity of 24,000 electrical horsepower. High tension transmission lines (of the Central Georgia Power Company) extend to large, modern and in every respect up-to-date sub-stations at Macon, Forsyth, Griffin, Barnesville and Bibb (supplying Jackson and Thomaston), while the lines of the Central Georgia Transmission Company extend from the plant of the Central Georgia Power Company to Monticello and from Griffin to Hampton, Jonesboro and Atlanta, Ga.

The total length of the transmission lines extending to the various cities and towns mentioned above is about 100 miles. They represent the most modern steel tower construction. The company in addition has 37 miles of wooden pole line high tension construction.

At Macon the system, through the Macon Railway and Light Company, owns an auxiliary steam plant of 5,000 horsepower capacity, held in reserve.

The street railway department at Macon (Macon Railway and Light Co.) includes 36.26 miles of trolley lines, with adequate equipment, including 56 cars, new car barns, etc.

The gas department at Macon (Macon Gas Company) embraces a complete coal-gas manufacturing plant, three gas holders (one of 500,000 cu. ft. capacity recently completed), 54 miles of mains, etc. The gas output now exceeds 138,000,000 cu. ft. annually.

Metropolitan No. 2 Argand Burners, specified for candlepower test use by the London Gas Referee. The only burner which approaches perfect combustion of any kind of gas, whether coal gas, enriched coal gas or coal gas mixed with carburetted water gas. Write for Bulletin.

PRECISION INSTRUMENT COMPANY : : : : DETROIT, MICHIGAN

APPENDIX

There are served at Macon by the Macon Railway and Light Company over 4,000 customers with electricity, and by the Macon Gas Company about 4,100 customers with gas.

OFFICERS.—Geo. P. Toby, President; John D. Everitt, Vice-President; F. B. Lasher, Secretary and Treasurer; W. E. Fulcher, Assistant Treasurer and Assistant Secretary.

DIRECTORS.—M. J. Murphy, F. B. Lasher, Geo. P. Toby, Chas. Neilson, William W. Miller, F. W. Leach and John D. Everitt.

NORTH SHORE GAS COMPANY OF ILLINOIS.

Principal office: Chicago, Ill.

The North Shore Gas Co. first began business in 1898, supplying gas to the city of Waukegan, Ill. Extensions were commenced in 1900 and service in the remainder of the territory began in 1901. The business has shown an uninterrupted and satisfactory growth and owing to the strong ownership of the Company, its entire earnings for the past ten years have been expended on the property.

FRANCHISES.—The Company operates under long-time franchises in the towns and territory served. The franchises are without any burdensome restrictions. The shortest one expires in 1946 and the balance run a few years longer, thus insuring the continuation of the business many years beyond the maturity of these bonds.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock	\$1,000,000	\$1,000,000
Common stock	2,000,000	2,000,000

Dividend on preferred stock, annual rate 6%, payable quarterly.

FUNDED DEBT.—Bonds: 1st mortgage 5s, authorized, \$5,000,000; issued, \$1,830,000. Dated February 1, 1912; due February 1, 1937. Interest payable August 1 and February 1 at First National Bank, New York City, or at Continental and Commercial Trust and Savings Bank, Chicago. Denomination, \$1,000 and \$500, registerable as to principal. Redeemable at 103 and interest on 60 days' notice at Continental and

Commercial Trust and Savings Bank, Chicago, trustee.

\$400,000 10-year debenture bonds, authorized \$1,000,000. Central Trust Co., Trustee.

SINKING FUND.—Beginning June, 1914, and each six months thereafter the Company shall set aside as a sinking fund 10 per cent of its gross receipts from the sale of gas, by-products and residuals. This fund shall either be expended (1) on the property for the purposes for which bonds would otherwise be issuable and in lieu thereof or (2) expenditures after Oct. 31, 1913, for maintenance of the Company's plants and properties or (3) the purchase and cancellation by the trustee of outstanding bonds at or less than 103 and interest.

The remaining \$3,170,000 escrow bonds are deposited with the trustee and are issuable only at 80 per cent of actual and reasonable cash cost of additional property acquired or constructed after July 1, 1912, at such time, if within five years, as the net earnings for the preceding 12 months shall exceed one and one-half times one year's interest, and if after five years one and three-quarter times one year's interest on all bonds outstanding, including those applied for. The mortgage provides that no dividends may be declared or paid on its capital stock unless the net earnings for the preceding 12 months shall have been equal to twice the interest on the bonds outstanding.

DIRECTORS.—A. V. Foster, E. L. Millard, D. S. Boynton, W. I. Osborne, Kennett Cowan, W. A. Alexander, W. A. Baehr.

THE PEOPLES GAS LIGHT AND COKE COMPANY, CHICAGO, ILLINOIS.

The Peoples Gas Light & Coke Co. is a consolidation of the principal gas properties of Chicago, perfected in August, 1896, under authority of the State Legislature, and now controlling the entire gas business of the city. The Company operates under a charter granted in perpetuity by the State of Illinois.

The constituent companies are: The Chicago Gas Light & Coke Co., Consumers' Gas Co., Suburban Gas Co., Lake Gas Co., Illinois Light, Heat & Power Co., Equitable Gas Light & Fuel Co., Chicago Economic Fuel Gas Co., Mutual Fuel Gas Co., Hyde Park Gas Co., Calumet Gas Co., Pullman Gas Co.

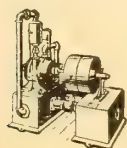

In 1907 the plants, properties and business, severally, of the Ogden Gas Co. and Universal Gas Co. were acquired by lease and are now operated by the Company. Previously the Peoples Co. bought gas of these concerns.

For history of company and agreements between it and City, see Brown's Directory for 1909, p. 317.

CAPITALIZATION.

Capital stock: Authorized, \$50,000,000; outstanding, \$38,500,000.

Dividends have been paid in each year since 1889, 6 per cent being paid in each year from

THE CORRECT AMOUNT OF AIR FOR ANY AMOUNT OF GAS. THE NEEDHAM HIGH PRESSURE GAS SYSTEM compresses and delivers the gas to the burner under uniform high pressure and by utilizing specially designed injectors supplies the correct amount of air.

EXTRACT FROM CHAIRMAN INSULL'S STATEMENT OF
FEBRUARY 11, 1918.

In the last annual report of the company the attention of the stockholders was directed to the negotiations instituted on December 9, 1915, by the Board of Directors of the Company with the city of Chicago, suggesting the advisability of substituting a heat unit standard for gas instead of the existing candle power standard.

On June 25, 1917, the City Council, after long delay, finally passed the ordinance consenting to the gradual elimination of the candle power standard, the sliding scale of rates, and the building of a coal gas plant by the company.

On July 26, 1917, the State Public Utilities Commission of Illinois established the present standards of gas and schedule of rates embodied in said ordinance.

On October 6, 1917, the company began the construction of its coal gas plant.

Owing to the abnormal times, the unprecedented increase in the cost of materials and labor used in the manufacture of gas has more than offset the economies effected by the reduction of the candle power and seriously affected the net revenue of the company. In consequence on January 17, 1918, the company filed with the State Public Utilities Commission of Illinois its petition asking for an immediate increase in rates to offset the abnormal costs of the manufacture of gas. The Commission will hear the petition on February 26, 1918.

The inventory of the company's properties referred to in the last annual report has been completed by the engineering firms William A. Baehr, Henry I. Lea, William J. Hagenah, Sanderson and Porter, and Sloan, Huddle, Fuestel and Freeman, and their valuations will be completed at an early date. Upon completion the valuations will be immediately filed with the authorities and should settle for all time the question of the relation of the value of the company's properties to its securities authorized and outstanding. The cost of making the inventory and valuation is carried in the balance sheet under the title of "Deferred Expenses" and will be written off from year to year. It is of interest to note that the inventory and valuation of the company's physical property will have taken over two years to complete and will comprise more than fifty volumes of approximately 500 pages each.

At a meeting of the Board of Directors held on October 9, 1917, it was unanimously decided that the interests of the stockholders would be

best conserved by passing the dividend, in view of the fact that the company was about to expend more than \$10,000,000 on the construction of a new coal gas plant and that the decreased earnings of the company, due to the high cost of materials, would not justify the payment of dividends.

It should be borne in mind that the effects of the war have fallen severely on the earnings of Public Utility Companies in particular as evidenced by the fact that during 1917 applications throughout the country for increased rates have been filed by 462 companies, of which number 401 were granted, the largest proportion relating to Gas Companies.

Following is the report of Mr. E. G. Cowdery, President, together with the Financial Statement of the Company, and comparative figures showing the increase in cost of manufacture over a period of years.

EXTRACT FROM PRESIDENT E. G. COWDERY'S ANNUAL
REPORT FOR YEAR ENDED DEC. 31, 1917.

On behalf of the Board of Directors, I submit herewith the Twenty-first Annual Report, since consolidation of The Peoples Gas Light and Coke Company, covering operations of the company for the year ending December 31, 1917.

The gross receipts for the year were \$19,338,637.74; for 1916, \$17,037,894.02, not including industrial or natural gas. For the purpose of comparison with figures of 1917 which include industrial or natural gas the 1916 figures are \$17,786,737.92.

During the year, 34 miles of gas mains were laid in extension of the company's system, the total amount of mileage now being 3,069 miles. The increase in the number of meters set was 17,764, and in the number of gas stoves installed was 34,001, and in the number of arc lamps, 7,390.

The company has 6,893 stockholders, of whom 4,091 are residents of the State of Illinois.

1917 has been the most difficult year for the operations of the company of any year for at least the past twenty years.

Although the stock of gas making fuel was fully up to the maximum in the Fall of 1916, such stock was reduced to the danger point in March, 1917, and while the receipts were ample for the daily use for the summer, it was not possible to recover the usual stock, so that during the present winter it has required constant effort to secure the daily supply with the disadvantage of the increasing prices prevailing.

Oil, upon which the manufacture of water gas is so dependent, has advanced from time to time until at present the price is at the maximum and nearly three times that paid for several years previous to 1916. The increase in the cost of oil for 1917 over 1916, was \$1,835,756.66, or 55.7 per cent, equal to 5 77/100c. per 1,000 feet of gas made. At this time the average cost of oil is 6 15/100c. per gallon as against 5 1/3c. per gallon the same time a year ago, and 4 1/3c. per gallon in 1916.

It should also be noted the increase in the cost of gas making fuel for 1917 over 1916 was \$1,195,969.98, or 94.2 per cent, equal to 4 72/100c. per 1,000 feet of gas made.

NATURAL GAS GASOLINE.

Laboratory and field testing combined enable us to give unbiased reports on the advisability of installing a gasoline plant. We solicit your inquiries.

HOPE ENGINEERING & SUPPLY COMPANY,
Pittsburgh, Pa.

Mt. Vernon, Ohio.

Tulsa, Okla.

* Dated Sept. 1, 1897; due Sept. 1, 1947. Interest payable March 1 and September 1 at Central Trust Co. of New York. Coupon bonds, registerable as to principal.

Great attention has been given to the study of economy in every branch of the service, and it is believed that as good results have obtained as was possible with the present conditions relating to labor, given consideration.

On August 1, 1917, the new schedule of rates took effect, with the accompanying reduction of candle power. Methods were adopted to develop the use of gas in large manufacturing establishments and for heating purposes, etc., to a much greater extent than heretofore undertaken, as the low wholesale price permitted the use of gas for such purposes. This development proved to be more rapid than anticipated and has resulted in largely increased sales of gas, the largest customer now using 10,000,000 feet per month, with several others closely approximating the same amount.

The schedule provided for a decreased candle power standard during a period of eighteen months before reaching a strictly heat unit basis. Six months of this period have passed, and at this time and for one year to come the standard provides for nine candle power and an average monthly heat unit basis of 565 B. t. u's; when the heat unit basis is finally reached, it is believed it will be of material benefit in many ways to the company, and at least of equal advantage to the consumer.

During the past eighteen months the company has developed plans for the new coal gas plant until at present they are well perfected, and on October 1, 1917, the field work was started, and has continued uninterruptedly, with the exception of the excessively cold and stormy days during January.

During the year the company installed apparatus in two of its plants to recover from the gas the light oil known as toluol, in order that it might be turned over to the Government. During the present month two more plants will be completed, which will largely increase the present production of toluol. The resulting product is naturally a by-product, the income from which tends to lessen the increasing operating expenses.

Attached hereto is a table showing the total cost, and the cost per 1,000 feet of gas in detail for each of the past four years. A study of this table should make it quite plain to everyone the cause of the present difficulties of the company, and at the same time show the distribution of the money received for each 1,000 feet of gas.

The gross receipts of the company from all sources were.....	\$19,338,637.74
While the operating expenses, exclusive of bond interest were....	15,866,738.21
Leaving	\$3,471,899.53
Deducting depreciation, reserves, etc.	1,461,950.88
	\$2,009,948.65
Deducting bond interest.....	2,375,150.00
Leaving a deficit for the year of.	\$365,201.35

It is to be noted that dividends paid during 1917 were declared from surplus.

RELIABLE STOVE COMPANY, Div. Am. Stove Co., CLEVELAND, O.

(\$1,000) gold c.t.f.; dated 1905; interest 5g A-O; outstanding, \$228,000; due April 1, 1925; Central Trust Co. of Illinois, Chicago, trustee. Three Rivers Gas Co., \$75,000 (\$500) c.t.f.; dated 1907; interest, 5g A-O; outstanding \$59,000; due October 1, 1936; Detroit Trust Co., Detroit, Mich., trustee.

BONDS.—The first and refunding 5s are secured, in addition to their lien on the property, by pledge of entire capital stock (with exception of directors' shares) of the Marquette County Electric Railroad Co. Of the bonds not reported outstanding an amount is reserved which is sufficient to retire prior liens and the balance is available for corporate purposes. Are callable at 102½ and interest on or before January 1, 1927, and at 101 and interest from January 1, 1927, to January, 1931, on three weeks' notice. Of the \$411,000 Marquette County Gas and Electric Co. 1st 6s reported outstanding \$139,000 have been assumed by the Marquette County Electric Railway Co. (see below), which has acquired and owns a part of the property upon which the mortgage is a

lien. Sinking fund of 1 per cent from 1913 to 1915 and 2 per cent thereafter. Are callable at 105 on any interest date. The Houghton County Gas and Coke Co. 1st 6s are due serially on February 1, as follows: 1917-19, \$4,000 per annum; 1920-24, \$5,000 per annum; 1925-29, \$6,000 per annum; in 1930, \$10,000, and in 1931 the remainder. The 1st mortgage 5s of the Constantine Hydraulic Co. are subject to call at 105. The 1st mortgage 5s of the Three Rivers Gas Co. are callable at 105 on any interest date.

(a) The Marquette County Electric Railway Co.—Organized with \$25,000 capital stock (all of which, with the exception of directors' shares, is owned by the Michigan Gas and Electric Co.). Property leased to the Michigan Gas and Electric Co. under general contract which provides for payment of bond interest, operating expenses and natural upkeep. The company has assumed \$139,000 of the 1st mortgage bonds of the Marquette County Gas and Electric Co.

OFFICERS.—L. E. Myers, President; J. Paul Clayton, Vice-President; R. W. Waite, Treasurer, and Oliver E. McCormick, Secretary.

ILLINOIS NORTHERN UTILITIES COMPANY, DIXON, ILL.

The Illinois Northern Utilities Co. was incorporated under the laws of Illinois on July 31, 1916, being a consolidation of the Illinois Northern Utilities (organized in April, 1912), Freeport Railway & Light Co. and the Tri-County Light & Power Co., all Illinois corporations. It has acquired and now owns in fee all the properties formerly belonging to twenty-eight operating companies, some of the more important of which are: Belvidere Gas and Electric Co.; Sterling Gas and Electric Co.; Lee County Lighting Co.; De Kalb County Gas Co.; Oregon Power Co.; Morrison Gas and Electric Co.; Mendota Light and Heat Co.; Plano Heat, Light and Power Co.

In addition, the company operates the Sterling, Dixon & Eastern Electric Railway Co., owning its entire issues of stock and bonds.

CAPITALIZATION AS OF DECEMBER 31, 1917.

Stock.	
Common—authorized	\$10,000,000
outstanding	4,635,000
Preferred—6% cumulative, authorized	10,000,000
outstanding	2,749,300
2d preferred, non-cum., outstanding	250,000
Bonds.	
Illinois Northern Utilities Co., 1st and Ref. 5s. outstanding	4,455,000
Underlying bonds on portion of property (to retire which a sufficient amount of 1st and Ref. 5s is reserved with the Trustee)	962,800

FUNDED DEBT.—Bonds: First and refunding 5s, \$4,455,000 outstanding. Dated April 1, 1912; due April 1, 1957. Interest payable semi-annually April 1 and October 1; both

principal and interest payable in Chicago. Coupon bonds in \$1,000 denomination. Redeemable at the option of the Company, as a whole or in part, on any interest payment day, at 105 and interest, Illinois Trust and Savings Bank, Chicago, Ill., Trustee.

SECURITY OF BONDS.—The first and refunding mortgage covers as a direct lien all fixed property now owned or hereafter acquired by the company. It is a first lien on property now producing approximately 63 per cent of the gross earnings of the company. On the balance of the company's property, the first and refunding mortgage is subject to the lien of \$968,000, underlying bonds, as explained above. The first and refunding bonds are additionally secured by deposit with the trustee of \$432,000 first mortgage 5 per cent bonds (entire issue) and \$300,000 par value of the capital stock (entire issue) of the Sterling, Dixon & Eastern Electric Railway Co.

MORTGAGE PROVISIONS.—The first and refunding mortgage provides that bonds secured thereunder may be issued, in addition to those now outstanding, as follows:

(a) \$962,800 par amount for the acquisition, refundment, or redemption of the underlying bonds now outstanding.

(b) In exchange, par for par, for mortgage indebtedness, existing thereon at the time of acquisition, of any properties acquired by the Company in the future;

(c) For expenditures made by the company in acquiring additional property, bonds may be issued only to the extent of 75 per cent of the cost thereof.

At the end of the calendar year 1917, and each

year thereafter, the Company shall place to the credit of a Depreciation Reserve Fund a sum equal to 2 per cent of the par value of all bonds which shall have been outstanding under the first and refunding mortgage for a period of not less than six months.

ST. CLAIR COUNTY GAS AND ELECTRIC CO., EAST ST. LOUIS, ILL.

DIRECTORS.—J. J. Frey, C. A. Ramsey, Guy C. Lane, J. E. Hitt, R. R. Hammond, J. W. Esmond, W. A. White, A. W. Bullard, David Davis.

Annual meeting of stockholders held October 6, at company's office, Hillsboro.

Company's fiscal year ends December 31st.

CENTRAL ILLINOIS PUBLIC SERVICE COMPANY, MATTOON, ILL.

The Central Illinois Public Service Co. was organized under the laws of Illinois in 1902. Prior to Aug. 1, 1912, the Company did an electric light, power and heat business in Mattoon, Ill., and an electric light and power business in Charleston and Kansas, Ill. It also operated electric street railways in the cities of Mattoon and Charleston and an electric interurban railway between these two cities. On and since that date the Company has acquired additional public service properties. (See "Parent Companies.")

Central Illinois Public Service Co. first and refunding 5s, 1952, out- standing	\$9,592,000
Underlying bonds on thirteen of the properties outstanding	763,000
Total bonds outstanding.....	\$10,355,000

Central Illinois Public Service Co. 6
per cent 10 year gold debentures,
outstanding \$110,000

FUNDED DEBT.—Bonds: First and refunding underlying 5s, dated Aug. 1, 1912; due Aug. 1, 1952. Interest payable February 1 and August 1. Denomination, \$1,000; coupon bonds, registerable as to principal. Redeemable at 105 on any interest date at Trustee of Bonds, Continental and Commercial Trust and Savings Bank, Chicago, Ill.

SECURITY.—A first lien on properties. These bonds are subject to underlying liens outstanding with public, aggregating only \$763,000.

MORTGAGE PROVISIONS.

The first and refunding mortgage provides that bonds secured thereunder may be issued in

addition to the three million par amount, which have been recently purchased, as follows:

(a) In exchange, par for par, for mortgage indebtedness existing thereon at the time of acquisition of any properties acquired by the Company.

(b) For expenditures made in acquiring properties over and above amount of mortgage indebtedness existing thereon at the time of the acquisition, bonds may be issued only to the extent of 75 per cent of the cost thereof.

(c) For expenditures made by the Company for betterments, improvements or additions to its property as and for a part of its permanent or fixed investment for its business, bonds may be issued only to the extent of 75 per cent of the cost thereof.

(d) After the bonded indebtedness of the Company, including all underlying bonds, shall have reached the sum of \$6,000,000 no more bonds can be issued unless net earnings of the Company applicable to interest charges for the preceding 12 months shall have been at least one and one-half times the interest on all bonds outstanding and those proposed to be issued.

(e) At the end of the calendar year 1918 and each year thereafter the Company shall place to the credit of a "Depreciation Reserve Fund" a sum equal to 2 per cent of the par value of all bonds which shall have been outstanding under the mortgage for a period of not less than six months.

EQUITY.

The avails of the \$9,592,000 Central Illinois Public Service Co. first and refunding 5 per cent gold bonds now outstanding have been used in payment for a portion of the properties acquired, and in reimbursing treasury for 75% of new construction expenditures. The total cost of the properties was largely in excess of the proceeds of the bonds, constituting a satisfactory equity.

OFFICERS.—President, Marshall E. Sampsell; Vice-President, G. W. Hamilton; Secretary and Treasurer, C. E. Cripe.

DIRECTORS.—Samuel Insull, Walter S. Brewster, J. Paul Clayton, G. W. Hamilton, Martin J. Insull, John F. Gilchrist, Marshall E. Sampsell.

Company's fiscal year ends December 31.

THE NORTHERN INDIANA GAS & ELECTRIC CO., HAMMOND IND.

The Northern Indiana Gas & Electric Co. was formed March 1, 1909, by the consolidation of the following companies: South Shore Gas & Electric Co., Indiana Harbor & East Chicago Electric Co., Michigan City Gas & Electric Co. The Company subsequently purchased the South Bend & Mishawaka Gas Co. and the Plymouth Lighting Co., Whiting Electric Light Co., which gives the Company control of the entire gas and electric business of Hammond, East Chicago, Indiana Harbor, Whiting, Michigan City, and the entire gas business of South Bend, Mishawaka, Plymouth, together with the adjacent territory.

Company also operates in Fort Wayne, Bluffton, Decatur, Lafayette, Crawfordsville, Logansport, Wabash, Frankfort and Lebanon; heating plant at Lafayette, and water works at Crawfordsville; having purchased on February 2, 1916,

the plants and franchises of the Indiana Lighting Co. and General Service Co., who formerly operated in the above territory. The transfer of the property of the above two companies was made subject to obligations and indebtedness, as contained in mortgages, of the following:

Indiana Lighting Co.—Bonds outstanding and in hands of treasurer December 31, 1917, \$3,990,000; due August 1, 1958.

Crawfordsville Water & Gas Co.—Bond outstanding and in hands of treasurer December 31, 1917, \$135,000; due June 1, 1928.

DIRECTORS.—C. H. Geist, H. C. Miller, B. S. Walters, S. E. Mulholland, G. W. Curran.

Annual meeting of stockholders held first Tuesday of March.

CITIZENS GAS COMPANY, INDIANAPOLIS, IND.

Incorporated under Indiana laws May 23, 1906, and in October, 1907, acquired the distribution system formerly owned by the Consumers' Gas Trust Co., a natural gas company which had been placed in liquidation by order of the courts. The company immediately constructed a water gas plant with a capacity of about 2,000,000 cu. ft. of gas per day, which was placed in operation in April, 1909. It also constructed 50 by-product coke ovens, which were first put into commission in November, 1909. It has since constructed 50 additional coke ovens of the same type. On October 1, 1913, the company acquired by 99-year lease the plant and distribution system of the Indianapolis Gas Co., which company had a well equipped water gas plant, having a capacity of over 4,000,000 cu. ft. of gas per day, and had undertaken the construction of by-product coke ovens for its regular supply of gas. The Citizens Gas Co. completed the ovens and put them into commission about the middle of February, 1914. Under ordinary conditions the entire supply of gas for the city of Indianapolis is derived from the by-product coke ovens, the water gas plant being operated only in times of emergency, or when there is a sudden increase in the demand for gas. Both the owned and the leased plants are operated regularly, and the entire business is conducted as a unit. The total owned and leased distribution system consists of 624 miles, and the company has 60,183 meters in use. The population served is about 275,000, and this company conducts the entire gas business for the city and suburbs.

FRANCHISES.—The Company holds a franchise from the City of Indianapolis, issued in 1905, and amended at the request of the Company May 22, 1912; also a franchise from the Board of County Commissioners, granted September 23, 1910; also a franchise from the Town of Broad Ripple, granted January 12, 1912. None of these have been given any valuation on the books of the Company.

CAPITALIZATION.—Capital stock, authorized, \$2,000,000; outstanding, \$1,500,000. Par \$25. Annual dividend, 10 per cent., paid semi-annually in March and September. All stock of

one class, entitled under the company's franchise to dividends of 10 per cent, cumulative, from dates of issue of stock. Voting rights of stock perpetually trustee, and trustees' certificates only issued to stockholders. Dividend checks are mailed. Par value, \$25 per share.

FUNDED DEBT.—Bonds: First and refunding, 5 per cent gold bonds, authorized, \$10,000,000; issued, \$2,462,000; dated July 1, 1912; due July 1, 1942. Interest payable January 1 and July 1 at Bankers Trust Co., New York.

Principal and interest payable in gold. Normal Federal Income Tax paid by company. Denominations, \$500 and \$1,000. Sinking fund 1915 and 1916, $\frac{1}{4}$ of 1 per cent; thereafter $\frac{1}{2}$ of 1 per cent, to be used in purchasing or calling bonds. Bonds callable, after due notice, on any interest-paying date at 108. Bonds may be issued only for 80 per cent of cost of betterments actually made. A first lien on all property owned by Citizens Gas Co. Company has \$514,000 bonds in treasury for betterments made prior to July 1, 1914.

Stock of the Indianapolis Gas Co., authorized, \$2,000,000; outstanding, \$2,000,000; dividends guaranteed by Citizens Gas Co. of Indianapolis, under ninety-nine year lease, dated September 30, 1913, at present rate of 6 per cent, payable January and July. Dividends payable by lessee to be increased to $6\frac{1}{2}$ per cent if the price of gas is reduced to 50 cents per thousand cubic feet, and to $6\frac{3}{4}$ per cent if the price is reduced to 45 cents. Dividend checks are mailed by Citizens Gas Co. Stock likewise entitled to dividends from profits or liquidation of unleased property of the Indianapolis Gas Co., as and when declared by the directors of that company. Par value, \$50 per share. Of the total stock of the Indianapolis Gas Co. 34,453 shares of a par value of \$1,722,650 are held by the Trustee for the "Home Association of Stockholders of the Indianapolis Gas Company."

First consolidated mortgage gold bonds of Indianapolis Gas Co., authorized, \$7,500,000; outstanding, \$5,073,000; dated October 1, 1902; mature October 1, 1952; interest 5 per cent; coupons, April and October. Trustee, Equitable Trust Co. Coupons payable at Equitable Trust Company, New York. Principal and interest payable in gold. Denominations, \$1,000. In-

INDIANA GAS LIGHT COMPANY, NOBLESVILLE, IND.

The Indiana Gas Light Co. is a corporation organized under the laws of the State of Indiana for the purpose of acquiring gas properties and distributing gas in various cities and towns in six counties in the central part of Indiana.

It has a capitalization of \$1,000,000, and the Company has already acquired all of the property of the Noblesville Gas & Improvement Co. of Noblesville, Ind.; the Citizens Gas Co. of Tipton, Ind., and the Tipton Heat & Power Co., as well as valuable leases and pipe lines adjacent thereto. It is now furnishing gas in Noblesville, Tipton, Atlanta and Cicero.

The company owns pipe lines connecting its territory with that of Central Indiana Gas Co.,

thus being assured of a continuous supply of gas, either natural or artificial.

FRANCHISE.—Indeterminate permit from Public Service Commission.

CAPITALIZATION.—Capital stock authorized, \$1,000,000.

FUNDED DEBT.—First mortgage 5 per cent gold bonds; dated November 1, 1912; due November 1, 1932; issued, \$388,000. Interest May 1 and November 1 at Central Trust Co. of Illinois, trustee.

OFFICERS.—President, Col. I. C. Elston; Secretary-Treasurer, Frank Anderson; Manager, C. R. Heath.

RICHMOND LIGHT, HEAT & POWER COMPANY, RICHMOND, IND.

The Richmond Light, Heat & Power Co. was incorporated in June, 1893, under the laws of Indiana.

FRANCHISES.—Indeterminate permit as provided by the Indiana State Public Utility Commission Act.

CAPITALIZATION.

	Authorized.	Issued.

BURLINGTON GAS LIGHT CO., BURLINGTON, IOWA.

Incorporated June 18, 1855, under the laws of Iowa.

CAPITAL STOCK.—Authorized, \$625,000; issued, \$622,850. Shares, \$50. Transfer office, Burlington, Ia. Annual meeting fourth Wednesday in January.

FUNDED DEBT outstanding consisted, December 31, 1917, of \$142,000 first mortgage 5 per cent 15 year \$1,000 coupon gold bonds, due March 1, 1924; interest payable March 1 and September 1.

Bonds are redeemable at option of the Company on any interest date, at 105 and interest. Authorized, \$400,000; balance to be issued for future betterments and extensions. Trustee Fidelity Trust Co., Philadelphia, Pa.

OFFICERS.—President, Walton Clark; Vice-Presidents, Lewis Lillie, Paul Thompson; Secretary, E. D. Clary; Treasurer, James Ball; Comptroller, G. W. Curran.

DIRECTORS.—S. T. Bodine, Walton Clark, W. F. Douthirt, Lewis Lillie, Paul Thompson.

THE BURLINGTON RAILWAY & LIGHT CO., BURLINGTON, IA.

The Burlington Railway & Light Co., incorporated in 1912, has acquired the Peoples' Gas & Electric Co. of Burlington, Ia., and the Burlington Railway & Light Co. of Burlington, Ia., which companies have been doing business in Burlington and its suburbs for many years, the latter and its predecessors having operated in the City of Burlington since 1874.

The Company owns and operates the entire electric street railway system in Burlington, Ia., and its suburbs, serving a population of about 30,000. This system covers the principal streets of Burlington, with extensions into the suburbs, comprising about 5.2 miles of double track and about 8.1 miles of single track, or a total trackage of about 18.5 miles.

The Company owns and operates the electric light plant and does the entire municipal and commercial electric lighting and power business in Burlington and its suburbs.

It also owns and maintains a steam heating plant and a gas plant.

FRANCHISES.—The railway department is at present operating under franchises which are unlimited as to time, save as to two suburban extensions of minor importance. The conditions surrounding the other franchises of the Company are satisfactory, since the Company is obliged three years prior to the expiration of the gas, electric light and heating franchises, in 1927, to either procure their renewal, or new franchises in place of same. Should the Company fail to do so, and fail to pay the mortgage trustee the ap-

praised value of the property and of the franchises not renewed, the trustee may then declare the principal of the bonds due and payable.

FUNDED DEBT.

Bonds: First mortgage sinking fund gold 5s, authorized, \$7,500,000; issued, \$1,719,000; dated March 1, 1912; due March 1, 1932. Interest payable March 1 and September 1. Coupon bonds; denomination, \$1,000; registerable as to principal. Callable at 105 and interest on any interest date on three months' prior notice. Trustee of bonds, the Equitable Trust Co. of New York.

SECURITY.—The first mortgage 5 per cent bonds, due 1932, are secured by a first lien on all the property and franchises of the company, now owned or hereafter acquired.

SINKING FUND.—The sinking fund, beginning July, 1914, provides for annual payments at the rate of 5 per cent of the gross earnings of the Company, and this will provide a fund which should retire a considerable number of the bonds at present outstanding.

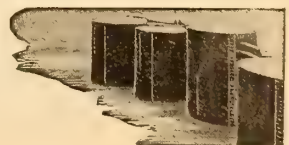

ADDITIONAL BONDS.—The remaining \$5,781,000 bonds can only be issued under carefully drawn restrictions for 80 per cent of the certified cost value of additions, betterments or extensions, and only when net earnings for the twelve months preceding have been at least double the interest charges on all of the bonds outstanding, as well as those proposed to be issued.

OFFICERS.—President, Geo. H. Higbee; Vice-Presidents, E. C. Walsh and M. A. Walsh; Secretary, C. H. Walsh; Treasurer, C. H. Walsh.

USE SPECIFICATION PAINTS

We manufacture red lead paints, but owing to the better durability of combinations of selected pigments, with red lead, we suggest you submit your individual requirements so that we can make specific recommendations.

IOWA RAILWAY & LIGHT CO., CEDAR RAPIDS, IA.

The Iowa Railway & Light Co. (formerly the Cedar Rapids & Iowa City Railway & Light Co.) has recently acquired a number of successful public utility companies in Central Iowa, and now owns and operates the properties formerly owned by the Cedar Rapids & Iowa City Railway & Light Co., Marshalltown Light, Power & Railway Co., Boone Electric Co., Marion Light, Heat & Power Co., Perry Electric Light, Power & Heating Co., Tama & Toledo Railway Co., Tama & Toledo Electric Power Co., Nevada Electric Co., Belle Plaine Electric Co., Chelsea Electric Plant, Blainstown Electric Plant, Coon Rapids Electric Plant and Zearing Electric Plant.

The companies which comprise the present property of the Iowa Railway & Light Co. have been in successful operation for many years, some since the early eighties.

To provide for the rapid growth of business, the ever-increasing demand for current for lighting and power purposes, and for needed extensions and enlargements to its street and inter-urban railway system, the Company has executed a mortgage securing an authorized issue of \$10,000,000 first and refunding mortgage 20-year 5 per cent gold bonds.

CAPITALIZATION—DECEMBER 31, 1917.

Trustee of bonds, Harris Trust & Savings Bank, Chicago.

Funds are reserved out of the present issue of bonds for the retirement forthwith of bonds secured upon its recently acquired properties. No additional bonds can be issued under

the mortgage of the Cedar Rapids & Iowa City Railway & Light Co. unless they are deposited with the Harris Trust & Savings Bank, trustee, as additional security to the first and refunding 5s.

Upon the retirement forthwith of the bonds for which cash has been reserved, the first and refunding 5s of the Iowa Railway & Light Co. are, in the opinion of counsel, secured by direct first mortgage on all property of the Company formerly owned by the Marshalltown Light, Power & Railway Co., Boone Electric Co., Marion Light, Heat & Power Co., Perry Electric Light, Power & Heating Co., Tama & Toledo Railway Co., Tama & Toledo Electric Power Co., to the extent of the purchase price paid out of the proceeds of these bonds, and by direct mortgage on all other property of the Company, subject only to the bonds of the Cedar Rapids & Iowa City Railway & Light Co., which are secured by a first lien on the electric light, power and heating property in Cedar Rapids and the interurban railway between Cedar Rapids and Iowa City.

EQUITY.—On the basis of the investment in the property of the Iowa Railway & Light Co. by the present owners, there is an equity over and above the first and refunding mortgage bonds of between \$2,000,000 and \$3,000,000.

SINKING FUND PROVISIONS.—The present large equity in the property over and above the bonds outstanding will be still further increased by the terms of the mortgage, which provides that the Company shall deposit annually with the trustee, in cash, in a special trust fund, on the first day of March, 1916 to 1921, 1 per cent; 1922 to 1926, 2 per cent, and 1927 to 1931, 3 per cent of the total amount of bonds outstanding, including those reserved to retire underlying bonds. This fund may be used as a sinking fund for the redemption of bonds of this issue or as a betterment fund to pay for permanent extensions and additions for which no bonds will be issued.

OFFICERS.—President, William G. Dows; Vice-presidents, Isaac B. Smith, John A. Reed; Secretary, C. S. Woodward; Treasurer, Isaac B. Smith; Auditor, C. S. Woodward; General Manager, William G. Dows; Asst. General Manager, R. S. Cook; Purchasing Agent, S. C. Dows.

DIRECTORS.—William G. Dows, Isaac B. Smith, John A. Reed, R. S. Cook, E. E. Pinney, R. I. Safely, M. W. Houser, W. F. Severa, Ed. H. Smith, W. J. Morrison, Sutherland C. Dows of Cedar Rapids, Ia.; Benjamin Thaw, Pittsburgh, Pa.

TRI-CITY RAILWAY & LIGHT CO., DAVENPORT, IA.

The Tri-City Railway & Light Co., a Connecticut corporation, by ownership of the entire capital stock and all but \$54,000 Tri-City Railway Co. bonds and \$238,500 6 per cent first mortgage gold bonds of the Iowa City Gas & Electric Co., controls all the street railway lines, and all of the electric light and gas properties in the contiguous cities of Davenport, Bettendorf,

Rockingham, Muscatine, Iowa City, Walcott, Blue Grass, Stockton, Durant and Buffalo, Ia.; Rock Island, Moline, East Moline, Silvis, Watertown, Campbell's Island, Sears, Milan, Carbon Cliff, Hampton, Rapid City and Port Byron, Ill.; these cities and towns forming virtually a single community, having a combined population of over 150,000.

THE SCIENTIFIC SAFETY GARAGE HEATER

CAPITALIZATION.

	Authorized	Outstanding
Preferred, 6% cumulative.	\$3,000,000	\$3,000,000
Common	9,000,000	9,000,000
Total stocks.....	\$12,000,000	\$12,000,000

Dividends of 6 per cent have been paid on the preferred stock without interruption since organization of the Company, and an initial dividend of 2 per cent on the common stock was paid to stockholders of record of December 31, 1912; $4\frac{1}{2}$ per cent being paid in 1913, 4 per cent in 1914 and 5 per cent in 1915; 4 per cent in 1916 and 1917.

BONDED DEBT.

	Authorized	Outstanding
Prior lien bonds, due in 1922, secured on a part of the property of the Tri-City Railway Co....		\$54,000
Iowa City Gas & Electric Co. 1st mortgage gold 6s		238,500
Tri-City Railway & Light Co. collateral trust first lien 5s, 1923.....	\$9,000,000	7,627,000
Tri-City Railway & Light Co. first and refunding 5s of 1930.....	20,000,000	8,329,000
	\$29,000,000	\$16,248,500

SECURITY OF BONDS.—The first and refunding 5 per cent bonds are secured by an absolute first mortgage on approximately 30 miles of interurban track, including right of way between Davenport and Muscatine, and are a first lien on the electric light and power of Walcott, Blue Grass, Durant and Stockton, Ia. These bonds are also secured by a direct lien, subject to prior liens, on all other property of the Company in the State of Iowa. These bonds are further secured by a collateral lien, subject to prior liens, on all the property of the Company through the deposit of the entire capital stock and all but \$54,000 of the bonds of the controlled companies. No additional stocks or bonds can be secured by these controlled companies unless pledged as security

for the collateral trust first lien bonds or deposited with the trustee as security under this mortgage.

EQUITY AND IMPROVEMENT FUND.—The actual cost of the mortgaged property at the time of purchase (1906) was about \$2,500,000 in excess of the bonded debt. Since that time, to December 31, 1915, additions, extensions and improvements, exclusive of new properties purchased, have aggregated over \$10,063,215, keeping the property in excellent physical condition.

The sinking fund provisions of the collateral trust first lien mortgage obligates the retirement of \$2,250,000 of the prior lien bonds before maturity, which will greatly increase the equity of the first and refunding mortgage. Eleven sinking fund payments, aggregating \$1,250,000, have already been made.

In addition to the sinking fund reducing the underlying bonds, the first and refunding mortgage creates an additional improvement fund. This fund provides for payments annually, effective February 1, 1924, of a sum equal to $1\frac{1}{2}$ per cent of the aggregate par value of the bonds outstanding. The proceeds of this fund are to be used for extensions, improvements and betterments, and are calculated not only to prevent any deterioration, but to keep the property in excellent physical condition and modern in every respect.

OFFICERS.—President, B. J. Denman, Davenport, Iowa; Vice-Presidents, R. Schaddelee, Grand Rapids, Mich., and H. R. Tobey, New York; Secretary, H. E. Weeks, Davenport, Iowa; Assistant Secretaries, E. Company's fiscal year ends December 31.

KANSAS GAS AND ELECTRIC COMPANY, WICHITA, KAN.

The Kansas Gas and Electric Company was incorporated December 11, 1909, under the laws of West Virginia. On March 1, 1910, it acquired all the real and personal property of The United Gas Company, The Edison Light and Power Company and The Gas and Electrical Appliance Company, of Wichita, Kansas, and all of the stock, bonds and notes of The Home Light, Heat and Power Co., of Pittsburg and Frontenac, Kansas. In May, 1911, the entire property of The Independence Electric Co., of Independence, Kansas, was acquired. In May, 1911, the Kansas Gas and Electric Company leased the property of The Home Light, Heat and Power Co. As of October 1, 1911, the entire property of The Electric Light and Power Co. of Newton, Newton, Kansas, was acquired. In June, 1912, the entire property of The Cherokee Light and Power Company, of Cherokee, Kansas, and in September, 1912, the entire property of The Cherryvale Electric Light and Power Company, of Cherryvale, Kansas, was acquired. Kansas Gas and Electric Co. supplies electric light and power and natural gas service to Wichita and Pittsburg, and electric light and power service to Independence, Newton, Arkansas City and other cities in Kansas. The gas distributed is supplied, under contract, by pipe line companies. The total population served is estimated at 135,300.

FRANCHISES.—The electric franchises in Wichita and Pittsburg extend to 1937; the gas franchises in Wichita and Pittsburg and the electric franchises in Frontenac and Cherryvale extend to 1925; the electric franchise in Independence extends to 1926; the electric franchises in Sedgwick and Valley Center extend to 1931; the electric franchise in Newton extends to 1927, and the electric franchises in Cherokee and Halstead to 1932.

CAPITAL STOCK AND DIVIDENDS.

The authorized and outstanding capital stock of the Kansas Gas and Electric Company as of December 31, 1917, was as follows:

	Authorized	Outstanding
Preferred	\$2,500,000	\$1,900,000
Common	4,000,000	3,000,000

The preferred stock is entitled to cumulative dividends at the rate of 7 per cent per annum, and dividends at this rate have been paid regularly since date of issue. Dividend payments are made quarterly, on January 1, April 1, July 1 and October 1. The preferred stock also has preference as to assets in case of liquidation. It is subject to redemption at 115 and accrued dividends on any dividend date.

The Guaranty Trust Company of New York and the Fidelity Trust Company, of Kansas City, Mo., are transfer agents for the stock. The Columbia-Knickerbocker Trust Company, of New York, and the Pioneer Trust Company, of Kansas City, Mo., are registrars.

All of the common stock is owned by the American Power and Light Company.

BONDS.

The authorized and outstanding bonds of the Kansas Gas and Electric Company as of December 31, 1917, were as follows:

First mortgage 5 per cent bonds, authorized, \$6,000,000; outstanding, \$4,702,000.

The first mortgage 5 per cent gold bonds are dated March 1, 1910, due March 1, 1922; interest payable in New York on March 1 and September 1. Bonds are in coupon form, but may be registered as to principal. The denomination of the bonds is \$1,000. The Guaranty Trust Company of New York is the trustee.

The bonds are secured by a first lien on all property now owned, or hereafter acquired, and by deposit with the trustee of all the outstanding stock, except directors' shares, and bonds of The Home Light, Heat and Power Co.

The bonds are subject to redemption as a whole or in part on any interest day on four weeks' notice at 105 and interest up to December 31, 1917; at 104 and interest in 1918; at 103 and interest in 1919; at 102 and interest in 1920, and at 101 and interest in 1921.

HOLDERS, PLATE WORK, PIPE

R. D. Wood & Co., Phila., Pa.

An improvement fund is established by the mortgage requiring payment to the trustee on March 1 of each year as follows: One per cent annually of the bonds outstanding from 1913 to 1915, inclusive; two per cent from 1916 to 1918, inclusive; three per cent from 1919 to 1921, inclusive. The maximum payment remains at two per cent, however, in any twelve months in which the net earnings of the Kansas Gas and Electric Company and the Home Light, Heat and Power Company equal or exceed an amount three times the interest charges on all outstanding bonds. Money in the improvement fund may be used to reimburse the company for the cost of permanent additions, improvements, etc., which might otherwise have been made the basis for the issuance of bonds, or it may be used as a sinking fund for the redemption of bonds at the same rates as provided for the redemption of the entire issue of bonds. If bonds for redemption, as stipulated in the improvement fund provision, are not obtainable in the market at the prices named, or at lower prices, they may be called by lot at such prices and accrued interest.

Additional bonds may be issued for not exceeding eighty per cent of the actual cost of betterments, improvements, etc., provided that for twelve consecutive months within the thirteen months immediately preceding any proposed issue the total net earnings of the company and of The Home Light, Heat and Power Company shall be an amount equal to not less than twice the annual interest charge upon all bonds then outstanding and then sought to be issued, and provided, also, that the net earnings exclusive of the earnings of the natural gas business of both companies shall be not less than an amount equal to one and one-half times such interest charge.

OFFICERS.—President, H. P. Wright; Vice-Presidents, F. G. Sykes, L. O. Ripley, M. C. Kelley, G. E. Claffin and A. S. Grenier; Secretary, H. L. McCune; Treasurer and Assistant Secretary, M. H. Arning; Assistant Secretaries, Chas. H. Smyth, H. S. Sladen, E. P. Summerson, W. C. Lang; Assistant Treasurers, H. S. Sladen, H. S. Murrell, E. P. Summerson and Walter C. Lang.

DIRECTORS.—R. E. Breed, E. L. Copeland, F. G. Crowell, A. H. Denton, J. F. Downing, E. W. Hill, A. C. Jobs, M. C. Kelley, S. Z. Mitchell, John A. Prescott, L. O. Ripley, H. E. Case, F. G. Sykes, H. P. Wright, H. L. McCune.

EARNINGS.

A statement of earnings for the twelve months ended December 31, 1917, with a comparison for the previous twelve months' period, follows:

	1917	1916
Gross earnings	\$1,767,642	\$1,597,882

The GOODMAN STOPPER made its first friend in 1897 and has been gaining friends ever since.

SAFETY GAS MAIN STOPPER COMPANY,

263 East 133rd Street, New York, N. Y.

LOUISVILLE GAS AND ELECTRIC COMPANY OF KENTUCKY.

Principal Address, 311 West Chestnut Street, Louisville, Ky.

The Louisville Gas and Electric Company of Kentucky was incorporated on July 2, 1913, under the laws of Kentucky, and is a consolidation of the following companies

Louisville Lighting Company,
Louisville Gas Company,
Kentucky Heating Company,
Kentucky Fuel Gas Company,
Kentucky Electric Company,
Geo. G. Fetter Lighting and Heating Company,
Calor Oil and Gas Company,
Campbell Electric Company,

all of which were located in or near Louisville, Ky.

FRANCHISES.

Artificial gas franchise expires June 14, 1933.
Natural gas franchise expires June 14, 1933.
Electric franchise is perpetual.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock	None	None
Common stock	\$11,000,000	\$120,200

Shares \$100 each. Transfer agents at office of company. Registrars, company. Dividends on common stock, 6% per annum since September 1, 1913, payable quarterly. The Louisville Gas and Electric Company of Delaware owns the majority of above stock.

FUNDED DEBT.—Bonds: Louisville Gas and Electric Company first and refunding gold 6s. Authorized, \$15,000,000; outstanding, \$10,413,000. Dated, July 1, 1913; due, July 1, 1918. Interest payable January 1 and July 1, at Harris Trust and Savings Bank, Chicago, or Harris, Forbes & Company, New York. Denomination, \$500 and \$1,000 coupon bonds; principal may be registered. Callable at 101 and accrued interest on any interest payment date upon four weeks' published notice.

SECURITY.—First lien on all property except that covered by the mortgage of the Louisville Lighting Company to the Fidelity and Columbia Trust Company, Louisville, Trustee, of which there are \$3,119,000 bonds outstanding.

SINKING FUND.—No provisions. Interest on these bonds is payable without deduction for Federal income tax. Trustee: Harris Trust and Savings Bank, Chicago.

BONDS.—Louisville Lighting Company first mortgage gold 5s. Authorized (closed issue): Outstanding, \$3,119,000, of which the Louisville Gas and Electric Company owns \$2,000. Dated April 1, 1903; due April 1, 1953. Interest payable April 1 and October 1, at Fidelity and Columbia Trust Company, Louisville, Ky. Denomination, \$1,000 coupon bonds; principal may be registered. Not callable. Sinking Fund: No provisions. Interest on these bonds is payable without deduction for Federal income tax. Trustee: Fidelity and Columbia Trust Company, Louisville, Ky.

NOTES.—7 per cent gold; authorized, \$3,750,000; outstanding, \$2,500,000; dated March 1, 1918; due September 1, 1920. Redeemable as a whole or in part, at the option of the company,

on any interest payment date, on September 1, 1918, at 101 and accrued interest, and on or before September 1, 1919, at 100½ and interest, and thereafter at 100 and interest, upon 30 days' published notice. Interest payable March 1 and September 1. Principal and interest payable in New York. Coupon notes in denominations of \$1,000, \$500 and \$100 each; principal may be registered.

SECURITY.—The bond secured 7 per cent gold notes will be the direct obligation of the company and will be secured by a trust agreement under which the general mortgage 6 per cent bonds due September 1, 1920, will be pledged with the trustee in a principal amount of 133 1/3 per cent of the par value of notes issued thereunder.

RESTRICTIONS OF ISSUE.—Notes may be issued only for additions and extensions to the property and then when general mortgage 6 per cent bonds of the company are deposited in the same ratio as upon this issue and provided that net earnings for the twelve consecutive months within the preceding fourteen months, after deducting all prior interest charges, shall have been equal to at least three times the annual interest charge on the notes outstanding.

Louisville Gas and Electric Co. of Kentucky covenants to refund all first and refunding mortgage 6 per cent bonds due July 1, 1918, now issued and any other obligations secured by prior liens which fall due before the maturity of these notes. The general mortgage under which the bonds securing the notes will be issued will contain provisions permitting the company to create prior liens for the purpose of providing for the paying or refunding of obligations and for extensions and additions to the property of the company.

EARNINGS.—Twelve months ended January 31, 1918:

Gross earnings	\$2,866,675
Operating expenses, maintenance and taxes	1,321,642
Net earnings	\$1,545,033
Annual interest charge on	
First and refunding 6% bonds	\$573,780
Louisville Lighting Co. 5% bonds	155,950
	<hr/> 729,730

Balance available for interest on notes	\$815,303
Annual interest on \$2,500,000 notes at 7%	175,000

Balance	\$640,303
---------------	-----------

Net earnings after deducting annual interest charges on all bonds outstanding exceed 4½ times the annual interest requirements on these notes.

Net earnings exceed 1.7 times the total interest charges including interest on these notes.

OFFICERS.—Chairman of Board, H. M. Byllesby; President, Geo. H. Harries; Vice-Presidents,

Precision CO₂ Recorders automatically record the percentage of carbon-dioxide in flue gases, and are a real practical means of reducing coal bills and keeping them at a minimum. Write for Bulletin.

NEW ORLEANS RAILWAY AND LIGHT CO., NEW ORLEANS, LA.

The New Orleans Railway & Light Co. was incorporated June 12, 1905, under the laws of Louisiana as a reorganization of the New Orleans Railways Co., sold under foreclosure. It operates the entire street railway business of New Orleans, the entire gas business of the city, and also the entire electric light and power business with one exception.

FRANCHISES.—All perpetual or extending for a long period of years, with the exception of one unimportant one which expires in 1918. Gas franchises not only perpetual, but also exclusive until 1925; its exclusive feature having been affirmed by a decision of the Supreme Court of the United States.

COST METERS

American Meter Company

561 W. 47th St., New York, N. Y.

AND LARGE DIAL DEMONSTRATION DRY METERS

Both these meters should be in the gas sales and demonstration rooms of every gas company in the country. The Cost Meter shows the hourly cost in cents and tenths of a cent to operate gas appliances. The Large Dial Demonstration Dry Meter is used to show the comparative consumption between flat flame and mantle burners.

Leased and affiliated companies—held by others.....	11,520.500

(1)—New Orleans Railway & Light Company two-year gold debentures 6 per cent, dated June 1, 1916; due June 1, 1918; interest payable June and December 1, at Central Trust Company, New York. Coupon, \$1,000; principal may be registered. Central Trust Company, New York, Trustee. Subject to call at 101 and interest on any interest date on five weeks' notice. Authorized, \$4,000,000, of which \$3,250,000 were issued June 1, 1916, to refund three-year gold debentures 6 per cent notes that matured June 1, 1916. The remaining \$750,000 were issued during 1917 for construction.

The Company covenants that it will not execute any new mortgage (other than purchase money mortgages) unless such new mortgage shall provide that all debentures issued and to be issued under this indenture shall be included in the debt secured by such new mortgage and shall have the benefits of the security thereof, as fully as any bonds or obligations issued thereunder, and that it will insert such provision in any such new mortgage by it so executed.

(2)—New Orleans Railway & Light Company, refunding and general lien bonds, 5 per cent; dated November 1, 1909; due November 1, 1949; interest payable May and November 1 at Company's office. Coupon, \$100 and \$1,000; \$1,000 may be registered. Hibernia Bank & Trust Co., New Orleans, Trustee. Subject to call at 105 and interest on any interest date on six weeks' notice. Authorized \$50,000,000, of which \$30,000,000 are reserved to retire the general mortgage 4½s, remainder to be issued only for following purposes; (a) for improvements and betterments to the properties at 75 per cent of cost; (b) for the acquisition, dollar for dollar, of additional securities and obligations of subsidiary companies now owned or controlled, or hereafter acquired or controlled, and which shall have been issued by such companies for betterments and improvements not in excess of 75 per cent of the cost; (c) for the acquisition of additional stocks, bonds, and ob-

ligations of subsidiary companies now owned or controlled, or hereafter acquired or controlled at 75 per cent of the par value. A first lien on entire property now owned or hereafter acquired, subject to general mortgage 4½s, and affiliated companies bonds.

(3)—New Orleans Railway & Light Company, general mortgage bonds, 4½ per cent.; dated July 1, 1905; due July 1, 1935; interest payable January and July 1 at New York Trust Company, New York, and at company's office. Coupon, \$1,000; principal may be registered. New York Trust Company, New York, Trustee. Subject to call at 105 and interest on any interest date on 60 days' notice. Authorized \$30,000,000, of which \$11,580,000 are reserved for prior liens, and \$935,000 pledged under refunding and general lien 5s. Listed on New York, New Orleans and Louisville Stock Exchanges.

Mortgage debentures 6%		1,695,000

FUNDED DEBT.—Bonds: First and refunding mortgage sinking fund 5s, dated October 1, 1912; due October 1, 1932. Interest payable February 1 and August 1 at the Central Trust Co. of Illinois, Chicago. Coupon bonds; denominations, \$500 and \$1,000, registerable as to principal. Redeemable at 102½ and interest on any interest date. Trustee of bonds, Central Trust Co. of Illinois, Chicago.

SECURITY.—These bonds are, in the opinion of counsel, secured by a direct first mortgage on property, representing an investment of approximately \$1,500,000, and by a direct mortgage on all other property of the Company, subject only to the bonds of the Shreveport and Texarkana companies mentioned above. The existing properties of the Company represent a cost to the present owners of more than \$1,000,000 in excess of all outstanding bonds, and the mortgage also covers all property which may hereafter be acquired. The mortgage provides that no bonds shall be issued on account of expenditures for additional natural gas or oil wells or leases, and also provides that no bonds shall be issued on account of expenditures chargeable to replace-

ments and renewals. These bonds are well secured, both as to actual values and earnings, independently of the continuance of natural gas.

SINKING FUND.—Under the terms of the trust deed, the Company must, each year, beginning October 1, 1913, deposit with the trustee in a sinking fund \$75,000 per annum for the first ten years, and \$50,000 per annum thereafter, which must be used in retiring bonds, or for extensions, enlargements and additions, on account of which no new bonds may be issued. In other words, the Company must, during the life of the bonds, expend \$1,200,000 either in retiring outstanding bonds or in increasing the security behind these bonds.

ESCROW BONDS.—Of the bonds authorized to be issued under the terms of the trust deed, \$841,000 are reserved with the trustee for the purpose of retiring \$397,500 Shreveport Gas, Electric Light & Power Co. 5s, due October 1, 1922, and \$443,500 Texarkana Gas & Electric Co. 5s, due July 1, 1930.

The remaining \$4,500,000 are reserved in escrow with the trustee to be issued from time to time under conservative provisions of the trust deed for not exceeding 80 per cent of the actual and reasonable cost of permanent extensions, enlargements and additions of and to the Company's property, with the provision that, except for bonds issued on account of expenditures for additional artificial gas manufacturing plants, or for extensions of the present artificial gas manufacturing plants of the Company, no bonds shall be issued unless and until the earnings for the preceding twelve months shall have been at least equal to one and three-quarter times the annual interest charge on all bonds outstanding, including the underlying bonds and the new bonds applied for.

MORTGAGE DEBENTURES.—Six per cent 10-year. Dated Dec. 2-12; due Dec. 1-22. Denominations \$500 and \$1,000. Interest payable June 1 and December 1. Authorized, \$2,000,000; issued, \$1,695,000. Trustee, Central Trust Co. of Illinois. Redeemable at 101 and accrued interest at any interest day.

OFFICERS.—President, Henry M. Dawes; Vice-President, Rufus C. Dawes; Treasurer, Joseph C. Markley; Secretary, John W. Lansley.

DIRECTORS.—Henry M. Dawes, Rufus C. Dawes, John W. Lansley, H. B. Hurd, Joseph C. Markley.

Trust Co., Portland, Me. Coupon bonds; denominations, \$500 and \$1,000. Redeemable at 102 on any interest date. Trustee of bonds, Fidelity Trust Co., Portland, Me.

Bonds of this issue are a first lien upon all the property of the Company at Brunswick and Topsham, now owned or hereafter acquired, and subject to \$200,000 Sagadahock Light & Power Co. 4½s of 1922, a lien upon all the property now owned or hereafter acquired by the Company at Bath.

OFFICERS.—President, Chas. S. Cook; Vice-President, George F. West; Treasurer, Walter S. Wyman.

CUMBERLAND COUNTY POWER & LIGHT COMPANY, PORTLAND, ME.

ORGANIZATION.—Incorporated in Maine on March 14th, 1907, and in 1912 acquired the rights, properties and franchises of the Consolidated Electric Light Company of Maine, Portland Lighting and Power Company, Portland Electric Company, which companies it had previously controlled through stock ownership. The company operates the Portland Railroad Company under a 99-year lease from February 1st, 1912, and controls through stock ownership the Lewiston, Augusta & Waterville Street Railway and York County Power Company.

BUSINESS.—The company does the entire electric lighting and power business in the city of Portland, Maine, and the communities adjacent thereto. Through its subsidiaries the company operates the street railway systems of Portland and South Portland with suburban lines to Westbrook, Gorham, Windham, Cape Elizabeth, Old Orchard, Saco and Yarmouth where connection is made with the lines of the Lewiston, Augusta & Waterville Street Railway extending to Brunswick, Bath, Lewiston, Gardiner, Augusta and Waterville, the electric light and power business of Biddeford, Saco, Kennebunk, York, Alfred, Stanford and Freeport, and gas business in Biddeford and Saco.

FRANCHISES.—The franchises under which the company and controlled companies operate are exceedingly liberal and contain no burdensome restrictions.

POPULATION SERVED.—The estimated population served by the company and controlled companies is 280,000.

DIVIDEND RECORD.—On the preferred stock 6 per cent per annum has been paid February quarterly from February 1, 1912, to date. On the common stock 3 per cent was paid during 1917.

CONSOLIDATED GAS ELECTRIC LIGHT & POWER COMPANY OF BALTIMORE,
BALTIMORE, MD.

General Office, Lexington and Liberty Streets.

Incorporated February 14, 1905, under the laws of Maryland, as the Consolidated Gas Electric Light & Power Co., as a consolidation of the Westrom Electric Co. and the United Electric Light & Power Co.; also acquired a majority of the stock of the Consolidated Gas Co. of Baltimore City. On June 20, 1906, the new company was consolidated with the Consolidated Gas Co. of Baltimore City, a majority of whose stock it had previously owned, forming the Consolidated Gas Electric Light & Power Co. of Baltimore. Owns the entire capital stock of the following

companies: Northern Electric Co., Mt. Washington Electric Light & Power Co., Roland Park Electric & Water Co., Patapsco Electric & Mfg. Co. of Maryland, Patapsco Electric & Mfg. Co. of Dela., The Baltimore County Elec. Co., and Maryland Securities Co. The last named company owns all of the common stock of the Baltimore Electric Co. of Baltimore City. All of the above companies, with the exception of the Maryland Securities Co., are operated under lease by the Consolidated Gas Electric Light & Power Co. of Baltimore. Also owns the entire

MacDONALD-MANN COKE QUENCHING CHUTES quench the coke in water-sealed bins using a minimum of water, and producing hard silver gray coke with very little breeze. Write for Catalogue N15-3.

APPENDIX

common capital stock of The Public Service Building Co., which company erected a 20-story office building for the use of the executive, commercial, engineering and merchandizing departments of the Consolidated Company, and for retail shops and general office purposes. The Consolidated Gas Electric Light & Power Co. of Baltimore has leased this building for a period of 25 years. The present company is the only company engaged in the gas, electric light and power business in Baltimore and surrounding territory. Its operations extend into Baltimore, Howard and Anne Arundel counties, the company serving a population of approximately 725,000.

FRANCHISES.—Original gas franchises were granted in 1816, and original electric franchises were granted in 1881. The franchises for both gas and electricity are unlimited as to time. No further franchises can be granted to any other company without the consent of the Public Service Commission of Maryland.

ELECTRIC PROPERTIES.—The company has available for immediate operation two modern steam generating plants—one, the large power station of the Consolidated Co. at Westport, and the

other the Gould street station of the Baltimore Electric Co. of Baltimore City—and the water-power development at Ilchester, Maryland. The present equipment of these stations has an aggregate capacity of 90,000 horsepower. In addition to these generating stations, the Consolidated Co., through a contract with the Pennsylvania Water & Power Co., controls the entire power supply of that company in Baltimore and vicinity, excepting an amount reserved for the local traction company. This development is located at Holtwood, Pa., on the Susquehanna River, and has a rated machine capacity of 112,000 horsepower. This supply of hydro-electric power has resulted in economies in operation and practically insures uninterrupted service throughout the entire system.

GAS PROPERTIES.—The manufacturing of gas is concentrated at the company's Spring Gardens plant, which occupies a tract of 57 acres of land advantageously located for a gas plant, and provided with both railroad and deep water facilities. It is equipped with Lowe water gas apparatus of modern design, having a daily capacity of 20,000,000 cubic feet, in addition to which the company has also a contract under which it may purchase 7,000,000 cubic feet of coke-oven gas from the Bethlehem Steel Co.

CAPITAL STOCK.—Authorized, \$30,000,000. Capital stock outstanding June 30, 1917, \$14,385,800. Shares, \$100.

The first dividend on the common shares was 2 per cent, paid in April, 1910; 2 per cent was also paid in November, 1910; 1 per cent in February, 1911; 1¼ per cent in April, July and October, 1911, January, April, July and October, 1912, and January, 1913; 1½ per cent in April, July and October, 1913, January, April and July, 1914; 1¾ per cent in October, 1914, January, April, July and October 1915, January, April, July and October 1916, and January 1917. The April 1917 was, and all subsequent quarterly payments have been at the rate of 2 per cent (8 per cent per annum). The stock of the company is widely distributed

in small amounts and is listed on the Baltimore, New York, London and Bristol (England) and Glasgow (Scotland) stock exchanges.

Of the outstanding capital stock, \$2,174,000 was issued in conversion or retirement of its issue of \$2,500,000 two-year 5% notes, the value of the common stock for this purpose being \$115 per share. Also, \$739,400 common stock has been issued through the conversion of debenture stock, which privilege expired July 1, 1916. These conversions were made at the rate of £25 (\$121.66¼) debenture stock for \$100 common stock. The Public Service Commission of Maryland has authorized the company to issue \$7,727,300 common stock when and as needed for the conversion of its issue of \$8,500,000 5% five-year convertible gold notes, the value of common stock for the purpose of conversion being established

THE NEEDHAM HIGH PRESSURE GAS SYSTEM is the ideal system to accomplish fuel conservation. It satisfies the customer's requirements.

THE NEEDHAM GAS APPLIANCE CO., 550 W. 25th St., New York, N. Y.

at \$110 per share. The company has also from time to time offered shareholders the privilege of subscribing for common stock at par, \$2,916,000 thereof having been issued on various occasions in this manner. Under a privilege which expired December 19, 1914, \$2,256,300 common stock was issued in exchange, par for par, for preferred stock, which latter was thereupon permanently cancelled and retired.

Transfer agents. The New York Trust Co., New York, and The Continental Trust Co., Baltimore, Md. Registrar, Guaranty Trust Co., New York, and Union Trust Co. of Maryland, Baltimore, Md. Dividend checks mailed.

FUNDED DEBT.—Outstanding, June 30, 1917, consists of the following issues:

\$15,000,000 Consolidated Gas Electric Light & Power Co., general mortgage, gold, $4\frac{1}{2}$ per cent coupon bonds (including \$1,155,000 deposited as security under the first mortgage 5 per cent bonds of The Baltimore Electric Co. of Baltimore City. The bonds held by the public therefore amount to \$13,845,000. Bonds are of \$1,000 denomination, dated February 14, 1905; due February 14, 1935; interest payable January 1 and July 1 at the Continental Trust Co., Baltimore, Md., and in New York and London. Principal may be registered. Authorized issue, \$15,000,000. Secured by trust deeds dated February 14, 1905, and May 15, 1905, as a first mortgage upon the Westport Power Plant, the main generating station of the company, and all other electric property, subject to the underlying lien of the mortgage of the United Electric Light & Power Co. It is also a general mortgage on all gas property of the company, subject to the liens of the two gas mortgages. Principal payable in Baltimore and London. Bonds are to bearer, but principal can be registered in Baltimore and London. Trustee, The Continental Trust Co., Baltimore, Md.

\$4,428,000 United Electric Light & Power Co. first consolidated mortgage gold $4\frac{1}{2}$ per cent coupon bonds, denomination \$1,000, dated May 8, 1899; due May 1, 1929; interest payable May 1 and November 1 at the office of Alexander Brown & Sons, Baltimore, Md. Maryland Trust Co., Baltimore, Md., trustee. Principal may be registered. Authorized, \$4,500,000. This is a closed mortgage. Free of United States normal income tax.

\$3,400,000 Consolidated Gas Co. of Baltimore City, consolidated mortgage first 5 per cent gold bonds; denomination, \$1,000; dated July 1, 1889; due July 1, 1939; interest payable January 1 and July 1 at Farmers' and Merchants' National Bank, Baltimore, Md. Mercantile Trust & Deposit Co., Baltimore, Md., trustee. Principal may be registered. Authorized issue, \$7,000,000. This is a closed mortgage. United States normal income tax not assumed by company.

\$6,100,000 Consolidated Gas Co. of Baltimore City, general mortgage gold $4\frac{1}{2}$ per cent coupon bonds; denomination, \$1,000; dated April 1,

1904; due April 1, 1954; interest payable April 1 and October 1 at The Fidelity Trust Co., Baltimore, Md. Principal may be registered. Total issuable, \$9,500,000 of which \$3,400,000 are reserved to retire \$3,400,000 Consolidated Gas Co. of Baltimore City 5 per cent consolidated mortgage bonds, due July 1, 1935.

This is a closed mortgage. Free of United States normal income tax.

\$399,515.32 (£82,095) consolidated mortgage 5% debenture stock, Series "A," outstanding. The stock may bear varying rates of interest, as determined by the directors prior to issuance, such rate not to exceed 5% per annum. Interest is payable May 1 and November 1 each year by warrants, sent by post. There is no fixed date for the payment of the principal, but the company has reserved the right to redeem the whole or any part of the stock at any time on three months' notice, at 10% premium. \$899,572.52 (£184,850) of the original issue has been converted into common shares of the company by the holders of such stock, through a conversion privilege which expired July 1, 1916, which established \$121.66 $\frac{1}{4}$ as the conversion value of the common stock. The stock registers are kept at the head office of the London Joint Stock Bank, Ltd., 5, Princes Street, London, E. C., England, and transfers are effected in sums of £1 and multiples on common forms; fee, 2s. 6d. Free of United States normal income tax.

\$8,500,000 Consolidated Gas Electric Light & Power Co. of Baltimore 5% five-year convertible gold notes; dated November 15, 1916; due November 15, 1921; interest payable May 15 and November 15 of each year at The New York Trust Co., New York, or at the banking house of Alexander Brown & Sons, Baltimore, Md. The Fidelity Trust Co., Baltimore, Md., trustee. Coupon, \$100, \$500 and \$1,000. \$100 and \$500 notes, exchangeable for larger denominations at The New York Trust Co., New York, and at the banking house of Alexander Brown & Sons, Baltimore. Principal may be registered at The New York Trust Co., New York, and at the banking house of Alexander Brown & Sons, Baltimore. Authorized and outstanding, \$8,500,000. Convertible at the option of the holders after November 15, 1918, into capital stock of the company, at \$110 per share, with an adjustment of accrued interest and current dividends. Callable in whole or in part at any time on or after May 15, 1919, at 101 $\frac{1}{2}$ and interest, on 60 days' notice, but if so called for redemption the notes may be converted into capital stock up to 30 days prior to the date of redemption. Issued to finance redemption of \$4,103,754 preferred stock on April 2, 1917, and to cover the acquisition of additional property in the construction, completion, extension and improvement of the company's plants and distribution systems, required by the normal increase in the company's gas and electric output. Free of United States normal income tax.

OFFICERS.—J. C. M. Lucas, President; Vice-Presidents, F. R. Weller, T. C. Coleman, H. T.

Hartman; Secretary, H. P. Lucas; Treasurer, H. P. Lucas; Manager, F. R. Weller.

DIRECTORS.—J. C. M. Lucas, T. C. Coleman, F. R. Weller, Samuel P. Morton, H. P. Lucas, E. McFisher and H. T. Hartman.

Annual meeting of stockholders held first Wednesday in May. Company's fiscal year ends December 31.

SOUTHERN GAS & ELECTRIC CORPORATION, BALTIMORE, MD.

New York Office, 61 Broadway.

The Southern Gas and Electric Corporation was incorporated in June, 1913, in Virginia (Richmond), under the laws of Virginia, and is a reorganization of The Baltimore Utilities Company.

CAPITALIZATION.—Preferred stock, authorized, \$1,000,000; outstanding, \$455,000. Common stock, authorized, \$2,000,000; outstanding, \$501,000. Shares, \$100. Dividend on preferred stock, annual rate 6 per cent and 7 per cent, payable annually.

OFFICERS.—President, Francis T. Homer; Vice-

Presidents, A. C. Howard and L. I. Pollitt; Secretary and Assistant Treasurer, J. A. McKenna; Treasurer and Assistant Secretary, Morgan D. Evans; Assistant Secretary and Assistant Treasurer, M. G. Banigan; Manager, L. I. Pollitt.

DIRECTORS.—Francis T. Homer, A. C. Howard, Geo. Bullock, Morgan D. Evans, E. G. Connette, Alexander H. Sands, L. I. Pollitt.

Annual meeting of stockholders held fourth Tuesday in January at Richmond, Va.

Company's fiscal year ends December 31.

CRISFIELD LIGHT & POWER COMPANY, CRISFIELD, MD.

The Crisfield Light and Power Company was incorporated in October, 1910, under the laws of Delaware.

FRANCHISES.—Run for 25 years.

CAPITALIZATION.—Preferred stock, authorized, \$30,000; outstanding, \$30,000. Shares, \$50.

Transfer agents, Layton & Owens, Bridgeville, Del. Registrars, Equitable Guar. and Trust Co., Wilmington, Del.

FUNDED DEBT.—Bonds, 1st mortgage 6 per cent gold bonds, authorized, \$30,000; issued, \$30,000; dated July 1, 1911; due July 1, 1931; interest payable annually at Equitable Guar. and Trust Co., Wilmington, Del. Denomination, \$250. Cou-

pon or may be registered. Redeemable at July 1, 1921, on any interest date at par and interest.

SECURITY.—First and closed mortgage.

SINKING FUND.—80 per cent before maturity.

OFFICERS.—President, Chas. Owens; Vice-President, Robert R. Layton; Secretary, Robert R. Layton; Treasurer, Robert R. Layton; Manager, R. G. Anklam.

DIRECTORS.—Chas. Owens, R. R. Layton, L. Owens, R. S. Layton.

Annual meeting of stockholders held January, at Bridgeville, Del.

Company's fiscal year ends June 30.

EASTERN SHORE GAS & ELECTRIC COMPANY, SALISBURY, MD.

The Eastern Shore Gas and Electric Co. was incorporated in 1915 under the laws of Delaware, and is a consolidation of Milton Electric Co. and Georgetown Light and Power Co. (it was formerly the Sussex Light and Power Co., name being changed to Eastern Shore Gas and Electric Co.) Controls the gas company at Cambridge, Md.

FRANCHISES.—Principal ones are perpetual or expire after expiration of mortgage.

CAPITALIZATION.—Preferred stock, 6 per cent cumulative; authorized, \$350,000; outstanding, \$90,000. Common stock, authorized, \$400,000; outstanding, \$373,500. Shares, \$100. Transfer agents, Day & Zimmermann, Inc. Registrars, Philadelphia Trust Co.

FUNDED DEBT.—Bonds: First mortgage and collateral trust, authorized \$1,250,000, issued \$565,000; dated June 1, 1915; due June 1, 1955. Interest payable June 1 and December 1 at Phil-

adelphia Trust Co., trustee. Denominations, \$500 and \$1,000. Redeemable at 105 per cent and interest on any interest day at Philadelphia Trust Co.

SECURITY.—First lien on its entire property and further secured by deposit of securities of subsidiaries.

SINKING FUND.—1 per cent of bonds issued and outstanding on first of June, 1920, and annually thereafter to purchase bonds.

OFFICERS.—President, M. V. Brewington; Vice-President, H. F. Hansell, Jr.; Secretary, John E. Zimmermann; Treasurer, John E. Zimmermann; Assistant Secretary, Robert C. Shields; Assistant Treasurer, C. R. Bitting; Superintendent, F. W. Woodcock.

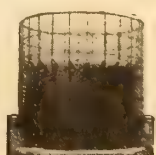

DIRECTORS.—Charles Day, J. R. McAllister, Geo. H. Frazier, B. W. Frazier, H. F. Hansell, Jr., John E. Zimmermann, M. V. Brewington, Jesse D. Price, C. Herman Krumbhaar, Jr.

APPENDIX

ATHOL GAS & ELECTRIC COMPANY, ATHOL, MASS.
Boston Office, 78 Devonshire Street.

The Athol Gas and Electric Company was incorporated in February, 1891, under the laws of Massachusetts. On August 24, 1909, acquired property of the Orange Electric Light Co. Serves Athol, Orange, Wendell and Erving. Furnishes electric power to the Northern Massachusetts Street Railway Co. Owns a concrete water power plant on the Millers river, which has a capacity of over 2,000 h. p., also has steam auxiliary at the water power plant and an additional steam plant and gas plant at Athol. Population served over 16,700.

CAPITALIZATION.—Common stock, authorized, \$655,000; outstanding, \$655,000. Shares, \$100. All owned by Commonwealth Gas and Electric Companies. Dividends at rate of 8½ per cent now being paid annually, January, April, July and October 15.

FUNDED DEBT.—Bonds, first gold 5s, \$15,000. Dated April 1, 1901; due April 1, 1921; interest payable April 1 and October 1 at International Trust Co., Boston. Coupon bonds, \$1,000 denomination. Authorized issue \$50,000. A first lien on the plant. Interest paid without deduction for normal income tax.

OFFICERS.—Vice-President, Bowen Tufts; Vice-President, E. G. Loomis; Secretary, E. C. Mason; Treasurer, Paul B. Webber; Manager, Paul B. Webber.

DIRECTORS.—E. G. Loomis, M. B. Webber, E. C. Mason, P. B. Webber, Bowen Tufts and A. P. Weeks.

MASSACHUSETTS GAS COMPANIES.
General offices: Minot Building, Boston.

The 1906 edition of Brown's Directory of American Gas Companies gives the historical summary of this company's organization.

Extract from Semi-Annual Report to Shareholders.

The shareholders at the meeting held December 18, 1917, having voted that the fiscal year

should end December 31 instead of June 30 and that the annual meeting of shareholders should be held the first Tuesday in April instead of the first Tuesday after the first Monday in October as heretofore. the trustees do therefore submit herewith statement of the earnings and expenses for the six months' period ending December 31, 1917, and condensed balance sheet as

WILLIAMS' "Agrippa" THREADING-TOOL HOLDER

The Threading Tool with lockable-spring head will do roughing, finishing and threading at one setting in the tool post.

J. H. WILLIAMS & CO., 74 Richard St., Brooklyn, N. Y.

of December 31, 1917. Statements showing the operations for the same period of the Boston Consolidated Gas Company, East Boston Gas Company, Newton and Watertown Gas Light Company, Citizens' Gas Light Company of Quincy, New England Fuel and Transportation Company, New England Coal and Coke Company, and J. B. B. Coal Company are also submitted.

The property account on December 31, 1917, included the following securities: 151,126 shares Boston Consolidated Gas Co.; 23,000 shares East Boston Gas Co.; 5,600 shares Newton & Watertown Gas Light Co.; 7,430 shares Citizens' Gas Light Co.; 250,000 shares New England Fuel and Transportation Co.; 1,187½ shares New England Manufacturing Co.; \$119,000 bonds J. B. B. Coal Co.

The 1,187½ shares par value \$118,750 New England Manufacturing Co. stock representing a 47½% ownership in the outstanding capital of the New England Manufacturing Co., returned dividends amounting to \$60,800 in the six months ending December 31, 1917.

The marked increases in costs of manufacture and distribution of gas has obliged all four of our gas companies to seek relief through an increase in the price of gas to consumers.

On January 1, 1918, the Boston Consolidated Gas Company increased its price of gas to consumers from 80 cents to 90 cents per thousand cubic feet. The company was entitled to make this increase of 10 cents per thousand cubic feet in accordance with the provisions of the sliding scale act, it having reduced its dividend from 9 per cent to 7 per cent in the preceding year.

The Citizens' Gas Light Company has increased its price of gas to consumers 10 cents per thousand cubic feet, effective February 1, 1918.

The East Boston Gas Company and the Newton and Watertown Gas Light Company now have petitions before the Board of Gas and Electric Light Commissioners for an increase respectively of 15 cents and 10 cents per thousand cubic feet.

BOSTON CONSOLIDATED GAS CO.—The Boston Consolidated Gas Co.'s net addition in street mains for the six months ending December 31, 1917, was 1 mile, 3,330 feet. The total output of gas to consumers for the same period was 3,035,283,000 cu. ft., an increase of 8.52 per cent compared with the output of the corresponding period of the previous year. The net gain in meters set during the six months was 2,951 as against a gain of 4,134 during the same period of the previous year.

EAST BOSTON GAS CO.—The East Boston Gas Co.'s net addition in street mains for the six months ending December 31, 1917, was 552 feet. The total output of gas to consumers for the same period was 313,640,000 cu. ft., an increase of 9.41 per cent over the corresponding period of the previous year. The net gain in meters set during the six-month period was 499.

NEWTON AND WATERTOWN GAS LIGHT CO.—The Newton and Watertown Gas Light

Co.'s net addition in street mains for the six months' period ending December 31, 1917, was 2 miles, 1,618 feet. The total output of gas to consumers for the same period was 380,394,000 cu. ft., an increase of 12.03 per cent over the same period of the previous year. The net gain in meters set during the six months' period was 748 as against a gain of 731 during the same period of the previous year.

CITIZEN'S GAS LIGHT CO. of QUINCY.—The Citizens' Gas Light Co.'s net addition in street mains for the six-month period ending December 31, 1917, was 3,236 feet. The total output of gas to consumers for the same period was 111,736,000 cu. ft., an increase of 16.97 per cent over the same period of the previous year. The net gain in meters set during the six months was 359.

Considering the adverse conditions, the net results of the Everett plant of the New England Fuel and Transportation Company for the six months ending December 31, 1917, were reasonably satisfactory.

Shortage of coal at the loading piers, labor conditions, and the unusually severe winter causing blocking ice all along the coast, frozen coal, and delays to vessels, seriously interfered with the movement of the New England Fuel and Transportation Company's fleet of steamers, tugs, and barges in the six months ending December 31, 1917.

Since July 1, 1917, the government, through the Shipping Board, has requisitioned all American-owned steamers of over 2,500 tons dead-weight. The six steamers of the New England Fuel and Transportation Company, up to March 1, 1918, had been left in the coal trade, being operated by this company under charter from the Shipping Board. On March 9, 1918, the Shipping Board took the steamer Newton for government use.

The output for the six months ending December 31, 1917, of the Federal mine was 272,540 tons as compared with 313,908 tons in the same period of the preceding year. Labor conditions and shortage of cars and motive power were the cause for this decrease.

In November, 1917, the New England Fuel and Transportation Company acquired, at what is believed will prove a satisfactory price, approximately 10,500 acres of Pittsburgh seam coal and approximately 3,500 acres of Sewickley seam coal, a total of approximately 14,000 acres, which was formerly the property of the Empire Coal and Coke Company. This acreage is estimated to contain at least 125,000,000 tons of high-grade coal.

In accordance with the intention at the time of purchase, a considerable acreage has been resold, and further acreage will undoubtedly be sold in time, but the company intends to develop and operate a substantial portion of this property.

The Pittsburgh seam on the property runs from seven feet to ten feet in thickness and the Sewickley seam from five feet to six feet in

RELIABLE STOVE COMPANY, Div. Am. Stove Co., CLEVELAND, O.

thickness, thus ensuring the production of coal at a minimum cost. Furthermore, the property is very advantageously located, it having three trunk line connections, consisting of the Baltimore and Ohio Railroad, the New York Central Railroad and the Pennsylvania Railroad, as well as having a frontage of 15 miles on the Monongahela river, which will permit coal to be loaded in river boats for Pittsburgh and river points.

The serious coal situation in New England in the six months ending December 31, 1917, must be well known by the general public through the publicity given to it by the newspapers if not from actual experience. The New England Coal and Coke Company with other coal people realized the possibilities of a coming coal shortage in New England early in the spring of 1917. Every effort was made by it to secure for its customers the tonnage of coal which they required. Conditions beyond the company's control, however, made this impossible, and it was only with the greatest difficulty that contracts were furnished enough coal to keep plants running up to January 1, 1918.

For the six months ending December 31, 1917, the output of the J. B. B. Coal Company (60 per cent of the capital stock of which is owned by the New England Fuel and Transportation Company) was 121,316 gross tons as compared with 167,343 gross tons the same period of the previous year. The decrease in production is due primarily to the extreme shortage of cars on the Norfolk and Western Railway.

1917	552,357,400	398	29,116	26,552

On account of the existing business conditions the operating companies have limited, as far as possible, expenditures for new construction. In order not to be embarrassed by delays in railroad transportation, it seemed desirable to provide additional coal and oil storage capacity at several of the plants and this has been done. As a result none of the companies have been handicapped by coal or oil shortage. A new gas holder with a capacity of 100,000 feet, which was contracted for by the Spencer Gas Company prior to the beginning of the present war, has been completed, providing that company with additional storage capacity. The Leominster Electric Light and Power Company has erected a 3,000 kilowatt transformer station, which enables it to purchase its electricity from the New England Power Company, with which it has a contract for the supply of its requirements at favorable rates. This arrangement puts the Leominster company in a position to supply a very large amount of additional power without further plant expenditures. The erection of the transmission lines and installation of equipment, referred to in our last annual report, to enable the Northampton Electric Lighting Company to purchase electricity generated by the Turners Falls Power and Electric Company and the Milford Electric Light and Power Company to purchase electricity from the New England Power Company have been completed and both systems are now in successful operation. This leaves only the North Adams Gas Light Company buying coal with which to generate electricity, but a connection is now being completed with the New England Power Company's system which will effect substantial economies at the North Adams plant.

The plants, transmission lines and distributing systems of the several operating companies are in good condition, \$145,022 having been charged to repairs, renewals and depreciation during the year.

Acting under authority given them by the shareholders, the trustees, on October 6, 1916, offered holders of preferred shares the right to subscribe for additional preferred shares at \$100

per share in the ratio of one new share for each ten preferred shares then held. Four thousand three hundred and twenty-eight shares were taken by the shareholders under said offer and have since been issued. With the proceeds the trustees have paid off a portion of their notes payable, made loans to the several operating companies to enable the latter to make necessary additions to plants, and purchased at par, \$100 per share, six hundred twenty-five shares of the capital stock of the Milford Electric Light and Power Company, the issue of which had been approved by the Board of Gas and Electric Light Commissioners. The trustees have continued the practice of loaning to the operating companies such funds as are necessary in the conduct of their business.

By reference to the financial statement hereto annexed, it will be noted that on June 30, 1917, all but thirty-two of the old common shares had been exchanged for new common and preferred shares and of this number twenty-one shares have since been exchanged. As under the shareholders' vote all voting and dividend rights on the old common shares have now expired, it is expected that the few now remaining outstanding will be exchanged in the very near future.

THE SCIENTIFIC SAFETY GARAGE HEATER

The Standard with all Gas Companies.

Because of our sales assistance to gas companies.

THE SCIENTIFIC HEATER COMPANY : : of Cleveland, Ohio

AMERICAN PUBLIC UTILITIES CO., GRAND RAPIDS, MICH.

The American Public Utilities Co. was incorporated in 1912, under the laws of Delaware and through stock ownership controls the following properties: Merchants Public Utilities Co., Indianapolis, Ind.; Elkhart Gas & Fuel Co., Elkhart, Ind.; Valparaiso Lighting Co., Valparaiso, Ind.; Utah Gas & Coke Co., Salt Lake City, Utah; Boise Gas Light & Coke Co., Boise, Idaho; Wisconsin-Minnesota Light & Power Co., at Eau Claire, LaCrosse, Chippewa Falls, Menomonie, Sparta, Tomah, Viroqua, Rice Lake, Ellsworth, Neillsville, Spring Valley and Elmwood, Wis., and Red Wing, Winona, Minn.; Albion Gas Light Co., Albion, Mich.; Holland City Gas Co., Holland, Mich.; Jackson Light & Tracton Co., Jackson, Miss.

FRANCHISES.—The franchises of the several companies are broad and satisfactory in their terms, and, with the exception of the Albion franchise (which expires in 1920), have unexpired terms ranging from 16 to 42 years. The Jackson franchises, in the opinion of counsel, are perpetual.

CAPITALIZATION.

Preferred stock, 6 per cent cumulative....	Authorized \$20,000,000	Outstanding \$4,465,900
Common stock	20,000,000	2,995,000
†Bonds — Collateral trust 5 per cent, due Aug. 31, 1942....	20,000,000	456,300
Central Trust Co. of Ill., trustee.		
Shares \$100. Transfer agents, Kelsey, Brewer & Co. Registrars, Old National Bank, Grand Rapids.		

DIVIDENDS.—The preferred stock (preferred as to dividends and assets) is dated July 1, 1912, and pays 6 per cent in quarterly installments of 1½ per cent. Stock may be redeemable by the company on any dividend date at 105 plus accrued dividends.

† Bonds: Collateral trust 5 per cent, authorized, \$20,000,000; issued, \$456,300; dated September 1, 1912; due September 1, 1942. Interest payable March 1 and September 1 at Central Trust Co. of Illinois, Chicago, Ill., or, if desired, at the First National Bank, Boston. Denominations, \$100, \$500 and \$1,000; coupon; principal may be registered. Redeemable by the Company on any interest date at 102 and accrued interest. Trustee of Bonds, the Central Trust Co. of Illinois, Chicago, Ill. Security, subsequent lien. Sinking fund, 1 per cent for 10 years, beginning January 1, 1916; 1½ per cent for 10 years, beginning January 1, 1926, and 2 per cent beginning January 1, 1936, until maturity of bonds.

BONDS.—6% secured gold bonds, authorized, \$3,500,000; outstanding, \$2,500,000. Reserved for future extensions and betterments under guarded restrictions, as set forth in the Deed of Trust, \$1,000,000. The bonds are dated April 1, 1916; due April 1, 1936. Coupon bonds, in denominations of \$500 and \$1,000. Redeemable at any interest period at 102½ and accrued interest. Logan Trust Co. of Philadelphia, trustee.

SECURITY.—These bonds in addition to being a direct obligation of the American Public Utilities Company are specially secured by deposit with the Trustee of the following securities: \$2,000,000 Merchants Public Utilities Co., Indianapolis common stock; \$348,000 Merchants Heat & Light Co., Indianapolis, common stock; \$500,000 Elkhart Gas & Fuel Co., Elkhart, Ind., common stock; \$150,000; Valparaiso Lighting Co. common stock; \$400,000 Valparaiso Lighting Co. and Elkhart Gas & Fuel Co. 1st con. 5s; and are further secured by a lien on \$2,500,000 Wisconsin-Minnesota Light & Power Co. common stock, and \$2,447,000 Utah Gas & Coke Co. common stock.

Annual meeting of stockholders held in January at Grand Rapids. Company's fiscal year ends December 31.

UNITED LIGHT AND RAILWAYS COMPANY, GRAND RAPIDS, MICH.

The United Light and Railways Co. was organized in July, 1910, for the purpose of acquiring, financing, and operating public utility properties and has acquired and now owns directly or through ownership of all or a very large majority of the stock, the following properties: Chattanooga Gas Co., Chattanooga, Tenn.; Cedar Rapids Gas Co., Cedar Rapids, Iowa; Cedar Rapids and Marion City Railway Co., Cedar Rapids and Marion, Iowa; Ottumwa Gas Co., Ottumwa, Iowa; Fort Dodge Gas and Electric Co., Fort Dodge, Iowa; Peoples Gas and Electric Co., Mason City, Iowa; Mason City and Clear Lake Railroad Co., Mason City, Iowa; Laporte Gas and Electric Co., Laporte, Ind.; Cadillac Gas Light Co., Cadillac, Mich.; Grand Rapids, Grand Haven and Muskegon Railway Co. of Michigan; Tri-City Railway and Light Co.

(The Tri-City Railway and Light Co. serves Davenport, Iowa City and Muscatine, Ia.; Rock Island, Moline, East Moline, Ill., and adjoining towns, including high grade Interurban Railway between Clinton, Davenport and Muscatine, Ia.)

FRANCHISES.—The franchise situation as a whole is excellent, the majority of the rights extending beyond the life of the first and refunding bonds. Properties providing less than one-fourth of the net earnings of the company have franchises maturing prior to 1932, extensions for a period of twenty-five years on the gas, electric and heat franchises in Mason City, Iowa, were voted by a large majority of the people in 1914. Although the franchises in the Tri-Cities had a number of years to run, they were extended in 1909 and 1910 for the maximum period permitted under the laws of the states under which these properties are operated, without burdensome restrictions. A new gas franchise for 25 years was granted by Cedar Rapids, Iowa, citizens, and the franchise of the Chattanooga Gas Co. was extended forty years in 1913.

CAPITALIZATION—DECEMBER 31, 1917.

Stock:	Authorized	Outstanding
First pref. 6% cumulative	\$12,500,000	\$10,131,500
Common stock	12,500,000	6,878,000

The first preferred stock pays quarterly dividends, January, April, July and October. Common stock paid a dividend of 4 per cent cash in 1913, beginning 1 per cent April 1, and 1 per cent quarterly after, continuing until July, 1914. An extra dividend of 1 per cent, payable in common stock, was paid April 1, 1914. Cash dividends on the common were deferred in the quarter beginning October 1, 1914, the surplus earnings being conserved for improvements and extensions and were resumed October 1, 1916, with the payment of 1 per cent cash, and continued through 1917 at the same rate, to and including April 1, 1918.

The annual rate of dividend on preferred stock is 6 per cent.

FUNDED DEBT.—Bonds: First and refunding mortgage 5 per cent gold, \$8,677,400. Dated June 1, 1912; due June 1, 1932. Interest payable June 1 and December 1 at the Company's agencies in Chicago or in New York. Coupon bonds: Denomination, \$100, \$500 and \$1,000, registerable as to principal or exchangeable for fully registered bonds in denominations of \$1,000 and multiples. Redeemable, whole, or in part, on any interest date at 102½ and interest, upon 60 days' notice. Trustee of bonds: The New York Trust Co. and Mortimer N. Buckner.

SECURITY OF THE BONDS.—The bonds are secured by a first mortgage on the property formerly owned by the La Porte Electric Co., La Porte Gas Light Co., Fort Dodge Light and Power Co., Cedar Rapids Gas Light Co., Ottumwa Gas Light, Heat and Power Co. and the Cadillac Gas Light Co. There are no underlying liens upon the properties mentioned, save \$100,000 of Cadillac Gas Light Co. bonds, of which all are owned by the operating company and are deposited under the lien of the first and refunding mortgage. There has also been deposited with the trustee as further security under the mortgage all of the stock of the companies above mentioned, and a large majority and in most cases all of the stock of the Tri-City Ry. and Light Co., the G. R., G. H. and M. Ry., Chattanooga Gas Co., Cedar Rapids and Marion City Ry., Mason City & Clear Lake R. R.

Tycos Temperature Instruments for Gas Works

H & M Angle and Straight Stem Thermometers; Recording and Indicating Thermometers; Automatic Temperature and Pressure Regulators; Mercury Vacuum and Absolute Pressure Gauges; Engraved Stem Thermometers; Hygrometers; Hydrometers; Thermo-Electric and Radiation Pyrometers; and other heat measuring instruments.

Write for Catalogue 600.

Taylor Instrument Companies

Rochester, N. Y.

Co., and Peoples Gas & Electric Co. A large amount of Tri-City Ry. and Light Co. 1st and ref. 5s and of the preferred stocks of that company and of the Chattanooga Gas Co. are also deposited as further security.

DEBENTURES.—Six per cent ten-year convertible gold debentures, authorized, not to exceed 75 per cent of the first preferred stock outstanding at the time of issue; \$2,000,000 issued. Dated November 1, 1916; due November 1, 1926; interest, May 1 and November 1 at New York Trust Co., trustee. Convertible after November 1, 1918, and prior to November 1, 1923, into first preferred 6 per cent stock at rate of $1\frac{1}{4}$ shares for each \$1,000 par value of debentures. Callable in whole or in part at par and accrued interest on four weeks' published notice.

NOTES.—Two and one-half-year bond-secured

6 per cent gold coupon notes; dated November 1, 1917; due May 1, 1920. Issued, \$1,179,500. Interest May 1 and December 1 at New York Trust Company, trustee. Secured by deposit of first and refunding bonds. Notes outstanding 75 per cent of face value of bonds deposited as collateral.

NOTES.—Six per cent gold coupon, authorized \$3,000,000, issued \$2,250,000; dated January 1, 1915; due \$750,000 January 1, 1918, and \$1,500,000 January 1, 1920; interest payable January 1 and July 1 in New York. Denominations, \$1,000 (three-year notes), \$1,000, \$500 and \$100 (five-year notes). Registerable as to principal. Callable as a whole or in part upon four weeks' published notice at 100 and interest and 101 and interest, respectively, New York Trust Co., trustee. The \$750,000 due January 1, 1918, was paid at maturity.

Company's fiscal year ends April 30.

to the retirement of bonds numbered 1001 to 3868, in numerical order, at 102.50 and accrued interest.

EARNINGS, YEAR ENDED DECEMBER 31, 1917.

Gross earnings	\$2,197,973
Operating expenses, including taxes...	2,064,428
Net earnings	\$133,545
Interest on first mortgage bonds.....	319,542
Deficit	\$185,997

OFFICERS.—President, A. T. Rand; Vice-President, R. R. Rand; Secretary, W. H. Levings; Treasurer, R. R. Rand.

DIRECTORS.—A. T. Rand, R. R. Rand, W. H. Levings, A. H. Rand, W. F. Douthirt.

Annual meeting of stockholders held first Monday in March, at Minneapolis, Minn.

Company's fiscal year ends December 31.

NORTHERN STATES POWER CO. (FORMERLY CONSUMERS POWER CO.) MINNEAPOLIS, MINN.

The Northern States Power Co. (formerly Consumers Power Co.) was incorporated June 16, 1909, under the laws of Minnesota, and controls and operates public utility properties serving at retail or wholesale 203 municipalities in Illinois, Iowa, Minnesota (including St. Paul and Minneapolis), North Dakota, South Dakota and Wisconsin.

FRANCHISES.—The franchises under which the Company operates in the various cities, towns and other municipal divisions are free from objectionable features and afford satisfactory working conditions. The Minneapolis franchise is, in the opinion of counsel, unlimited as to time. The Company has contracts for street illumination in practically all of the important cities and towns in which it operates.

CAPITALIZATION (Dec. 31, 1917).

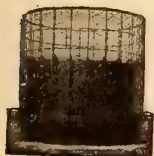

Preferred stock, 7 per cent cumulative	\$16,000,000	\$13,922,600
Common stock	14,000,000	6,170,000
Shares, \$100; transfer agents, Company.		

All of the issued and outstanding capital stock of the Northern States Power Co. of Minnesota, except qualifying directors' shares, is held by Northern States Power Co. (of Delaware).

FUNDED DEBT.

First and refunding mortgage 5 per cent gold bonds, outstanding, \$21,568,500; dated April 1, 1916; due April 1, 1941. Redeemable on any interest payment date prior to and including April 1, 1936, at 105 and interest and thereafter at 102½ and interest. Interest payable April 1 and October 1 in New York or Chicago. Coupon bonds of \$500 and \$1,000 denomination, with privilege of registration as to principal only, or exchangeable for fully registered bonds of \$1,000, \$5,000 and \$10,000 denominations. Guaranty Trust Company of New York, Trustee. These bonds are listed on New York Stock Exchange.

The first and refunding mortgage gold bonds are secured, in the opinion of counsel, by a first lien (either by direct mortgage or by the deposit of entire outstanding issues of bonds and stocks), on the entire system of the Company, subject only to the lien of \$7,556,000 bonds (closed mortgage) on the property of The Minneapolis General Electric Company. The balance of the bonds may be issued for only 75 per cent of the actual and reasonable expenditures for permanent extensions and additions to the properties, provided net earnings have been

SCRUBBERS, CONDENSERS, ETC.

1803

1918

at least twice the annual bond interest charge, including interest on those bonds for which application is made, or may be issued for the retirement of an equal amount of The Minneapolis General Electric Company bonds due December 1, 1934.

Under the terms of the first and refunding mortgage the Company covenants that an amount in cash equivalent to 12½ per cent of its gross earnings shall be expended or set aside annually for maintenance and repairs or for renewals and replacements of its property. Any part of this fund not used for such purposes may be expended for extensions and additions to the properties, such expenditures, however, not to be used as the basis for issuing first and refunding mortgage bonds. The Company may also utilize any balance of this fund in the hands of the trustee for the purchase, redemption or payment of any of its outstanding bonds.

Northern States Power Co. 6 per cent gold notes, authorized, \$12,000,000; outstanding (Dec. 31, 1917), \$7,805,000; dated April 1, 1916; due April 1, 1926; interest payable April 1 and October 1. Coupon, \$500 and \$1,000 denomination, registerable as to principal. Registered notes in denominations of \$1,000 and multiples. Coupon and registered notes interchangeable in multiples of \$1,000. Redeemable as a whole, or in part, at 102 per cent and interest at any time prior to April 1, 1921; at 101 per cent and interest thereafter and prior to April 1, 1925; and thereafter at 101 per cent and interest. Continental and Commercial Trust and Savings Bank, Chicago, trustee.

On April 1, 1916, the company issued 80,000 option warrants, which entitle the holder at any time between April 1, 1918 (*) and April 1, 1922,

(*) This date was subsequently changed to January 1, 1917.

to exchange each warrant for either one share of common stock or one share of preferred stock, at a price of par, plus accrued dividend, on the stock so purchased, and the holder is entitled to make the payment for the stock so purchased either by delivering a like par value of the ten-year 6 per cent notes of Northern States Power Company due 1926 at par, plus accrued interest, or the holder may receive such stock by paying par, plus accrued dividends, and in addition the premium required to be paid by the company for the redemption of the equivalent note or notes at the time of presentation of warrants. The premium for redemption of the ten-year notes being 2 per cent before April 1, 1921, and 1 per cent on and after that date.

Since December 31, 1916, there have been 1,950 of these option warrants cancelled against the redemption of \$195,000 ten-year 6 per cent notes and the issuance of \$195,000 common stock. This makes the outstanding common stock \$6,170,000 on March 15, 1918. Option warrants outstanding on March 15, 1918, are reduced from 80,000 to 78,050.

For earnings see Northern States Power Co. of Delaware.

OFFICERS.—President, H. M. Byllesby; Vice-Presidents, Arthur S. Huey, J. J. O'Brien, R. F. Pack, P. T. Glidden, F. C. Gordon, Otto E. Osthoff, R. G. Hunt, Geo. H. Harries, Isaac Milkewitch; Secretary, R. J. Graf; Treasurer, J. J. Molyneaux.

DIRECTORS.—H. M. Byllesby, Otto E. Osthoff, R. J. Graf, Arthur S. Huey, J. J. O'Brien, John H. Roemer, F. W. Stehr, Geo. H. Harries, S. W. Childs, D. T. Flynn, W. H. Clarke, H. C. Cummins, R. F. Pack, B. E. Sunny, Lewis B. Franklin, M. A. Morrison and B. W. Lynch.

MONEL METAL

American Meter Company

561 W. 47th St., New York, N. Y.

METERS. These are high grade experimental meters for use with corrosive gases, such as oxygen gas.

THE EMPIRE DISTRICT ELECTRIC COMPANY, JOPLIN, MO.

Incorporated in October, 1909, under the laws of Kansas. Acquired the Consolidated Light, Power & Ice Co. and the Joplin Light, Power & Water Co., both of Joplin, Mo.; the Galena Light & Power Co. of Galena, Kan., and 99.6 per cent of the Spring River Power Co. of Galena, Kan. The company owns the entire capital stock of the Webb City & Carterville Gas Co., and the Carthage Gas Co. The Company has also acquired the entire stock of the Empire Electric Power & Supply Co. of Carthage, Mo.

Supplies all the electric current for light and power in Joplin, Webb City, Carterville and Carthage, Mo.; Galena, Kan., and in the mining, quarrying and manufacturing territory adjacent to these cities, comprising what is known as the Joplin or Empire District. Also controls the natural gas business of Webb City, Carterville and Carthage, Mo. The Company has a new modern steam turbine plant, increasing the aggregate capacity of the combined plants to 33,000 horsepower. The franchises, except in three small towns, are unlimited as to time. Population served, 100,000. Operated by Doherty organization, New York. Controlled by Cities Service Co., general office, 60 Wall Street, New York, N. Y.

FRANCHISES.—In the City of Joplin, Mo., franchises are unlimited as to time, while in other cities they run twenty years from 1906. Rights to erect poles for transmission of current to mines surrounding the cities is unlimited under grant from County Commissioner.

CAPITAL STOCK.—Authorized, 6 per cent non-voting cumulative preferred, \$3,000,000. Outstanding: Preferred, \$3,000,000, of which \$1,003,900 is in hands of public and \$1,996,100 in treasury; common, \$3,000,000; total, \$6,000,000. Shares, \$100. Cities Service Co. on January 1, 1912, acquired all of company's common stock. Transfer agents, Capital Trust Co., Columbus, O. Registrars, Guarantee Title & Trust Co., Columbus, O.

Preferred stock is cumulative from November 1, 1909. Preferred stock is redeemable at any time at \$120 and accrued dividends. Dividends on preferred stock were resumed on Oct. 1, 1915, at the rate of 9 per cent per annum, and a dividend at the rate of 6 per cent per annum has been paid on the common stock from May 1, 1912, to Dec. 1, 1913. Dividends paid monthly.

FUNDED DEBT.—Outstanding December 31, 1917, consisting of the following issues (total \$4,679,000):

\$3,498,000 first mortgage 5s, dated November 1909; due November 1, 1949; interest payable May 1 and November 1 at office of Henry L. Doherty & Co., New York. Coupon bonds, \$1,000. Trustees, Central Trust Co., New York, and Conqueror Trust Co., Joplin, Mo. Subject to call on any interest date at 105 and interest. Sinking fund, beginning 1915, on October 1, each year 1 per cent outstanding bonds. Authorized, \$6,000,000. Of this amount \$275,000 are reserved to retire prior liens described below.

\$26,000 Missouri Ice & Cold Storage 5s, dated April 1, 1903; due April 1, 1923; interest payable April 1 and October 1 at office of United

States & Mexican Trust Co., Kansas City, Mo., trustees. Authorized, \$100,000.

Annual meeting of stockholders held third Wednesday in September at St. Joseph, Mo.

Company's fiscal year ends December 31.

LACLEDE GAS LIGHT COMPANY, ST. LOUIS, MO.

Incorporated under special acts of the Legislature of Missouri, March 2, 1857, March 3, 1857, and March 26, 1868, and does the entire gas lighting business of the city. Charter perpetual and confers upon the Company the perpetual right to use the streets of St. Louis for its pipes and for any appliances for conducting a substitute for gas.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock, 5% cum..	\$2,500,000	\$2,500,000
Common stock.....	17,500,000	10,700,000

Shares, \$100. Transfer agents, The Guaranty Trust Co. of New York. Registrars, Central Trust Co. of New York.

Financial agents: Bankers Trust Co., New York City, and St. Louis Union Bank Co., St. Louis, Mo.

Dividend on preferred stock, 5 per cent.

Dividends on common stock at the rate of 7 per cent, aggregating \$749,000, were paid during the year.

In addition to the regular dividend of 7 per cent, an extra cash dividend of 10 per cent, accumulated during the preceding seven years, was paid out of the dividend common stock account on January 2, 1917, to common stockholders of record December 26, 1916. This resulted in the decrease in common stock dividend account, as shown on condensed balance sheet.

The surplus earnings of the company, after deducting interest, preferred and the regular common stock dividends, a bonus to employees equivalent to one week's salary, and all other proper charges, was credited to the common stock dividend fund. The total to the credit of that account, as of December 31, 1917, was \$159,274.27.

FUNDED DEBT.

Bonds: First mortgage 5 per cent, authorized, \$10,000,000; issued, \$10,000,000; dated May 1, 1889; due May 1, 1919; interest payable February 1, May 1, August 1 and November 1 at Bankers' Trust Co., New York, and St. Louis Union Bank, St. Louis. Denomination, \$1,000; registerable as to principal. Security, a first lien upon entire property.

Bonds: Refunding and extension mortgage 5 per cent, authorized, \$20,000,000; issued, \$10,000,000; dated April 1, 1904; due April 1, 1934; interest payable April 1 and October 1 at Bankers' Trust Co., New York, and St. Louis Union Bank, St. Louis. Denomination, \$1,000; registerable as to principal. Security, subject to first gold 5s, described above.

Debentures, 5%, authorized, \$5,000,000; outstanding, \$3,850,000; dated February 1, 1914; due February 1, 1919; interest payable February 1 and August 1. Coupon debentures in denomi-

nation of \$1,000 each, registerable as to principal. Callable as a whole, but not in part, on any interest payment date at 101½ and interest. St. Louis Union Trust Co., trustee. These debentures are the first maturing funded obligation of the Laclede Gas Light Co. They precede \$2,500,000 5% dividend paying preferred stock and \$10,700,000 7 per cent dividend paying common stock, having a present market value of approximately \$15,000,000, or nearly four times the total debentures outstanding.

FINANCIAL STATEMENT FOR THE TWELVE MONTHS ENDED DECEMBER 31.

THE SCIENTIFIC SAFETY GARAGE HEATER

The Standard Garage Heater of North America.

Because of the basic patents and pending patents.

THE SCIENTIFIC HEATER COMPANY : : of Cleveland, Ohio

CONSTRUCTION.—During the year 1917 the company expended \$704,903.91 for extensions and improvements. The net increase in this account during the year was \$540,229.33. The difference, amounting to \$164,674.58, covers the cost value of property written off from the plant account during the year.

The following covers the more important additions made during the year:

At Station "A," gas producers of the latest approved type were installed on 20 benches of 8's in the Convent street house. Two DeBrower charging and two DeBrower discharging machines, and other miscellaneous apparatus, were also installed at this plant.

At Station "B," ammonia concentrator and steel storage tank were installed.

At coke station, a pure benzol plant, to refine light oils, was installed, as well as additional apparatus for handling coal and coke.

At Station "E," a new 4,000-kw. turbo-generator and all necessary condensers and auxiliaries, switching equipment, pipe, valves, fittings etc., were installed. Building was erected at this plant for the installation of voltage regulators and equipment. In addition, automatic feeder regulators, open feed water heater and air compressor, were provided.

The gas distribution system was increased by

the addition of 11 miles of main and 916 new gas services. The net increase in gas customers was 4,347.

The electric distribution system was improved by the undergrounding of wires in certain districts, and extensions were made to care for the new customers added during the year.

In addition, many improvements of lesser importance were made in all departments in continuance of the policy of providing the best service commercially possible to the public and in effecting greater economy and efficiency in operation.

The \$164,674.58 credited to plant account during the year represents the cost value of all condemned mains, meters and services, gas and electric, as well as all other obsolete property written off during 1917.

OFFICERS.—President, C. L. Holman; Vice-President, G. H. Walker; Secretary and Treasurer, W. H. Whitton; Assistant Treasurer, W. S. Dodd; General Manager, C. L. Holman.

DIRECTORS.—D. R. Calhoun, Murray Carleton, W. K. Bixby, C. L. Holman, E. A. Faust, Edw. Mallinckrodt, Birch O. Mahaffey, James E. Smith, R. H. Stockton, G. H. Walker, Rolla Wells, Thos. H. West, F. O. Watts.

Company's fiscal year ends December 31.

THE ST. LOUIS COUNTY GAS COMPANY, ST. LOUIS, MO.

General Office, Webster Groves, Mo.

The St. Louis County Gas Co. was incorporated in 1912 under the laws of Missouri and does the entire gas business in St. Louis County.

FRANCHISES.—The principal franchise of the Company, namely, that for the County of St. Louis, extends, in the opinion of counsel, until February 3, 1954. The Company has a number of other franchises in the various municipalities served.

CAPITALIZATION.—Capital stock outstanding, \$700,000.

FUNDED DEBT.—Bonds: First mortgage 5 per cent gold, authorized, \$30,000,000; outstanding, \$920,000; dated April 1, 1912; due April 1, 1951; interest payable April 1 and October 1. Coupon bonds, denomination, \$1,000 and \$100, registerable as to principal. Optional at 105 and interest on April 1, 1917, or any interest date thereafter. Trustee of Bonds, Harris Trust & Savings Bank, Chicago, and Festus J. Wade, Esq., St. Louis.

SECURITY.—These bonds are secured, in the opinion of counsel, by a first and only mortgage on the property, rights and franchises of the Company, now owned or hereafter acquired.

INCOME ACCOUNT, YEAR ENDED DECEMBER 31, 1917.

Operating revenues	\$324,600.72
Operating expenses	212,143.23
Depreciation	21,536.71
Taxes	8,115.00

\$2,500,000; outstanding, \$2,025,000; common stock, authorized, \$7,500,000; outstanding, \$4,555,000.

FUNDED DEBT.—Bonds: 6 per cent collateral first lien gold bonds. Authorized and outstanding, \$2,750,000. Dated February 1, 1917; due February 1, 1927. Interest payable April 1 and October 1 in New York. Guaranty Trust Co., New York, Trustee. Denomination, \$1,000, coupon, with privilege of registration as to principal. Subject to call as a whole or in lots of not less than \$100,000 at 101 and interest on any interest date on four weeks' notice.

FUNDED DEBT.—First lien gold bonds, first series, 6%, outstanding, \$2,750,000; dated Feb. 1, 1917; due, Feb. 1, 1927; interest payable Feb. 1 and Aug. 1 at office of Wm. P. Bonbright & Co., Inc. Denomination, \$100, \$500 and \$1,000. Trustee, Guaranty Trust Co. of New York. Secured by deposit of 2,871,000 of bonds and 3,218,200 of stock of subsidiary companies.

OFFICERS.—President, H. Wurdack; Vice-President, Henry Ittleton; Secretary and Treasurer, Horace W. Beck.

SPRINGFIELD RAILWAY & LIGHT COMPANY, SPRINGFIELD, MO.

The Springfield Railway & Light Co. was incorporated in November, 1905, under the laws of Maine. It owns the entire capital stock and bonds of the Springfield Traction Co. and the Springfield Gas & Electric Co. These two companies do all the street railway, gas and electric light and power and central station steam heating business of Springfield, Mo.

FRANCHISES.—The street railway franchise expires in 1944, the gas franchise in 1929, the steam heating franchise in 1936 and the electric light franchise is perpetual.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock, 7% cum.	\$2,000,000	\$750,000
Common stock	1,600,000	1,100,000
First lien 15-year 5% sinking fund gold bonds....	7,000,000	2,028,500

In addition to the bonds outstanding, \$211,500 par value have been purchased and are held in the sinking fund, making a total of \$2,240,000 already issued.

FUNDED DEBT.—The bonds are dated May 1, 1911, and will mature May 1, 1926. Interest will be payable May 1 and November 1 in New York, Boston and Chicago. These bonds will be callable as a whole (but not in part except for the sinking fund) at 102 per cent and accrued interest, on any interest day. They will be coupon bonds in denominations of \$500 and \$1,000, with privilege of registration as to principal only.

The issue is limited to \$7,000,000, of which \$2,240,000 are now issued. The remaining bonds can be issued only to the extent of 80 per cent of the cost of additions, extensions, improvements or betterments, and then only if the net earnings for the preceding twelve months shall have been at least twice the amount of annual interest charges on these bonds and all prior issues, including interest on the bonds then proposed to be issued. Guaranty Trust Co. of New York, trustee.

SECURITY.—The bonds are secured by a first mortgage on all the capital stock, mortgage bonds and notes of the two subsidiary companies, making them substantially a first lien on the entire property of the system. No additional stock, bonds, notes or other evidences of indebtedness (other than current operating obligations) can be issued by the subsidiary companies except to the Springfield Railway & Light Co., and all such issues must be pledged under the mortgage securing these bonds.

SINKING FUND.—An annual cash sinking fund (first installment March 1, 1913) provides for the payment of 25 per cent of all bonds issued under this mortgage. Bonds may be purchased for the sinking fund at not exceeding 102 and interest, at which price they may be drawn. Bonds in the sinking fund are to be kept alive and interest added to the fund.

This Company is managed by the Federal Light and Traction Co.

MONTANA POWER COMPANY, BUTTE, MONTANA.

The Montana Power Co. was organized on December 12, 1912, under the laws of New Jersey. It owns in fee all the properties formerly owned by Butte Electric and Power Co., Madison River Power Co., Billings and Eastern Montana Power Co., Missouri River Electric and Power Co., and (former) The Montana Power Co. It also owns all the capital stocks (except directors' qualifying shares) of Great Falls Power Co., Thompson Falls Power Co., and Montana Reservoir and Irrigation Co. It serves with electric light and power the great part of the population of the State of Montana, including the Butte

district and the most important centres of industry in the state. Its business is well diversified.

FRANCHISES are either unlimited in point of time or for long periods and are free from burdensome restrictions.

CAPITALIZATION.—Preferred stock outstanding, \$9,700,000; common stock outstanding, \$49,633,300, of which \$14,500,000 becomes dividend bearing by instalments, \$2,500,000 May 1, 1918, and \$3,000,000 on June 2, each year, 1918 to 1921 inclusive. Dividend on preferred stock, 7%; on

† Includes interest on \$451,000 bonds held in sinking fund.

SINKING FUND.—The mortgage provides a cumulative sinking fund of $\frac{1}{2}$ of 1% annually January 1, 1918, to 1922, inclusive, and $\frac{1}{4}$ % annually January 1, 1923, to 1943, inclusive.

These percentages are to be computed on the aggregate amount of bonds of the company (including underlying bonds) and of subsidiary companies outstanding at the date of each sinking fund payment, including as outstanding all bonds held in this sinking fund and all underlying bonds or bonds of subsidiary companies acquired or retired after January 1, 1918, for their respective sinking funds.

The company is to be allowed credit, toward the above sinking fund, for any payments of

sinking funds on underlying bonds, Great Falls Power Co. bonds, and bonds of any other subsidiary companies.

This sinking fund, and its accretions, must be applied to the purchase of the first and refunding mortgage bonds at not exceeding 105 and interest, or to drawing same at that price, if not so purchasable.

This sinking fund will retire or acquire, before maturity, approximately 50% of the total amount of bonds of the system outstanding on January 1, 1918. In addition, it will, of course, acquire a substantial part of the bonds issued after January 1, 1918. It is roughly estimated that prior to the maturity of these bonds in 1943 the sinking funds will have acquired or retired about 40% of the total bond issues of the system up to that date.

SECURITY.

The bonds are secured by mortgage to Guaranty Trust Co. of New York, as Trustee, and cover, by direct lien, all real estate, plants, equipment, rights and franchises now owned or hereafter acquired by The Montana Power Co., together with certain stocks and bonds of other companies.

EARNINGS FOR FISCAL YEAR ENDING DECEMBER 31.

The combined earnings of the companies for 1915 and 1916 are as follows:

	1916	1917
Gross earnings	\$6,244,905	\$6,912,364

NEBRASKA POWER COMPANY, OMAHA, NEB.

Nebraska Power Company was incorporated April 23, 1917, under the laws of Maine as a successor company to the Omaha Electric Light & Power Co. The latter company for many years supplied commercial and municipal electric light and power service in Omaha and several suburban towns, and, through its subsidiary, the Citizens Gas and Electric Co. of Council Bluffs, commercial and municipal electric light and power and gas service in Council Bluffs, Iowa. Nebraska Power Co. controls the Citizens Gas & Electric Co. of Council Bluffs through ownership of all its capital stock, except directors' shares.

American Power & Light Co. controls the Nebraska Power Co. through the ownership of all its second preferred stock and a majority of its common stock. The population served by the Nebraska Power Co. (not including Council Bluffs) is estimated at 184,000.

FUNDED DEBT.—Bonds: Omaha Electric Light & Power Co. first mortgage 5 per cent sinking fund 30-year gold; authorized, \$3,000,000; issued, \$3,000,000; dated July 1, 1903; due July 1, 1933. Interest payable January 1 and July 1, at office of trustee, Old Colony Trust Co., Boston, Mass. Denomination, \$1,000; coupon form; can be

registered both as to principal and interest. Redeemable at 105 and interest on any interest date at Old Colony Trust Co., trustee.

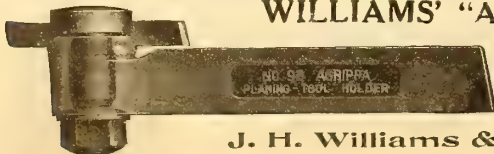

SECURITY.—First lien.

SINKING FUND.—Beginning in 1908 payable each year on or before December 31 until 1931 for the year ending July 31 next preceding date of payment, a sum equal to 5 per cent of the gross earnings of the company.

BALANCE SHEET, DECEMBER 31, 1917.

HENRY BOWER CHEMICAL MFG. CO. Gray's Ferry Road and 29th Street

PHILADELPHIA, PA.

These certificates were issued in exchange for stock of United Electric Co. of New Jersey, The Orange & Passaic Valley Railway Co. and of certain other companies out of which the Public Service Railway Co. was subsequently formed (viz.: The North Jersey Street Railway Co., Jersey City, Hoboken & Paterson Street Railway Co., and Elizabeth, Plainfield & Central Jersey Railway Co.).

Quarterly dividends of 1 per cent were paid from June 29, 1907, to June 30, 1909, inclusive; $1\frac{1}{4}$ per cent from June 30, 1909, to December 31, 1910, inclusive; $1\frac{1}{2}$ per cent from March 31, 1911, to September 30, 1915. On December 31, 1915, and March 31, 1916, $1\frac{3}{4}$ per cent was paid; 2 per cent quarterly since that time.

BONDED DEBT.—\$20,050,770 perpetual interest bearing certificates, dated June 1, 1903; interest payable May 1 and November 1 at Fidelity Trust Co., trustee, at 3 per cent semi-annually hereafter, perpetually. Authorized issue, \$20,000,000.

\$50,000,000 general mortgage sinking fund gold 5s, dated October 1, 1909; due October 1, 1959; interest April 1 and October 1, at Fidelity Trust Co., Newark, trustee, or at J. P. Morgan & Co., New York City. Listed on New York and Philadelphia Exchanges. Coupon, \$1,000; principal may be registered. Authorized, \$50,000,000.

\$10,000,000 of these bonds are deposited as collateral to \$7,500,000 5 per cent three-year collateral gold notes due March 1, 1919, and \$2,500,000 are deposited as collateral to a \$2,000,000 6 per cent note.

These bonds are secured by:

(1) A first lien upon leases for at least 900 years from their respective dates on all the gas and electric properties, the franchises of which are perpetual, except as to a few minor grants.

(2) A first lien upon \$15,019,381.70 par value of bonds of subsidiary companies deposited with the trustee.

(3) A first lien upon \$44,230,983 par value of capital stock of subsidiary companies deposited with the trustee.

(4) A lien upon \$68,007,000 par value of capital stock of subsidiary companies, now owned by the corporation, but subject to a prior pledge thereof under a certain agreement of pledge dated June 1, 1903, made between Public Service

Corporation of New Jersey and Fidelity Trust Co., to secure the payment of the interest upon securities known as Public Service perpetual interest bearing certificates, of which \$20,050,770 are outstanding.

(5) A lien upon all the real estate and personal property of every character now owned by the corporation (particularly described in the mortgage) or that hereafter may be acquired by it.

All bonds have now been certified and issued by the trustee.

CALL PRIVILEGE.—At the option of the corporation, in the manner provided in the mortgage, these bonds are redeemable as a whole (but not in part) on October 1, 1919, or on any interest date thereafter, at 105 and accrued interest.

SINKING FUND.—Commencing August 1, 1913, an annual sinking fund payment of \$209,500 draws bonds at 105 and accrued interest, if not purchasable at a lower price. This annual sinking fund payment, with the accumulations of interest upon the bonds purchased for sinking fund account, will be sufficient to retire about two-thirds of the entire authorized issue of \$50,000,000; the shares and bonds mentioned above pledged under the mortgage should be much more than sufficient to retire any bonds of the entire \$50,000,000 issue not retired by the cash sinking fund and its accumulations. A reserve for this sinking fund is also required and is being set aside out of the revenues of the corporation. \$1,329,000 were held in Sinking Fund December 31, 1917.

FUND FOR RENEWALS, DEPRECIATION, ETC.—Under contract with the bankers, dated September 27, 1909, the Company is required to provide out of earnings, for rehabilitation, renewals and depreciation, other than customary and proper maintenance charges, and for construction, extensions or acquisition of property, a reserve as follows, viz.:

In 1911	\$400,000
1912	600,000
1913	800,000
1914 and each year thereafter.....	1,000,000
Making a total during the period of the mortgage of.....	46,800,000

Under certain contingencies after 1914 this fund may be increased until the maximum of \$1,500,000 for the year is reached.

PUBLIC SERVICE GAS COMPANY.

Public Service Gas Co. was incorporated in New Jersey by a special act of the Legislature approved April 4, 1873, under the name of Oxy-Hydrogen Co. of the United States. Name changed to Public Service Gas Co. by certificate filed August 26, 1909.

On October 1, 1909 (concurrent with the execution of Public Service Corporation of New Jersey mortgage), Public Service Corporation of New Jersey assigned the leases made to it by Essex & Hudson Gas Co., The East Newark Gas Light Co. and Hudson County Gas Co., and properties and franchises thereby granted, to Public Service Gas Co., and also, by the same instrument, assigned the leases made by South Jersey Gas, Electric & Traction Co., The Paterson & Passaic Gas & Electric Co., Somerset, Union & Middlesex Lighting Co. and The Gas & Electric Co. of Bergen County, together with the properties and franchises thereby granted in so far as such properties and franchises were used in or related to the manufacture and distribution of gas. On July 1, 1910, Public Service Gas Co. leased the Morristown Gas Light Co. and Ridge-wood Gas Co., each for a period of 999 years from that date, and on May 1, 1911, leased the properties and franchises of the Shore Lighting Co. and Princeton Light, Heat & Power Co., each for a period of 900 years from that date, in so far as such properties and franchises were used in or related to the manufacture and distribution of gas.

Stock, \$30,000,000; \$13,600,000 outstanding: all owned by Public Service Corporation of New Jersey, except directors' shares.

Stock will be issued from time to time at par to Public Service Corporation of New Jersey only for cash or for improvements at actual cost thereof.

OFFICERS.—President, T. N. McCarter; Vice-Presidents, P. S. Young, E. W. Wakelee; Treasurer, T. W. Van Middlesworth; Vice-President and Gen. Mgr., H. D. Whitcomb; Secretary, Percy Ingalls.

COMPANIES LEASED BY PUBLIC SERVICE GAS COMPANY.

(1) **ESSEX & HUDSON GAS CO.**—Organization: Incorporated in November, 1898, in New Jersey, and on December 1, 1898, assumed the lease of Newark Consolidated Gas Co. to United Gas Improvement Co. for 999 years from December 1, 1898. Essex & Hudson Gas Co. was leased to Public Service Corporation of New Jersey for 900 years from June 1, 1903, and lease assigned October 1, 1909, to Public Service Gas Co. Lease provides for payment, as rental, an amount equivalent to the following dividend on stock: First year, 3½ per cent; second year, 4½ per cent; third year, 5 per cent; fourth year, 6 per cent; fifth year, 7 per cent; sixth year and thereafter, 8 per cent. Stock authorized and outstanding, \$6,500,000.

OFFICERS.—President, Walton Clark; Secretary, Percy Ingalls; Treasurer, Jas. Ball.

(a) **NEWARK CONSOLIDATED GAS CO.**—Organization: Incorporated November 30, 1898, in New Jersey. Consolidation of Newark Gas Co., Montclair Gas & Water Co., Summit Gas Light Co., People's Gas Co. of Irvington, and Clinton Gas Co. Owns entire capital stock of Orange Gas Light Co. and practically all the stock of the East Newark Gas Light Co. Leased all its property to United Gas Improvement Co. of Philadelphia, Pa., for 999 years from December 1, 1898, and on same date lease was assigned to Essex & Hudson Gas Co., and by last-named company to Public Service Gas Co. October 1, 1909. Lease provides for payment, as rental, interest on bonded debt and an amount equal to the following dividend on stock: Commencing, ½ per cent July 1, 1909, and increasing ½ per cent yearly until 5 per cent is reached in 1910; thereafter 5

CAST IRON PIPE

per cent per annum. Stock authorized and outstanding, \$6,000,000.

Bonds.—Newark Consolidated Gas Co. 5 per cent consolidated mortgage, due December 1, 1948. Fidelity Trust Co., trustee; interest payable June and December; authorized, \$10,000,000; outstanding, \$6,000,000; \$4,000,000 are reserved to retire underlying liens.

Newark Gas Co. 6 per cent first mortgage, due April 1, 1944. J. William Clark, Marcus L. Ward, John O. H. Pitney, trustees; interest payable July, October, January and April, at Fidelity Trust Co., Newark. Authorized, \$4,000,000; outstanding, \$3,999,700.

OFFICERS.—President, Thomas N. McCarter; Vice-President, Percy S. Young; Secretary, Percy Ingalls; Treasurer, T. W. Van Middlesworth.

(2) THE EAST NEWARK GAS LIGHT CO.—Organization: Incorporated March 28, 1862, in New Jersey. Leased to Public Service Corporation of New Jersey for 999 years from September 1, 1909, and lease assigned October 1, 1909, to Public Service Gas Co. Lease provides for payment, as rental, an amount equivalent to 6 per cent on stock. Stock, \$60,000 (\$25); all out; no bonds. Stock is owned by Essex & Hudson Gas Co., Newark Consolidated Gas Co. and Public Service Corporation of New Jersey.

OFFICERS.—President, T. N. McCarter; Secretary, Percy Ingalls; Treasurer, T. W. Van Middlesworth.

(3) HUDSON COUNTY GAS CO.—Organization: Incorporated October 31, 1899, in New Jersey, and is a consolidation of Peoples Gas Light Co. of Jersey City, Jersey City Gas Light Co., Consumers Gas Co. of Jersey City, Hudson County Gas Light Co., Bayonne and Greenville Gas Light Co. Leased to Public Service Corporation of New Jersey for 900 years from June 1, 1903, and lease assigned October 1, 1909, to Public Service Gas Co. Lease provides for payment, as rental, interest on bonded debt and an amount equivalent to the following dividend on stock: First year 2 per cent; second year, 2½ per cent; third year, 3 per cent; fourth year, 4 per cent; fifth year, 5 per cent; sixth year, 6 per cent; seventh year, 7 per cent; eighth year and thereafter, 8 per cent. Stock authorized and outstanding, \$10,500,000.

Bonds.—Hudson County Gas Co. 5 per cent first mortgage, due November 1, 1949. New Jersey Title Guarantee & Trust Co., trustee. Interest payable May and November. Authorized, \$10,500,000; outstanding, \$10,500,000.

OFFICERS.—President, Walton Clark; Secretary, Percy Ingalls; Treasurer, Jas. Ball.

(4) RIDGEWOOD GAS CO.—Organization: Incorporated April 24, 1900, in New Jersey. Leased to Public Service Gas Co. for 999 years from July 1, 1910. Lease provides for payment, as rental, interest on bonded debt and an amount equivalent to 2 per cent on stock. Stock authorized and outstanding, \$100,000.

Bonds.—Ridgewood Gas Co. 5 per cent first mortgage, due June 1, 1925. Equitable Trust Co., trustee. Interest payable June and December. Authorized and outstanding, \$100,000.

Ridgewood Gas Co. 5 per cent second mortgage, due April 1, 1925. Fidelity Trust Co., Newark, trustee. Interest payable April and October. Authorized, \$100,000; outstanding, \$85,000.

OFFICERS.—President, Thomas N. McCarter; Secretary, Percy Ingalls; Treasurer, T. W. Van Middlesworth.

(5) MORRISTOWN GAS LIGHT CO.—Organization: Incorporated in February, 1855, in New Jersey. In 1910, Public Service Corporation of New Jersey acquired all the capital stock of this company. Leased to Public Service Gas Co. for 999 years from July 1, 1910. Lease provides for payment, as rental, an amount equal to 5 per cent on outstanding stock. Stock outstanding, \$367,500 (\$100), all owned by Public Service Corporation of New Jersey excepting directors' shares. No bonds.

OFFICERS.—President, T. N. McCarter; Vice-Presidents, P. S. Young, E. W. Wakelee; Treasurer, T. W. Van Middlesworth; Secretary, Percy Ingalls.

(6) NEW BRUNSWICK LIGHT, HEAT & POWER CO.—Organization: Incorporated December 7, 1899, in New Jersey. Owns all the stock of the Gas Light Co. of the City of New Brunswick except directors' shares. See latter company below. Stock authorized, \$500,000; outstanding, \$400,000.

Bonds.—New Brunswick Light, Heat & Power Co. 4 per cent first mortgage, due December 15, 1939. Fidelity Trust Co., Newark, trustee. Interest payable June and December. Authorized, \$500,000; outstanding, \$500,000.

(a) THE GAS LIGHT COMPANY OF THE CITY OF NEW BRUNSWICK.—Organization: Incorporated March 18, 1851, in New Jersey. Leased to the Public Service Corporation of New Jersey for 900 years from January 1, 1905 (June 1, 1906, lease assigned to South Jersey Gas, Electric & Traction Co.). This Company is now controlled by Public Service Gas Co. by reason of assignment of lease of gas properties of South Jersey Gas, Electric & Traction Co. to Public Service Gas Co. Lease provides for payment, as rental, interest on bonded debt of New Brunswick Light, Heat and Power Co. and an amount equivalent to the following dividend on stock of the Gas Light Co. of the City of New Brunswick: 2 per cent in each of the years 1905 and 1906, 2½ per cent in 1907 and 1908, 3 per cent in 1909 and 1910, 3½ per cent in 1911, 4 per cent in 1912, 4½ per cent in 1913 and 5 per cent in 1914 and thereafter. Stock, authorized, \$500,000; outstanding, \$400,000.

OFFICERS.—President, Thomas N. McCarter; Secretary, Percy Ingalls; Treasurer, T. W. Van Middlesworth.

COMPANIES LEASED BY PUBLIC SERVICE GAS COMPANY AND PUBLIC SERVICE ELECTRIC COMPANY.

CAPITALIZATION.—Common stock authorized \$10,000,000; outstanding, \$6,000,000; 60,000 shares, \$100 each.

Dividend on common stock, annual rate, 6 per cent, payable quarterly.

REGISTRARS.—National Commercial Bank, Albany, N. Y.

OFFICERS.—President, N. F. Brady; Vice-

President, Carl H. Graf; Secretary and Treasurer, Wm. G. Furlong; General Manager, Carl H. Graf.

DIRECTORS.—Robert C. Pruyn, John A. Delehanty, Edward B. Cantine, John S. McEwan, Charles Gibson, N. F. Brady, J. C. Brady, E. P. Gavit, Edward J. Hussey.

Annual meeting of stockholders held Third Tuesday in May at 126 State Street, Albany, N. Y.

Company's fiscal year ends December 31st.

LONG ISLAND LIGHTING COMPANY, BAY SHORE, LONG ISLAND, N. Y.

Executive Office, 50 Church Street, New York

The Long Island Lighting Company was incorporated December 31, 1910, in New York. Consolidation of Amityville Electric Light Co., Islip Electric Light Co., Northport Electric Light Co., Sayville Electric Light Co., Suffolk Gas and Electric Light Co., and South Shore Gas Co. Also successor by purchase to the Babylon Electric Light Co.

FRANCHISES cover territories of Northport Village, the eastern half of Huntington township, Smithtown township, including the villages of Kings Park, Greenlawn, Smithtown, St. James, Islip township, including the villages of Bay Shore, Islip, East Islip, Brentwood, Central Islip, Sayville, Bayport, Great River and Oakdale; Babylon township, including the villages of Babylon, Lindenhurst, Amityville, Copiague. In addition to the above named territory, which is located in Suffolk county, part of the township of Oyster Bay in Nassau county, including the villages of Massapequa and Farmingdale. All franchises are perpetual, except in Islip, which expires in 1959, and Smithtown, which expires in 1941, and the following franchises, which were granted to the Babylon Electric Light Co., which expire as follows: Village of Babylon, 1958; town of Islip, 1943, and village of Farmingdale, 1958.

Owens electric generating stations at Northport, Amityville, Sayville, Islip, Babylon and Bay Shore; also gas generating stations at Bay Shore and Babylon. It supplies electricity wholesale in Huntington and Port Jefferson, and gas wholesale in Patchogue and serves a population of about 100,000. Has municipal lighting contracts for the villages of Northport, Centerport, Amityville, Islip, Central Islip, East Islip, Sayville, West Sayville, Bayport, Copiague, Babylon and Bay Shore.

CAPITAL STOCK.—Authorized, \$3,000,000 (increased from \$1,000,000 in March, 1917); issued December 31, 1916, \$834,000; par \$100. A dividend of 5.6 per cent was paid in 1912; none in 1913; 4 per cent in 1914; 5½ per cent in 1915; 6 per cent in 1916; 6 per cent in 1917.

BONDED DEBT.—\$1,459,400 first gold 5s; dated March 1, 1911; due March 1, 1936; interest May 1 and September 1 at Bankers Trust Co., New York, trustee, Coupon \$100, \$500 and \$1,000; principal may be registered. Authorized issue \$6,000,000; the remaining bonds are issuable for not to exceed 75 per cent of the cash cost of betterments, extensions and additions, but no bonds in excess of the total of \$1,459,400 may be issued unless (a) the net earnings for the preceding twelve months are at least twice the annual interest charge, including all bonds then about to be certified. The mortgage securing this issue provides for a sinking fund of 1 per cent annually, commencing five years from the date of issuance of bonds, and a betterment and extension fund of the 1 per cent annually commencing three years from the date of issuance of bonds, which fund is to be expended only for improvements and additions to the property, against which improvements and additions no bonds may be issued. Subject to call on any interest date at 105 and interest. An absolute first lien on entire property. Interest paid without deduction for normal income tax.

OFFICERS.—President, Ellis L. Phillips; Vice-President, Geo. W. Olmsted; Secretary, Henry R. Frost; Treasurer, Gurney E. Lott; Auditor, Russell F. Van Doorn; General Manager, Archibald McLaren; Purchasing Agent, Bruce S. Gramley.

DIRECTORS.—Geo. W. Olmsted, Ellis L. Phillips, Gurney E. Lott, Geo. de B. Greene, Eversley Childs.

BINGHAMTON GAS WORKS, BINGHAMTON, N. Y.

Annual meeting of stockholders held first Monday in June, at 40 Chenango St., Binghamton, N. Y. Company's fiscal year ends December 31.

BROOKLYN BOROUGH GAS COMPANY.

Principal office: Coney Island, Brooklyn, N. Y.

This Company was incorporated February, 1898, in New York State, as successor to the former Coney Island Fuel Gas & Light Co., which in turn succeeded in 1881 to the property and franchise of the old Kings County Gas Light Co., which was incorporated in December, 1877.

The Brooklyn Borough Gas Co. is the only Company furnishing gas in the 31st Ward of the Borough of Brooklyn. The entire field served by the Company is now part of the 16th Assembly District of Greater New York.

The territory embraces Seagate, Gravesend, Sheepshead Bay, Manhattan and Brighton Beaches and Coney Island, and extends northward in the general form of a triangle with its top approximately four miles inland.

FRANCHISE AND CONTRACTS.—The Brooklyn Borough Gas Co.'s franchise is perpetual, and contains no limitations on the price for gas, nor any burdensome restrictions.

CAPITALIZATION.—Capital stock authorized, \$1,000,000; outstanding, \$647,900.

Semi-annual dividend of 3 per cent paid January 20 and July 20.

FUNDED DEBT.

Bonds: First mortgage gold 5s, issued \$500,000; dated March 5, 1898; due March 6, 1938. Interest payable March 1 and September 1. Denomination, \$1,000. Trustee of bonds: Title Guarantee & Trust Co., New York.

SECURITY.—First lien.

Bonds: General mortgage 5 per cent gold, authorized, \$1,000,000; issued, \$500,000; dated June 1, 1905; due June 1, 1945. Interest payable June 1 and December 1 in New York City. Denomination, \$1,000; coupon bonds. Callable at 105 and accrued interest on any interest date.

Trustee of bonds: Title Guarantee and Trust Co., New York City. Reserved to retire a like amount of first 5s, \$500,000.

On January 1, 1917, the company had in use 13,097 meters and on January 1, 1918, 14,770 meters, an increase of 8 per cent. The installation of the new meters cost \$19,505.49, and the new services cost \$11,408.68.

There were laid in 1917 new mains, varying in size from 4 inches to 20 inches, 13,734 feet, or about 2.6 miles, making a total length now in use of 115 miles.

The financial statement of the Company as of December 31, 1917, is as follows:

DIRECTORS.—E. R. Chapman, David G. Legget, Wm. Rockefeller, Henry H. Rogers, Wm. G. Rockefeller, James H. Jourdan, Robert L. Pierrepont.

Annual meeting of stockholders held Tuesday after second Monday in November at 176 Remsen street, Brooklyn, N. Y.

Company's fiscal year ends December 31.

KINGS COUNTY LIGHTING CO., BOROUGH OF BROOKLYN, NEW YORK CITY.

The Kings County Lighting Co., the successor of the Kings County Gas & Illuminating Co., serves the territory known as the 30th Ward of Brooklyn, including Bay Ridge, Fort Hamilton, New Utrecht, Bath Beach, Bensonhurst, Unionville, Borough Park, etc. The population of this section, which is increasing very rapidly, is now estimated to be over 130,000.

The franchises under which the Company operates are, in the opinion of counsel, unlimited in duration.

The gas works are located on valuable land, owned by the Company, lying between 54th and 55th streets, and running west from First avenue to the pier line of New York Bay. At 65th street and Ninth avenue the Company also owns a piece of property on which are built the storage holders and building housing distribution shop, storeroom and garage, and there

is ample room on this real estate for additional holders as the business demands.

Stock.—Authorized, \$2,000,000; outstanding, \$2,000,000.

Dividends have not been paid since March, 1916.

BONDS.—First refunding mortgage 5s, authorized, \$5,000,000; outstanding, \$3,178,000. Reserved to retire: Kings County Gas & Illuminating Co. 5s due October 1, 1940, \$750,000. To be issued for additional property, extensions and improvements.

Subject to \$750,000 Kings County Gas & Illuminating Co. bonds, the first refunding mortgage bonds, in the opinion of counsel, are secured by a first lien upon all the property, rights and franchises now owned or hereafter acquired.

Annual meeting in February.
Offices, 68 Broad Street, New York, and Far Rockaway, L. I., N. Y.

NEW YORK AND QUEENS GAS COMPANY, FLUSHING, NEW YORK.

Principal Address, 88 Main Street, Flushing, N. Y.

The New York & Queens Gas Co. was incorporated in July, 1904, under the laws of New York State, and is a consolidation of the College Point Gas Co. and the Newtown & Flushing Gas Co.

FRANCHISES.—Perpetual.

CAPITALIZATION.—Common stock, authorized, \$600,000; outstanding, \$600,000. Shares, \$100. Transfer agents, Lincoln Trust Co. Registrars, First National Bank, New York.

FUNDED DEBT.—Bonds: First general mortgage, authorized and issued, \$1,000,000; dated August 1, 1904; due August 1, 1934. Interest payable February and August at Lincoln Trust Co. Denomination, \$1,000; coupon; may be reg-

istered. Redeemable at Lincoln Trust Co. on any interest date at 110. Trustee of bonds, Lincoln Trust Co.

SECURITY.—First mortgage on all property of Company.

SINKING FUND.—None.

OFFICERS.—President, Moses Taylor; Vice-President, L. B. Gawtry; Secretary and Manager, M. H. Spear; Treasurer, R. A. Carter.

DIRECTORS.—Moses Taylor, Geo. B. Cortelyou, Wm. Rockefeller, N. F. Brady, J. W. Sterling, W. R. Addicks, R. A. Carter.

Annual meeting of stockholders held second Company's fiscal year ends December 31. Friday in July.

NASSAU & SUFFOLK LIGHTING COMPANY, FREEPORT, N. Y.

New York office, 149 Broadway.

The Nassau & Suffolk Lighting Company, incorporated in May, 1905, under the laws of the State of New York, supplies gas to the rapidly developing residential territory directly adjacent to New York City on Long Island, serving the most populous section of Nassau County, in which are located the following cities, towns and districts, with a population of approximately 50,000: Freeport, Hempstead, Garden City, Rockville Centre, Hempstead Manor, Garden City Estates, New Garden City, Mineola, Merrick, Seaford, Bellmore, Ocean Side, Roosevelt and Wantagh.

FRANCHISES.—The numerous franchises under which the Company operates are perpetual with the exception of three, and the terms are liberal and free from burdensome restrictions.

CAPITALIZATION.—The capitalization of the Company is as follows:

	Authorized	Outstanding
6% cumulative preferred stock	\$500,000	\$500,000
Common stock	1,500,000	568,200
First mortgage bonds....	\$5,000,000	\$1,399,000
First mortgage bonds, reserved for future extensions	3,601,000	

FUNDED DEBT.—Bonds: First mortgage 5 per cent gold; dated February 1, 1915; due February 1, 1945. Interest payable February 1 and August 1. Denominations, \$500 and \$1,000; coupon registerable as to principal. Redeemable at 105 and accrued interest. Equitable Trust Co., New York, Trustee. Tax exempt in New York and tax refundable in Pennsylvania.

No reserve bonds can be issued for extensions and improvements to the property except when the net earnings for the preceding twelve consecutive calendar months are double the interest requirements of the bonds outstanding and those proposed to be issued, and then only, after approval and authorization by the Public Service Commission, for extensions and improvements to the property at 85 per cent of the actual cost of same.

SECURITY.—These bonds are secured by a direct first mortgage on all the rights, franchises and property of the Company now owned or hereafter acquired. It is conservatively estimated that the value of this property securing the mortgage is over double the amount of bonds now outstanding.

SINKING FUND.—A sinking fund provision calls for a payment of 1 per cent annually on all bonds outstanding, from January 1, 1918, to January 1, 1930, inclusive; 1½ per cent from January 1, 1931, to January 1, 1939, inclusive, and 2 per cent from January 1, 1940, to February 1, 1944, inclusive.

OFFICERS.—President, George MacDonald; 1st Vice-President, Chas. A. Cooper; 2d Vice-President, Joseph Kennedy; Secretary, Joseph MacDonald; Treasurer, W. H. B. Cooper; General Manager, George MacDonald.

DIRECTORS.—George MacDonald, Joseph MacDonald, Charles Cooper, Henry MacDonald, Martin Wood Hall.

Annual meeting first Friday in May at company's office in Hempstead.

R. D. WOOD & CO. : PHILADELPHIA, PA.

AMERICAN POWER AND LIGHT COMPANY, NEW YORK.

General Office, 71 Broadway, New York, N. Y.

The American Power & Light Co. was incorporated Sept. 17, 1909, under the laws of Maine, as an investment company to acquire securities of companies operating and controlling electric light and power, gas, railway and water works properties. It is purely an investment company, created for the purpose of averaging the risks of investors in securities of this class and of securing for them the advantages resulting from a large volume of business and a wide market for their securities.

The American Power & Light Co. controls through stock ownership the Kansas Gas & Electric Co., the Pacific Power & Light Co., the Portland Gas & Coke Co., the Nebraska Power Co., and the Southwestern Utilities Corporation. The Southwestern Utilities Corporation controls the Southwestern Power & Light Co.

CAPITAL STOCK AND DIVIDENDS.—The authorized and outstanding capital stock of the American Power & Light Co. as of December 31, 1917, was as follows:

	Authorized	Outstanding
Preferred	\$5,000,000	\$3,656,700
Common	17,500,000	8,705,400

The preferred stock is entitled to cumulative dividends at the rate of 6 per cent per annum, and dividend payments at this rate have been made since the Company's organization. The preferred dividends are payable quarterly on paid regularly since the date of issue. The preferred stock also has preference as to assets in case of liquidation. It is subject to redemption at 115 and accrued dividends on any dividend date.

The Registrar & Transfer Co. of Jersey City, N. J., is transfer agent for the stock, and the Corporation Trust Co. of Jersey City, N. J., is registrar.

An initial dividend of 1 per cent was paid on the common stock March 1, 1913, since which time quarterly dividends at the rate of 4 per cent per annum have been regularly paid.

BONDS.—Six per cent gold debenture outstanding, \$5,551,000; dated March 1, 1916; due March 1, 2016. Interest payable March 1 and September 1. Denomination, \$100, \$500 and \$1,000. Redeemable at 110 and accrued interest on any interest date at Bankers Trust Co., Trustee.

NOTES.—The authorized and outstanding notes (other than notes for current indebtedness) of the American Power & Light Co. as of December 31, 1917, were as follows:

	Authorized	Outstanding
Ten-year 6 per cent gold notes	\$2,200,000	\$2,200,000

The ten-year 6 per cent gold notes are dated August 1, 1911; due August 1, 1921; interest payable February 1 and August 1. They are issued in denominations of \$1,000, \$500 and \$100. The Guaranty Trust Company of New York is trustee. They are redeemable as a whole on any interest date at the option of the company at 102 and accrued interest.

The ten-year 6 per cent gold notes were issued accompanied by transferable option warrants giving holders of the option warrants the right at any time within ten years to purchase at par an amount of the company's common stock, or voting trust certificates therefor, equal in par value to the face of the notes. Payment for the stock, or voting trust certificates therefor, can be made in cash or in the notes at their par value. All sums received by the company in payment for common stock, as provided in the option warrants are to be paid to the trustee and may be used by it for the purchase of notes at not more than 101 per cent and accrued interest. Whenever there shall remain with the trustee as much as \$5,000 for sixty days, notwithstanding efforts to purchase notes therewith, the fund may be returned to the company when the company has acquired stocks, bonds, notes or other securities of corporations, of whose stock it owns at least 51 per cent; provided that the amount returned by the trustee is not in excess of the cash cost to the company of the securities acquired, and that the securities so acquired shall have been first deposited with the trustee as further security for the payment of the notes.

SERVICE AND PROPERTY OF SUBSIDIARY COMPANIES.—The subsidiary companies of the American Power & Light Company supply electric light and power service to 172 communities, artificial gas service to 23 communities, natural gas service to 6 communities, water service to 7 communities, street railway service to 3 communities, interurban railway service to 3 communities, and ice service to 1 community. The total population served is estimated at approximately 1,342,175.

The total number of customers served by the companies and the physical equipment and output of all of the properties controlled as of December 31, 1917, as compared with the same statistics as of December 31, 1916, and as compared with the same statistics for the properties controlled as of September 17, 1909, the date of organization of the American Power & Light Company, partly estimated in a few instances, follow:

	1917	1916	1909
Electric customers	140,350	125,612	4,893
Artificial gas customers.....	81,491	74,759	450
Natural gas customers.....	28,376	27,789	10,301

company for the following: Toledo Railways &

Light Co., Toledo, Ottawa Beach & Nor. Ry. Co.,

Toledo & Western Railroad Co., Maumee Valley

Ry. & Light Co., Adrian Street Railway Co.,

Toledo Beach Co. (Population served includes

Toledo, O., and eleven other communities in

Ohio and Michigan.)

Trumbull Public Service Co., Warren & Niles,

O., and five other communities.

United Water, Gas & Electric Co., Hutchinson

& Nickerson, Kan.

Utilities Construction Co., Lorain, Ohio.

Venture Gas Co., Morral, Ohio.

Washita Gas & Fuel Co., Field Co. in Okla-

homa.

Watauga Power Co., Hydro-Elec. generating

company in Tennessee.

Western Distributing Co., twenty communities

in Kansas.

Western Okla. Gas & Fuel Co., Duncan, Law-

ton and Marlow, Okla.

NOTE.—The total population of these communi-

ties by census of 1910 in the United States and

1911 in Canada, was 1,711,000; and this was an

increase of nearly 42 per cent over the popula-

tion in the preceding census. At this rate of in-

crease, the present population is more than

2,000,000. This total does not include the rural

population served by several of the companies.

*Cities Service Co. has contract to acquire all

of the common stock.

Net profits	\$403,828.72	\$426,590.97

CONSOLIDATED GAS CO. OF NEW YORK.

General office: 130 East 15th Street.

Organized November 10, 1884, as a consolidation of the New York Gas, Municipal, Metropolitan, Harlem, Knickerbocker and Manhattan Gas Light Companies. Since 1899 acquired control of the New Amsterdam Gas, New York Edison (a consolidation of the New York Electric Light, Heat and Power Co. and the Edison Electric Illuminating Co.), Mutual Gas Light, Standard Gas Light and the United Electric Light and Power Companies, giving Consolidated Gas Co. entire control of the lighting and power supply of the Borough of Manhattan. Also secured control of the Westchester Lighting Co., supplying a large part of Westchester County with gas and electricity.

The Consolidated Gas Co. is the direct survivor, either by merger or purchase, of the following corporations organized to furnish gas to the citizens of New York:

New York Gas Light Co., 1823; Manhattan Gas Light Co., 1830; Harlem Gas Light Co., 1855; Metropolitan Gas Light Co., 1855; New York Mutual Gas Light Co., 1866; Municipal Oxygen Gas Co., 1874; Knickerbocker Gas Light Co., 1876; Consolidated Gas Co., a union of seven concerns at the beginning, 1884; Standard Gas Light Co., 1886; Northern Union Gas Co., 1897; Central Union Gas Co., 1897; Equitable Gas Light Co., 1882; East River Gas Co. of

Long Island City, 1890; New York and East River Gas Co., 1892; New Amsterdam Gas Co., which having been incorporated in 1897, absorbed the Equitable and New York and East River Cos. in 1898.

CAPITALIZATION.—Capital stock, authorized, \$125,000,000; outstanding, \$99,816,500; shares, 998,165—\$100 each.

Dividend on common stock, annual rate, 7 per cent, payable quarterly.

FUNDED DEBT.

Debenture bonds (6%)	Authorized	Outstanding
(not presented for redemption)		\$525.00
5-year 6% convertible debentures, issued Feb. 1, 1915; due Feb. 1, 1920.	\$25,000,000	\$24,846,247.50

Interest payable Feb. 1, May 1, Aug. 1, Nov. 1.

None of the Company's property was pledged or mortgaged as security for the debenture bonds or convertible debentures.

Principal and interest, when due, is payable at National City Bank, 55 Wall Street.

OFFICERS.—President, George B. Cortelyou; Vice-Presidents, W. R. Addicks, L. B. Gawtry, R. A. Carter; Secretary, R. A. Carter; Treas-

* Includes \$850,000.00 Par Value of United States Liberty Loan Bonds.

The figures, thus far available respecting the Company's operations for the calendar year, 1917 indicate that the earnings of the company from its gas business during the year (after deducting the reserve for plant withdrawn from service, but without deducting the reserve heretofore made for contingencies, the provision therefor having been made by a charge directly to profit and loss account, amounted to \$1,368,699.16.

For the purpose of determining the earnings applicable (in accordance with the decision of the United States Supreme Court) to the value of the tangible and intangible property (\$79,976,291.92), employed in the company's gas business, there should be added the net earnings of the Astoria Light, Heat & Power Co., from its gas business, after deducting therefrom the reserve for plant withdrawn from service, \$1,169,579.49, making the total earnings from the company's gas business for the year 1917, \$2,538,278.65.

This amount is equivalent to 3.17 per cent on the above stated value of the tangible and intangible property, employed in the manufacture and distribution of the gas sold by the Company.

Dividends were paid during the year on the

company's capital stock at the rate of 7 per cent per annum, amounting to \$6,987,155.00.

The dividends and interest applicable to the year 1917, received on stocks, bonds and other obligations and on advances made to affiliated gas and electric companies, operating in the boroughs of Manhattan, Queens and The Bronx and the County of Westchester (excluding interest and dividends received from the Astoria Light, Heat & Power Co., the earnings of that company from its gas business being included above, but including \$373,589.25 of interest received by the Astoria Company on loans and advances) amounted to \$6,695,956.91.

The interest which accrued during the year on funded and other debt, chargeable against earnings, amounted to \$1,493,158.80.

Surplus (including that of the Astoria Light, Heat & Power Co.) to be carried to profit and loss account for the year 1917, \$753,921.76.

The ultimate effect which the war with Germany will have upon the output of gas in the City of New York it is impossible to determine. Undoubtedly, the demand for gas as fuel, created by the activities of concerns engaged in the manufacture of munitions, equipment and supplies for the use of the armed forces of the United States and of our Allies, has added somewhat to the volume of sales of the Consolidated Gas Company and its affiliated gas companies. This, however, is likely to be a great deal more than offset by the effect of economies in the use of gas, imposed by reason of the necessity of conserving coal.

Other conditions, including the unprecedentedly low temperature in the month of December and the ever increasing use of gas for industrial purposes, contributed to an increase of 6.53 per cent in the gas output of the Consolidated Gas Company and its affiliated gas companies in the year 1917 over 1916.

Until December, 1917, the combined maximum day's output of the Consolidated Gas Company and its affiliated gas companies had amounted to 125,148,000 cu. ft. Beginning with December 15 the low temperature, coupled with the extraordinarily severe weather conditions, created a demand upon the company's manufacturing resources that was without parallel. On that date the output was 129,959,000 cu. ft. On December 28 it was 137,210,000 cu. ft. and on December 31, 155,006,000 cu. ft. The output for the last three days of December aggregated 460,613,000 cu. ft., an increase over the three corresponding days in 1916 of 134,297,000 cu. ft. or 41.16 per cent.

The maximum day's output in December, 1917 (155,006,000 cu. ft.), exceeded the maximum day's output prior to December, 1917 (125,148,000 cu. ft.), by 29,858,000 cu. ft. or 23.86 per cent. This increase in the maximum day's output was equal to the entire manufacturing capacity of the largest plant in the system, outside of the Astoria plant, the latter having a rated daily capacity of 40,000,000 cu. ft.

The scarcity of coal undoubtedly contributed largely to the increase in the output of gas and created an extraordinary demand for room-heating appliances, the daily sales of which exceeded all previous records, more than fourteen

RELIABLE STOVE COMPANY, Div. Am. Stove Co., CLEVELAND, O.

hundred appliances of this character having been sold in a single day. In five days, five thousand and forty-four room-heating appliances were sold.

The effect of the war upon the output of electrical energy is already making itself felt and threatens to seriously impair the revenues of the electric companies.

The effect of the orders of the National Fuel Administrator now in operation will be very great. Show-window and interior display lighting represents a very large volume of the commercial business of the electric companies and the curtailment of this service as well as practically all outside illumination for six nights in the week, together with the closing down of all industries, trades and business for a fortnight of working days, will very seriously affect their revenues.

The restrictions placed upon the use of electrical energy, which became effective in 1917, occurred too late in the season to seriously affect the year's business. The combined output of the generating stations of the New York Edison Company and the United Electric Light and Power Company was 11.5 per cent greater in 1917 than in 1916.

The effect of the war upon the cost of producing and distributing gas and electrical energy has already been very disastrous and will be much greater during the present year than it was in 1917. It is estimated that the increase in the cost of gas-oil alone, approximately $1\frac{1}{2}$ cents a gallon, will add \$1,800,000 to the gas manufacturing cost of the Consolidated Gas Company and its affiliated gas companies.

The price of practically all the materials and supplies required in the production and distribution of gas and electricity increased very substantially in 1917. The same was true of labor. The price of boiler coal, used in generating electricity, increased 59.2 per cent and of anthracite and bituminous coal, used in gas manufacture, 11.3 per cent; the average increase in the price of all varieties of coal used amounting to 34.3 per cent. The price of gas-oil increased 66.2 per cent and has increased again this year 30 per cent; the increase in the price of gas-oil in 1918 over that of 1916 amounting to 116.6 per cent. The increase in the price of these items alone added \$4,530,600 to the cost during the year 1917 of manufacturing gas and generating electricity.

Coupled with the increase in the cost of coal has been the difficulty of obtaining it as well as a marked inferiority in its quality which caused an excessive consumption as well as an impairment of the capacity of the various plants.

It is estimated that the additional cost of producing and distributing gas and electricity, due to the increase in the price of labor and materials, amounted during the year to approximately \$4,838,355. The cost of labor was also greatly increased during the year by the obligation imposed upon the companies of protecting its gas and electric plants by maintaining at each of them a special force of guards at an expense for the period subsequent to the declaration of war against Germany of \$597,690.

Notwithstanding some improvement in the

revenue from the sale of residual products, credited to the cost of gas manufacture, the total increase in the combined operating expenses of the gas and electric companies amounted to \$9,336,003, including an increase (\$1,486,626) in taxes and an increase (\$2,413,332) due to the greater quantity of gas and electricity sold.

More than 1,050 employees of the Consolidated Gas Company and its affiliated gas and electric companies are now serving in the Army and Navy, representing every grade of employment from departmental superintendents to day laborers.

The technical and engineering departments were particularly affected in this respect, the demand for the services of men thus qualified and the inducements offered them to join the various branches of the service having caused a great many enlistments.

In the various clerical departments the difficulty of obtaining men to fill the vacancies caused by enlistment and conscription has resulted in the employment of many women, who are performing their duties in a very satisfactory manner.

The gas sales of the Consolidated Gas Company increased during 1917, as compared with the previous year, 595,937,500 cu. ft. or 3.66 per cent. In 1916 there had been an increase in gas sales of 3.92 per cent, as compared with the previous year.

Its gas sales and those of its affiliated gas companies in the Borough of Manhattan increased during the year 782,241,700 cu. ft. or 3.48 per cent, as compared with an increase of 3.83 per cent in 1916.

In the Borough of The Bronx the gain during 1917 in the volume of sales amounted to 285,270,000 cu. ft. or 6.61 per cent, as compared with a gain of 2.34 per cent in 1916 over the previous year.

The combined gas sales of the Consolidated Gas Company and its affiliated gas companies in the Boroughs of Manhattan, The Bronx and Queens and in Westchester county amounted to 1,407,202,100 cu. ft. more in 1917 than in 1916, a gain of 4.79 per cent, as compared with a gain of 4.01 per cent in 1916 over the previous year.

A comparison made between the amount of gas consumed in 1917 and 1916 by all classes of establishments, including dwellings, apartment houses, stores of various kinds, factories, hotels and restaurants, indicates that the increase has been quite general, the percentage of increase in the consumption of gas in the majority of the various classes of establishments differing not substantially from the average increases above shown in the various territories supplied by the Consolidated Gas Company and its affiliated gas companies: the exceptions being bakeries, delicatessen stores, laundries and saloons, which showed a decrease in their consumption of gas in 1917 as compared with 1916. In the case of the last two the consumption in 1916 showed a decrease as compared with 1915.

The policy of the city, adopted in 1915, of substituting nitrogen-filled electric streets lights for incandescent gas lamps resulted in a reduction in the consumption of gas for street lighting in

We will gladly send you any size or sizes of GOODMAN STOPPERS on trial.

SAFETY GAS MAIN STOPPER COMPANY,

263 East 133rd Street, New York, N. Y.

1915 of approximately 80,000,000 cu. ft., in 1916 of approximately 139,500,000 cu. ft., and in 1917 of 26,919,200 cu. ft. -On December 31, 1917, there were no incandescent gas street lamps in the territories, supplied by the Consolidated Gas Company and its affiliated gas companies in the City of New York, as against 16,653 on December 31, 1914.

The combined station output of the Consolidated Gas Company and its affiliated gas companies in 1917 showed an increase over the output for the preceding year of 6.53 per cent. The increase in the day output was 9.03 per cent and in the night output 3.73 per cent. From these figures it is apparent that the increase was largely due to an increase in the use of gas for industrial, commercial and domestic purposes rather than for illumination.

During the year the Consolidated Gas Company and its affiliated gas companies installed 205,074 appliances. There were surrendered to the companies 67,410, leaving a net increase of 137,664 in the number of appliances in use, which have been installed by the companies, as against the net increase in the previous year of 108,852 and in the years 1915 and 1914 of 90,396 and 61,570, respectively. The net increase in 1917 included 2,856 hotel and restaurant appliances, 3,888 industrial appliances, 3,197 gas-fired steam radiators and 28,382 miscellaneous gas-heating appliances.

The use of gas instead of coal for cooking in hotels, restaurants, clubs and miscellaneous institutions is becoming more and more general. In 1917, 6,217 linear feet (1 1/6 miles) of hotel ranges were installed, an increase of 1,011 feet or 33 per cent over the number of feet installed in 1916. On December 31, 1917, the Consolidated Gas Company and its affiliated gas companies had on rental to consumers 462,332 cooking appliances of various types, an increase of 13,521 over the number in use on December 31, 1916.

As the result of special effort last spring 7,316 water heaters were installed, including several large installations in restaurants, factories and office buildings.

In addition to the weekly meetings, at which many problems relating to the development of the utilization of gas in the various trades are discussed, the educational work of our Industrial Appliance Division is carried on through the medium of periodic bulletins, which are issued to our salesmen for the purpose of keeping them informed in regard to the latest appliances designed for the utilization of gas for industrial purposes.

Among the new industrial uses for gas developed in 1917 were the heating of china kilns by means of a new type of burner, gas in these installations being substituted for wood fires; the substitution of gas for steam in the heating of large steel drums, used in the manufacture of paper stock; the utilization of steam from a gas-steam boiler for refining varnish and for vacuum drying, including the drying of nuts, raisins, dates and figs; gas furnaces for melting the trimmings of electrotypers' copper-plates, which were formerly sold as junk and melted in crucibles, fired by coke, outside of New York;

the perfecting of a gas-consuming device for the use of preserving and canning companies; the employment of gas heaters in the drying of cloth for the government, by means of which 9,000 yards can be dried in a very simple manner in seven hours; the installation of a 25-horsepower steam boiler with complete paraphernalia for washing, bleaching and shaping Panama hats, and of a 10-horsepower steam boiler with the auxiliary paraphernalia for cloth sponging. These and other similar installations have been the result of the development of new types of burners or new methods for the utilization of gas, adapted to the requirements of the several trades and growing out of the special study made of these trades and of all their various heating requirements.

A new special type of burner designed for large industrial installations, which was developed by this department, has been installed in several large bake-oven plants and in large steam-heating systems, previously fired by coal, and has proved so satisfactory that a large number of similar installations will doubtless be made during the coming year.

The Utilization Department has also been active in designing and developing large house-heating and water-heating systems, using gas as fuel. Many successful installations have been made in churches, moving picture theatres, garages, stores, offices, private houses and in our new 57th street office building.

The Illumination Bureau of this department has secured several large special gas-lighting installations in factories, as well as in police stations and in the New York Post Office.

The Architectural Bureau of the Utilization Department, the function of which is to promote the utilization of gas by urging the importance of adequately and completely piping for gas all buildings in process of construction or undergoing alteration, accomplished a great deal along this line during the year.

The Utilization Department has been active in other promotive work, such as the preparation and publication of articles for the Popular Trade and Technical Press and has also co-operated with national gas associations in the preparation and publication of booklets on subjects relating to the use of gas.

In order to further promote the use of gas and gas appliances, lectures with appropriate lantern slides on a number of subjects relating to the use of gas have been prepared. Ten of these were delivered during the year before technical societies, gas associations, housewives' leagues and public schools.

The various departmental schools for the instruction and training of employees in the different branches of the gas business have been actively maintained during the year.

The new three-story office building on the south side of 57th street, between Broadway and Seventh avenue, has been completed and is now occupied by the branch office formerly located at 112 West 42d street. This building was designed not only to afford the maximum of facility in the transaction of business with the public and for the most effective display of the various types of domestic and industrial

PRECISION INSTRUMENT COMPANY : : : : DETROIT, MICHIGAN

appliances, but to furnish a practical demonstration of the availability of gas for heating as well as lighting.

Last fall it became perfectly apparent to the Consolidated Gas Company and its affiliated gas companies that the need of the government in its manufacture of high explosives for toluol, and possibly for benzol, was not only urgent but imperative, and that any delay, especially in the obtaining of the former of these two light oils, both of which could be recovered from manufactured gas, meant crippled artillery service and an altogether unnecessary sacrifice of our soldiers' lives. The government has ever since been making every preparation to recover toluol from the gas manufactured by our various gas companies. While such recovery may somewhat impair the illuminating quality of the gas, its value for heating purposes and its utilization in incandescent mantle burners will be rather improved than otherwise and if mantle burners are substituted for the open-flame burners consumers will obtain substantially better illumination at a considerably diminished cost, including the cost of the mantle.

It is expected that before the government is actually prepared to proceed with the recovery of toluol, the candlepower standard, which has been virtually abandoned throughout the world, will have been repealed and such calorific standard substituted as will permit the recovery of all of the toluol contained in the gas.

The Massachusetts Board of Gas and Electric Light Commissioners recently prescribed 528 British thermal units as the proper standard and stated that it would "permit the companies to recover for the government the toluol and benzol so imperatively needed." This standard was fixed after extensive practical tests, which demonstrated that a reduction in the British thermal units in the gas, even though considerable, really made no practical difference to the consumer when the gas distributed was of a uniform and stable quality and fixtures were properly adjusted.

There are still many miles of gas mains temporarily located above ground on account of the continued construction of rapid transit subways. As the gas in these mains is exposed to sudden variations of temperature it is extremely difficult to maintain at all times the statutory illuminating standard throughout the district.

Separate actions, brought in 1915 by the city against the Central Union Gas Company, the Northern Union Gas Company and the Westchester Lighting Company for the purpose of having it adjudged that these companies possessed no franchises which permitted them to occupy with their mains and pipes any of the streets in the Borough of The Bronx, in which they have been operating for more than fifty years, were tried in the Supreme Court in October, 1917, and in December a judgment was entered confirming the validity of the companies' perpetual rights to extend, lay and maintain their mains and pipes for conducting gas in and through the said streets. An appeal from this judgment has been taken by the city and is now pending.

When the first Liberty Loan 3½ per cent

bonds were issued the employes of the Consolidated Gas Company and its affiliated gas and electric companies were offered the privilege of subscribing to and of paying for the same in instalments of fifty equal weekly payments or twelve equal monthly payments, the bonds to be held in the meanwhile for their account by the respective companies. This privilege was availed of by 12,357 employes, who subscribed for an aggregate amount of \$847,700. Similar action was taken in respect of the second Liberty Loan 4 per cent bonds, and 7,478 employes subscribed thereto for an aggregate amount of \$511,750.

Under the agreement between the New York Edison Company, the United Electric Light and Power Company and the Public Service Commission, referred to in last year's report, the maximum price of electric current was reduced from 7½ cents to 7 cents per kilowatt hour on July 1, 1917, with the provision, however, that the privilege which the companies then had of restoring the rate to the one in effect prior to January 1, 1917, viz., 8 cents per kilowatt hour, in case conditions affecting the cost of generating and distributing electric current, due to the war, warranted such action on the part of the companies, was extended to January 1, 1918.

In December, 1917, upon the companies' representations to the commission as to the continued uncertainty of the effect upon their revenues of conditions growing out of the war, the privilege of restoring the 8-cent rate, if conditions warranted it, was further extended until July 1, 1918.

A building has been erected on the property purchased in 1916 by the New York Edison Company at 454 West 27th street, adjoining the company's West 27th street sub-station, and a 1,000 kilowatt rotary converter, formerly in service in the West 39th street sub-station, has been installed therein.

Another 1,000 kilowatt rotary converter, formerly in service in the 53d street station, has been installed in the Edison Company's East 103d street sub-station.

A storage battery, having a capacity of 1,000 kilowatts, which was removed from the West 39th street station, has also been installed in the East 103d street sub-station.

In order to meet the increasing requirements of the New York and Queens Electric Light and Power Company for the supply of electric current to its customers in the Borough of Queens, additional transformers and the necessary switching equipment were installed at the 201st street station of the United Electric Light and Power Company. A new high-tension (15,000 volts) feeder was also installed between this station and the Hamilton street station of the New York and Queens Company in Long Island City and a general rearrangement of the remaining transmission feeders between these stations was effected.

At the 45th street sub-station of the United Company an additional 2,500-kilowatt transformer, together with the necessary switching equipment for six additional out-going distributing circuits, is being installed. Two of the additional circuits were placed in service during

SPENT OXIDE BUYERS (FROM COAL GAS WORKS)

SEND US SAMPLES AND WE WILL MAKE YOU AN OFFER

HENRY BOWER CHEMICAL MFG. CO. Gray's Ferry Road

and 29th Street

PHILADELPHIA, PA.

the year, making a total of ten circuits from this sub-station. Upon the completion of an additional transmission feeder (15,000 volts) between this sub-station and the Waterside generating station, now being installed, there will be four incoming feeders to this point. This station is now serving that section of Manhattan Island located between 27th and 87th streets.

The transportation facilities in that part of the Borough of Queens, in which the New York and Queens Electric Light and Power Company operates, have been materially increased during the past year.

The Jamaica Avenue Elevated Railway, which is a part of what is known as the dual subway system, has been extended to the center of Jamaica. Although now only operated to the Richmond Hill section, it will soon be operated to the center of Jamaica.

Operations of the Queens Borough Elevated Railway extensions from Long Island City to Astoria and to Corona began on February 1 and April 21, 1917, respectively.

The necessary installation for an elevated connection between the Bridge Plaza Station in Long Island City and the Second Avenue Elevated Railroad of Manhattan was completed, so that the Manhattan Elevated system extended its operation to Queens across the Queens Borough Bridge on July 1, 1917.

The tunnel which is being constructed under the East River for the extension of the Interborough and Brooklyn Rapid Transit operations in Queens Borough will be completed during the present year.

The two-story fireproof garage and storehouse of the New York and Queens Electric Light and Power Company at Maspeth, which was mentioned in last year's report, was placed in service in May, 1917.

A contract for the building of a two-story fireproof sub-station and storehouse on the New York and Queens Company's property at Flushing was made on October 24, 1917, and it is expected that the building will be placed in service by next July.

The Flushing commercial office was moved on August 1, 1917, from 68 Main street to 81 Main street, Flushing, of which property the New York and Queens Company has a ten-year lease.

Approximately 8½ acres, located on the east side of Trotting Course Lane and abutting on the north side of the Long Island Railroad right-of-way, were purchased in December for future central storeyard and sub-station purposes.

A fifteen foot strip of land, adjacent to the southwest side of the Astoria power plant property of the New York and Queens Company at Mills and Franklin streets, was purchased last September.

Additional demand for the New York and Queens Company's service during the year 1917 required the installation of approximately 780 poles, 275 miles of wire, 24 miles of subway conductors, 5,850 meters and 400 street lamps.

In December, 1917, the Public Service Commission for the Second District authorized the Peekskill Lighting and Railroad Company to increase the fares on its trolley line in the village of Peekskill to seven cents for straight cash fares and six and one-quarter cents for tickets to be purchased, four for twenty-five cents or in multiples of four at the same rate.

An important decision was rendered in October, 1917, by the Public Service Commission for the Second District upon the application of the Lawrence Park Heat, Light and Power Company for a certificate of public convenience and necessity, permitting it to exercise two alleged franchises for street lighting and commercial lighting, respectively, in the village of Bronxville. The commission denied the application on the ground that the evidence presented did not justify the issuing of such a certificate, involving as it would a duplication of the service, already being rendered in the village by the Westchester Lighting Company.

The municipal street lamps on the lines of the Consolidated Company and its affiliated gas and electric companies on December 31, 1917, consisted of 7,112 incandescent gas lamps, 201 open-flame gas lamps, 431 electric arc lamps and 65,335 electric incandescent lamps, a total of 72,648 street lamps.

The total number of gas meters in use at the end of 1917 was 964,098 and of electric meters 353,660.

The combined sales of gas of the various companies during the year were 30,778,670,800 cu. ft., an increase over the previous year of 4.79 per cent.

The sales of electric current during the year, including sales to the Third Avenue Railroad Company, the Brooklyn Rapid Transit Company and the New York, New Haven and Hartford Railroad Company, amounted to 749,827,761 kilowatt hours, an increase over the previous year of 11.37 per cent.

The taxes charged against the earnings of the Consolidated Company and its affiliated gas and electric companies during the year amounted to \$6,940,751, as compared with \$5,454,125.08 charged against the earnings of the previous year.

There was expended during the year for additions to and extensions of the producing and distributing plants of the various gas and electric companies the sum of \$5,200,455.22.

At a cost of \$4,924,834.82 for repairs and \$1,500,893.03 for renewals or a total cost of \$6,425,727.85, all of these gas and electric properties have been maintained at the highest possible point of operating efficiency, thus insuring a uniformly satisfactory quality of gas and electricity and their economical production and distribution.

Office: 50 Pine Street.

Incorporated March 12, 1913, in Virginia, for the purpose of acquiring, improving and developing electric light and power and gas properties, street and interurban railways, water and other

companies of similar character. Properties are now owned in the States of Vermont, New Hampshire, Pennsylvania and West Virginia.

At December 31, 1917, Company held securities of the undernoted companies:

	Bonds.	Stocks.
Reading Transit & Light Co. common stock.....		\$3,650,000
Reading Transit & Light 6% pfd. stock.....		1,511,500
West Virginia Traction & Electric Co., common stock.....		1,248,700
Claremont Ry & Lighting Co. (30-year first mortgage 5s)	\$150,000
Claremont Ry. & Lighting Co., stock.....		144,300
Claremont Power Co. (30-year first mortgage 5s).....	395,000
Claremont Power Co., common stock.....		600,000
Claremont Power Co., 6% pfd. stock.....		100,000
Colonial Power & Light Co. (30-year first mortgage 5s)	283,000
Colonial Power & Light Co., common stock.....		260,500
Clarendon Power Co., capital stock.....		280,100
Total par value.....	\$828,000	\$7,795,100

The above securities constitute all those outstanding of each company, with the exception of the West Virginia Traction & Electric Co. (of which Eastern Power & Light Corporation has acquired practically all the common stock outstanding) and 157 shares of Claremont Ry. & Lighting Co. stock outstanding.

MANAGEMENT.—The Eastern Power & Light Corporation, and its controlled companies are under the management of The W. S. Barstow Management Association, New York.

CAPITAL STOCK.—Authorized, \$10,000,000 common and \$10,000,000 cumulative preferred; outstanding, \$5,000,000 common and \$2,350,000 preferred; par, \$100. Preferred stock is entitled to cumulative dividends at rate of 6 per cent per annum from March 1, 1913; and at rate of 7 per cent from March 1, 1916; it has preference for both assets and dividends and has equal voting power with the common. Preferred stock is subject to call after March 1, 1916, at \$125 per share and participates ratably with the common stock in all dividends which may be declared in any fiscal year in which the common stock has received dividends equal to the cumulative rate then paid on the preferred. Common stock is held under a ten-year voting trust agreement, with three voting trustees to be appointed by W. P. Bonbright & Co., Inc., and W. S. Barstow & Co., Inc. Transfer agent: Equitable Trust Co., New York. Registrar: Bankers Trust Co., New York. Preferred dividends payable quarterly. Initial payment June 16, 1913.

BONDED DEBT.—\$2,327,500 five-year convertible gold 5s; dated March 1, 1913, due March 1, 1918; interest, March 1 and September 1, at Equitable Trust Co., New York, trustee. Coupon, \$500 and \$1,000; principal may be registered. Subject to call at 101 on any interest date, upon thirty days' notice. Convertible at par at option of holder at any time on or after March 1, 1917, into 7 per cent cumulative preferred stock. Secured by pledge of all securities of controlled companies, except the preferred stock of the Reading Transit & Light Co. Bonds are exempt

from Federal income tax so far as individual holders are concerned.

BALANCE SHEET—DECEMBER 31, 1917.

CAST IRON PIPE R. D. WOOD & CO.
PHILADELPHIA, PA.

EASTERN STATES PUBLIC SERVICE COMPANY
115 Broadway, New York, N. Y.

The Eastern States Public Service Company was incorporated in February, 1917, under the laws of New York, and operates properties supplying gas and electricity in the following communities: Dover, Wharton, Lambertville and Newton, N. J., and New Hope, Pa., serving with gas and electricity a population in excess of 26,000.

FRANCHISES.—Perpetual as to Dover and Lambertville, and in Newton the gas franchise matures in 1940 and the electric in 1944.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock, 6% cum.	\$8,458,200	
Common stock		8,500,000

FUNDED DEBT.—Bonds, first lien sinking fund, 5% and 6%, authorized \$3,000,000; issued, \$220,000 6%, \$180,000 5%. Dated February 1, 1917; due, February 1, 1942. Interest payable February 1 and August 1. Denomination, \$100, \$500 and \$1,000. Coupon; principal may be registered. Callable on any interest date at 107 and interest for 6% bonds and 103 for 5% bonds. Trustee of bonds, Logan Trust Co. of Philadelphia.

This issue is secured by deposit with the trustee of all the bonds and all the stock of the Newton Electric & Gas Co., New Jersey Gas & Electric Co. (Dover), and Lambertville Public Service Co., excepting a very small amount of bonds of the two latter companies, against which bonds of this issue are being held by the trustee to be released as the bonds of the subsidiary companies are acquired.

Not over \$200,000 bonds beyond the proposed \$400,000 may be issued for improvements and betterments and acquisition of new properties on their bonds and stock, but only when the net earnings of the company and its subsidiaries, for six months period within the twelve months immediately preceding, are at the rate of one and one-half times the interest on all outstanding bonds, including those to be issued.

Additional bonds beyond those above men-

tioned may be brought out at the rate of not over 80% of the additional expenditures for improvements or acquisition of new properties or their bonds and stock only when the net earnings of the original properties, combined with those to be acquired or represented by bonds and stock, according to conservative accounting practice, have been for a period of not less than twelve months out of the fourteen months immediately preceding the date of issue, not less than twice the amount necessary to pay interest on all bonds outstanding hereunder and those to be issued. Under somewhat similar limitations, new bonds can be issued upon acquiring and bringing under this mortgage controlling interests in the stock and bonds of other public utility corporations, but only where at least 95% of the bonds and two-thirds of the stock of such corporations are acquired, or for the acquisition of public utility properties.

A sinking fund of 1% of outstanding bonds becomes operative February 1, 1922, and continues annually to and including February 1, 1931; thereafter a sinking fund of 1½% becomes operative on February 1 of each year until the maturity of the bonds. It is provided that said sinking fund must be used in the acquisition and cancellation of outstanding bonds of this issue, or to pay for additional property or extensions or improvements to present properties, the actual cash cost whereof is equal to not less than said percentum of its outstanding bonds.

The combined earnings of the Dover, Lambertville and Newton properties, as officially reported for the year ending December 31, 1916, are as follows:

Gross earnings	\$86,355.16
Operating expenses and taxes.....	51,478.29
Net earnings	\$34,876.87

MANAGEMENT.—The management of the company is in charge of expert engineers of the National Utilities Co., New York City.

ELECTRIC BOND AND SHARE CO.

Principal office: 71 Broadway, New York.

The Electric Bond and Share Co. was incorporated under the laws of the State of New York, February 28, 1905. All of its common stock is owned by the General Electric Co. The Company takes a financial interest in electric light and water power, gas and street railway enterprises; buys, holds and sells securities issued on such properties, and acts as fiscal agent for companies controlling and operating such properties. It furnishes the necessary capital and manages consolidations and reorganizations of properties of the above mentioned character.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock, 6% cum.	\$8,458,200	
Common stock		8,500,000

Shares, \$100. Registrars, Guaranty Trust Co. of New York.

Callable upon 90 days' notice on any dividend date at 110 and accrued dividend. Dividends payable quarterly February, May, August and November.

Dividends at the rate of 5 per cent per annum have been paid regularly on the preferred stock since organization up to October 31, 1911, at which time they were increased to 6 per cent. Dividends at the rate of 8 per cent per annum are being regularly paid on the common stock.

The amount of outstanding preferred stock can at no time exceed the outstanding common stock. No dividend can be paid upon the common stock unless, after such payment, there re-

THE SCIENTIFIC HEATER COMPANY : : of Cleveland, Ohio

ELECTRIC BOND DEPOSIT CO.

Principal office: 60 Wall Street, New York City.

The Electric Bond Deposit Co. is a holding company, organized under the laws of the State of Delaware, February, 1912, for the purpose of purchasing and holding underlying issues of electric and gas enterprises and selling such securities, when their market values have become established. The Company now owns the following securities: \$491,000 first mortgage 40 year 5 per cent bonds; \$500,000 6 per cent cumulative preferred stock and \$262,000 common stock of the Ozark Power and Water Co.

These securities have been issued to finance the first development of a 15,000 horsepower, hydro-electric plant on the White River near Forsyth, Mo., which was completed and put in operation on October 1, 1913, together with about 120 miles of high tension transmission lines and necessary feeders and substations to supply the traction, lighting and power requirements in Springfield, Mo., and adjacent territory, and to connect in and feed the excess

current to the Empire District Electric Co., at Joplin, Mo.

EMPIRE GAS AND FUEL COMPANY.

Office, 60 Wall Street, New York, N. Y.

Incorporated September 13, 1912, under the laws of the State of Delaware. It is a subsidiary of the Cities Service Co. and holds stock in the following Oklahoma, Kansas and Missouri gas properties, viz.: Quapaw Gas Co., Wichita Natural Gas Co. and Wichita Pipe Line Co.; also eleven oil properties (see parent companies).

Capital stock, common, authorized, outstanding \$12,500,000. Par, \$100.

BONDS.—First mortgage and collateral trust sinking fund 6% gold; authorized, \$14,000,000; outstanding, \$12,737,000; dated May 1, 1916; due May 1, 1926. Interest payable May 1 and November 1. Bankers Trust Co., trustee. Redeemable until May 1, 1920, at 102 and accrued in-

terest; thereafter to May 1, 1923, at 103 and accrued interest, and thereafter until maturity at 104 and accrued interest. Security: First lien.

OFFICERS.—President, J. C. McDowell; Vice-President, F. W. Frueauff, A. J. Diescher, H. R. Straight, T. I. Carter; General Manager, A. J. Diescher; Secretary, C. E. Murray; Treasurer, R. C. Russum; Assistant Secretary, E. E. McWhiney; Assistant Treasurer, T. A. Wallace.

DIRECTORS.—Frank W. Frueauff, Thomas I. Carter, H. L. Doherty, H. H. Scott, L. G. Coleman, M. R. Bump, J. C. McDowell, A. J. Diescher, R. C. Russum, H. R. Straight, J. E. Grattan.

FEDERAL LIGHT AND TRACTION CO.

General office: 60 Broadway, New York City.

Incorporated April 20, 1910, under laws of New York State. Controls, through ownership of nearly all of the outstanding stocks and bonds, the electric lighting properties in Albuquerque, Deming and Las Vegas, N. M.; Tucson, Ariz.; Aberdeen, Cosmopolis and Hoquiam, Wash.; Sheridan and Rawlins, Wyo.; Springfield, Mo.; Trinidad and Walsenburg, Col.; Hobart, Okla., and Hot Springs, Ark., also the gas properties in Albuquerque, Trinidad, Tucson, Hot Springs and Springfield, and the electric railway properties in Springfield, Trinidad, Las Vegas, Tucson and Aberdeen, Hoquiam and Cosmopolis and Hot Springs, and the water company in Hot Springs.

The companies in which a controlling interest has been acquired are as follows:

Albuquerque Gas and Electric Co.

Central Arkansas Railway and Light Corporation.

Citizens' Electric Co.

Consumers' Gas Co.

Deming Ice & Electric Co.

Grays Harbor Railway and Light Co.

Hobart Electric Co.

Hot Springs Street Railway Co.

Hot Springs Water Co.

Las Vegas Light and Power Co.

Las Vegas Transit Co.

Rawlins Electric Light and Fuel Co.

Sheridan County Electric Co.

Springfield Gas and Electric Co.

Springfield Railway and Light Co.

Springfield Traction Co.

Trinidad Electric Transmission Railway and Gas Co.

Tucson Gas, Electric Light and Power Co.

Tucson Rapid Transit Co.

In March, 1911, the Company acquired control of the Springfield Railway and Light Co., of Springfield, Mo. In September of same year,

HUNT INDUSTRIAL RAILWAYS for handling coal are built in a variety of special forms, for side or bottom dumping, or for emptying with minimum labor with shovels. Standard designs of cars, track, curves, switches, etc., can be shipped from stock. Write for Catalogue N16-2.

C. W. HUNT CO., INC., Main Office and Works, WEST NEW BRIGHTON, N. Y.

through its subsidiary, the Trinidad Electric Transmission, Railway and Gas Co., took over active control of the entire gas, traction and electric lighting and power business of Trinidad, Col., and nearby territory.

In 1912 the Company acquired all outstanding securities of the Deming (N. M.) Ice and Electric Co. and of the Walsenburg Light, Power & Ice Co., which Company has since been merged into the Trinidad Company.

As of March 1, 1913, this Company acquired the control of the Central Arkansas Railway & Light Corporation, which company, through its subsidiary Companies, owns and operates the street railway, gas, water, electric lighting and power business in the city of Hot Springs, Arkansas, and vicinity.

The entire outstanding common stock of the Central Arkansas Railway and Light Corporation is owned by this Company. The operations of the properties of the Central Arkansas Railway and Light Corporation were taken over March 1, 1913, but the earnings from the several Hot Springs subsidiary companies accrue to the Company from January 1, 1913.

The Federal Light and Traction Co. owns all the stock of its subsidiaries except \$86,050 of the \$500,000 stock of the Tucson Rapid Transit Co., and the entire \$1,200,000 preferred stock of the Central Arkansas Railway and Light Co., and \$567,000 preferred stock of the Springfield Railway and Light Co., and all the bonds of the subsidiaries except \$2,028,500 Springfield Railway and Light Co. first lien sinking fund gold 5s, due May 1, 1926; \$1,973,000 first lien 5 per cent bonds of Central Arkansas Railway and Light Corporation, and \$100 of Tucson Rapid Transit Co. bonds.

The controlled companies serve, practically without competition, a territory having a combined population of about 200,000. All the electric lighting, gas and traction properties in the various towns are controlled, except in Grays Harbor, where there is an independent gas plant, and in Albuquerque and Sheridan, where there are independent traction companies. The cities are enterprising, substantial in character, diversified as to location and interests, and are passing through a period of substantial growth and prosperity.

All of the properties have been modernized to an unusual extent, and the present management is bringing them up to a high standard of efficiency.

CAPITAL STOCK AND DIVIDENDS.—The authorized capital stock is \$11,000,000, consisting of \$5,500,000 common and \$5,500,000 6 per cent cumulative preferred. Outstanding: \$4,750,000 common and \$2,500,000 preferred; par of both issues, \$100. Preferred stock is subject to call at 110 and accrued dividends on 60 days' notice, and has preference for assets as well as to dividends. Transfer agents: Preferred and common stock, New York Trust Co., New York. Registrar for both stocks: National City Bank, New York.

Dividends on preferred were regularly paid quarterly March, from September, 1910, to September, 1914.

BONDS AND NOTES.—\$3,920,000 first mortgage 5 per cent sinking fund gold bonds, dated March 1, 1912, due March 1, 1942; interest M. & S. 1 in New York and London (coupon registered as to principal only); bonds may be fully registered. Columbia Trust Co., New York trustees. Authorized, \$50,000,000; unissued bonds reserved to cover.

SINKING FUND.—Annual Sinking Fund: March 1, 1913, to March 1, 1923, 1½ per cent; March 1, 1923, to March 1, 1933, 2 per cent; March 1, 1933, to maturity, 2½ per cent.

All bonds purchased for sinking fund to be canceled. Secured by all first mortgage bonds and stocks of 12 public utility companies together with a lien on the entire common stock (\$1,100,000) of the Springfield Railway and Light Co. Subject to call as a whole but not in part at 102 and interest.

\$1,500,000 10 year 6 per cent debentures, dated March 1, 1912, due March 1, 1922, convertible after March 1, 1913, into first mortgage 5 per cent sinking fund gold bonds at 90, provided net earnings have exceeded two and one-half times interest charges on all first mortgage bonds including bonds issuable against conversion.

\$1,440,000 Federal L. & T. Co. 10-year gold notes, 7 per cent, dated December 1, 1913, due December 1, 1923; interest June 1 and December 1 in New York; registered \$100; coupon, \$500, \$1,000; coupon bonds may be registered as to principal and interest Columbia Trust Co., New York. N. Y. Authorized, \$10,000,000; issued, \$725,000; proceeds to be used to retire present floating debt which was incurred for construction purposes, etc.; also has issued \$715,000 6 per cent gold notes; \$150,000 outstanding Dec. 31, 1917.

UNDERLYING BONDS.—\$2,028,500 Springfield Railway and Light first lien sinking fund gold 5s, dated May 1, 1911; due May 1, 1926; int. M. & N. in New York, Boston and Chicago. Coupon, \$500 and \$1,000; principal may be registered. Guaranty Trust Co., New York, trustee. Authorized, \$7,000,000; unissued bonds reserved to cover 80 per cent of cost of additions, extensions, improvements, etc., and issuable only when net earnings for the preceding 12 months have equaled twice the interest charges on all bonds issued and to be issued. Annual sinking fund, sufficient to retire 25 per cent of the total issue prior to maturity, begins March 1, 1913, to retire bonds at not exceeding 102 and interest; all bonds purchased for the sinking fund to be kept alive and interest thereon added to the fund. Secured on entire property rights, franchises, etc., and additionally by practically all the capital stocks, bonded debt and notes of the two subsidiary companies. Subject to call as a whole at 102 and interest on any interest date.

\$1,973,000 Central Arkansas Railway and Light Corporation first lien 15-year 5 per cent sinking fund gold bonds dated March 1, 1913, due March 1, 1928; interest March and September in New York, Boston, and Chicago. Coupon, \$100, \$500, \$1,000, principal may be registered, Columbia Trust Company, New York, N. Y. Authorized, \$7,000,000; unissued bonds reserved to cover 80 per cent of cost of additions, extensions, improvements, etc.; issuable

SPENT OXIDE FROM COAL GAS WORKS

We are buyers of this material and will quote you a price on receipt of sample for analysis.

HENRY BOWER CHEMICAL MFG. CO.

Gray's Ferry Road
and 29th Street

PHILADELPHIA, PA.

OHIO UTILITIES COMPANY, NEW YORK

Principal address, 115 Broadway, New York City.

The Ohio Utilities Company was incorporated in 1916 under the laws of New York and furnishes without competition the cities of Circleville, Gallipolis, Delaware and Hillsboro, Ohio, with electric light, power and, in the case of the Hillsboro Company, with gas and artificial ice. The population served is approximately 33,000.

FRANCHISES.—All perpetual except Gallipolis, which expires in 1927.

CAPITALIZATION.

	Authorized	Issued
Common	\$2,500,000	\$500,000
Preferred 7% cumulative..	2,500,000	200,000

BONDED DEBT.—First lien 5 and 6 per cent bonds, authorized, \$5,000,000; issued, \$140,000 5 per cent, \$400,000 6 per cent. First lien sinking fund 5 and 6 per cent gold bonds, due June 1, 1946. Trustee, Republic Trust Company of Philadelphia, Pa. Registrar, P. W. Brooks & Co., Inc. Callable 6 per cent at 107, 5 per cent at 103, on any interest date. Sinking fund, 1 per cent per annum of bonds issued 1921-1930, 1½ per cent 1931-1946. Interest payable first day of June and December. Interest payable without deduction for the normal income tax. Pennsylvania tax refunded.

SECURITY.—This issue is secured, in counsel's opinion, by an absolute first lien through deposit with the trustee of all of the stock and all of the bonds of the Circleville Light and Power Company, the Delaware Electric Light, Heat and Power Company, the Hillsboro Light and Fuel Company and the Hillsboro Ice and Coal Company, and all right, title and interest in and to

the property and franchises of the Gallipolis Electric and Power Company.

SINKING FUND.—The mortgage requires that the Company pay to the trustee for the creation of a sinking fund 1 per cent of the principal amount of all bonds outstanding on September 1, 1921, to September 1, 1930, inclusive; 1½ per cent of the principal amount of all bonds outstanding from September 1, 1931, until the maturity of the bonds. The bonds are subject to call, those bearing 6 per cent interest at 107 per cent, those bearing 5 per cent interest at 103 per cent, and the sinking fund may be invested in them if they can be secured at a figure not to exceed these call prices.

INCOME ACCOUNT, YEAR ENDING DECEMBER 31, 1916.

Gross	\$159,742.33
Operating expenses, including taxes..	87,036.14
Net	\$72,706.19
Interest	31,000.00

Surplus \$41,706.19

UNION RAILWAY, GAS AND ELECTRIC CO.

New York office: 14 Wall Street.

(Incorporated under the laws of New Jersey in June, 1909.)

The Company owns all or practically all of the preferred and common stocks of the following companies:

Springfield Consolidated Rwy. Co., Springfield Gas & Electric Co. (both Illinois corporations); Central Illinois Light Co., an Illinois corpora-

tion; Public Utilities Co., an Indiana corporation; Rockford and Interurban Railway Co., an Illinois corporation; Janesville Traction Co., a Wisconsin corporation, and De Kalb, Sycamore and Interurban Traction Co., an Illinois corporation.

PHOTOMETERS Among the standard bar photometers which we manufacture are the Sugg-Letheby, the American Meter Company Improved Type B and the Portable Type.

American Meter Company

561 W. 47th St., New York, N. Y.

The capitalization of the Union Railway, Gas & Electric Co., is as follows:

	Authorized	Outstanding
Common stock	\$6,000,000	\$6,000,000
Preferred stock	12,000,000	5,250,000
Nearly all the common and preferred stock is owned by the Commonwealth Power, Railway and Light Co.		
Col. Trust 5% gold bonds, due 1939		5,200,000
Three year 5% notes, due 1919.....		3,000,000
Springfield Ry. & Lt. Co. bonds	5,000,000	3,075,000

In addition to the above collateral trust bonds of the Company, there are outstanding in the hands of the public bond issues of constituent companies, of which descriptions will be found under the titles of the issuing company.

The preferred stock is preferred as to assets, and also as to dividends, at the rate of 6 per cent per annum, cumulative from July 1, 1909, and is redeemable, at the option of the Company, at 105 per cent and accrued dividends, upon sixty days' previous notice.

Dividends on the preferred stock are payable quarterly, on the first days of January, April, July and October, and have been paid regularly since the organization of the Company.

Dividends on the common stock were paid from April, 1913, at the rate of 4 per cent up to the time of acquisition by the Commonwealth Power, Railway and Light Co.

The transfer agents of the preferred and common stocks are E. W. Clark & Co. in Philadelphia, and Fidelity Columbia Trust Co. in Louisville.

The registrars of preferred and common stocks are Commercial Trust Co. in Philadelphia, and United States Trust Co. in Louisville.

The bonds are secured by indenture of collateral trust to Commercial Trust Company, of Philadelphia, Pa., trustee, under which is deposited the stocks of the companies named; are dated as of July 1, 1909, and are due July 1, 1939; bear interest at 5 per cent per annum, payable Jan. 1 and July 1, at the office of Hoenpfl, Hardy & Co., Inc., New York, and E. W. Clark & Co., Philadelphia. They are coupon bonds in denominations of \$1,000 and \$500; may be registered as to principal only at the office of Commercial Trust Company, Philadelphia; are redeemable at par and accrued interest on any interest payment date, upon 60 days' previous notice.

Additional bonds may be issued to retire bonds of constituent companies, and for not to exceed 75 per cent of the actual cash cost of additional property, etc., and then only when the net revenue for the twelve months preceding shall have been not less than one and one-half times the annual interest charge on all bonds outstanding, including those sought to be issued.

The notes are dated April 1, 1916; due April 1, 1919; interest payable April 1 and October 1, at office or agency of the company, New York City; coupon, \$1,000; with privilege of registration as to principal. Redeemable at 100½%

and interest on April 1 or October 1, 1918. Bankers' Trust Co., trustee.

The Springfield Railway & Light Co. bonds are secured by indenture of collateral trust to Fidelity and Columbia Trust Co. of Louisville, Ky., trustee, under which indenture is deposited all the outstanding securities, excepting directors' qualifying shares of the Constituent Companies above named, and excepting the \$750,000 of underlying bonds mentioned; are dated June 1, 1903; are due June 1, 1933; bear interest at 5 per cent, payable June 1 and December 1, at Fidelity and Columbia Trust Co., Louisville, Ky.; E. W. Clark & Co., Philadelphia, Pa., and Hoenpfl, Hardy & Co., Inc., New York City; are redeemable at 107½ on any interest payment date upon 60 days' previous notice.

Additional bonds may be issued to the amount of \$750,000 to retire a like amount of Springfield Consolidated Railway Co. bonds outstanding, and to the amount of \$75,000 for 85 per cent of the actual cash cost of additional property constructed or acquired.

OFFICERS.—President, Geo. E. Hardy; Vice-President, C. M. Clark; Vice-President, B. C. Cobb; Secretary and Treasurer, Jacob Hekma; Assistant Secretary and Assistant Treasurer, C. A. Pearson, Jr.

DIRECTORS.—C. M. Clark, E. W. Clark, Geo. E. Hardy, John W. Barr, Jr., James Richardson, B. C. Cobb, J. C. Weadock.

The annual meeting is held at the principal office of the Company, No. 243 Washington street, Jersey City, N. J., on the first Tuesday of February of each year at 11 o'clock a. m. Fiscal year ends December 31.

SPRINGFIELD GAS & ELECTRIC COMPANY.

(Organized under the laws of Illinois.)

This company was formerly the Springfield Gas Co. In April, 1913, the name was changed and the company then acquired the Springfield Light, Heat and Power Co.

The company does all the gas, electric, steam heat and hot water business for Springfield, Ill.

CENTRAL ILLINOIS LIGHT COMPANY.

(Incorporated under the laws of Illinois in April, 1913.)

This company was formed by the purchase and consolidation of the following companies: Peoria Gas & Electric Co., Farmington Light & Power Co., Electric Service System, Washington Light & Power Co., Elmwood Electric Light Co. and Citizens Gas & Electric Co.

The company does all the gas and electric business in Peoria and Pekin, Ill., and a number of surrounding towns. The property of the Pekin Light, Heat & Power Co. is leased and its entire stock is owned by this company.

BONDS.—Central Illinois Light Co. first and refunding mortgage 5 per cent gold; dated April 1, 1913; due April 1, 1943; authorized, \$15,000,000; outstanding, \$4,266,000; interest payable April 1 and October 1. Coupon bonds, denominations, \$1,000, \$500 and \$100, with privilege of registration as to principal. Subject to redemption at 105 and interest on any interest day at

Company's fiscal year ends December 31.

We erected the first five million foot or larger holder on the
Atlantic Coast, on the Pacific Coast and in the Gulf States.

R. D. WOOD & CO., PHILA., PA.

ADIRONDACK ELECTRIC POWER CORPORATION, ONEIDA, N. Y.
General Office, Glens Falls, N. Y.

The Adirondack Electric Power Corporation was organized under the laws of the State of New York December 27, 1911, and has taken over the properties, franchises and rights of the Hudson River Water Power Co. and its seven affiliated corporations.

The Company does an electric light and power business in various cities and towns in Northern New York State, including Amsterdam, Glens Falls, Watervliet, Saratoga Springs, Canastota, Oneida, Ballston Spa and Lake George; sells power in wholesale quantities in Albany, Troy, Utica, Mechanicsville, and does a gas business in Saratoga Springs and Oneida. The company owns and operates water powers on the Hudson and Schoharie rivers, and a steam plant at Utica. The electricity generated is largely produced by water power, which is supplemented by steam stations.

FRANCHISES.—In the opinion of counsel the franchises under which the Company operates contain no burdensome restrictions, and in a great majority of instances are perpetual. The Company operates under the supervision of the Public Service Commission, Second District, of the State of New York.

CAPITALIZATION.

Capital Stock.	Authorized.	Issued.
Preferred, 6% cumulative after December 27, 1916.	\$2,500,000	\$2,500,000
Common	9,500,000	9,500,000

BONDED DEBT.—First mortgage 5s, authorized, \$10,000,000; issued, \$5,000,000; dated January 1, 1912; due January 1, 1962. Optional at 107½ and interest on any interest payment date from January 1, 1917, to January 1, 1921, and at 105 and interest on July 1, 1921, or on any interest payment date thereafter. Interest payable January 1 and July 1. Coupon bonds in the denomination of \$1,000 with the privilege of registration as to principal. Bonds may be registered as to both principal and interest in the denomination of \$1,000, \$5,000 and \$10,000. Coupon and registered bonds interchangeable. The New England Trust Co., Boston, trustee.

The \$5,000,000 of first mortgage 5 per cent bonds held in escrow can only be issued for 80 per cent of the cost of additions and extensions to the property, and then only with the approval of the Public Service Commission, Second District, of the State of New York.

Proposed basis of purchase of the plants and properties of the following companies (Dec. 24, 1917): Schenectady Illuminating Co., Mohawk Gas Co., Schenectady Power Co., East Creek Electric Light and Power Co., Edison Electric Light and Power Co. of Amsterdam.

It is proposed that the deposit agreement and plan of January 27, 1917, be changed in the following particulars, otherwise its financial details to remain as originally put out.

The Adirondack Electric Power Corporation is to join the above-mentioned properties with its own for the following consideration, subject to the reservation herein stated:

\$6,500,000 5% bonds.
4,100,000 7% cumulative preferred stock.
4,750,000 common stock.

Of the above preferred stock, which will be of the same class as the present outstanding preferred stock of the Adirondack Company, \$2,300,000 par value is to be returned to the treasury of the company for future use and sale by it as the subsequent demands of its business may require. This has the practical effect of substituting \$1,800,000 par value of preferred stock for the larger amount tabulated above. This means by comparison with the original plan, as laid before you January 27 last, that the preferred dividend demands on the net earnings of the enlarged company will be less by \$144,000 (the difference between 6 per cent on the \$4,500,000 preferred of the original plan and 7 per cent on the \$1,800,000 preferred above), thus improving by that sum the margin available for dividends on both the preferred and common stock outstanding.

The holders of the present \$2,500,000 6 per cent preferred stock of the Adirondack Electric Power Corporation are to have a six months' option from the date of their issue, to exchange par for par for \$2,500,000 of the enlarged company's 5 per cent debenture bonds (new ten-year issue), payable on or before ten years from date of issue; the holders of such bonds are to have the further privilege of exchange, par for par, into 7 per cent stock of the same issue as the above, such privilege of exchange to begin two years and end three years from the date of issue of such bonds, or for an earlier period of not less than one year if that can be lawfully done; or the exchange into 7 per cent preferred stock may be made direct by the 6 per cent preferred stockholders.

As set forward in the earlier plan, the common stock will be changed from a par of \$100 to a par of \$50, and each stockholder will then retain his present number of shares of the changed par value, but in a company with largely increased assets and business.

Should the unification be completed and the new stock and bonds be authorized and issued as planned, the total issues in the hands of the public would be as follows:

	To go to the owners of the above group of properties.	Adirondack securities at present in the hands of the public.	Total on combined properties.
Bonds	\$6,500,000 5%	\$5,000,000 5%	*\$11,500,000
Preferred stock	1,800,000 7%	2,500,000 6%	4,300,000
Common stock (par val. \$50)	4,750,000	†4,750,000	9,500,000
Totals	\$13,050,000	\$12,250,000	\$25,300,000

* The aggregate of bonds is \$11,500,000, though the division between the two issues may vary slightly from the above.
† One-half, in par value, of the \$9,500,000 of common now held by Adirondack shareholders.

WILLIAMS' "VULCAN" CHAIN PIPE VISE

3 sizes. Capacities ½" to 8". Stocked by Dealers.

THE RIGHT TOOL FOR SERVICE CARTS

J. H. WILLIAMS & CO., 74 Richards Street, Brooklyn, N. Y.

OFFICERS.—President, James R. Hooper; Vice-President, Elmer J. West, Glens Falls; Assistant Treasurer, J. M. Levy, Glens Falls, N. Y.; General Manager, Walter S. Wyman.

DIRECTORS.—James R. Hooper, Charles E. Willock, Wilson A. Shaw, Elmer J. West, Cornelius D. Scully, Roger W. Babson, Walter S. Wyman, Francis E. Frothingham.

EXECUTIVE COMMITTEE.—Francis E. Frothingham, Chairman; Roger W. Babson, Secretary; W. S. Wyman (General Manager), Cornelius D. Scully.

Against the above capitalization, a comparison of the twelve months' operating figures of the Adirondack Electric Power Corporation, as reported, and of corresponding figures for the combined group, with certain adjustments to make the latter figures reasonably comparable, but not reflecting the economies of operation

which, in the judgment of the board, will result from combined effort, show:

	Year ended Oct 31, 1917. A. E. P. C. as reported.	Combined Group adjusted.
Gross	\$1,612,154	\$3,399,734
Oper. exp. and taxes	1,164,070	2,286,123
Net	\$448,084	\$1,113,611
Bonded interest....	250,000	575,000
	\$198,084	\$538,611
Preferred dividend..	150,000	†276,000
Balance	\$48,084	\$262,611

† Assuming that the present Adirondack 6% preferred stockholders exchange for Debenture Bonds and 7% preferred in amounts which will make an aggregate interest charge equal to the 6% on the present Adirondack preferred.

NORTHERN WESTCHESTER LIGHTING COMPANY, OSSINING, N. Y.

This Company was incorporated in May, 1903, under the laws of New York State, and is a consolidation of the Northern Westchester Light and Power Co., Ossining Heat, Light and Power Co., and Briarcliff Manor Light and Power Co.

It is made in the greatest city in the world, and used in almost every part of the world. THE GOODMAN STOPPER.

SAFETY GAS MAIN STOPPER COMPANY,

263 East 133rd Street, New York, N. Y.

State placed a value on the Company's property and assets as of December 31, 1910, of \$3,533,781, which has been increased to about \$5,681,678.65 December 31, 1917. The \$1,175,000 outstanding Central Hudson Gas and Electric Co. first and refunding 5 per cent bonds are secured by a mortgage on this entire property, being secured by a first mortgage on property having an estimated value of \$600,000, and by a lien, subject to \$700,000 bonds, on property having an estimated value of over \$4,500,000. There is, therefore, a total property value over and above all underlying liens of about \$3,800,000 to secure the \$1,175,000 bonds of this issue.

As the total interest charge on the \$1,875,000 mortgage debt now outstanding amounts to only \$93,750 per annum, the net earnings in 1917 available for interest and depreciation were about three and one-half times the required amount.

In addition to the usual amounts included in operating expenses for repairs and renewals, there has been charged out of earnings for depreciation during the past ten years a total of \$727,690.

The combined earnings of the constituent companies for past two years have been as follows:

YEAR ENDED DECEMBER 31.		
	1917	1916
Gross earnings	\$1,149,168	\$1,001,579
Operating expenses, including taxes and depreciation	\$44,517	681,282
Net earnings	\$304,651	\$320,297
Other income	28,910	13,896
Net income availbl for interest	\$333,561	\$334,193

OFFICERS.—President, T. R. Beal; Vice-President, J. L. Wilkie; Secretary, P. A. Burnes; Treasurer, Wm. Schickle; Manager, T. R. Beal.

DIRECTORS.—T. R. Beal, J. L. Wilkie, E. E. Perkins, G. A. Voorhees, R. A. Davidson, F. N. Bain, A. R. Beal, H. M. Beugler, Harris S. Reynolds and S. R. Bradley.

Annual meeting of stockholders held fourth Tuesday in January at Poughkeepsie, N. Y.

Company's fiscal year ends December 31.

ROCHESTER RAILWAY AND LIGHT COMPANY, ROCHESTER, N. Y.

Office, 34 Clinton Avenue, North.

SEND US A SAMPLE AND WE WILL QUOTE YOU A PRICE

HENRY BOWER CHEMICAL MFG. CO. Gray's Ferry Road PHILADELPHIA, PA.
and 29th Street

Interest payable January 1 and July 1 at office of the trustee, Equitable Trust Co., New York. Coupon bonds, \$100, \$500 and \$1,000 each; registerable as to principal. Authorized amount \$10,000,000; the remainder of the bonds being reserved for (a) acquiring preferred or common stock hereafter issued by the Syracuse Lighting Co.; the bonds to be issued at a rate not exceeding \$1,000 bonds for each 10 shares of preferred or common stock; provided, however, that if any stock issued at any rate in excess at par, an amount at par of bonds may be issued therefor equal to the issue price of such stock, and (b) for acquiring mortgage bonds, debentures, notes, or other indebtedness of the Syracuse Lighting Co. issued by it to provide for improvements, construction, etc., to its plant; or for the acquisition of property; or for mortgage bonds of other light, heat or power companies guaranteed by the Syracuse Lighting Co.; bonds of the Syracuse Light and Power Co. to be issued at not to exceed par for par of the securities so

acquired, unless any such securities shall be issued at a rate in excess of par, in which event an amount at par of bonds may be issued therefor equal to the issue price thereof. Secured by deposit of 9,754 of the 10,000 shares of preferred and 29,628 of the 30,000 shares of common stock of the Syracuse Lighting Co., \$1,000,000 debenture 6 per cent bonds due 1927, and \$2,004,000 6 per cent 10-year extension and improvement mortgage bonds of that company. The bonds were issued to acquire the securities of the Syracuse Lighting Co. A sinking fund of 1 per cent of bonds outstanding (including those held in the fund) began July 1, 1915, bonds to be drawn by lot and called as described above; all bonds to be kept alive and interest thereon added to the fund.

OFFICERS.—President, Randal Morgan; Secretary, I. W. Morris; Treasurer, James Ball.

DIRECTORS.—W. H. Marshall, Randal Morgan, C. A. Warden.

SYRACUSE LIGHTING COMPANY, SYRACUSE, N. Y.

Syracuse Lighting Company was incorporated May 28, 1901, in the State of New York, as a consolidation of the Electric Light and Power Company of Syracuse, and the Underground Electric Wire Company. On July 1, 1902, absorbed the Syracuse Gas Company.

FRANCHISE.—Perpetual.

CAPITAL STOCK.—Preferred, authorized and outstanding, \$1,000,000; common, authorized and outstanding, \$3,000,000. Shares, \$100. The preferred stock has priority over the common stock for non-cumulative dividends at the rate of 5 per cent per annum and is entitled to its pro rata share with common stock in any dividends in excess of 5 per cent per annum on both classes, and is preferred as to capital in the distribution of assets.

FUNDED DEBT.—\$2,500,000 (entire issue) Syracuse Gas Company 1st mortgage 50-year gold 5s due January 1, 1946, interest January 1 and July 1, at Guaranty Trust Co., New York, N. Y.

Guaranteed by the Syracuse Lighting Company.

\$2,500,000 (entire issue) 1st mortgage 50-year gold 5s due June 1, 1951, interest June 1 and

December 1 at office of Redmond & Co., New York, N. Y.; at the Company's agency in New York, N. Y., and in Philadelphia, Pa. Coupon bonds \$1,000, registerable as to principal. Secured upon all property and franchises of the Company now owned or hereafter acquired. Trustee, Equitable Trust Co., New York, N. Y. Listed on the New York Stock Exchange.

\$2,004,000 extension and improvement mortgage 10-year gold 6s; due March 1, 1919; interest, March and September 1st. Denomination \$1,000; redeemable on any interest day at 105 and interest. Authorized, \$2,500,000. Trustee, Bankers Trust Co., New York City, N. Y. \$1,000,000 (entire issue) 6 per cent 20-year gold debentures; due May 27, 1927; convertible on any interest day into common or preferred stock.

OFFICERS.—President, J. C. DeLong; Vice-Presidents, Walton Clark and Lewis Lillie; Secretary, G. W. Curran; Treasurer, A. D. Dudley.

DIRECTORS.—John J. Cummins, Stephen Peabody, Henry Seligman, S. T. Bodine, Walton Clark, G. W. Curran, James C. DeLong, Paul Thompson, Lewis Lillie.

Annual meeting first Tuesday in April.

UTICA GAS AND ELECTRIC CO., UTICA, NEW YORK.

The Utica Gas and Electric Co. does the entire gas business, and the entire electric light and manufacturing power business, in Utica, Little Falls, Herkimer, Mohawk, Ilion, Frankfort, and other municipalities located in the rapidly growing Mohawk Valley, the total population served being in excess of 150,000, and supplies the Rome Gas, Electric Light and Power Co. with all its electric current. The Company owns large and valuable water powers (developed and to be developed) capable of operation and development at low cost and within a short distance of the market to be supplied. Practically all the franchises of the Company are, in the opinion of counsel, unlimited in duration.

CAPITALIZATION.

Capital stock (authorized and issued), \$2,000,000. Dividends are being paid at the rate of 10 per cent per annum. Bonds: The Utica Gas and Electric Co. refunding and extension mortgage bonds, due July 1, 1957 (authorized, \$5,000,000), issued \$3,350,000. Underlying bonds of constituent companies (closed mortgages), \$2,237,000. Total bonds outstanding, \$5,574,000.

The \$1,650,000 refunding and extension mortgage bonds unissued are reserved either for retirement of certain underlying bonds, or for permanent extensions, etc., to the property up to 75 per cent of the cash cost thereof, but upon

CALORIMETERS

American Meter Company

561 W. 47th St., New York, N. Y.

The American-Junkers' Calorimeter has been greatly improved and accessories added until it has been made what we consider the most advanced type of instrument for this purpose now in use. This is confirmed by the numerous orders we are constantly receiving for it from all parts of the country and that it has been furnished to all the large syndicates, State Public Utilities Commissions and the City Gas Inspectors, the Public Utilities Commission at Washington, D. C., the U. S. Bureau of Standards, and the U. S. Department of War.

conditions that the Company shall, for the 12 months immediately preceding their issuance, have earned net at least 9 per cent (nearly twice fixed charges) on all bonds outstanding, together with those proposed to be issued; and, moreover, the issue of additional bonds must have the approval of the Public Service Commission of the State of New York.

EQUITY.

According to the Vice-President of the Company, over \$3,000,000 has been put into the property from surplus earnings for extensions and additions since 1902. The equity at present is largely in excess of all outstanding bonds, including the refunding and extension mortgage 5s.

WATER POWERS.

At Trenton Falls, on the West Canada Creek, the Company has one of the most economically installed and efficient hydro-electric developments in the United States. The capacity of this station is approximately 8,000 horsepower, but when addition now under construction is completed will be 22,000-horsepower maximum, the water at this station being under a static head of 266 feet, that at Niagara being but 149 feet.

At Dolgeville on the East Canada Creek, the Company has a stone and steel hydro-electric plant of approximately 2,400 horsepower capacity, which operates under a head of 75 feet, and in both of the above developments no expense has been spared in endeavoring to construct and equip the most substantial and efficient type of hydro-electric generating stations. At Little Falls the Company has recently acquired an

additional power site on the Mohawk River and has built a power station of a capacity of 2,000 horsepower. This new plant was put in service about June 1, 1911. Also in the City of Little Falls, the Company controls a small 400 horsepower hydro-electric development. It also has at Prospect, on the West Canada Creek, an undeveloped water power site of approximately 10,000 horsepower, and on Fish Creek, about eight miles from Rome, it owns land covering two sites which can be developed so as to produce about 8,000 horsepower.

In addition to the 11,800 hydro-electric horsepower developed, the Company has two steam stations in Utica with a combined capacity of 12,500 horsepower. High tension transmission lines aggregating 76 miles (nearly all of which are on private right of way) connect all of the hydro-electric and steam developments with one another, and with the several cities and towns.

The gas plant in Utica is, in all respects, thoroughly modern and efficient, having been practically rebuilt during the past few years. Its generating capacity is over 4,000,000 cu. ft. of gas per day.

OFFICERS.—President, James C. Brady; Vice-President, W. E. Lewis; Secretary, M. J. Brayton; Treasurer, G. H. Stack; Auditor, W. J. McSorley; General Manager of Gas Department, W. J. Cahill; General Manager of Electrical Department, W. J. D. Porter.

DIRECTORS.—J. C. Brady, N. F. Brady, W. I. Taber, C. S. Symonds, W. T. Baker, W. E. Lewis, M. J. Brayton, C. B. Rogers, S. A. Beardsley.

Annual meeting, first Monday in April.

NORTHERN NEW YORK UTILITIES, INC., WATERTOWN, N. Y.

Northern New York Utilities, Inc., was incorporated May 12, 1913, under the laws of the state of New York, for the purpose of manufacturing and supplying gas and electricity for light, heat and power purposes in the counties of Jefferson, Lewis, Oneida, Oswego and St. Lawrence, New York, and is now serving without competition Watertown, Carthage, West Carthage, Natural Bridge, Sackett's Harbor, Dexter, Brownville, Clayton, Chaumont, Cape Vincent, Evans Mills, Great Bend, Felts Mills Glen Park and Alexandria Bay, New York, and

sells power at wholesale to the local distributing companies in Adams, Adams Center, Edwards and South Edwards.

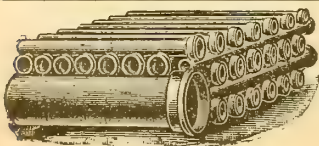

The Watertown Light and Power Company, which did the entire electric light, power and gas business in Watertown, was merged into the Northern New York Utilities, Inc., in 1914. The Carthage Electric Light and Power Co., Chaumont Electric Light Co., Thousand Islands Electric Light and Power Co. have also been merged.

Franchises perpetual.

	CAPITAL.	Authorized	Outstanding
Preferred stock 7% cumulative.....		\$2,000,000	\$669,000
Common stock		2,000,000	729,700
Par, \$100.			

Preferred stock has preference for assets and is subject to call at 110. Transfer agent, F. H. Bassett, Watertown, N. Y. Registrar, Columbia Trust Co., New York. Preferred dividends at rate of 7 per cent per annum are paid semi-annually February and August, and dividends of 8 per cent on common are paid quarterly January, April, July and October.

The common has been authorized by the Public Service Commission to issue a total of \$840,300 par value of its 7 per cent cumulative preferred stock, and this stock is being sold by the Company to its customers at par and accrued dividends to date of sale. The local banks are accepting such stock as collateral for its face value.

Northern New York Utilities, Inc. 2½-year 6% collateral trust notes, due May 1, 1920.....	381,600	376,600

(These notes are secured by \$477,000 first and refunding 5% bonds, 1963, of Northern New York Utilities, Inc.)

\$1,654,500 (closed mortgage) Watertown Light and Power Co. first gold 5s; dated January 1, 1909; due January 1, 1959; interest, January 1 and July 1, at Empire Trust Co., New York, trustee. Coupon, \$500 and \$1,000; principal may be registered. Subject to call on and after January 1, 1920, at 105 and interest. Sinking fund, beginning January 1, 1919, to January 1, 1925, ½ per cent of outstanding bonds; thereafter 1 per cent. Secured by first mortgage on entire property of the Company. Authorized issue, \$2,000,000; balance limited to 75 per cent of cost of permanent extensions and improvements, and then only when net earnings for preceding year amount to at least 150 per cent of all interest on bonds outstanding and to be issued, except with the consent of 75 per cent of all bondholders. First publicly offered (\$1,157,500) in July, 1909, at 99 and interest. Interest paid without deduction for normal income tax.

FUNDED DEBT.—Bonds: 1st mortgage and refund, 5 per cent; authorized, \$10,000,000; outstanding, \$1,037,500; dated July 1, 1913; due July 1, 1963. Interest payable January 1 and July 1 at First National Bank, New York City, or The Northern N. Y. Trust Co., Watertown, N. Y. Coupon, \$500 and \$1,000; principal may be registered. Optional at 105 and accrued interest on any interest payment date. Columbia Trust Co., New York, trustee of bonds.

Collateral trust notes may be exchanged for bonds as follows:

During first year for bonds at 90 per cent.
During second year for bonds at 91 per cent.
During third year for bonds at 92 per cent.

Of the remaining bonds, \$1,654,500 are reserved to retire an equal amount of Watertown Light & Power Company, first mortgage bonds; the remainder may only be issued for not exceeding in par value 80 per cent of the cash cost of betterments, extensions and additions to the property, provided the net earnings for the preceding twelve months have been at least one and three-quarters times the annual interest on all bonds outstanding, including those to be issued.

SINKING FUND AND MAINTENANCE PROVISIONS.—The deed of trust provides a sinking fund equal to ½ per cent annually to the total outstanding bonds of this issue from July 1, 1916, to July 1, 1938, inclusive, and 1 per cent annually thereafter to maturity, said fund to be applied to the purchase or redemption of bonds of this issue at not exceeding 105 and interest.

The deed of trust also provides that at least 7 per cent of gross earnings annually shall be expended on the maintenance of the property or shall be used in the purchase of new property which shall not be made the basis for the certification of additional bonds of this issue.

Secured by first lien on 8,200 developed hydro-electric horsepower, on approximately 118 miles of transmission lines, on distributing systems and on undeveloped water power sites, owned by the Company in fee, which will be developed to cover future needs and growth of the Company. These bonds are also a direct lien on the property formerly owned by the Watertown Light and Power Co., subject only to the latter Company's mortgage, which is now closed. First publicly offered (\$678,000) in March, 1915, at 94 and interest. Interest paid without deduction for normal income tax.

OFFICERS.—President, H. L. Doherty; Vice-Presidents, F. W. Frueauff, R. G. Griswold; Secretary and Treasurer, L. G. Coleman.

DIRECTORS.—H. L. Doherty, F. W. Frueauff, R. G. Griswold, J. C. McDowell, L. G. Coleman, M. R. Bump, H. H. Scott.

Annual meeting of stockholders held second Tuesday in September at Dover, Delaware.

ASHEVILLE POWER AND LIGHT CO., ASHEVILLE, N. C.

This Company was incorporated March 25, 1912, under the laws of North Carolina and is successor to Asheville Electric Co.

FRANCHISES.—Without time limit, except one covering short length track in a suburb, which expires in 1952.

Asheville Power and Light Company does the commercial and municipal electric lighting business and the gas and street railway business in Asheville, North Carolina, and suburbs, serving a total population of approximately 29,000.

Although the Asheville Power and Light Co.

owns and maintains its own electric generating plants, it purchases power under a favorable contract from the North Carolina Electrical Power Co. The contract extends to April 1, 1918, and may be renewed for a further period of ten years at the option of the Asheville Power and Light Co.

The total number of customers served by the Asheville Power and Light Co. and the output and physical equipment of its properties as of December 31, 1917, as compared with the two previous years, follow:

CAROLINA POWER AND LIGHT CO., DURHAM AND RALEIGH, N. C.

The Carolina Power & Light Company was incorporated under the laws of North Carolina, February 19, 1908, under the name of The Central Carolina Power Company. The present title of the Company was adopted as of July 13, 1908, and the change approved by the Secretary of State of North Carolina. In addition to the properties owned and directly operated, the Company owns the entire common stock, except directors' shares, of the Yadkin River Power Company and the Asheville Power and Light Company. The Yadkin River Power Co. owns all the preferred and common stock of the Carolina Gas & Electric Company.

This Company does the entire street railway, gas and electric light and power business in Raleigh, the capital of the state, the gas business in Durham, the electric light and power business

in Henderson, Oxford, Sanford, Goldsboro and Jonesboro, and the electric light and power business for manufacturing purposes in Fayetteville, Smithfield, Selma, Franklinton, Pine Level, Cumberland, Roxboro and Wake Forest. The Company also supplies under contract the entire requirements of the municipal electric light and power systems in Fayetteville, Smithfield, Selma, Wake Forest, Clayton and Cary, and of the privately owned electric light and power systems in Franklinton, Pine Level and Roxboro. The total population served is estimated at 100,000.

The total number of customers served by the Carolina Power and Light Company and the output and physical equipment of the properties operated, as of December 31, 1917, as compared with the two previous years, follow:

	1917	1916	1915
Electric customers	7,211	6,473	6,043
Gas customers	3,797	3,621	3,542
Total customers	11,008	10,094	9,585
Street railway passengers carried for twelve months	2,411,319	2,212,162	2,207,084
Kilowatt generating capacity	7,650	7,650	7,650
Kilowatt-hour feeder output for twelve months	45,452,351	39,812,023	32,718,826
Miles of electric distributing lines in service....	181	169	158
Miles of high voltage transmission lines in operation	216	215	215
Gas holder capacity (cubic feet)	400,000	400,000	400,000
Gas output (cubic feet) for twelve months....	104,991,300	94,941,500	91,112,400
Miles of street railway track in operation	13.6	13.6	13.6
Miles of gas mains	62	61	57

Of the company's total developed electric power capacity of 7,650 kw., 2,500 kw. is generated by hydro-electric power plants. Carolina Power & Light Co. also purchases power from its subsidiary, the Yadkin River Power Co.

"U" Tube Gauges of all sizes and ranges of pressure for every gas works service. Write for Bulletin.

ALLIANCE GAS AND POWER CO., ALLIANCE, OHIO.

(Incorporated July 27, 1907, under the laws of the State of Ohio.)

This Company owns the entire gas and electric light properties in the thriving City of Alliance, Ohio, located 57 miles from Cleveland and 83 miles from Pittsburg, on the Pennsylvania railroad.

Franchises are perpetual, for both gas and electricity.

Alliance is a division point on the Pennsylvania R. R. and the shops of the Company are located there as well as many other large manufacturing concerns.

	Authorized	Outstanding
Capital stock	\$550,000	\$550,000
Bonds	500,000	432,500

Bonds are first and refunding 5 per cent bonds, due June, 1932; interest payable June 1 and December 1, in New York. Denomination, \$500. Coupon bond may be registered as to principal; may be redeemed on any interest date at 107½ per cent and accrued interest. Sinking fund 2½ per cent of outstanding bonds commencing with June 1, 1913. In lieu of cash payment, bonds secured hereby. Additional bonds may be drawn for 75 per cent of improvements. Tax exempt. The Guardian Savings & Trust Company, Cleveland, O., Trustee. \$135,000 of this issue set aside to

retire the Alliance Gas & Electric Co.'s issue, dated December 1, 1899.

Underlying bonds: Alliance Gas & Electric Co.; first mortgage 5 per cent gold bonds, authorized, \$135,000; outstanding, \$57,500, of which \$52,500 are in sinking fund; dated December 1, 1899; due December 1, 1929, at office of trustee. Interest, 5 per cent, payable June 1 and December 1, at office of trustee, or National Bank of the Republic, New York. Denomination, \$500. May be redeemed on any interest date at 105 and accrued interest. Sinking fund to commence September 1, 1909, by the payment of \$6,000 a year. Bonds to be kept alive in the sinking fund. Additional bonds may be drawn for 75 per cent of improvements. Tax exempt. Savings and Trust Company, Cleveland, O., Trustee.

OFFICERS.—President, H. L. Doherty; First Vice-President, F. W. Frueauff; Second Vice-President, G. W. York; Secretary, Wm. P. Morton; General Manager and Treasurer, H. G. Bonner.

DIRECTORS.—Edward Bower, M. C. Harvey, H. G. Bonner, W. B. Drum, F. W. Frueauff, G. W. York, H. L. Doherty.

Annual meeting, second Tuesday in June.

OHIO AND WESTERN UTILITIES CO., CHILLICOTHE, OHIO.

Principal address: 115 Broadway, New York City.

The Company was incorporated in November, 1914, under the laws of Delaware and controls and operates, through local companies, public utility properties located in Chillicothe, O., and Nevada, Mo., and Fort Scott, Kan., serving a population estimated at over 34,000.

FRANCHISES.

The electric light and power franchise of the Chillicothe Company is without limitation of time.

The Deerfield gas franchise runs until October, 1932.

The Bronson gas franchise runs until May, 1931.

The Moran gas franchise runs until May, 1930.

The Nevada water franchise runs until January, 1933.

The Nevada natural gas franchise runs until September, 1930.

CAPITALIZATION.

Preferred stock, authorized \$2,500,000, outstanding \$168,400; common stock, authorized, \$5,000,000, outstanding \$1,000,000.

Dividends paid, preferred stock, 7%.

Transfer agent, Logan Trust Co., Philadelphia, Pa.

FUNDED DEBT.—Bonds: First lien collateral trust authorized \$5,000,000, issued \$609,000 (6 per cent), \$64,000 (5 per cent), dated November 16, 1914; due August 1, 1929. Interest payable May 1 and November 1 in New York City or Chicago. Denominations, \$100, \$500 and \$1,000. Coupon principal may be registered. Callable on any interest date at (5 per cent bonds) 103 and (6 per cent bonds) 105. Logan Trust Company of Philadelphia, trustee.

SECURITY.—The bonds of the Ohio and Western Utilities Company are to be secured by deposit of—

(1) All outstanding bonds and substantially all (over 96 per cent) of all the stock of the Fort Scott and Nevada Light, Heat, Water and Power Company; and,

(2) All the bonds and stock of the Chillicothe Electric Railway, Light and Power Company.

It is the intention of the management of the Ohio and Western Utilities Company, from time to time to acquire properties additional to the above and to issue additional bonds based thereon under conservative mortgage restrictions.

Superior Drop-Forgings
of "Grand Prize" Calibre

After the issue of the original \$625,000 bonds, 5 and 6 per cent, an additional issue of not more than \$150,000 5 and 6 per cent bonds is to be brought out to pay for permanent improvements and extensions to present properties of the Fort Scott and Nevada and Chillicothe companies, but only when the net earnings of this company from the present properties show, according to conservative accounting practice, an amount equal to one and three quarters times that necessary to meet interest charges on the bonds already outstanding and those to be issued, and only to the extent of actual cost of such improvements.

Additional bonds above the \$150,000 mentioned may be brought out at the rate of not over 80 per cent of additional moneys actually expended for improvements or acquisition of new properties when the net earnings of the original properties combined with those to be acquired, according to conservative accounting practice, have been, for a period of not less than twelve months out of fourteen months immediately preceding the date of issue, not less than twice the amount necessary to pay interest on all bonds outstanding hereunder and those to be issued. Under somewhat similar limitations new bonds can be issued upon acquiring and bringing under this mortgage controlling interests in the stock and bonds of other public utility corporations, but only where at least 95 per cent of the bonds and two-thirds of the stock of such new corporation are acquired.

SINKING FUND.—The mortgage requires that the Company pay to the trustee for the creation of a sinking fund one per cent (1%) of the maximum amount of all bonds outstanding on August 1, 1918, August 1, 1919, and August 1, 1920. On August 1, 1921, and on each subsequent August 1 up to and including August 1, 1925, the Company shall pay to the trustees for a sinking fund one and one-half per cent (1½%) of the amount of all bonds outstanding. On August 1, 1926, and each succeeding August 1 until the maturity of the bonds the Company shall pay to the trustee for a sinking fund two per cent (2%) of the amount of all bonds outstanding. The bonds are subject to call, the 6 per cent bonds by lot at 110 and interest, and the 5 per cent bonds at 103 and interest, and the sinking fund may be invested in bonds at not more than these rates.

OFFICERS.—President, L. M. Symmes; Vice-President, Harry B. Ivers; Treasurer, E. H. Van Wyck; Secretary, A. F. Beringer; Assistant Treasurer, L. M. Symmes; Assistant Secretary, E. H. Van Wyck.

DIRECTORS.—A. W. Brooks, Harry B. Ivers, Boston; L. M. Symmes, E. H. Van Wyck, W. E. McClintock, A. A. Bridgman, A. F. Beringer, New York City.

Annual meeting, first Tuesday after the third Monday in January.

COLUMBIA GAS AND ELECTRIC CO. OF W. VA., CINCINNATI, OHIO.

Principal office, Charleston, W. Va.

Incorporated September 11, 1906, in West Virginia, with wide powers, its charter enabling it to buy and sell securities, lands, merchandise, electricity, gas, coal, oil and minerals; manufacture any article; conduct transportation by water and land; build and operate railroads, pipe lines, etc.; and exercise the right of eminent domain.

The Company leases the Cincinnati Gas Transportation Co. It acquired and now holds oil,

gas and mineral rights by leases, contracts, agreements, royalties and the ownership in fee, in over 269,826 acres of natural gas lands in the southwestern part of West Virginia and eastern part of Kentucky, said gas lands being connected by pipe lines with distributing centers in northern Kentucky and with Cincinnati. The Company also acquired and now owns amounts of capital stock of other companies as shown in the following statement:

	Amount Authorized	Amount Outstanding	Owned by Col. G. & E. Co.	Amount Per cent
Union Gas and Electric Co. Common.....	\$10,000,000	\$10,000,000	\$9,995,000	99.95
Union Gas and Electric Co. Preferred.....	10,000,000	5,000,000	5,000,000	100.
United Fuel Gas Co.....	10,000,000	10,000,000	5,100,000	51.00
	\$30,000,000	\$25,000,000	\$20,095,000	

SYSTEM.—The properties owned, controlled, leased and operated by the Columbia Gas and Electric Co. consist of the following:

(1) 271,970 acres of natural gas lands in West Virginia and Kentucky.

(2) A pipe line system (the pipe lines of the Cincinnati Gas Transportation Co. are leased by the Columbia Co.) connecting the natural gas fields with distributing points in northern Kentucky and with Cincinnati.

(3) The entire gas and electric business of Cincinnati and 18 adjacent communities in Hamilton County, the Columbia Co. controlling the Union Gas and Electric Co., which in turn leases the Cincinnati Gas and Electric Co.

(4) A 66 mile street railway system (operated through lease with the Cincinnati, Newport, Covington Light and Traction Co.) connecting Cincinnati with Newport, Covington, Dayton, Bellevue and other communities in northern Kentucky, and the gas, electric and water business in some of these Kentucky communities.

(5) A 51 per cent stock interest in United Fuel Gas Co., the stock capital of which latter company is as shown above.

The Columbia Gas and Electric Co. in addition to the gas taken from its own properties, also purchases natural gas under favorable contracts from the Standard Fuel Co. and the United

RELIABLE STOVE COMPANY, Div. Am. Stove Co., CLEVELAND, O.

Fuel Gas Co. It sells its natural gas to the Union Light, Heat and Power Co., of Kentucky, which it operates under lease, and to the Union Gas and Electric Co. of Cincinnati, which it controls. The pipe line was completed and natural gas turned into Cincinnati on July 1, 1909. The pipe line is capable of transporting about eighty million cubic feet of gas daily.

CAPITAL STOCK.—Authorized and outstanding, \$50,000,000; shares, \$100. Transfer agents, Bankers Trust Company, New York; Provident Savings Bank and Trust Co., Cincinnati. Registrar, Union Savings Bank and Trust Co., Cincinnati. Listed on New York, Cincinnati, Columbus, Pittsburgh, Louisville Stock Exchanges. Dividend of 1% paid May 15, 1917. Quarterly dividends now being paid.

FUNDED DEBT.—Consists of \$13,225,500 first 5 per cent 20-year gold bonds; dated January 1, 1907; due January 1, 1927; interest, January 1 and June 1 at Columbia Trust Co., New York, trustee. Coupon, \$500 and \$1,000; principal may be registered. A sinking fund began January 1, 1910, of 4 per cent annually of bonds outstanding, which had been issued for certain purposes, continuing at 4 per cent to 1912; from 1913 to 1916, 5 per cent per annum; 1917 to 1920, 6 per cent per annum; 1921 to 1924, 7 per cent per annum, and 1925 and 1926, 8 per cent each. Bonds are secured on all present and future assets. Amount authorized, \$25,000,000, of which \$20,747,000 certified to Dec. 31, 1917, leaving \$4,253,000 available for betterments, etc. Of the bonds issued \$6,908,000 have been retired through sinking fund, leaving the amount outstanding as above. Listed on Cincinnati Stock Exchange.

OFFICERS.—Chairman of Board, P. G. Gossler; President, A. B. Leach, New York; Vice-Presidents, W. Y. Cartwright and W. W. Freeman, Cincinnati; Secretary and Treasurer, T. F. Wickham, Cincinnati.

DIRECTORS.—A. B. Leach, P. G. Gossler, H. Seligman, F. Strauss, John W. Herbert, W. P. Phillips, Beverley Bogert, New York; J. M. Hutton, Charles P. Taft, W. Y. Cartwright, W. W. Freeman, T. F. Wickham, Cincinnati, Ohio; George W. Crawford, Pittsburgh, Pa.

Annual meeting of stockholders held last Saturday in March.

THE CINCINNATI GAS AND ELECTRIC CO.

(Properties operated under lease by the Union Gas and Electric Co., which is in turn controlled through stock ownership by the Columbia Gas and Electric Co. of W. Va.)

Incorporated in 1837 in Ohio as The Cincinnati Gas Light and Coke Co. Name changed to above in 1901, when through absorption of the Edison Electric Co., Brush Electric Light Co. and Jones Brothers Electric Co., the Company acquired the electric business of Cincinnati. Company now has a monopoly of the gas and electric business of Cincinnati, it owning the only gas and electric property in that city and enjoying a continuing franchise, and also serves 18 adjacent suburban towns in Hamilton County, Ohio, including Ivorydale, Hartwell, Lockland, Pleasant Ridge, Arlington Heights, Deer Park,

Mount Airy, St. Bernard, Carthage, Wyoming, Glendale, Norwood, Elmwood, Williamsdale, Woodlawn, Kennedy Heights, Reading, Cheviot, Oakley, Silverton, Madisonville, College Hill. Company's dividend record is excellent, it having paid dividends of not less than 4 per cent continuously for about 70 years.

The Company's system now embraces over 750 miles of mains, 287 miles of underground conduits, over 2,500 miles of electric wires, over 122,623 gas meters and more than 31,941 electric meters.

On September 1, 1906, property was leased for 99 years to Union Gas and Electric Co., lessee agreeing to pay all taxes, interest, etc., \$20,000 annually for organization expenses and, in addition, dividends on the stock of the Cincinnati Gas and Electric Co. as follows: From September 1, 1906, to September 30, 1908, $4\frac{1}{2}$ per cent per annum; from October 1, 1908, to September 30, 1910, $4\frac{3}{4}$ per cent annually, and thereafter 5 per cent per annum; such dividends to be paid quarterly. To guarantee the payment of the dividends, the Union Gas and Electric Co. has deposited a fund equivalent to \$3,000,000 with certain trust companies, and agreed to and did expend \$2,000,000 additional in extensions, betterments, etc., during the first years of the lease. The Union Gas and Electric Co. has privilege of purchasing the stock of Cincinnati Gas and Electric Co. at \$115 per share at expiration of lease or at par within five years from April 1, 1916.

As of April 1, 1916, a modified lease was made with the Cincinnati Gas and Electric Company and arrangements completed for the financing of a new electrical generating station and for all necessary extensions and additions to the property of the Company for many years to come. In accordance with such arrangements the Cincinnati Gas and Electric Company has created an authorized issue of \$15,000,000 of first and refunding 5 per cent gold bonds; \$8,936,000 such bonds have been issued and sold to provide funds for the construction of the new power house, and for betterments, and to retire underlying bonds.

Company owns the entire \$3,000,000 preferred stock of the Cincinnati Gas Transportation Co. on which the Columbia Gas and Electric Co. has an option to 1933 for \$1,000,000 cash. This stock is entitled to 5 per cent dividends after Cincinnati Gas and Transportation Co.'s funded debt has been redeemed. The Cincinnati Gas and Electric Co. guarantees \$3,000,000 of this funded debt.

CAPITAL STOCK.—Authorized, \$36,000,000; outstanding, \$35,056,300. Shares, \$100. Transfer agent, The Provident Savings Bank and Trust Co., Cincinnati. Registrar, The Central Trust and Safe Deposit Co., Cincinnati. Stock listed on the Cincinnati Stock Exchange.

DIVIDENDS.—The following are the more recent dividends paid on the capital stock: 4 per cent per annum from July 1, 1901, to April 1, 1904, inclusive; $4\frac{1}{2}$ per cent from July 1, 1904, to April, 1908, inclusive; $4\frac{3}{4}$ per cent per annum for the next two years, and 5 per cent per annum, from October 1, 1910.

SAFETY GAS MAIN STOPPER COMPANY,

263 East 133rd Street, New York, N. Y.

BONDS.—Authorized, \$15,000,000; issued, \$8,936,000; first and refunding mortgage 5 per cent sinking fund gold bonds, due April 1, 1956; coupon, \$1,000, registerable as to principal. Subject to call at 102 and interest. Interest payable April 1 and October 1, in New York and Cincinnati. Columbia Trust Co., New York, trustee.

NOTES.—\$2,225,000 two-year 6 per cent secured gold notes, dated March 15, 1918; due March 15, 1920; interest payable March 15 and September 15. Callable at 100½ and accrued interest, upon 60 days' notice. Secured by deposit of \$3,000,000 of this company's first mortgage 5 per cent gold bonds.

OFFICERS.—President, Charles D. Jones; Vice-President, Rufus B. Smith; Second Vice-President, Samuel Assur; Secretary and Treasurer, E. H. Ernst; Assistant Secretary and Assistant Treasurer, Theodore Claus.

DIRECTORS.—Rufus B. Smith, C. D. Jones, S. Assur, A. M. Cohen, M. E. Moch, Chas. F. Windisch, C. L. Harrison, Edward H. Ernst, Wm. H. Stewart, H. W. Lothmann.

ANNUAL MEETING.—First Monday in May.

GENERAL OFFICE.—Cincinnati, Ohio.

UNION GAS AND ELECTRIC CO.

(Controlled through stock ownership by Columbia Gas and Electric Co. of W. Va.)

Incorporated May 26, 1906, in Ohio, to furnish gas and electricity and operate suburban railways. Company on September 1, 1906, leased the Cincinnati Gas and Electric Co. for 99 years, with option to purchase its stock at \$115 per share at expiration of lease. (For terms of lease see Cincinnati Gas and Electric Co. above.) Company through its lease controls the entire gas and electric business of Cincinnati and 18 suburban communities. It purchases the greater part of its natural gas from the Columbia Gas and Electric Co.

CAPITAL STOCK.—Authorized, \$10,000,000 common and \$10,000,000 6 per cent cumulative preferred—total, \$20,000,000. Outstanding, \$10,000,000 common and \$5,000,000 preferred—total, \$15,000,000. Shares, \$100. The Columbia Gas and Electric Co. owns 100% of the preferred stock and 99.95 of the common stock.

DIVIDENDS.—Regular dividends on preferred stock were suspended April 1, 1908. In June, 1909, a scrip dividend was paid, covering the fifteen months unpaid dividends on preferred stock from April 1, 1908, to July 1, 1909, inclusive, amounting to \$375,000. Payments of preferred dividends were resumed July 1, 1910, when a cash dividend of 6 per cent was paid. No preferred dividend paid since July 1, 1912.

DIVIDEND SCRIP.—The \$375,000 scrip issued for accrued dividend on preferred stock (see above) is dated July 1, 1909, and matured on July 1, 1914. Interest, amounting to 6 per cent per annum, is being paid regularly. This scrip is now all owned by Columbia Gas & Electric Co.

OFFICERS.—President, W. W. Freeman; Vice-President, W. Y. Cartwright; Second Vice-President and Treasurer, T. F. Wickham, Cincinnati, Ohio.

DIRECTORS.—A. B. Leach, P. G. Gossler New York; W. Y. Cartwright, Lawrence

Maxwell, J. M. Hutton, August Herrmann, Louis J. Hauck, S. Assur, W. W. Freeman, Charles Boldt, Chas. P. Taft, T. F. Wickham, Cincinnati, Ohio; G. W. Crawford, Pittsburgh, Pa.; Polk Laffoon, Covington, Ky.

ANNUAL MEETING.—First (or any subsequent) Monday of March.

GENERAL OFFICE.—Cincinnati, Ohio.

CINCINNATI GAS TRANSPORTATION CO.

(Controlled by Cincinnati Gas and Electric Co., and leased to Columbia Gas and Electric Co. of West Virginia.)

Incorporated June 11, 1908, in West Virginia. Owns a system of pipe lines consisting of about 190 miles of eighteen and twenty-inch main lines and eight and twelve-inch field lines. The Company's pipe lines run from the Columbia Gas and Electric Co.'s natural gas fields in Southwestern West Virginia across the northern part of Kentucky and connect with the distributing mains of the Union Light, Heat and Power Co., operating in Covington and Newport, Ky., etc., and the Union Gas and Electric Co., operating in Cincinnati and suburbs. Also owns a large pumping and compressing station at Kenova, W. Va., with measuring, pressure and reducing stations. This property is constructed on private right-of-way along which the Company operates its own telephone (double) line.

The property of the Transportation Co. is leased to the Columbia Gas and Electric Co. of West Virginia for thirty years from July 1, 1908, with renewal privilege for another thirty years, reserving to the Columbia Co. all the benefits therefrom beyond the payment of rental in the shape of taxes, interest and sinking fund on the (now reduced to \$3,311,000) 5 per cent first mortgage bonds of the Cincinnati Gas Transportation Co., and a graduated dividend on the \$2,000,000 common stock, amounting to 3 per cent for 1909, 5 per cent for 1910, 7 per cent for 1911, and 10 per cent per annum thereafter, until the termination of the lease. The terms of the lease also provide for a dividend of 5 per cent per annum on the \$3,000,000 preferred stock, but this dividend does not apply until after all the first mortgage bonds have been fully liquidated and retired, and then continues only until the end of the lease period, June 30, 1938. Up to 1933, the Columbia Gas and Electric Co. has an option on the \$3,000,000 preferred stock (now owned by the Cincinnati Gas and Electric Co.) for \$1,000,000 in cash.

CAPITAL STOCK.—Authorized and outstanding, \$2,000,000 common and \$3,000,000 5 per cent preferred—total \$5,000,000. Shares, \$100. All of the \$3,000,000 preferred stock is owned by the Cincinnati Gas and Electric Co. (see preceding paragraph). Both classes of stock have equal voting power. Common stock is listed on Cincinnati Stock Exchange.

FUNDED DEBT.—Outstanding consists of \$3,311,000 (closed mortgage) first mortgage 5 per cent gold \$1,000 bonds, dated July 1, 1908; due July 1, 1933; interest payable January 1 and July 1, at office of the trustee, The Provident Savings Bank and Trust Co., Cincinnati, Ohio. Bonds are redeemable after July 1, 1913, at 110 and

Precision CO₂ Recorders automatically record the percentage of carbon-dioxide in flue gases, and are a real practical means of reducing coal bills and keeping them at a minimum. Write for Bulletin.

PRECISION INSTRUMENT COMPANY : : : : DETROIT, MICHIGAN

interest. Bonds are guaranteed as to principal and interest by the Columbia Gas and Electric Co.: \$3,000,000 of the bonds have the guarantee of the Cincinnati Gas and Electric Co. as well. They are secured by a first mortgage on all the property of the Cincinnati Gas Transportation Co. now owned or hereafter acquired. A sinking fund is in operation since August 1, 1911, in the shape of monthly installments of \$20,833.33, paid by the Columbia Co., as part of the rental, to the trustee, which funds are used monthly by the trustee in the purchase and retirement of outstanding bonds. To December 31, 1915, there have been retired in this manner a total of \$1,609,000 of these bonds, leaving the issue at

this date \$3,311,000 as shown above. Listed on Cincinnati Stock Exchange.

DIVIDENDS.—Dividends have been paid on common stock as follows: 3 per cent in 1909; 5 per cent in 1910; 7 per cent in 1911. Dividends in 1912 and subsequent years of lease period, 10 per cent per annum.

OFFICERS.—President, H. W. Lothmann; W. W. Freeman, F. B. Enslow; Treasurer, M. E. Moch; Secretary, Theo. Clauss, Cincinnati, Ohio.

DIRECTORS.—H. W. Lothmann, M. E. Moch, Chas. P. Taft, C. F. Windisch, Cincinnati, Ohio; W. W. Freeman, Huntington, W. Va.

ANNUAL MEETING.—First Tuesday in June.

CONTINENTAL GAS AND ELECTRIC CORPORATION, CLEVELAND, OHIO.

General Office, Cuyahoga Building.

The Continental Gas and Electric Corporation was incorporated in November, 1912, in Delaware to buy and sell, own and operate public utilities, etc., and acquired (in 1912) Shenandoah Art. Ice, Power, Heat & Light Company and Peoples Gas Company, Shenandoah, Iowa; Red Oak Electric Company and Red Oak Gas-light Company, Red Oak, Iowa; Nebraska Lighting Company, Plattsmouth, Neb.; York Gas & Electric Company, York, Neb.; (in 1913) Cass County Light & Power Company, Griswold, Iowa; Malvern Light & Power Company, Malvern, Iowa; McCool Light Company, McCool Junction, Neb.; Gage County Gas Light & Power Company, Beatrice, Neb.; (in 1914) Nebraska Gas & Electric Company and Iowa Gas & Electric Company, Omaha, Neb., through purchase and reorganization of the Iowa-Nebraska Public Service Company; Oakland Electric Company, Oakland, Iowa; Avoca Electric Light & Power Company, Avoca, Iowa; (in 1915) Aurora Electric Company, Aurora, Neb.; Dunlap Electric Company, Dunlap, Iowa, and Stromsburg Electric Light, Heat & Power Company, Stromsburg, Neb.; (in 1916) Geneva Electric Company, Geneva, Neb.; Exeter Electric Light & Power Company, Exeter, Neb.; Crystal Ice Company, York, Neb.; Battle Creek Electric Light & Power Company, Battle Creek, Neb.; Fullerton Electric Light & Power Company, Fullerton, Neb.; Westpoint Electric Light & Power Company, Westpoint, Neb.; Oakland Electric Company, Oakland, Neb.; Johnson Electric Company, Newman Grove, Neb.; Stella Electric Plant, Stella, Neb.; Winnebago Electric Plant, Winnebago, Neb.; Marquette Electric Plant, Marquette, Neb. Other towns supplied: Polk, Giltner, Winslow, Hordville, Shubert. Coin Electric Light & Power Company, Coin, Iowa; Sidney Electric Plant, Sidney, Iowa; Minden Electric Plant, Minden, Iowa. Other towns supplied: Imogene and Randolph.

Acquired in 1917: Hamburg Electric Light & Power Company, Hamburg, Iowa; Villisca Public Service Company, Villisca, Iowa; Sterling Electric Plant, Sterling, Neb.; Hooper Electric Light & Power Company, Hooper, Neb.; Genoa Electric Light & Power Company, Genoa, Neb.; Osceola & Shelby Electric Light, Heat & Power

Company, Osceola, Neb.; Lewis Electric Light & Power Company, Lewis, Iowa; Oakdale Electric Plant, Oakland, Neb.; St. Edwards Electric Light Company, St. Edwards, Neb.; Electrical Transmission Company, York, Neb.; Lee Light & Power Company, Clarinda, Iowa; Canada Gas & Electric Corporation, Brandon, Manitoba.

TERRITORY SERVED.—These properties are supplying electric light and power, gas, heat and ice. In the following communities one or all of these services are rendered:

Beatrice, Norfolk, York, Plattsmouth, Aurora, Wymore, West Point, Fullerton, Geneva, Oakland, Exeter, Stromsburg, Newman Grove, Hampton, Blue Springs, Battle Creek, Polk, Tilden, Waco, McCool Junction, Meadow Grove, Bradshaw, Giltner, Stella, Shubert, Winnebago, Winslow, Hordville, Marquette, Shelby, Oakdale, Sterling, Genoa, Hooper, St. Edwards, and Osceola, all in Nebraska.

Red Oak, Shenandoah, Missouri Valley, Villisca, Malvern, Sidney, Tabor, Avoca, Shelby, Carson, Oakland, Griswold, Logan, Woodbine, Dunlap, Essex, Stanton, Coin, Farragut, Elliott, Emerson, Hastings, Henderson, Macedonia, Pacific Junction, Hancock, Minden, Imogene, Randolph, Magnolia, Bingham, New Market, Gravity, Corning, Thurman, Blanchard, South Blanchard, Braddyville, College Springs, Shambaugh, Stanton, Lewis, Hamburg, Riverton, Villisca, Clarinda, Bedford and Elmo, all in Iowa; also city of Brandon in Manitoba, Canada.

The Company owns and operates approximately 556 miles of high-tension transmission lines in Iowa and Nebraska.

In addition to the above communities, the Company transmits electricity under contract to a number of towns in which the local business is not owned, making the total population served about 133,800.

FRANCHISES.—Either unlimited as to time or extend well beyond 1927, with two unimportant exceptions. The mortgage provides that in case the more important of these two franchises is not renewed or securities representing this property withdrawn and a corresponding amount of bonds of this issue paid off, the entire issue shall become due December 1, 1924.

CAPITALIZATION.

The capitalization of the Continental Gas and Electric Corporation is as follows:

Stock (Par \$100).	Authorized.	Issued.
Common	\$5,000,000	\$1,966,200
Preferred, 6% cumulative	5,000,000	1,220,200

Shares \$100. Transfer agents and registrars of stock, Citizens Savings and Trust Company, Cleveland.

Preferred stock is subject to call at 105 and accrued dividends on any May 1 or November 1.

Dividends on preferred stock of 6 per cent and on common of 2 per cent per annum were paid from April, 1913. Dividends are payable quarterly.

FUNDED DEBT.—Bonds: First lien collateral trust 5 per cent sinking fund; authorized, \$5,000,000; outstg. \$1,913,200; dated November 1, 1912; due November 1, 1927. Interest payable May 1 and November 1 in Cleveland or New York City. Denominations, \$100, \$500 and \$1,000; coupon bonds, registerable as to principal. Callable in part or as a whole on any interest date at 105 and accrued interest. Trustee of bonds, Citizens Savings and Trust Co., Cleveland, O.; First National Bank, New York City. The balance of bonds can be issued at a par value of but 80 per cent of the cash cost of additional properties or the securities representing them, provided such amount does not exceed 80 per cent of the fair replacement value of such properties, or of permanent additions, improvements and extensions properly chargeable to capital account, and then only when the Company's net earnings for a consecutive twelve months within the immediately preceding fourteen months have been equal to not less than twice the Company's entire fixed charges, including those upon the bonds proposed to be issued. Secured on entire issue of first mortgage bonds of each of the consolidated companies with four exceptions; also secured on the capital stock of the consolidated companies. Sinking fund calls for a semi-annual payment, November 1, 1914, and thereafter of 1 per cent or 2 per cent annually of the maximum amount of all outstanding bonds of this issue at any time outstanding; the fund to be applied to the purchase or redemption of these bonds, at not exceeding 105 and interest; bonds so acquired to be cancelled.

INCOME TAX.—Interest payable without deduction of United States normal income tax.

Notes: \$1,200,000 collateral trust 6 per cent convertible three-year notes; dated September 1, 1917; due September 1, 1920; interest payable March 1 and September 1 at Citizens Savings and Trust Company, Cleveland, trustee, or at First National Bank, New York City. Denominations, \$1,000, \$500 and \$100. Convertible at par into foregoing bonds of the company at 93½ and interest at any time on or before date of redemption.

The \$1,200,000 collateral trust notes issued in September, 1917, are secured by \$1,600,000 in bonds of the company deposited with the trustee. Additional notes can be issued only when secured by the company's bonds at 75 per cent of their par value.

THE OHIO CITIES GAS COMPANY, COLUMBUS, O.

This company, being a holding company, and therefore not subject to the jurisdiction of the Public Utilities Commission, was incorporated under the name of The Columbus Production Company, under the laws of the State of Ohio, on April 8, 1914, with an authorized capital stock of \$10,000, and on April 21, 1914, the certificate of incorporation was amended, increasing the capital stock to \$20,000,000 divided into 100,000 shares of preferred stock of the par value of \$100 each, and 100,000 shares of common stock of the par value of \$100 each, and changing the name of the company to The Ohio Cities Gas Company; and, on May 4, 1914, the articles of incorporation of the company were again amended, reducing the par value of each share of common stock of the par value of \$100 to \$25, and giving each share of the par value of \$25 of common stock one vote in corporate affairs, and at the same time increasing the voting power of the preferred stock from one vote for every share to four votes for every share, and new certificates of stock, conforming to the resolution of the stockholders, are now being exchanged for the present certificates of both preferred and common stock.

The preferred stock is not redeemable, and in the event of liquidation or dissolution it shall be the first lien upon the assets of the company,

and the holders of said stock shall be entitled to participate therein to the full extent of such stock held by them at its par value, together with any unpaid dividends accrued thereon, and thereafter the remaining assets of the company shall be distributed among the holders of the common stock pro rata. The holders of the preferred stock shall not be entitled to any other or further share in the surplus, or net profits, of the corporation, or distributive share in the capital or funds of the company in the event of liquidation or dissolution than as provided.

The holders of the preferred stock are entitled to receive out of the net profits of the company, as the same may be found and declared by the Board of Directors, dividends at the rate of five and one-quarter per cent annually, payable one and one-quarter per cent in July, one and one-quarter per cent in October, one and one-quarter per cent in January and one and one-half per cent in April of each calendar year. Said dividends shall be cumulative.

This company has no funded debt or contingent liability.

The duration of the charter of the company is perpetual.

The corporation now owns the following stocks (for which its preferred and common stock was issued):

Company.

The Ohio Cities Gas Company 6 per cent serial gold notes: Total authorized, \$5,000,000; outstanding, \$5,000,000; dated January 1, 1917; \$625,000 maturing semi-annually beginning July 1, 1917, and ending January 1, 1921. Coupon bonds in denomination of \$1,000, registerable as to principal only. Interest payable January 1 and July 1, without deduction for the normal federal income tax. Redeemable in whole or in part on any interest day on 30 days' notice at 102 per cent and interest if redeemed on or prior to July 1, 1918; and at 101 per cent and interest if redeemed after July 1, 1918. Guaranty Trust Company of New York, trustee.

The following is a list of bonds of subsidiary companies: The Columbus Gas Co., first mortgage 5% 40-year gold bonds; dated Oct. 1, 1892; due July 1, 1932; authorized, \$1,500,000; outstanding \$1,390,000 (the entire authorization of \$1,500,000 was issued, \$103,000 having been retired from proceeds from sale of real estate). The Dayton Gas Co., first mortgage 5% 20-year gold bonds; dated March 8, 1910; due March 1, 1930; authorized, \$1,500,000; outstanding, \$1,482,000. The Springfield Gas Co., first mortgage 6% 30-year gold bonds; dated Jan. 1, 1896; due Jan. 1, 1926; authorized, \$400,000; outstanding, \$400,000.

The following is a list of the franchises of subsidiary companies: The Columbus Gas & Fuel Co., Columbus O.; franchise, perpetual; price, 30c. net (expired July 1, 1916). The Federal Gas & Fuel Co., Columbus O.; franchise expires July 31, 1924; price, 30c. net (expired July 1, 1916). Springfield Gas Co., Springfield O.; franchise expires Nov. 5, 1934; price, 30c. net Nov. 5, 1914, to Nov. 5, 1917; 31c. net Nov. 5, 1917, to Nov. 5, 1918; 32c. net Nov. 5, 1918, to Nov. 5, 1919; 35c. net Nov. 5, 1919, to Nov. 5, 1924. The Dayton Gas Co., Dayton, O.; franchises, artificial gas perpetual, natural gas expires April 29, 1930; prices, 34c. net March 1, 1916, to March 1, 1920; 34½c. net March 1, 1920, to March 1, 1926; minimum monthly bill of 34c. for full period.

Extracts from the annual report for the fiscal year ended March 31, 1918:

On June 5, last, by resolution of the stockholders, the authorized common capital stock of the company was increased from \$10,000,000 to \$100,000,000, consisting of 4,000,000 shares of the par value of \$25 each; the authorized issue of preferred stock of \$10,000,000 remained unchanged.

During the year the outstanding preferred stock was increased by 459 shares, exchanged and appropriated for an equal number of shares of the par value of \$100 each of The Dayton Gas Company and The Columbus Gas & Fuel Company.

At the beginning of the last fiscal year 361,170 shares of common stock of the par value of \$9,029,250 were outstanding, and there were issued and appropriated during the year 1,108,830 shares of the par value of \$27,720,750, making the total outstanding stock at the end of the year 1,470,000 shares of the par value of \$36,750,000. There were exchanged and appropriated for common stock of The Dayton Gas Company and The Columbus Gas & Fuel Company, and to cover outstanding dividend warrants 247 shares of the par value of \$6,175; 70,000 shares of the par value of \$1,750,000 were distributed on February 1, last, as a dividend to the common shareholders, and 1,038,583 shares were sold for cash, yielding \$30,529,555.

The sum of \$31,057,587.06 was invested during the year in the producing, refining and distributing divisions of the company; the purchase of the Pure Oil Company and its subsidiaries; the acquiring and constructing of casing-head gasoline plants in Oklahoma and West Virginia; the construction and substantial completion of the Cabin Creek Refinery in West Virginia; the purchase of the Cornplanter Refinery at Warren, Pa.; the purchase of tank cars; in producing properties and leaseholds, and in addition, the company has under construction a modern salt plant near Charleston, W. Va.

EXTRACTS FROM ANNUAL REPORT FOR YEAR ENDED MARCH 31, 1917.

In November, 1916, the Company caused the organization of the Mountain State Gas Co. under the laws of West Virginia, for the purpose of distributing gas in Boone and Kanawha counties. Since its organization the Company has marketed 398,561,000 cu. ft. of gas.

The Columbus Gas and Fuel Company and the Federal Gas and Fuel Company, serving the city of Columbus and its suburban communities, sold during the year 8,528,132,000 cu. ft. of gas, a gain over last year of 1,291,861,000 cu. ft., while the number of consumers increased 5 per cent.

The Dayton Gas Company sold during the year 2,968,923,000 cu. ft. of gas and the number of consumers increased 14 per cent.

The Springfield Gas Company sold during the year 1,674,076,000 cu. ft., a gain over last year of 317,471,000 cu. ft., while the number of consumers increased 8 per cent.

The total sales during the year amounted to 13,171,138,000 cu. ft. of gas, and a total gain of 8,157 consumers. This large increase in gas sold was due to an active campaign for domestic business and to the high price of other fuels prevailing during the year. Notwithstanding this large increase in sales the net earnings of the Columbus companies did not show a corresponding increase due to the increase cost of gas, labor and materials. The question of a readjustment of our selling price of gas is now

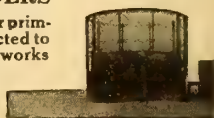

PAINTS FOR OIL TANKS AND HOLDERS

No. 250 BLUE LEAD PRIMING PAINT has no equal for priming coats on gas holders, especially where it will be subjected to extreme exposure from gases, as on gas holders and gas works structures.

CHEESMAN & ELLIOT, 100 William St., New York

before the Public Utilities Commission of the state of Ohio, who will undoubtedly give us fair and equitable relief from this condition.

On July 1, 1916, the Dayton Gas Company abandoned its plant for the manufacture of artificial gas and connected the artificial gas lines and 11,000 consumers to its natural gas system. During the year the Dayton Company issued \$100,000 of its 5 per cent bonds and used the proceeds for extensions to its property. By the operation of its sinking fund the company retired \$38,000 of its bonds, leaving a net bonded indebtedness of \$1,462,000 representing a closed bond issue.

The West Virginia Division of the Company passed into a state of great prosperity during the year. It now owns in leases 156,841 acres, 12,000 acres of which are held by oil royalty, 16,000 acres are held by gas royalty and 128,841 acres being undeveloped oil and gas leases.

The Company installed during the year the first unit of a plant for the extraction of casing-head gasoline. This unit has a capacity of 1,000 gallons a day and has proved most satisfactory. Five additional units will be installed during the present year.

The Company had 18 wells at the beginning of last year and drilled during the year 48 wells, making a total of 66 producing oil wells. On the gas leases are 20 wells with an open flow of 25,000,000 cu. ft. per day.

THE SCIENTIFIC SAFETY GARAGE HEATER

The Standard Garage Heater of North America.

Because of the basic patents and pending patents.

THE SCIENTIFIC HEATER COMPANY : : of Cleveland, Ohio

In December, 1916, the Company purchased oil and gas producing properties in the state of Oklahoma known as the Gunsburg and Forman property, consisting of approximately 26,500 acres of oil territory, 20,000 acres of which are undeveloped.

At the same time the directors authorized and the company purchased the entire capital stock of the Ardmore Refining Co. (a Delaware corporation, with a perpetual charter, and having an authorized and outstanding issue of \$100,000 capital stock, par \$25), and the International Refining Co. (a Delaware corporation, with a perpetual charter, and having an authorized and outstanding issue of \$300,000 capital stock, par \$100), located respectively at Ardmore and Cushing, Okla. These refineries have a combined daily refining capacity of 11,000 barrels, their property consisting generally of real estate, pipe lines, refinery equipment, about 1,400,000 barrels

of tankage, tank cars and substantially 1,000,000 barrels of crude and refined oil. The Ohio Cities Gas Co. will continue indefinitely the operation of these companies as subsidiaries.

OFFICERS.—B. G. Dawes, President; W. E. Hutton, R. W. McIlvain, G. C. Scott, N. H. Weber, H. N. Cole, Vice-Presidents; F. S. Heath, Secretary and Treasurer; T. J. Jones, Assistant Secretary and Treasurer.

DIRECTORS.—H. M. Work, New York; W. E. Hutton, Cincinnati; Warren C. Fairbanks, Chicago; B. G. Dawes, R. W. McIlvain, F. S. Heath, W. F. Burdell, Columbus; John H. Bushnell, Springfield; W. W. Mills, Marietta; W. B. Hassett and N. H. Weber.

The fiscal year of the company ends March 31, and the annual meeting of stockholders is held at the principal office of the company, in Columbus, Ohio, on June 5.

THE DAYTON GAS COMPANY, DAYTON, OHIO.

The Dayton Gas Co. was incorporated in 1910 under the laws of Ohio, and is a consolidation of Dayton Gas Light and Coke Co., Dayton Mineral Gas Co., and Dayton Gas and Fuel Co.

FRANCHISES.—For furnishing artificial gas, perpetual; natural gas, April 24, 1930.

CAPITALIZATION.—Capital stock, authorized, \$500,000; outstanding, common, \$179,000; preferred, \$67,200. Shares, \$100. Transfer agents, President and Secretary of the company.

FUNDED DEBT.—Bonds, first mortgage bond, authorized, \$250,000; issued, \$210,000. Dated, June 1, 1914. Due serially to June 1, 1934. Interest payable June 1 and December 1 at the Spitzer & Rorick Trust & Savings Bank, Toledo, O. Denomination, \$1,000. Coupon can be registered. Redeemable at 105 after five years from date of issue on any interest date at the

Spitzer & Rorick Trust and Savings Bank of Toledo, Ohio.

SECURITY.—First mortgage lien.

SINKING FUND.—\$5,000 per year after two years for five years; then \$7,000 per year for five years; then \$10,000 per year for eight years; balance due 20 years from June 1, 1914.

OFFICERS.—President G. B. Orwig; Vice-President, W. J. Hartnett; Secretary, B. A. Sloan; Treasurer, J. A. Sloan; Assistant Treasurer, D. Hartigan; Manager, J. A. Sloan.

DIRECTORS.—G. B. Orwig, W. J. Hartnett, J. A. Sloan, B. A. Sloan, H. J. Sloan, D. Hartigan and J. S. Martin.

Annual meeting of stockholders held second Tuesday in February each year at Napoleon, Ohio. Company's fiscal year ends January 1 each year.

THE SANDUSKY GAS AND ELECTRIC COMPANY, SANDUSKY, OHIO.

This Company supplies all the gas and electricity in the City of Sandusky, Ohio, the county seat of Erie County. While the Company is equipped with both coal and water apparatus, this is held in reserve, as for the past nine years it has been distributing natural gas for the Logan Natural Gas and Fuel Company, who supply it from West Virginia and Ohio Fields.

CAPITAL STOCK.—Preferred, authorized, \$300,000; outstanding, \$100,000; common, authorized, \$1,000,000; outstanding, \$500,000. Dividends paid, 1916, preferred 6%, common 12%.

FRANCHISES.—Perpetual.

BONDS.—First refunding and improvement mortgage 5 per cent gold; dated March 1, 1915; due March 1, 1945. Authorized, \$2,000,000; outstanding, \$710,000. In addition to the \$710,000 outstanding there has been set aside \$40,000 to retire a like amount of first mortgage gold bonds, of which \$460,000 of the original \$500,000 have been cancelled. Interest payable March 1 and September 1 at Fidelity Trust Co., Philadelphia, Pa., trustee.

EARNINGS AND EXPENSES TWELVE MONTHS ENDING
DECEMBER 31, 1917.

Gross earnings	\$515,470.04
Operating expenses and taxes	401,477.81

Net earnings	\$113,992.23
Miscellaneous	\$1,394.76

------------------	-------------

OFFICERS.—W. S. Barstow, President; Joseph B. Taylor, Vice-President; E. A. Bechstein, Vice-President; C. B. Wilcox, Chairman of Board; O. Clement Swenson, Treasurer; A. B. Cheadle, Secretary; C. J. Taubert, Assistant Secretary and Assistant Treasurer.

DIRECTORS.—W. S. Barstow, Joseph B. Taylor, L. H. Tyng, New York, N. Y.; George A. True, C. B. Wilcox, and George H. Tuttle, Sandusky, Ohio; Emery Thierwechter, Oak Harbor, Ohio.

GENERAL MANAGERS.—W. S. Barstow Management Association, Inc., New York, N. Y.

Annual meeting April 20 at Sandusky, Ohio.

TOLEDO TRACTION, LIGHT AND POWER COMPANY, TOLEDO, OHIO.

The Toledo Traction, Light and Power Co., incorporated under the laws of the State of Maine, owns the securities of the Toledo Railways and Light Co. and several interurban roads entering the City of Toledo, Ohio. The Toledo Railways and Light Co. does the entire local street railway and electric light and power business and a gas and heating business in Toledo. The interurban roads mentioned radiate from that city.

FRANCHISES.—The electric light and power franchises and rights under which the Toledo Railways and Light Co. operates in the City of

Toledo are, in the opinion of counsel, unlimited in time and impose no unusual or burdensome restrictions. The principal street railway franchises of the Toledo Railways and Light Co. having expired, the Company is negotiating with the city with a view to obtaining a blanket franchise covering the operation of all of its street railway lines. The gas and heating franchises are satisfactory and are unlimited as to time. The interurban roads operate almost entirely over private right of way, but where franchises are necessary same are satisfactory and extend beyond the maturity of the first lien 6 per cent bonds.

Tycos Temperature Instruments for Gas Works

INDICATING—CONTROLLING—RECORDING

To meet the requirements of those innumerable processes requiring exact indication, measurement and regulation of temperature, we have developed the most practicable and reliable instrument that can be found. Write for Catalogue 600.

Taylor Instrument Companies

Rochester, N. Y.

CAPITALIZATION.

Capital Stock.	Authorized	Outstanding
Common	\$9,200,000	\$9,061,203
Preferred (6% cumulative after Jan. 1, 1914)	8,000,000	6,661,675

Dividend on preferred stock, annual rate 6 per cent, payable monthly.

Bonded Debt.

First lien 6% 2-yr. bonds.	\$13,000,000	\$10,500,000
Second lien 6% 3-yr. bonds	1,200,000	1,200,000

Bonds are dated Jan. 1, 1918; due Jan. 1, 1920. Optional on any interest payment date at 101 and interest. Interest payable Jan. 1 and July 1 in New York. Coupon bonds, \$1,000 denomination, with privilege of registration of principal. The New York Trust Co., trustee. Second lien bonds due Jan. 1, 1921.

SECURITY.—The first lien 6 per cent bonds are secured by the deposit with the trustee of the following securities:

\$5,999,000 6 per cent consolidated gold bonds of the Toledo Traction Co.

\$5,997,000 6 per cent consolidated first mortgage gold bonds of the Toledo Railways and Light Co.

All of the \$3,200,000 7% first mortgage bonds of Acme Power Co.

Over 92 per cent of the \$13,875,000 of capital stock of the Toledo Railways and Light Co.

All of the capital stock, except 10 shares of each owned by directors and officers, and certain bonds of the following companies:

Acme Power Co.

The Toledo and Western Railroad Co.

The Maumee Valley Railways and Light Co.

The Toledo, Ottawa Beach and Northern Railway Co.

The Adrian Street Railway Co.

Through the deposit of the Toledo Traction Co. 6 per cent consolidated mortgage gold bonds, the first lien 6 per cent bonds obtain their first lien feature, as through these securities they cover as a first collateral lien the electric light and power and street railway business of Toledo.

In addition, they are secured through the deposit of the above securities by a lien subject to divisional bonds, on the artificial gas and heating plants and the interurban lines mentioned above.

The \$2,500,000 imp't. bonds may be issued to reimburse the Company for only 75 per cent of the cash cost of permanent extensions and additions to the electric light and power properties of the Toledo Rys. & Lt. Co. and Acme Power Co.; provided, however, that the combined income of the subsidiary companies applicable to the securities at the time pledged under the trust indenture for the preceding twelve months shall have been equal to at least twice the annual interest on all of the first lien 6 per cent bonds outstanding, together with those proposed to be issued.

Subsidiary company bonds outstanding in hands of public and secured only by liens on gas and heating properties and a small electric station in Toledo and on property of two interurban roads, \$4,194,000.

TOLEDO RAILWAYS AND LIGHT CO.

Annual meeting of stockholders held third Thursday in January, at Toledo, Ohio.

Company's fiscal year ends December 31.

TRUMBULL PUBLIC SERVICE CORPORATION, WARREN AND NILES, OHIO.

Incorporated June 21, 1911, under the laws of Ohio as a successor to the Hydro-Electric Gas Co., and the Warren Water and Light Co. The former was itself a consolidation of the Hydro-Electric Co. and the Warren Gas Light Co. on October 16, 1908; and the latter a consolidation of the Water and Light and Power Companies.

FRANCHISES.—Electric franchises run to August, 1933; gas to May, 1929, and water to April, 1930.

CAPITALIZATION.—Preferred stock, 6 per cent cumulative, authorized and issued, \$200,000; common stock, \$1,500,000. Transfer agents, Henry L. Doherty & Co.

FUNDED DEBT.—Bonds: First mortgage 6 per cent sinking fund gold, issued, \$1,119,100. Dated

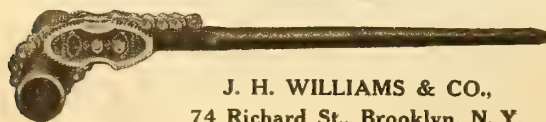

June 1, 1911; due June 1, 1929. Interest payable June 1 and December 1 at Citizens Savings and Trust Co., Cleveland, or First National Bank of New York. Denominations, \$1,000, \$500 and \$100; principal registerable. Redeemable at 105 and interest on any interest date.

SINKING FUND.—2 per cent outstanding, began June 1, 1914.

OFFICERS.—President, Henry L. Doherty; Vice-President, W. C. Ward; Secretary and Treasurer, W. W. Martin; General Manager, E. L. Franklin.

DIRECTORS.—Henry L. Doherty, Charles Fillius, E. L. Franklin, P. L. Webb, David A. Gilmer, W. C. Ward, G. H. Jones.

Annual meeting, last Thursday in January.

J. H. WILLIAMS & CO.,
74 Richard St., Brooklyn, N. Y.

Williams' Improved "Vulcan" Drop-Forged Chain Pipe Wrench

With Double-Ended Reversible Jaws for Turning or Holding Pipe, Pipe-Fittings, etc., from ½ to 12 Inches Diameter.

REPUBLIC RAILWAY AND LIGHT CO., YOUNGSTOWN, OHIO.

General office, 15 Exchange Place, Jersey City, N. J.

The Republic Railway and Light Co. was incorporated June 27, 1911, in New Jersey, as a holding company, and by the acquisition of over 99 per cent of the outstanding stock of the Mahoning and Shenango Railway and Light Company has the ownership or control of corporations owning and operating about 170 miles of electric railway lines midway between Pittsburgh and Lake Erie, in the cities and intervening territory of the Mahoning and Shenango valleys; also the lighting systems of Youngstown, New Castle, Sharon, etc.

Following are the subsidiary companies comprised in the system, viz., New Castle Electric Co., Pennsylvania Power Co., Shenango Valley Electric Light Co., Zelenople Light & Power Co., Mahoning & Shenango Ry. & Light Co., New Castle Electric Street Ry. Co., New Castle & Lowell Ry. Co., New Castle & Mahoningtown Street Ry. Co., Sharon & New Castle Ry. Co. (Ohio), Sharon & New Castle Street Ry. Co. (Pa.), Youngstown & Niles Ry. Co., New Castle Co., New Castle Traction Co., Pennsylvania & Mahoning Valley Ry. Co., Republic Corporation, New Castle & Lowell Realty Co., Idora Park Amusement Co.

FRANCHISES.

Practically all Pennsylvania franchises are perpetual. Railway franchises in Youngstown were renewed in October, 1908, for twenty-five years. The most important interurban franchises in Ohio expire from 1945 to 1950, and Ohio lighting franchises expire from 1925 to 1934. All franchises are free from objectionable requirements.

CAPITALIZATION.

	Authorized	Outstanding
Pref. stock, 6% cum.	\$10,000,000	\$5,191,406

OKLAHOMA GAS AND ELECTRIC CO., ENID DIVISION.

The Enid Electric and Gas Co. was incorporated in May, 1910, under the laws of Oklahoma. In June, 1917, Oklahoma Gas and Electric Co. acquired all physical property of Enid Electric and Gas Co.

This division does the entire gas and electric business of the city, serving without competition, a population of about 14,000. Natural gas turned into the mains June 1, 1916. It has a contract running to September, 1920, for the municipal street lighting, and a contract with the Enid St. Ry. Co. to supply it with all its motive power.

FRANCHISES.—Electric franchise expires April 17, 1923; gas, January 11, 1941.

Capitalization included in Oklahoma Gas and Electric Co.'s report under Oklahoma City.

Enid E. & G. Co. bonds: First mortgage, 6%, authorized, \$1,500,000; outstanding, \$620,000.

Dated May 14, 1910; due May 1, 1920. Interest payable May 1 and November 1 at Continental and Commercial Trust and Savings Bank, Chicago, trustee. Denomination, \$1,000; coupon; but principal may be registered. Redeemable at 102½ on any interest date.

SECURITY.—First mortgage.

SINKING FUND.—November 1, 1912 and 1913, 2½ per cent of bonds outstanding; November 1, 1914, to 1920, 3 per cent of bonds outstanding.

Additional bonds may be issued for 80 per cent of the actual and reasonable cost of permanent extensions, improvements and betterments, provided the net earnings for the preceding twelve months were at least one and one-half times the fixed charges on all bonds outstanding, including those to be issued.

McALESTER GAS & COKE CO., McALESTER, OKLA.

The McAlester Gas & Coke Co. was incorporated in 1902 under the laws of Oklahoma as the Pittsburg Gas Company. Name changed to present title in 1913.

FRANCHISES.—June, 1938, artificial and natural gas.

CAPITALIZATION.

Company's fiscal year ends June 30.

PACIFIC POWER AND LIGHT COMPANY, PORTLAND, ORE.

The Pacific Power and Light Co. was incorporated June 16, 1910, under the laws of Maine, to own and operate electric light and power, electric street railway and gas and water properties. It furnishes electric light and power, gas and street railway service to Walla Walla, Wash., and Astoria, Ore.; electric light and power, gas and water service to North Yakima, Wash.; electric light, power and gas service to Pendleton, Ore.; electric light, power and water service to Pasco, Kennewick and Prosser, Wash.; gas service to Vancouver, Wash., and electric

light and power service to The Dalles and Hood River, Ore. It supplies electric light and power service to 43, gas service to 7, water service to 4, street railway service to 2, and interurban railway service to 3 communities. The total population served is estimated at 128,000.

SERVICE AND PROPERTY.—The total number of customers served by the Pacific Power and Light Co. and the output and physical equipment of its properties as of December 31, 1916, as compared with the two previous years, follow:

	1917	1916	1915
Electric customers.....	22,869	20,786	19,400
Gas customers.....	7,744	7,149	6,712
Water customers.....	5,406	4,935	4,752
Total customers.....	36,019	32,870	30,864
Kilowatt generating capacity.....	*20,515	*20,500	*20,125
Kilowatt-hour feeder output for twelve months.....	54,435,604	41,182,945	40,417,056
Miles of electric distributing pole lines (6,600 volts or less) in service, irrespective of the number of circuits carried.....	875	860	845
Miles of high voltage transmission lines (over 6,600 volts) in operation, irrespective of the number of circuits carried.....	494	485	470
Miles of high voltage transmission lines (over 6,600 volts) under construction.....	8	73
Gas holder capacity (cubic feet).....	439,500	439,500	439,500
Artificial gas output (cubic feet) for twelve months.....	146,146,000	132,257,100	127,044,000
Miles of street railway and interurban railway lines in operation.....	33.0	31.5	31.5
Miles of gas mains.....	135	132	130
Miles of water mains.....	95	95	92

* Not including 4,400 kilowatt capacity operated in connection with the Company's system, but not owned by the Company.

FRANCHISES.—With unimportant exceptions the franchises of the Pacific Power & Light Co. are either unlimited as to time or extend for a long period. Many of the most important franchises extend at least to 1950, while none, except four relatively unimportant ones, expire prior to 1930. All are free from objectionable restrictions.

CAPITAL STOCK AND DIVIDENDS.—The authorized and outstanding capital stock of the Pacific Power and Light Co., as of December 31, 1917, was as follows:

	Authorized	Outstanding
Preferred.....	\$4,500,000	\$2,700,000
Second preferred.....	2,500,000	1,500,000
Common.....	7,000,000	6,100,000

HENRY BOWER CHEMICAL MFG. CO. Gray's Ferry Road and 29th Street

PHILADELPHIA, PA.

The preferred stock is entitled to cumulative dividends at the rate of 7 per cent per annum, and dividend payments at this rate have been made regularly. Dividend payments are made quarterly, on February 1, May 1, August 1 and November 1. The preferred stock also has preference as to assets in case of liquidation. It is subject to redemption at 115 and accrued dividends on any dividend date.

The second preferred stock is entitled to cumulative dividends at the rate of 7 per cent per annum. Dividends have been paid regularly since date of issue.

The second preferred stock is subject to redemption at any time at par and accrued dividends, and to conversion, at any time in lots of 1,000 shares or more, into preferred stock, par for par, whenever, in any twelve consecutive months, the earnings applicable to dividends during such period shall have been at least two and one-half times the dividend requirements upon the preferred stock then outstanding, plus two and one-half times the dividend requirements upon the additional preferred stock, which it is then proposed to issue in exchange for second preferred stock.

All of the common stock and second preferred stock, except directors' shares, is owned by the American Power and Light Co.

The Columbia Trust Co. of New York City, and the Security Savings and Trust Co. of Portland, Ore., are the transfer agents for the stock. The Brooklyn Trust Co. of New York City and the First National Bank of Portland, Ore., are the registrars.

BONDS.—The authorized and outstanding bonds of the Pacific Power and Light Co., as of December 31, 1917, were as follows: First and refunding mortgage 5 per cent bonds, authorized, \$30,000,000; outstanding, \$8,115,000.

The first and refunding mortgage 5 per cent gold bonds of the Pacific Power and Light Co. are dated August 1, 1910; due August 1, 1930; interest payable in New York on February 1 and August 1. Bonds already issued are in International Series, in denomination of \$1,000 each, and in coupon form, with privilege of registration as to principal. Registered bonds without coupons may be issued in denominations of \$5,000 each. The United States Mortgage and Trust Co. of New York City is the trustee.

The bonds are secured by a first mortgage on all of the property of the Company. All underlying bonds retired.

The first and refunding bonds are subject to redemption as a whole on any interest day on four weeks' published notice at 105 and interest, up to December 31, 1925; at 104 and interest during 1926; at 103 and interest during 1927; at 102 and interest during 1928, and at 101 and interest from January 1, 1929, to July 31, 1930, inclusive.

An improvement fund is established by the mortgage, whereby a cash fund is payable to the trustee on August 1 of each year, as follows: One per cent annually of the bonds outstanding, including underlying bonds and outstanding

bonds of corporations whose capital stock at the time is owned by the mortgagor and pledged under the mortgage, from 1915 to 1919, inclusive; 2 per cent from 1920 to 1924, inclusive; 3 per cent from 1925 to 1929, inclusive. The maximum payment remains at 2 per cent, however, when in any twelve months ending May 31 in any of the years from 1925 to 1929, inclusive, the net earnings of the Company equal or exceed three times the annual interest charge on all bonds outstanding. Money in the improvement fund may be used for improvements and betterments to the property or as a sinking fund for the redemption of the first and refunding bonds.

Additional bonds may be issued for not exceeding 80 per cent of the actual cost of betterments, improvements, etc., and then only provided net earnings of the Company for twelve consecutive months within the thirteen months immediately preceding any proposed issue are equal to at least twice the interest on all bonds, including underlying bonds and those applied for.

EARNINGS.

A statement of earnings for the year ended December 31, 1917, compared with the two previous years, follows:

	1917	1916	1915
Gross earnings...	\$1,647,401	\$1,461,821	\$1,456,953
Operating expenses and taxes.....	783,718	751,834	713,159
Net earnings...	\$863,683	\$709,987	\$743,794
Interest charges...	434,387	400,883	385,323
Net income after charges	\$429,296	\$309,104	\$358,471
Preferred dividend	175,000	175,000	166,250
Balance	\$254,296	\$134,104	\$192,221

The gross earnings for the twelve months ended December 31, 1917, as shown above, were derived from various classes of business, as follows:

	Amount	Approx. % of Total
Electric light and power..	\$1,189,719	72
Artificial gas	199,357	12
Railway	155,960	9
Water	102,365	7
Total.....	\$1,647,401	100

OFFICERS.—S. Z. Mitchell, Chairman of the Board; Guy W. Talbot, President; F. G. Sykes, G. E. Claffin, E. W. Hill, Edward Cookingham, A. S. Grenier, J. A. Laing, Vice-Presidents; George F. Nevins, Secretary and Treasurer; M. H. Arning, Walter C. Lang and M. E. Corbin, Assistant Treasurers and Assistant Secretaries.

DIRECTORS.—J. C. Ainsworth, Edward Cookingham, Fred S. Fogg, A. S. Grenier, S. S. Gordon, William Jones, John A. Laing, C. Hunt Lewis, H. C. Lucas, S. Z. Mitchell, Miles C. Moore, Josiah Richards, F. G. Sykes, Guy W. Talbot.

PORTLAND GAS AND COKE COMPANY, PORTLAND, ORE.

The Portland Gas and Coke Co. was incorporated January 10, 1910, under the laws of Oregon, and took over the properties of the Portland Gas Co. and the East Portland Gas Light Co. It also owns all the capital stock, except directors' shares, of the St. Johns Gas Company.

The Company does the entire gas business in the City of Portland, Ore., and its suburbs, including St. Johns, and in Oregon City, Ore., and supplies gas at wholesale to the Pacific Power & Light Company for its Vancouver, Wash., service. The population served is approximately 281,000.

FRANCHISES of the company in Portland are unlimited as to time. The franchise in Oregon City extends to 1938.

CAPITAL STOCK AND DIVIDENDS.—The authorized and outstanding capital stock of the Portland Gas and Coke Co. as of December 31, 1917, was as follows:

	Authorized	Outstanding
Preferred	\$2,000,000	\$2,000,000
Common	3,500,000	3,000,000

The preferred stock is entitled to cumulative dividends at the rate of 7 per cent per annum, and dividend payments at this rate have been made since the Company's organization. Dividend payments are made quarterly, on February 1, May 1, August 1 and November 1. The preferred stock also has preference as to assets in case of liquidation. It is subject to redemption on any dividend date at 115 and accrued dividends.

All of the outstanding common stock, except directors' shares, is owned by the American Power and Light Co.

The Columbia Trust Co. of New York City, and the Security Savings and Trust Co. of Portland, Ore., are transfer agents for the stock. The Brooklyn Trust Co. of New York City and the First National Bank of Portland, Ore., are registrars.

BONDS.—The authorized and outstanding bonds

of the Portland Gas and Coke Co. as of December 31, 1917, were as follows:

	Authorized	Outstanding
First and refunding mortgage 5% bonds.....	\$15,000,000	\$6,189,000
Portland Gas Co. first mortgage 5% bonds....	750,000	371,000

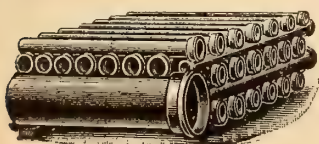

The first and refunding mortgage 5 per cent gold bonds of the Portland Gas and Coke Co. are dated January 1, 1910; due January 1, 1940; interest payable in New York on January 1 and July 1. Bonds are in coupon form, but may be registered as to principal. The denomination of the bonds is \$1,000. The United States Mortgage and Trust Co. of New York City is the trustee.

The bonds are secured by a first lien on all property, subject only, as to a part of the property, to the \$371,000 outstanding first mortgage bonds of the Portland Gas Co.

The bonds are subject to redemption at 110 and interest on or after January 1, 1920.

An improvement fund is established by the mortgage, whereby a cash fund is payable to the trustee on January 1 of each year, as follows: One per cent annually of the bonds outstanding from 1915 to 1919, inclusive; 2 per cent annually from 1920 to 1924, inclusive; 3 per cent annually from 1925 to 1939, inclusive. The maximum payment remains at 2 per cent, however, if the net earnings for the twelve months ended on November 30 of any year from 1924 to 1938, inclusive, equal or exceed three times the interest charge on all the outstanding first and refunding bonds and the first mortgage bonds of the Portland Gas Co. The improvement fund may be used either as a sinking fund for the purchase of bonds outstanding under the mortgage at not exceeding 110 and interest, or to meet the cost of permanent extensions and improvements against which no bonds can be issued.

Additional bonds may be issued for not exceeding 75 per cent of the actual cost of permanent additions, improvements, etc., provided also

We carry in stock or have in process of manufacture a full line of all regular sizes of

CAST IRON PIPE R. D. WOOD & CO.
PHILADELPHIA, PA.

that the net earnings of the Company for twelve months within the thirteen months immediately preceding any proposed issue are at least one and three-fourth times the interest on all bonds, including underlying bonds, outstanding and then sought to be issued.

UNDERLYING BONDS.—The underlying bonds consist of Portland Gas Co. first mortgage 5 per cent gold bonds, dated August 1, 1901; due August 1, 1951. There were \$750,000 of these bonds originally issued, but \$379,000 have been pur-

chased and deposited as additional security for the first and refunding mortgage bonds of the Portland Gas and Coke Co. There are \$371,000 of the latter bonds reserved to retire the present outstanding Portland Gas Co. first mortgage bonds.

The total number of customers served by the Portland Gas & Coke Co., and the physical equipment and output of its property, as of December 31, 1917, as compared with the two previous years, follow:

	1917	1916	1915
Gas customers	50,063	45,517	43,917
Gas holder capacity.....	6,185,000	6,185,000	6,185,000

PORTLAND RAILWAY, LIGHT AND POWER COMPANY, PORTLAND, ORE.

The Portland Railway, Light and Power Co. was incorporated under the laws of Oregon in 1906. It has acquired and owns in fee all the properties and franchises formerly of the Portland Railway Co., Portland General Electric Co., and Oregon Water Power and Railway Co. In March, 1912, it acquired all the properties of the Mt. Hood Railway and Power Co. It controls, through stock ownership, the Willamette Valley Southern Railway Co. and Yamhill Electric Co. It thus owns practically all the street railways (except two interurban lines entering the city) in Portland and vicinity; practically all the plants supplying electric light and power commercially in Portland and Oregon City, Ore., and Vancouver, Wash.; gas and electric plants

in Salem, Ore.; and three interurban lines (handling freight and express as well as passengers) from Portland to Oregon City, Troutdale, Bull Run and Cazadero, Ore., and Vancouver, Wash. The total population served by the company is about 360,000.

The Company also supplies with electric power the other two interurban lines entering Portland and the street railway company of Vancouver, Wash. It also supplies direct water power to several large mills at Oregon City, and owns and operates the ferry across the Columbia River at Vancouver.

CAPITAL STOCK.—Authorized, \$25,000,000; outstanding, \$25,000,000. Divided, common, \$15.-

000,000; first preferred, \$5,000,000; second preferred, \$5,000,000.

FUNDED DEBT.—Bonds: First and refunding mortgage 5 per cent sinking fund gold (convertible issue), authorized, \$75,000,000; issued, \$17,151,000 (of which \$664,800 are in sinking fund); dated February 1, 1912; due February 1, 1942. Interest payable February 1 and August 1. Denominations, coupon bonds, \$1,000, \$500 and \$100. Denominations, registered bonds, \$1,000, \$5,000, \$10,000 and \$50,000. Coupon or fully registered bonds interchangeable. Callable as a whole after ten years, or for the sinking fund on any interest date at 105 and accrued interest. Outstanding, \$16,399,200.

SINKING FUND.—Cumulative, 1 per cent annually, 1915 to 1926, inclusive; 1½ per cent annually, 1927 to 1941, inclusive, on total amount issued.

UNDERLYING BONDS.

Portland Ry. Co. first and refunding mortgage 5s, due 1930, and underlying divisional issues (of which \$709,000 are in sinking fund)....	\$7,814,000
Portland General Electric first mortgage 5s, due 1935.....	7,769,000
City and Suburban Co. cons. 4% gold bonds, due 1930.....	1,290,000
Willamette Valley So. Ry. Co. 1st mortg. 6s, due 1939.....	750,000
*Portland Ry. Lt. & Pr. Co. 1st and refunding mtge. 5s, due 1942.....	16,399,200

* The total amount of bonds is \$75,000,000, of which \$17,151,000 are now issued; \$17,813,000 are reserved on account of an equal amount of underlying bonds, and the remaining \$40,036,000 can be issued only for 80 per cent of the cash cost of future additions, extensions or acquisitions, and only when net earnings (after allowing for maintenance at least 15 per cent of gross earnings) are at least one and one-half times interest charges on all obligations equal or senior to these bonds, including bonds sought to be issued.

CONVERTIBILITY.—The present issue of \$17,151,000 bonds is at any time convertible, at the option of the holder, into capital stock of the company at a price equal to the amount paid in on such stock plus \$10 premium per share. As the common stock is now \$75 paid on each share (\$100 par value), the present rate of conversion

would be \$85 in bonds for each 75 per cent paid up share.

SECURITY.—A first mortgage on rolling stock and 115 miles of electric railway formerly belonging to the Oregon Water Power and Railway Co., modern steam station in Portland, two water power plants on the Clackamas river, and on the valuable terminal lands of the company on the east bank of the Willamette river. A mortgage on the remainder of the property subject to the \$17,900,000 underlying mortgages above mentioned.

‡ Also \$100,000 ten-year notes.

COST METERS

American Meter Company

561 W. 47th St., New York, N. Y.

AND LARGE DIAL DEMONSTRATION DRY METERS

Both these meters should be in the gas sales and demonstration rooms of every gas company in the country. The Cost Meter shows the hourly cost in cents and tenths of a cent to operate gas appliances. The Large Dial Demonstration Dry Meter is used to show the comparative consumption between flat flame and mantle burners.

Through its subsidiaries the Company operates electric railways in East St. Louis; the only electric lines over the Eads Bridge connecting East St. Louis with St. Louis; interurban lines from East St. Louis to Belleville, Edwardsville, Lebanon, Venice, Granite City, Alton and intermediate points, and the city lines in Alton. Interurban cars from Alton are run into St. Louis through East St. Louis and over Eads Bridge, and also through Granite City and over the lines of the Illinois Traction Company. Freight, principally coal, is handled in addition to passengers on the line between East St. Louis and Belleville. The companies do the entire electric lighting and power business in East St. Louis and the electric lighting and power, the gas and steam heating in Alton.

The estimated population served is 1,025,000, including St. Louis.

THE UNITED GAS IMPROVEMENT COMPANY, PHILADELPHIA, PA.

Incorporated June 1, 1882, under the Manufacturing Act of Pennsylvania; reorganized May 8, 1885, under an old special charter, with power to construct and maintain or manage any work, and furnish all needful material, labor, implements, instruments and fixtures of any kind, and with full power and authority to hold and own securities of any form, either as collateral or otherwise, and to dispose of the same. Charter is perpetual and was originally issued to the Union Contract Co. The Company's business is the building, purchasing and leasing of gas works.

Capital stock, authorized, \$61,072,000; outstanding, \$61,029,800; shares, \$50. Transfer office, Broad and Arch streets, Philadelphia. Registrar, Fidelity Trust Co., Philadelphia, Pa. No bonds.

Extract from President Bodine's annual report to stockholders:

For the fiscal year ended December 31, 1917, the sales of the gas and electric properties in which we are interested show, in comparison with 1916:

City of Philadelphia..... 9.11% increase
Properties outside of Philadelphia:

Manufactured gas	11.40% increase
Electric	20.60% increase
Natural gas	29.63% decrease

The net profits, as shown in detail in the treasurer's statement which follows, were \$5,915,505.27. Of this amount \$507,938.30 is that portion of the profit which was realized in cash during 1917 from the sale of a minority interest, purchased several years ago, in certain oil producing and refining companies whose business has changed from a domestic into an export trade and which are no longer of assistance to your company in securing a supply of gas oil. The balance of the profit from this transaction was represented by notes maturing and paid in 1918 and has been credited to this year's account, thus insuring the continuation during 1918 of the regular 8 per cent dividend, which will not be earned from regular sources, owing to the great increase in operating cost due to war conditions, and owing to the fact that our share of income from gas sales in Philadelphia was reduced on January 1, 1918, to 75 cents per 1,000 cu. ft., in accordance with the terms of the lease.

INSIDE PAINTS FOR WALLS, CEILINGS, ETC.

We have studied the various conditions to be met by paints for retort houses, purifying houses and various gas works buildings. Let us know for what service you wish to use paint and we will submit specifications.

Annual meeting second Wednesday in October. Company's fiscal year ends June 30.

UNITED NATIONAL UTILITIES COMPANY, PHILADELPHIA.

Principal Address: 603 Market Street, Wilmington, Del.

The United National Utilities Company was incorporated in Delaware in March, 1917, and acquired common stock of the National Properties Co., which corporation owns and controls the American Railways Co., which in turn has acquired the National Gas, Electric Light & Power Co., the Jersey Central Traction Co., the Monmouth County Lighting Co., and subsidiary companies. The company controls and operates public utilities in Pennsylvania, New Jersey, Ohio, Delaware, New York, Illinois, Virginia, West Virginia, Indiana, Michigan, Kentucky, Missouri, and Nevada.

CAPITALIZATION.—Preferred stock, outstanding, \$2,500,000; common stock, outstanding \$3,000,000. Annual dividend on preferred stock, 6 per cent.

FUNDED DEBT.—Notes, 6%, secured, authorized and issued, \$1,800,000; dated March 1, 1917; due, March 1, 1920. Interest payable March 1 and September 1. Denomination, \$1,000. Redeemable at 101 and interest on any interest date. Trustees of bonds, The Pennsylvania Co. for Insurance on Lives and Granting Annuities. Security: Deposited with the trustee, \$2,500,000 National Properties Co. common stock (entire issue) and \$570,000 American Railway Co. collateral trust 6% bonds.

For the twelve months ending December 31,

1916, the income of the several companies in this merger, available for the interest on the noted amounted to:

Dividends on preferred stock, etc....	\$528,161.78
Interest on \$1,800,000 6% notes....	108,000.00

Avail'bl for \$2,500,000 6% pref. stock.	\$420,161.78
Preferred dividend	150,000.00

Surplus	\$270,161.78
---------------	--------------

which is equivalent to 9% on the \$3,000,000 outstanding common stock.

The companies which the United National Utilities Co. is acquiring supply electric light and power to more than fifty cities and towns; gas to eleven cities and towns, and operate 623 miles of street railway. The total gross receipts of these companies for the twelve months ended December 31, 1916, were \$11,289,694.83.

OFFICERS.—President, Van Horn Ely, Philadelphia; Vice-President, Wm. C. Sproul; Secretary and Treasurer, Walter W. Perkins.

DIRECTORS.—Henry Almstedt, L. L. Dunham, Van Horn Ely, John Gribbel, Geo. A. Huhn, Jr., Winder W. Laird, Walter H. Lippincott, J. T. Lynn, Charles R. Miller, E. Clarence Miller, Alexander C. Robinson, Henry P. Scott, Wm. C. Sproul, Thomas W. Wilson.

(No 1918 report.)

THE MANUFACTURERS' LIGHT AND HEAT COMPANY, PITTSBURGH, PA.

General Offices, Columbia Bank Building.

Incorporated in April, 1903, under the laws of Pennsylvania. (For companies owned and controlled, see "Parent Companies.")

CAPITAL STOCK.—Authorized, \$25,000,000; outstanding, \$23,000,000. Shares, \$50. Transfer agents, Colonial Trust Co., Pittsburgh. Registrars, Safe Deposit and Trust Co., Pittsburgh.

The principal of total bonded and mortgage debt, direct and indirect, at the end of the year was \$1,051,000, due and payable in annual installments as follows: 1918, \$148,000; 1919, \$445,000; 1920, \$458,000.

EXTRACT FROM GENERAL MANAGER'S REPORT, 1917.

There were 158 wells drilled and 11 wells purchased, making a total of 169 wells. Of this number, 94 wells were productive of gas, 46 wells productive of oil, and 29 wells were dry

holes. Of the productive wells, 120 wells were drilled deep, and 20 wells shallow. Of the dry holes, 27 wells were drilled deep, and 2 wells shallow. During the year there were abandoned 32 wells which formerly produced gas and 2 wells which formerly produced oil. Three gas wells were sold.

On December 31, 1917, there were in operation 1,129 gas wells and 373 oil wells, making a total of 1,502 productive wells, and 65 wells in the course of drilling.

The company now holds under lease for oil and gas purposes, 336,577.866 acres of land, situate in Pennsylvania, West Virginia, Ohio, Kentucky and Kansas. Of this acreage 118,140.276 acres are operated, and 218,437.59 acres are unoperated, making an increase of 4,696.75 acres in the operated acreage and a decrease of 1,100.75 acres in the unoperated acreage.

APPENDIX

In the past year there were laid in the several fields 57.669 miles of pipe of all sizes (2-inch and above), and there were lifted 24.852 miles of similar sizes of pipe, showing an increase of 32.817 miles.

In the city plants there were laid 25.450 miles of pipe of all sizes (2 inches and above), and there were lifted 4.725 miles of similar sizes, showing an increase of 20.725 miles, making a total of 1,756.036 miles of pipe in use in the fields and 1,027.386 miles in the city plants, making a grand total of 2,783.422 miles of pipe of all sizes (2 inches and above) in the entire plant, showing an increase for the year of 53.542 miles.

The oil production for the year ended December, 31, 1917, was 261,321.09 barrels, or a daily average of 715.95 barrels, showing an increase of 360.49 barrels per day, compared with the previous year's production.

On December 31, 1917, the company had on its books a total of 109,371 meter accounts, of which 108,457 are domestic accounts, showing an increase for the year of 5,003 domestic accounts.

The physical condition of the property is being maintained, and such additions and betterments as are needed from time to time are being installed. The various compressing stations, machine shops, etc., are being kept in a high state of efficiency and are rendering excellent service.

During the year 1917, the company disposed of 3,982 acres of leaseholds, together with 3 small gas wells. This territory is located in Marion and Monongalia Counties, West Virginia, and is scattered through several districts. It being located at a considerable distance from the present lines of the company, and the results obtained in the wells drilled such as to indicate that it would be unprofitable to extend the lines and make the investments necessary to operate the territory, it was deemed advisable to dispose of it.

During the year 1917, 4 gasoline plants were installed and are now in operation, the combined output of which at the present time is approximately 10,000 gallons per day.

WILLIAMS' "Agrippa" THREADING-TOOL HOLDER

The Threading Tool with lockable-spring head will do roughing, finishing and threading at one setting in the tool post.

J. H. WILLIAMS & CO., 74 Richard St., Brooklyn, N. Y.

OFFICERS.—President, John E. Gill; Vice-Presidents, L. A. Meyran, J. I. Buchanan; Secretary and Assistant Treasurer, H. E. Seibert; Treasurer, G. W. Ratcliffe; Auditor, F. C. Leslie; General Manager, T. O. Sullivan; Assistant Manager, M. B. Layton.

DIRECTORS.—E. H. Jennings, P. C. Beers, L. A. Meyran, William Flinn, John W. Donnan, J. W. Gill, Fred. N. Chambers, A. E. Succop, Jas. P. Eagleson, John E. Gill, J. I. Buchanan, C. F. Niemann.

PHILADELPHIA COMPANY, PITTSBURG, PA.

The Philadelphia Co. was organized in 1871 and is to-day one of the largest public service corporations in the United States, being engaged—either through direct operation or stock ownership—in supplying gas (natural and artificial), electric light and power and street railway services in the City of Pittsburgh and district, serving a population in excess of 1,100,000.

Companies controlled by the Philadelphia Co. supply the whole of the artificial gas, over 96 per cent of the electric light and power, and operate the entire street railway system in the City of Pittsburgh, with lines extending into neighboring boroughs and counties, the whole system comprising some 650 miles of track.

In addition, the Company produces, transports and sells natural gas, owning directly or through stock ownership, gas rights in 641.868 7/10 acres and it sold during the financial year ending March 31, 1917, over 48,120,896,100 cu. ft. of natural gas to 139,199 domestic and 427 industrial consumers.

Computations made by independent engineers value the amount of gas estimated to be contained in the above acreage at the present selling price thereof in excess of \$240,000,000.

The Philadelphia Co. and the companies it controls are operated under franchises, which, with some unimportant exceptions, are either perpetual or were granted for 999 years.

CAPITALIZATION AND FUNDED DEBT.

The Company has now outstanding—	
5% first mortgage and 5% consolidated mortgage bonds, maturing 1949 and 1951.....	\$21,648,000
6% collateral gold notes, maturing Feb. 1 and Aug. 1, to Aug. 1, 1918	500,000
5½% two year collateral gold notes, maturing April 2, 1919.....	7,000,000
5% debentures, maturing 1919 (convertible into common stock).....	1,957,000
*5% convertible gold debentures of 1912	9,794,000
5% non-cumulative preferred stock..	1,442,450
6% cumulative preferred.....	6,763,550
Common stock	42,943,000

Of the above, the mortgage bonds cannot be increased beyond the aggregate amount of \$22,000,000. The \$1,957,000 5 per cent debentures are the unconverted balance of an original \$5,000,000. No more thereof can be issued, and an equivalent amount of common stock is reserved for their conversion.

Since 1900, annual dividends on the common stock have been regularly paid of not less than 5 per cent, increasing in 1902 to 6 per cent, in 1910 and 1911 to 6 per cent, plus 1 per cent bonus in each year, and in August, 1912, to a dividend at the rate of 7 per cent per annum.

*Bonds: Convertible 5 per cent gold debenture, authorized, \$10,000,000; outstanding, \$9,794,000; dated May 1, 1912; due May 1, 1922. Interest payable May 1 and November 1 at New York or London. Denominations, coupon, \$1,000, or £205 15s. 2d., with privilege of registration as to principal. Redeemable at the option of the Company on any interest date upon forty-five days' notice, at 102½ and accrued interest. Trustee of bonds, New York Trust Co., New York. Convertible after January 31, 1913, at any time prior to maturity or the date by call for redemption, into an equal amount in par value of Philadelphia Co. 6 per cent cumulative preferred stock.

The proceeds of these debentures are to be utilized as follows:

Six millions of dollars, or so much thereof as may be necessary, to be applied to the improvement, betterment or extension of the facilities of the street railway system owned by the Company, and the remainder of such proceeds to the acquisition of additional electric light and power properties and the extension and improvement of the facilities of the light and power system controlled by the Company; which several acquisitions, extensions and improvements are expected to result in large additional earnings. With this object in view, the Company has purchased, or contracted to purchase, light and power plants to be paid for out of the proceeds of the debentures, at a cost of \$2,525,000.

The stockholders have also authorized an issue of \$25,000,000 6 per cent cumulative preferred stock (preferred as to capital and dividend), of which \$10,000,000 is to be reserved for the conversion of the \$10,000,000 5 per cent convertible debentures; of the balance, \$6,000,000 is held in reserve for the conversion of the existing 5 per cent non-cumulative preferred stock (preferred as to dividend only) upon such terms as the Directors may determine, and the remaining \$9,000,000 is reserved for future issue.

The Company pledges itself not to create any class of stock ranking with or prior to the above 6 per cent cumulative preferred stock, without the consent of the holders of two-thirds of the amount of such stock outstanding.

RELIABLE STOVE COMPANY, Div. Am. Stove Co., CLEVELAND, O.

EXTRACT FROM ANNUAL REPORT TO STOCKHOLDERS
FOR YEAR ENDED DECEMBER 31, 1917.

Since the last annual report, your company, through its underlying companies, has acquired 228,046.41 acres of new oil and gas leases and surrendered 52,995.50 acres that have proven unproductive, and now holds 631,429.23 acres. In addition, your company owns a one-half interest in 137,669.90 acres in West Virginia through its ownership of stock in the Reserve Gas Company.

During the year your company drilled 205 wells, of which 38 were oil wells, 113 were gas wells and 54 were unproductive. In addition to this 5 gas wells and 3 oil wells were purchased, making a total of 150 oil wells in Ohio and 959 gas wells in Ohio and Pennsylvania, and through its ownership of stock in the Reserve Gas Co., a one-half interest in 640 gas wells and 5 oil wells in West Virginia.

There were laid in field lines 58.23 miles; in extensions in cities and towns, 25.59 miles; a total of 83.82 miles of pipe.

The principal part of the investment during the year was: (a) The construction of 4.65 miles of 16 in. and 6.27 miles of 12 in.; 4.97 miles of 10 in.; 1.06 miles of 8 in., and 15.21 miles of 6 in. pipe lines, made necessary to reach new developments in the Ashland-Lorain field,

Ohio, and in Jefferson County, Pennsylvania. (b) The installation of a new unit, 1,425 h. p., twin tandem gas engine gas compressor at Pavonia Station, and the partial construction of a new gas compressing station at Avon, Lorain County, Ohio, of 2 units, 425 h. p. single tandem gas engine gas compressors. (c) The construction of two purifying plants at Avon and Bangs Station, O., and additions to the plants at Pavonia Station, O., and McKinley Station, Pa. (d) The purchase of 5 gas wells and leases in Ashland and Richland counties, O., 1 oil well in Ashland County, O., and 2 oil wells in Hocking County, O. (e) The purchase of distributing plants at Birmingham and Utica, O. The total investment for the year was \$1,772,003.02.

The operations of The Preston Oil Company have been successfully continued throughout the year, a net daily average of 708 barrels having been maintained.

Company's fiscal year ends December 31.

SOUTH CAROLINA LIGHT, POWER AND RAILWAYS CO., SPARTANBURG, S. C.

The South Carolina Light, Power and Railways Co. was incorporated under the laws of Massachusetts, June, 1912, and acquired the properties of The Spartanburg Railway, Gas and Electric Co. and the Electric Manufacturing and Power Co., both of South Carolina. The Company does the entire gas and street railway business of the City of Spartanburg, South Carolina, and supplies, without competition, power and electric light for manufacturing, commercial, domestic and municipal use in Spartanburg, Gaffney, Cowpens, Woodruff and Blacksburg, South Carolina.

FRANCHISES.—The franchises under which the Company operates do not contain any objectionable restrictions and run beyond the life of the bonds.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock 6 per cent cumulative	\$1,500,000	\$700,000
Common stock	3,000,000	2,500,000

Dividends on preferred stock payable quarterly.

Transfer agents, Old Colony Trust Co., Boston, and Fidelity Trust Co., Pittsburg.

FUNDED DEBT.—Bonds: First mortgage 5 per cent sinking fund gold, authorized, \$5,000,000; issued, \$3,000,000. Dated November 1, 1912; due May 1, 1937. Interest payable May 1 and November 1 in New York and London. Denomination, \$1,000, or £205 9s. 8d. each. Coupon, registerable as to principal. Redeemable at 105 and interest on any interest date. Trustee of bonds, The New York Trust Co. Registrar, American Trust Co., Boston.

SECURITY.—First mortgage.

SINKING FUND.—Annually beginning November 1, 1915, the Company is required to make a sinking fund payment to the trustee of 1 per cent of the bonds outstanding.

OFFICERS.—President, P. G. Gossler; Vice-President, F. H. Knox; Secretary and Treasurer, F. B. Lasher.

NASHVILLE GAS AND HEATING CO., NASHVILLE, TENN.

Incorporated July 5, 1911, under the laws of Tennessee to acquire the stock of the Nashville Gas Co.

CAPITAL STOCK.—Authorized, \$1,600,000 common stock and \$1,500,000 6 per cent cumulative preferred. Issued, \$1,600,000 common; \$800,000 preferred. Preferred stock is subject to redemption after May 1, 1915, at 105 and accumulated dividends and may exercise voting power only in case 18 per cent in dividends shall at any time remain unpaid thereon.

FUNDED DEBT.—Outstanding, consists of \$2,000,000 first mortgage 5 per cent 25-year sinking fund gold bonds due May 1, 1937, but subject to redemption in whole on and after May 1, 1922, or in part for sinking fund on and after May 1, 1927, at 105 and interest. Authorized issue, \$6,000,000. Coupon bonds, \$1,000, registered as to principal. Interest payable May 1 and Novem-

ber 1 at office of the trustee, Girard Trust Company, Philadelphia, Pa. Unissued bonds are issuable for improvements or new property at not more than 85 per cent of cost, but only when the net earnings, after taxes and rentals, shall be not less than one and one-half times the interest on all bonds of this issue outstanding, and those about to be issued. Annual sinking fund of \$25,000 begins May 1, 1927, bonds to be drawn by lot at 105 and interest, if not purchasable for less. Secured by a first mortgage on all property of the Company.

OFFICERS.—President, C. H. Geist; Vice-Presidents, Walton Clark, Lewis Lillie, S. E. Linton; Treasurer, James Ball; Secretary, G. W. Curran; Assistant Treasurers, E. MacMorris and V. K. Stevenson; General Manager, S. E. Linton.

DIRECTORS.—Walton Clark, G. W. Curran, C. H. Geist, Lewis Lillie, Paul Thompson.

AMERICAN PUBLIC SERVICE CO., ABILENE, TEX.

Executive office, 72 W. Adams St., Chicago, Ill.

The American Public Service Co. was organized under the laws of Delaware in 1912, and acquired the entire capital stocks and all the outstanding bonds of its constituent companies. The properties owned and controlled by the constituent companies of the American Public Service Company include all the electric light and power and ice properties in the cities of Abilene,

Anson, Hamlin, Marshall, Longview, Cisco, Jefferson, Baird and Merkel, Texas, and Henryetta, Hugo, Okmulgee, Towson, Kusa, and Morris, Oklahoma; the electric light and power property in Stamford, Texas; the gas properties in Abilene and Cisco, Texas; the water works in Abilene, Texas, and the street railway system in Marshall, Texas. The cities

in which the companies operate are enterprising and rapidly growing communities, serving a combined population of approximately 97,300.

CAPITALIZATION.

	Authorized	Outstanding
Common stock	\$15,000,000	\$1,601,600
Pref. stock, 7%, cumulative	10,000,000	687,600
1st lien 6% bonds, due 1942		2,171,100
6% convertible gold notes		
1919	500,000	500,000

First lien 6 per cent gold bonds, dated December 1, 1912; due December 1, 1942. Callable at 105 and interest on any interest date. Interest payable June 1 and December 1 in New York, without deduction of normal federal income tax. Coupon Bonds, \$1,000, registerable as to principal only or exchangeable for fully registered bonds. Also issued in \$500 and \$100 denominations. Registered bonds, \$1,000 or multiples, or exchangeable for coupon bonds of \$1,000 denomination.

SECURITY OF BONDS.—These bonds are secured by a first collateral lien which is practically equivalent to a direct first mortgage on the entire property now owned by the constituent companies. The entire capital stocks and all the bonds of these companies have been deposited with the trustee, giving the bondholders not only the lien as represented by the first mortgage bonds of the subsidiary companies, but also equities as represented by their stocks, and no additional stocks or bonds can be issued by the constituent companies unless deposited as additional security under the first lien mortgage.

THE DALLAS GAS CO., DALLAS, TEX.

The Dallas Gas Co. was incorporated June 5, 1905, under the laws of Texas.

FRANCHISES.—Gas in Dallas, Tex.—Indeterminate, providing for service at cost and 8 per cent return on capital invested.

CAPITALIZATION.

DIRECTORS.—Wm. G. Breg, H. C. Morris, R. G. Soper, H. A. Kahler, H. D. Walbridge, Fred F. Sliney, C. A. Caldwell, John P. Tucker and Carl C. Kizer.

Annual meeting of stockholders held fourth Tuesday of January at Dallas, Tex.

Company's fiscal year ends December 31.

TEXAS POWER AND LIGHT CO., DALLAS, TEX.

The Texas Power and Light Co. was incorporated May 27, 1912, under the laws of the State of Texas to acquire and operate electric light and power and gas properties in Texas.

The Company does the entire commercial electric light and power business in Waco, Denison, Sherman, Paris, Temple, Palestine, Tyler, Cleburne, Gainesville, Brownwood, Waxahachie,

Hillsboro, Ennis, Taylor, Bonham, Belton, Honey Grove, comprising 86 communities, and also a gas business in Waco, Denison, Paris, Cleburne and Brownwood. It also supplies at wholesale electric light and power service for Corsicana and Terrell.

The estimated present population of the entire territory served is approximately 304,575.

HUNT COAL AND COKE VALVES—simplex, duplex, Seaton or "S," Briggs, etc., especially designed for controlling coal and coke, movement in gas works are described in detail in Catalogue N15-3.

C. W. HUNT CO., INC., Main Office and Works, WEST NEW BRIGHTON, N. Y.

FRANCHISES.

The franchises under which the Company operates in the various municipalities are satisfactory from a business standpoint and have no unusual or burdensome requirements. The majority of the franchises were granted for periods which extend, in the opinion of counsel, at least to 1952; and with a single exception all were granted for periods which extend beyond 1937.

CAPITAL STOCK AND DIVIDENDS.

The authorized and outstanding capital stock of the Texas Power & Light Company as of December 31, 1917, was as follows:

	Authorized	Outstanding
Preferred stock	\$4,000,000	\$3,500,000
Second preferred stock..	4,000,000	450,000
Common stock.....	10,000,000	10,000,000

All of the authorized stock was issued as preferred stock, but a part of it subsequently was made second preferred stock and subordinated to the preferred stock.

The preferred stock is entitled to cumulative dividends at the rate of 7 per cent per annum, and dividends at this rate have been paid regularly since date of issue. Payments are made quarterly, on February 1, May 1, August 1, and November 1. The preferred stock has preference over common stock as to assets in case of liquidation. It is redeemable on any dividend date at 115 per cent and accrued dividends. Old Colony Trust Company of Boston is the transfer agent, and the State Street Trust Company of Boston is the registrar for the stock.

The second preferred stock is entitled to cumulative dividends at the rate of 6 per cent per annum from the date of issue to December 31, 1915, and thereafter is entitled to cumulative dividends at the rate of 7 per cent per annum. It has preference over the common stock as to assets in case of liquidation. It is redeemable on any dividend date at par and accrued dividends. It is convertible at the option of the Company by lot into preferred stock when for twelve consecutive months within the immediately preceding thirteen months earnings for dividends are equal to at least twice the dividend requirements on the preferred stock then outstanding and the additional preferred stock to be issued in exchange.

All of the second preferred stock and common stock, except directors' shares, is owned by the Southwestern Power & Light Company.

FUNDED DEBT.—Bonds: First mortgage gold 5s, authorized, \$30,000,000; issued, \$10,035,000. Dated June 1, 1912; due June 1, 1937. Interest payable June 1 and December 1 in New York. Denomination, \$1,000; coupon with privilege of registration as to principal. Redeemable at 105 and interest on any interest date on and after June 1, 1917. Trustee of bonds, Bankers Trust Co., New York.

The bonds are secured by a first lien on all properties, rights and franchises of the Company now owned or hereafter acquired.

SINKING FUND.—The mortgage provides for a sinking fund calling for the deposit annually on June 1 with the trustee of the following amounts: 1915 to 1917 inclusive a sum equal

to 1 per cent of the bonds outstanding per annum; 1918 to 1920 inclusive a sum equal to 1½ per cent of the bonds outstanding per annum; 1921 to 1936 inclusive a sum equal to 2 per cent of the bonds outstanding per annum.

The funds so deposited may be used either to retire bonds or for extensions and additions which might otherwise have been made the basis of the issuance of bonds.

SERVICE AND PROPERTY.

The total number of customers served by the Texas Power & Light Company and the physical equipment of its properties as of December 31, 1917, as compared with the previous year, follow:

	1917	1916

Annual meeting of stockholders held third Thursday in January.

UTAH LIGHT AND TRACTION COMPANY, SALT LAKE CITY, UTAH.

Utah Light and Traction Company was incorporated September 18, 1914, under the laws of Utah. It owns the electric light and power and street railway properties in Salt Lake City and the electric light and power and gas properties in Ogden, formerly owned by the Utah Light & Railway Company. The electric light and power and gas properties are leased for 99 years from January 1, 1915, to the Utah Power & Light Company, which company owns all the outstanding capital stock, except directors' shares, of the Utah Light and Traction Company. The street railway properties in Salt Lake City continue to be operated by the Utah Light and Traction Company.

The company has outstanding \$1,000,000 capital stock, all of one class. All of this stock, except directors' shares, is owned by the Utah Power & Light Company.

The company has outstanding \$12,136,000 first and refunding mortgage 5 per cent gold bonds. The mortgage under which these bonds are issued is an open mortgage. The bonds are dated September 18, 1914, and are due October 1, 1944. Interest is payable April 1 and October 1 at the office of the Bankers Trust Company, New York, trustee. The bonds so far issued are known as series "A" and bear interest at the rate of 5 per cent. Under the terms of the mortgage the interest rate on any subsequent issue of bonds cannot exceed 6 per cent. They are in \$1,000 denomination and are in coupon form, but principal may be registered. Under the terms of the mortgage bonds may be issued in coupon form in \$1,000, \$500 and \$100 denominations, and in fully registered form in \$1,000 de-

nomination. Coupon bonds in any denomination may be registered as to principal.

The bonds are secured by a first lien on all properties, rights and franchises of the company now owned or hereafter acquired, subject to the rights of the underlying bonds on the property as shown below.

The bonds are redeemable as a whole on any interest day, or in part for sinking fund after December 31, 1917, as described below, at 105 per cent and accrued interest.

A sinking fund is established by the mortgage requiring payment to the trustee on December 31 of each year as follows: 1 per cent from 1917 to 1919, inclusive; 2 per cent from 1920 to 1934, inclusive; 2½ per cent from 1935 to 1943, inclusive. Money in the sinking fund may be issued for the redemption of bonds at not more than 105 per cent and accrued interest, or it may be used to reimburse the company for the cost of permanent additions, improvements, etc., which might otherwise have been made the basis for the issuance of bonds. If bonds for redemption, as stipulated in the sinking fund provision, are not obtainable in the market at 105 per cent and accrued interest, or a lower price, they may be called by lot at 105 per cent and accrued interest.

Additional bonds may be issued only to reimburse the company for not exceeding 80 per cent of the cost of permanent additions, improvements, etc.

All bonds so far issued are guaranteed, principal and interest, by the Utah Power & Light Company.

The Utah Light and Traction Company has underlying bonds outstanding as follows:

	Total outstanding	Held between companies	Owned by public
Utah Light & Power Co. 5% prior lien gold bonds	\$750,000	\$6,000	\$744,000
Utah Light & Power Co. 4% consolidated mortgage gold bonds	2,600,000	1,487,000	1,113,000
Consolidated Railway & Power Co. 5% first mortgage gold bonds	1,440,000	1,440,000
Utah Light & Railway Co. 5% consolidated mortgage gold bonds	1,485,000	999,000	486,000

All mortgages under which the above named underlying bonds were issued are now closed and no additional amounts of bonds can be issued.

Utah Light & Power Company 5 per cent prior lien gold bonds are dated January 1, 1900, and are due January 1, 1930. Interest is payable January 1 and July 1 at the office of the Central Trust Company, New York, trustee.

Utah Light & Power Company 4 per cent consolidated mortgage gold bonds are dated Jan-

uary 1, 1900, and are due January 1, 1930. Interest is payable January 1 and July 1 at the office of the Equitable Trust Company, New York, trustee.

Consolidated Railway & Power Company 5 per cent first mortgage gold bonds are dated September 1, 1901, and are due July 1, 1921. Interest is payable January 1 and July 1 at the office of Equitable Trust Company, New York, trustee.

UTAH POWER & LIGHT COMPANY, SALT LAKE CITY, UTAH.

Utah Power & Light Co. was incorporated on September 6, 1912, under the laws of the State of Maine, for the purpose of carrying on a general electric and gas business, and serves with electric light and power an extensive and steadily growing territory in Utah and south-eastern Idaho. It also serves through its subsidiary, The Western Colorado Power Company, an important section in southwestern Colorado. In addition, the company has leased for a term of ninety-nine years from January 1, 1915, the electric light and power and gas properties of the Utah Light & Traction Company, all of the capital stock of which, except directors' shares, is owned by the Utah Power & Light Company. Through this lease the Utah Power & Light Company now does the entire electric light and power business in Salt Lake City and the entire electric light and power and gas business in Ogden.

FRANCHISES.—The principal franchises under which the Utah Power & Light Co. operates are the following, expiring upon the dates indicated: Salt Lake City (U. L. & P.), 1955; Ogden City, 1946; Provo, 1940; Logan, 1936; Bingham, 1953; Lehi, 1962; Preston, 1956.

CAPITALIZATION.

Stock:	Authorized	Outstanding
Common	\$35,000,000	\$30,000,000
Preferred	15,000,000	5,900,000
Second preferred....	10,000,000	4,937,000
Bonds: First mortgage 5s.....		19,005,000

FUNDED DEBT.—Bonds: First mortgage 5 per cent gold; dated February 2, 1914; due February 1, 1944; interest payable February 1 and August 1. Guaranty Trust Co., trustee of bonds. Denomination, \$1,000; coupon, with privilege of registration as to principal or exchangeable for fully registered bonds. Callable at 105 and interest on any interest date on or after February 1, 1919.

SINKING FUND.—The mortgage provides for payment to the trustee of 1 per cent of the amount of the bonds outstanding each year on December 31, from 1916 to 1918, inclusive; 2 per cent of the amount of the bonds outstanding each year on December 31, from 1919 to 1933, inclusive; 2½ per cent of the amount of the bonds outstanding each year on December 31, from 1934 to 1943, inclusive.

The funds so received may be either to retire bonds or for permanent improvements, extensions or additions to the property which might otherwise have been made the basis of the issuance of bonds.

SECURITY.—The first mortgage 5 per cent gold bonds of the Utah Power & Light Company are secured, in the opinion of counsel, by a direct first mortgage on all the property, franchises and rights of the company, located in the States of Utah and Idaho, and through the deposit of securities, as herein described, by a first lien on the property located in Colorado. The Utah Power & Light Company owns all of the securities (first mortgage bonds and capital stock) of The Western Colorado Power Company, which corporation owns and operates certain hydro-electric generating stations and transmission lines in the State of Colorado. All of its securities are pledged under the first mortgage of the Utah Power & Light Company, the first mortgage of the latter company thus covering the Colorado properties as a first collateral lien. No additional bonds or stock of The Western Colorado Power Company can be issued except to the Utah Power & Light Company and then must be deposited under its first mortgage.

OFFICERS.—D. C. Jackling, President; S. Z. Mitchell, Chairman of the Board; W. S. McCornick, G. E. Claffin, C. E. Groesbeck, E. K. Hall, E. W. Hill, Vice-Presidents; E. P. Summerson, Treasurer and Assistant Secretary; George B. Thomas, Secretary and Assistant Treasurer; A. E. Smith, Assistant Secretary and Assistant Treasurer.

1918

UTAH SECURITIES CORPORATION.

Utah Securities Corporation was incorporated September 10, 1912, under the laws of Virginia to acquire securities of companies operating and controlling electric light and power, gas, railway and waterworks properties. It is a holding company and does not operate any properties. The specific powers conferred upon Utah Securities Corporation in its certificate of incorporation are as follows: To construct, equip, improve or work upon any and all kinds of plants for the manufacture of ice, or the storage, utilization, supply and disposition of electricity, gas, water or steam, or of power produced thereby, and to do a general contracting business; to subscribe, to purchase or otherwise acquire, hold, guarantee or become surety in respect to, pledge, sell or otherwise dispose of stocks, bonds or other securities and obligations of any corporation, domestic or foreign.

Utah Securities Corporation controls, through the ownership of all its outstanding capital stock, except directors' shares, the Utah Power & Light Company, which latter company controls The Western Colorado Power Company, through the ownership of all its issued securities, except directors' shares of stock, and the Utah Light and Traction Company, through the ownership of all its capital stock, except directors' shares.

CAPITAL STOCK.—The authorized and outstanding capital stock of the Utah Securities Corporation as of December 31, 1916, was as follows:

	Authorized	Outstanding
Capital stock (all of one class)	\$35,000,000	\$30,775,100

All of the outstanding capital stock, except directors' shares, is in a voting trust terminating October 1, 1922. The voting trustees are R. E. Breed, James Campbell, Chas. Hayden, S. Z. Mitchell and J. R. Nutt. The Guaranty Trust Company of New York is the agent for the voting trustees.

BONDS.—The company has no authorized or outstanding bonds.

NOTES.—The authorized and outstanding notes of the Utah Securities Corporation as of December 31, 1916, were as follows: Ten-year 6 per cent gold notes: Authorized, \$30,000,000; subscribed, \$27,500,000; issued, \$26,984,500; retired, \$19,518,000; outstanding, \$7,466,500.

Under the terms of the trust agreement securing the notes it is provided that all securities which the Utah Securities Corporation may acquire by the use of the proceeds of the sale of the notes shall be deposited with the trustee as security for the notes. When any of the securities so deposited are sold the proceeds must be used by the trustee for the purchase, redemption and cancellation of the notes. The trustee is required to advertise for tenders of notes and to buy those notes first which are offered at the lowest price, and if notes cannot be purchased at 101 per cent and accrued interest, or at lower prices, then notes may be called by lot at 101 per cent and accrued interest.

The notes are dated September 14, 1912, and are due September 15, 1922. Interest is payable March 15 and September 15 at the office of the Guaranty Trust Company of New York, trustee. The notes are in \$1,000 and \$500 denominations, and are in coupon form, but principal may be registered. They are redeemable as a whole, or in part on any interest date at the option of the company at 101 per cent and accrued interest.

OFFICERS.—S. Z. Mitchell, President; D. C. Jackling, G. E. Claffin, E. H. Hall, E. W. Hill, Vice-Presidents; A. E. Smith, Secretary and Treasurer; E. P. Summerson, Assistant Secretary and Assistant Treasurer.

DIRECTORS.—A. C. Bedford, Irving Bonbright, R. E. Breed, G. E. Claffin, E. K. Hall, Charles Hayden, Alexander Hemphill, D. C. Jackling, James Mitchell, S. Z. Mitchell, Rollin P. Grant, D. E. Pomeroy, J. R. Nutt, Frederick Strauss.

RUTLAND RAILWAY, LIGHT & POWER COMPANY.

Chartered in February, 1906, in Vermont, as a consolidation of the Rutland Street Railway, The People's Gas Light Co., the Chittenden Power Co., and the Vermont Internal Improvement Co. Merged the Rutland City Electric Co. in April, 1908. The Rutland Street Railway was chartered in perpetuity in 1882; road opened in 1885 by horsepower; electricity substituted November 26, 1894. Road rebuilt and extended to Fair Haven in 1902 and to Poultney (7 miles) in 1911. This road serves the city of Rutland with two belt lines, and extends through Centre Rutland, West Rutland, Castleton, Castleton Corners, Hydeville, Fair Haven, with a branch line to Lake Bomoseen and Poultney. Road surveyed to Whitehall, N. Y. Length of track, 33.5 miles. Gauge, 4 ft. 8½ in. Rail (T), 60 lbs. Cars, 49.

CAPITAL STOCK.—Common, authorized, \$2,000,000; outstanding, \$1,700,500. Shares, \$100. Annual meeting second Monday in July; books close ten days in advance.

FUNDED DEBT.—Authorized and outstanding, \$2,000,000. First mortgage 5 per cent 40-year gold bonds, due March 1, 1946; interest March and September, at office of the trustee, Lincoln Trust Co., New York, N. Y. Coupon and registered bonds, \$1,000. Bonds are redeemable at 110 and interest, as a whole or in amounts not less than \$50,000 on any interest day after March 1, 1916. Sinking fund of ½ per cent to 2 per cent annually on bonds outstanding began March 1, 1916.

MANAGERS.—The W. S. Barstow Management Ass'n, Inc., New York, N. Y.

OFFICERS.—W. S. Barstow, President; F. S. Nicholson, Vice-President and General Manager; H. L. Hansen, Clerk and Treasurer; G. Tracy Rogers, Chairman of Board.

DIRECTORS.—Herbert Nash, Jr., Boston, Mass.; H. L. Hansen, F. S. Nicholson, Rutland, Vt.; G. Tracy Rogers, Binghamton, N. Y.; W. S. Barstow, W. Buchsbaum, Joseph B. Taylor, New York, N. Y.

Williams' "Agrippa" Boring-Tool Holder

The Boring Tool takes any size or shape of bar and requires no bushings. Its sleeve bar permits either straight or angular adjustment of cutter without resetting.

ILLUMINATING AND POWER SECURITIES CORPORATION, RICHMOND, VA.
Boston office: 19 Congress Street.

The Illuminating & Power Securities Corporation was incorporated May 31, 1912, under the laws of the State of Virginia, to carry on the business of buying, selling and dealing in stocks, bonds and other securities and properties of electric power, electric lighting, gas, and other public service companies or enterprises.

CAPITALIZATION.

Seven per cent cumulative preferred stock, par value \$100—
Authorized

Authorized	\$1,500,000
Issued	1,250,000

Common stock, par value \$50—
Authorized and issued..... 2,500,000
Transfer agent, Old Colony Trust Co., Boston, Mass.

The preferred stock is preferred both as to assets and dividends and is entitled in preference to the common stock to dividends cumulative at the rate of 7 per cent per annum from August 1, 1912, payable quarterly or semi-annually on such dates as the directors shall determine, and is redeemable on any dividend date after three years at 115.

OFFICERS.—President, C. P. Hamilton; Vice-Presidents, S. W. Childs, R. C. Morse; Secretary and Treasurer, W. F. Pope; Assistant Secretary and Assistant Treasurer, W. H. Nash.

DIRECTORS.—C. P. Hamilton, S. W. Childs, R. C. Morse, W. S. Clough, C. A. Coffin.

Annual meeting, second Monday in May, at Richmond, Va.

SOUTHWESTERN UTILITIES CORPORATION, RICHMOND, VA.

The Company, incorporated in June, 1912, under the laws of Virginia, is a holding company owning all the capital stock (except directors' shares) of the Southwestern Power and Light Co.

CAPITALIZATION.

Common stock, authorized, \$15,000,000; outstanding, \$15,000,000, all owned by the American

Power & Light Co. Shares, \$100. Transfer agents, stock is in voting trust and agent for voting trustees is Bankers Trust Co.

NOTES.—Five year 6 per cent gold notes, authorized, \$15,000,000; issued, \$10,000,000; outstanding December 31, \$2,576,000. Dated June 15, 1912; due June 15, 1917. Interest payable June and December 15 at Bankers Trust Co.,

For twenty years the largest Gas Companies in America and England have used the GOODMAN STOPPER.

SAFETY GAS MAIN STOPPER COMPANY,

263 East 133rd Street, New York, N. Y.

New York. Denominations, \$500 and \$1,000; coupon form, but principal may be registered. Redeemable at 101 on any interest date. Trustee of bonds, Bankers Trust Co.

Under the terms of the trust agreement securing the notes it is provided that all securities which the Southwestern Utilities Corporation may acquire by the use of the proceeds of the sale of the notes shall be deposited as security for the notes. When the securities so deposited are sold the proceeds must be used by the trustee for the purchase, redemption and cancellation of the notes. The trustee is required to advertise for tenders of notes and to buy those first which are offered at the lowest price, and if notes can not be purchased at 101 per cent and accrued interest, then notes are to be redeemed by lot at that price.

Southwestern Utilities Corporation is an investment company and does not operate any properties. It owns all the outstanding second preferred and common stock, except directors' shares, of the Southwestern Power & Light Company.

OFFICERS.—President, F. G. Sykes; Vice-Presidents, E. W. Hill, A. S. Grenier and William Darbee; Secretary and Treasurer, M. H. Arning; Asst. Secretary and Asst. Treasurer, Walter C. Lang.

DIRECTORS.—A. E. Smith, E. P. Summerson, F. G. Sykes, E. W. Hill, A. S. Grenier.

Annual meeting of stockholders held third Tuesday in June at Richmond, Va.

BALANCE SHEET AS OF DECEMBER 31, 1917.

Reserves	90,031.38
Surplus	91,288.86
Total	\$6,570,914.86

* Of this amount \$1,023,744.41 is due American Power and Light Company.

SOUTHWESTERN POWER & LIGHT COMPANY.

The Southwestern Power & Light Company was incorporated July 30, 1912, under the laws of Maine. It is an investment company, controlling the Texas Power & Light Company, Fort Worth Power & Light Company, El Paso Gas Company, Paris Transit Company, Wichita Falls Electric Company, Wichita Falls Water Company, West Texas Electric Company, Sweetwater Ice & Cold Storage Company, International Electric Company and Eagle Pass Water Company and Galveston Gas Company. It owns all the common stock, except directors' shares, of the Texas Power & Light Company, more than 93 per cent of the common stock of the Fort Worth Power & Light Company and all of the capital stock and other securities (except directors' shares) of the other companies. It also controls the Hutchinson Gas and Fuel Company and the Newton Gas and Fuel Company through ownership of all their capital stock, except directors' shares. The total population of the communities served is estimated at 592,875.

FRANCHISES.—None of the franchises under which the controlled companies operate expire prior to 1935, while most of them do not expire until 1950 or later, and some of them are unlimited in time. All are ample in their provisions and are free from burdensome restrictions.

CAPITAL STOCK.—The authorized and outstanding capital stock of the Southwestern Power & Light Company as of December 31, 1917 was as follows:

	Authorized	Outstanding
Preferred	\$12,000,000	\$2,423,000
Second preferred	3,000,000	1,964,000
Common	20,000,000	15,125,000

All of the outstanding stock of all classes, except directors' shares, is held by the Southwestern Utilities Corporation and is deposited under the agreement securing the five-year 6 per cent gold notes of the Southwestern Utilities Corporation.

The preferred stock is entitled to 7 per cent cumulative dividends from November 1, 1912, and to preference over the second preferred stock and common stock as to assets in case of liquidation. It is redeemable on any dividend date at 115 per cent and accrued dividend.

The second preferred stock is entitled to 7 per cent cumulative dividends. It is also entitled to preference over common stock as to assets in case of liquidation. It is redeemable on any dividend date at par and accrued dividends. The second preferred stock is convertible at the option of the company by lot into preferred stock when for twelve consecutive months within the immediately preceding thirteen months earnings for dividends are two and one-half times the dividend requirements on the preferred stock then out and the additional preferred stock to be issued in exchange.

Transfer agent, Registrar and Transfer Co. of Jersey City, N. J. Registrars, Corporation Trust Co. of Jersey City, N. J.

BONDS.—First lien 5 per cent gold, outstanding (December 31, 1917), \$3,797,000. Interest June and December. Dated June 1, 1913; due June 1, 1943. Denominations, \$100, \$500 and \$1,000. Coupon; principal registerable. \$1,000 bonds may be fully registered. Redeemable at 105 and interest on or after June 1, 1918.

The bonds are secured by a first lien on all

Precision Orsats or Flue Gas Analyzers for either 50 or 100 CCs always in stock. Prices and Bulletins on request.

PRECISION INSTRUMENT COMPANY : : : : DETROIT, MICHIGAN

property now owned by the El Paso Gas Company, Wichita Falls Electric Company, Wichita Falls Water Company, West Texas Electric Company, Paris Transit Company, International Electric Company, Eagle Pass Water Company and Sweetwater Ice & Cold Storage Company through the deposit with the trustee of the entire capital stock and all bonds of each company; and are further secured by the deposit with the trustee of all the common stock, except directors' shares, of the Texas Power & Light Company and all the common stock of the Fort Worth Power & Light Company owned by the Southwestern Power & Light Company.

The mortgage provides for sinking fund payments on the total amount of bonds outstanding on June 1 of each year as follows: 1 per cent from 1918 to 1922, inclusive; $1\frac{1}{2}$ per cent from 1923 to 1927, inclusive, and 2 per cent from 1928 to 1942 inclusive. If the Company's earnings are equal to at least three times the interest charges on all bonds outstanding the sinking fund for any of the years from 1928 to 1942, inclusive, may be only $1\frac{1}{2}$ per cent. The sinking fund is to be applied to the purchase of bonds at not more than 105 per cent and accrued interest. If the bonds are not obtainable in the market at that or a lower price they may be called by lot at 105 per cent and accrued interest.

Additional bonds may be issued only to reimburse the Company for not exceeding 80 per cent of the cost of permanent additions, improvements, etc., and then only provided net earnings of the Company for twelve consecutive months within the fifteen months preceding any proposed issue are equal to at least twice the annual interest charge on the total bonds then outstanding and those applied for.

SERVICE AND PROPERTY.

All of the companies controlled by the Southwestern Power & Light Company operate as separate units. They furnish electric light and power service to 102 communities (including wholesale service to 2 communities), gas service to 10 communities, water service to 3 communities, street railway service to 1 community and ice and fuel service to 1 community. The total population of the communities served in 1910 was 449,074, according to the United States Census and estimates for the two Mexican communities. Since 1910 this population has been largely increased and is now estimated at 592,875.

The total number of customers served by the companies controlled by the Southwestern Power & Light Company and the physical equipment and output of their properties as of December 31, 1917, as compared with the previous year, follow:

	1917	1916
Electric customers....	58,609	52,817
Artificial gas customers	17,495	16,181
Natural gas customers	11,823	11,814
Water customers.....	3,975	3,719
Total customers.....	91,902	84,531
Kw. generating capacity	39,356	38,950
Kw. generating capacity under construction..	19,135	15,850
Kw. hr. feeder output for 12 months.....	132,831,368	104,904,559
Miles of overhead electric distributing pole lines (6,600 volts or less) in service, irrespective of the number of circuits carried	1,282	1,116
Miles of high voltage transmission lines (over 6,600 volts) in operation, irrespective of the number of circuits carried....	1,002	884
Miles of high voltage transmission lines (over 6,600 volts) under construction, irrespective of the number of circuits carried	44	117
Artificial gas holder capacity (cu. ft.)...	2,696,500	1,596,500
Artificial gas holder capacity (cu. ft) under construction.....	1,100,000
Artificial gas output (cu. ft.) for 12 mos.	533,384,000	458,733,400
Natural gas output (cu. ft.) for 12 mos.....	1,537,027,000	2,346,395,000
Miles of gas mains....	415	401
Miles of street railway lines in operation..	5	5
Miles of water mains	49	46

BALANCE SHEET.

CHEESMAN & ELLIOT, 100 William St., New York

PUGET SOUND TRACTION, LIGHT AND POWER CO., SEATTLE, WASH.

This Company purchased and consolidated the properties formerly owned by The Seattle Electric Company, Pacific Coast Power Company, Puget Sound Power Company, Seattle-Tacoma Power Company and Whatcom County Railway & Light Company. It also owns most of the capital stock of Puget Sound Electric Railway and all the capital stock of Pacific Northwest Traction Company, which owns the capital stock of the Puget Sound International Railway & Power Company.—lessee of Everett Railway, Light and Water Company.

The Company through ownership or control does substantially all the electric street and interurban railway and the greater part of the commercial electric lighting and power business in the Puget Sound district, including the cities of Seattle, Tacoma, Bellingham and Everett, Washington. The Company owns or controls hydro-electric power plants with a present development of 87,500 h. p. and an ultimate development of about 175,000 h. p.; steam stations with a present capacity of 34,400 h. p.; and street and interurban railways aggregating 493.6 miles of equivalent single track.

FRANCHISES.—The franchises under which operation is carried on in the various cities and towns are satisfactory in terms, and expire, with unimportant exceptions, on dates ranging from 1930 to 1952. Gas franchise expires in 1941. The interurban railways and long distance power transmission lines are located principally on private right of way.

Operated by the Doherty organization. Controlled by Cities Service Co.

FRANCHISE.—Dated June 14, 1904: forty-one years.

CAPITAL STOCK.—Authorized and outstanding:

THE SCIENTIFIC SAFETY GARAGE HEATER

The Standard with all Auto Owners.

Because of its records in service and wide distribution.

THE SCIENTIFIC HEATER COMPANY : : of Cleveland, Ohio

Common, \$2,000,000; 6 per cent preferred, \$300,000. Total, \$2,300,000. Preferred is cumulative after July 14, 1912. Shares, \$100. In September, 1910, the Cities Service Co. secured a contract for the acquisition of the entire common stock of this Company. Transfer agents, Henry L. Doherty & Co., New York, N. Y.

FUNDED DEBT.—\$864,000 first and refunding mortgage 5 per cent 35-year sinking fund bonds, dated December 1, 1909; due August, 1944; interest payable February 1 and August 1 at office of Henry L. Doherty & Co., New York. Trustee, Central Trust Co., New York. Coupons, \$1,000; registerable as to principal. Redeemable on any interest date at 105 and interest. Sinking fund on all outstanding bonds, including prior lien, July each year, 1911 to 1916, $\frac{1}{2}$ per cent of bonds; after July, 1916, 1 per cent of bonds until all bonds are redeemed. Secured on all property. Authorized, \$5,000,000, of which a sufficient amount is reserved to retire prior liens at par.

\$550,000 Union Gas Co. first and collateral

trust mortgage; dated July 1, 1905; due July 1, 1935; interest 5 per cent, payable January 1 and July 1 at N. W. Halsey & Co., New York. Coupon bond may be registered as to principal and denomination \$1,000. Sinking fund, 1 per cent of outstanding bonds commencing with July 1, 1911, up to and including July 1, 1916; thereafter 2 per cent. Bonds to be kept alive in sinking fund. Additional bonds may be drawn for 80 per cent of improvements. U. S. mortgage & Trust Company, New York City, Trustee.

OFFICERS.—President, Henry L. Doherty; First Vice-President, F. W. Frueauff; Second Vice-President, Harry Warner; General Manager, Harry Warner; Secretary, B. Aubrey Smith; Treasurer, Harry Warner.

DIRECTORS.—Henry L. Doherty, F. W. Frueauff, A. A. Salmon, C. O. Walter, W. J. Schneider, Harry Warner, R. B. Stitzer, C. G. Allenbach, R. R. Rogers, A. E. Gallagher, M. R. Bump, B. Aubrey Smith, H. H. Scott.

Annual meeting, second Tuesday in January.

TACOMA GAS COMPANY, TACOMA, WASH.

The Tacoma Gas Co. was incorporated in August, 1909, under the laws of Delaware.

FRANCHISE.—Expires in 1934.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock.....	\$5,000,000	\$750,000
Common stock.....	2,500,000	1,550,000
Shares, \$100. Transfer agents, Continental and Commercial Trust and Savings Bank, Chicago and Guaranty Trust Co., New York, Registrars, Continental and Commercial Trust and Savings Bank, Chicago.		

UNDERLYING BONDS.—\$1,559,000 Tacoma Gas Light Co. 5s, due June 1, 1926; \$416,000 Tacoma Gas and Electric Light Co. 5s, due June 1, 1926.

Tacoma Gas Co. is still in hands of Mr. Elmer Dover, the receiver appointed by the courts. It is believed that the reorganization of this company will be consummated before the end of 1918. This property is showing increased

gross earnings, but high fuel cost has so far prevented the net earnings from responding. Tacoma, the city nearest to what is said to be the largest national army cantonment in the United States (Camp Lewis), is enjoying unparalleled business activity and prosperity, due not only to the influx of people brought about by the cantonment, but also to the revival of the lumber trade and the establishment of large shipbuilding and other new industries. The company has increased its gas rates, as authorized by the Washington Public Service Commission.

EARNINGS STATEMENT FOR YEAR ENDED DECEMBER 31, 1917, OF TACOMA GAS COMPANY AND OLYMPIA GAS COMPANY.

Gross earnings	\$302,059.57
Operating expenses	239,769.63
Net earnings	\$62,289.94

WENATCHEE VALLEY GAS AND ELECTRIC CO., WENATCHEE, WASH.

The Wenatchee Valley Gas and Electric Co. was incorporated in July, 1910, under the laws of the State of Washington, and is a consolidation of Wenatchee Electric Co., Entiat Light and Power Co., Valley Power Co., Brown Electric Co. The Wenatchee Valley Gas and Electric Co. is operated wholly as an electric company. The gas business is handled through a subsidiary company, the Central Washington Gas Co., of which the Wenatchee Valley Gas & Electric Co. owns all the stock.

FRANCHISES.—City of Wenatchee (electric), 1950; Chelan County, 1954; Douglas County, 1945 and 1961.

CAPITALIZATION.—Common stock, authorized, \$750,000; outstanding, \$621,800. Shares, \$100.

FUNDED DEBT.—Bonds, general first mortgage, authorized, \$2,000,000; issued, \$654,000; dated

October 1, 1910; due October 1, 1930. Interest payable April and October at Spokane & Eastern Trust Co., Spokane, Wash. Denomination, \$1,000. Coupon, registerable as to principal. Redeemable at 105 on any interest date. Security, first lien (except some minor exceptions). Sinking fund, 5 per cent gross income. Also \$57,000 Entiat Light & Power Co. first mortgage 6s, due 1928, which are being gradually retired.

\$200,000 Wenatchee Valley Gas & Electric Co. 6 per cent five-year collateral trust coupon notes, dated October 1, 1914, due October 1, 1919. Interest payable April 1 and October 1 at the West End Trust Company, Philadelphia, Pa., Trustee. Outstanding, \$132,500. Denomination, \$500. Secured by deposit with the trustee of \$400,000 Wenatchee Valley Gas & Electric Company 6 per cent 20-year bonds, which are a direct lien on all the company's

MacDONALD - MANN COKE QUENCHING CHUTES makes quenching an easier and more agreeable duty, as the gas and steam are confined in water-sealed bins during the process. Loss by incipient combustion is reduced to a minimum, and the labor of handling the finished coke is reduced. Write for Catalogue N15-3.

C. W. HUNT CO., INC., Main Office and Works, WEST NEW BRIGHTON, N. Y.

property subject only to the general first mortgage bonds.

OFFICERS.—President, Geo. D. Brown; Vice-President, Chas. F. Brown; Secretary, Fred M. Crollard; Treasurer, R. C. Kennedy; Manager, Geo. D. Brown.

HUNTINGTON DEVELOPMENT AND GAS CO., HUNTINGTON, W. VA.

Huntington Development and Gas Co. was incorporated in June, 1916, under the laws of Delaware, and acquired properties of the Huntington Development & Gas Co. (of W. Va.), Guyandot Land Association, Lincoln County Land Association, Interval Gas & Oil Co., Duval Oil Co., Four Mile Oil Co., Mingo Coal Co., Irvine Coal Co., and the lands in Wayne county, Virginia, owned by the Virginia Investment Association.

FRANCHISES.—Huntington (1962). Ceredo (1963) and Kenova, W. Va. (1963); Catlettsburg (1933) and Ashland, Ky. (1933).

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock	\$1,500,000	\$1,500,000
Common stock	4,000,000	4,000,000

Shares, \$100. Registrars, E. W. Clark & Co., Philadelphia, Pa. Dividend on preferred stock, annual rate 6 per cent, payable quarterly.

FUNDED DEBT.—Bonds: 20-year 6 per cent sinking fund gold, authorized, \$20,000,000; issued, \$2,935,000. Dated June 1, 1916; due June 1, 1936. Interest payable June 1 and December 1 at E. W. Clark & Co., Philadelphia, Pa. Denominations, \$500 and \$1,000. Redeemable at 102½ per cent and interest on any interest date at Philadelphia Fidelity Trust Company.

The property consists of coal, oil, natural gas and timber lands in Lincoln, Wayne, Cabell, Putnam, Logan and Mingo Counties, West Virginia, aggregating approximately 330,000 acres, of which about one-half is owned in fee simple and one-half in mineral fee, with full mining rights. In addition, about 6,000 acres of oil and gas leases. Of these lands about 189,500 acres have been leased for oil and gas purposes to other companies on a royalty basis and about 209 wells have been drilled by these lessees, of which 164 produce gas and 45 oil. The Columbia Gas & Electric Co., one of the lessees, transports gas from the company's lands to Cincinnati, Ohio. The coal and other minerals are not included in the leases to other companies. On the remaining acreage which has not been leased for oil and gas purposes, the company owns 152 wells, of which 132 produce gas and 20 oil. In addition, the company has the exclusive output from 36 gas wells, drilled by other companies on land not owned by this company.

The company has natural gas distribution systems and field lines of over 168 miles, including 12-inch main pipe lines 65 miles in length, together with a pumping and compressor station with a capacity of 30,000,000 c. f. of gas per day. The company serves over 3,800 industrial and domestic consumers in Huntington and Kenova, W. Va., and Ashland, Ky.

DIRECTORS.—R. C. Kennedy, J. H. Stout, Chas. F. Brown, Geo. D. Brown, Fred M. Crollard, R. T. Lovell, H. Remley.

Annual meeting of stockholders held fourth Tuesday in January. Company's fiscal year ends December 31.

WEST VIRGINIA TRACTION & ELECTRIC CO., WHEELING, W. VA.

New York address: 50 Pine Street.

(Controlled by Eastern Power & Light Corporation.)

Incorporated July 11, 1912, in West Virginia, and acquired the properties formerly owned by the Union Utilities Co., and the City & Elm Grove Railroad Co. and subsidiaries. The City & Elm Grove Railroad Co. owned control of the City Railway Co., the Wheeling & Elm Grove Railway Co., the Wheeling Park Association and the Suburban Light & Water Co. Also owns the entire common stock of the City & Suburban Gas Co., which has outstanding in the hands of the public \$100,000 7 per cent preferred stock and \$600,000 first mortgage 6 per cent bonds (out of an authorized issue of \$1,000,000), the principal and interest of which are guaranteed by West Virginia Traction & Electric Co.

The Company owns and operates a part of the electric railways in the city of Wheeling, the railways, electric lighting, gas and water utilities in the growing residential Elm Grove suburban district of that city, and an amusement park of 33 acres served by its railway system and largely patronized by the people of Wheeling, and in addition owns valuable real estate adjacent to Wheeling. It also owns leases on some 27,000 acres of natural gas fields about one-quarter developed, lying between Wheeling and Morgantown, from which it derives its supply of natural gas. Also owns and operates the water, electric light and gas utilities and an electric railway in the city of Morgantown, W. Va. Operates 39.5 miles of track, including city lines, in Wheeling and suburban lines to Elm Grove and West Alexander; also 8.5 miles in Morgantown and from Morgantown to Sebraton. Total track operated, 48 miles. Gauge, standard; cars, motor 74, other 6; power plants, 2.

CAPITAL STOCK.—Authorized, \$2,000,000 common and \$2,000,000 7 per cent cumulative preferred; outstanding, \$1,250,000 common and \$619,600 preferred; par \$100. The Eastern Power & Light Corporation owns the entire outstanding common stock, with the exception of 13 shares. Transfer agent and registrar, Equitable Trust Co., New York. Preferred dividends payable semi-annually, April and October.

BONDED DEBT.—\$1,800,000 6 per cent two-year gold notes; dated May 1, 1917; due May 1, 1919. Interest payable May 1 and November 1, at New York Trust Co., trustee, New York City. Subject to call at 100½ per cent on 40 days' notice. Secured by pledge of \$2,500,000 first refunding and improvement mortgage 30-year gold bonds.

\$15,000,000 general and refunding mortgage 25-year gold bonds; issued \$2,500,000; dated May 1, 1917, due May 1, 1942. Interest payable May and November 1 at New York Trust Company, Trustee, New York City. Redeemable at 101 and interest at company's option.

\$1,119,000 City & Elm Grove Railroad consolidated collateral trust gold 5s; dated July 1, 1906; due July 1, 1936; interest January 1 and July 1 at Union Trust Co., Pittsburgh, Pa., Trustee. Coupon, \$1,000; subject to call on any interest date at 105 and interest. Authorized \$2,500,000, of which \$1,000,000 are reserved to retire prior liens. These bonds are a first lien on the City Railway property and a second lien on the Wheeling & Elm Grove Railroad property, Wheeling Park and the Suburban Water & Light Co. property.

\$794,500 Wheeling & Elm Grove Railroad second mortgage 5s; dated April 1, 1901; due April 1, 1931; interest April 1 and October 1 at Wheeling Title and Trust Co., Trustee. Coupon, \$1,000; principal may be registered. Amount originally authorized, \$1,250,000, was reduced in February, 1906, to \$1,000,000, of which \$205,500 is reserved to retire a like amount of first mortgage bonds, due March 1, 1928.

Wheeling & Elm Grove Railroad Co. first mortgage 5 per cent 30-year bonds, dated March 1, 1898; due March 1, 1928; interest March 1 and September 1; authorized, \$225,000; outstanding, \$155,500, at December 31, 1917; \$5,000 retired in sinking fund each year on March 1.

\$1,183,000 Union Utilities Co. first sinking fund gold 5s; dated July 1, 1909; due July 1, 1944; interest January 1 and July 1 at Farmers' Loan & Trust Co., New York, Trustee. Coupon, \$1,000; principal may be registered. Authorized, \$1,500,000; balance may be issued to cover 75 per cent of cost of additions and improvements, only when net earnings for preceding year equal 2½ times interest on bonds issued and to be issued. Sinking fund provides for redemption annually of not less than 2 per cent of outstanding amount at not exceeding 105. A first lien on entire property. Subject to call at 105 and interest on any interest date, on thirty days' notice.

OFFICERS.—President, W. S. Barstow; Vice-President, J. D. Whittemore; Secretary, C. N. Wilson; Treasurer, A. P. Taliaferro.

DIRECTORS.—L. H. Tyng, J. D. Whittemore, W. S. Barstow, J. B. Taylor, O. C. Swenson.

General manager, W. S. Barstow Management Assn., Inc., New York.

EVERYWHERE men in charge of Street Mains welcomed the GOODMAN STOPPER 20 years ago.

SAFETY GAS MAIN STOPPER COMPANY,

263 East 133rd Street, New York, N. Y.

WESTERN LIGHT & POWER CO., CHEYENNE, WYO.

Incorporated May 1, 1906, in Colorado as the Northern Colorado Power Co. Name changed as above in 1914.

The Western Light & Power Co. serves with electric light and power an extensive agricultural, manufacturing and mining area some 50 miles in length and 20 miles in width, situated in the northern part of the State of Colorado, adjacent to Denver. The population of the territory served increased 66 per cent between 1900 and 1910, and is now about 75,000. The Company owns the street railway system in Boulder, Colorado, and through a subsidiary, the Cheyenne Light, Fuel & Power Co., serves the city of Cheyenne, Wyoming, with electricity, steam heat and manufactured gas. The business field includes Boulder, Louisville, Lafayette, Fort Collins, Greeley, Loveland and several other towns.

CAPITALIZATION.—Preferred stock, 7 per cent cumulative: Authorized, \$1,500,000; outstanding, \$1,000,000. Common stock: Authorized, \$2,000,000; outstanding, \$2,000,000.

FUNDED DEBT.—Bonds: First mortgage, 5 per cent sinking fund gold, authorized \$6,000,000, outstanding \$2,100,000; dated May 1, 1915; due

May 1, 1925. Interest payable May 1 and November 1. Denominations, \$100, \$500 and \$1,000; coupon bonds, registerable as to principal. Redeemable on any semi-annual interest date at 100 and accrued interest. Franklin Trust Co. of New York, trustee.

SECURITY.—The bonds, subject only to \$128,000 divisional bonds covering the Cheyenne property alone, are secured by an absolute first mortgage on the entire property of the Company.

SINKING FUND.—2 per cent of the gross earnings, beginning 1917, the percentage gradually increasing until it reaches 4 per cent in 1923.

OFFICERS.—President, Guy E. Tripp; Vice-President, H. U. Wallace; Secretary and Treasurer, John Seager; General Manager, H. U. Wallace.

DIRECTORS.—A. Ludlow Kramer, T. A. Wilkinson, N. C. McPherson, J. R. Hall, Rudolph Titkin, F. L. Tomlins, John Seager, J. H. Grassman, A. R. Miller, W. J. Barker, H. U. Wallace, J. A. Davis and T. H. Eves.

Annual meeting of stockholders held first Saturday in April.

Company's fiscal year ends December 31.

BRANDON GAS AND POWER COMPANY, LTD., BRANDON, MANITOBA, CANADA.

The Brandon Gas and Power Co. was incorporated in 1908 in the Province of Manitoba.

FRANCHISES.—Extend to June 19, 1941. It is provided that in 1933 the city may purchase the gas plant at an appraised figure, which right, if not then exercised, lapses for another period of five years, when the same right of public purchase again accrues. In case of the non-user of such right of the municipality at that time, the franchise thereupon again becomes automatically renewed and extended for a like additional period of five years, the same process being indefinitely repeated.

CAPITALIZATION.

	Authorized	Outstanding
Preferred stock (7 per cent cumulative).....	\$25,000	\$25,000
Common stock (par \$100)	500,000	300,000

FUNDED DEBT.—Bonds: First mortgage 6 per cent gold, authorized, \$500,000; issued, \$216,000; dated October 1, 1909; due October 1, 1929. Interest payable April 1 and October 1 at P. W.

Brooks & Co., New York City. Denominations, \$100, \$500 and \$1,000; coupon; registerable as to principal. Callable on any interest date on or after October 1, 1914, at 105 and accrued interest. Trustee of bonds, Columbia Trust Co., New York City.

SECURITY.—First lien on entire property.

SINKING FUND.—One per cent, beginning April 1, 1915, which may be applied either to purchase of any of the outstanding bonds at a price not over 105 per cent and accrued interest; or in lieu of such purchase may be used for the redemption of as many of the outstanding bonds as can be called by lot in the usual manner; or if neither of the above applications of the sinking fund is made, such money shall be invested in securities approved by P. W. Brooks & Co.

OFFICERS.—Secretary, C. S. Eaton; Treasurer, G. H. Harper; General Manager, M. L. Kane.

DIRECTORS.—W. H. Abbott, G. H. Harper, Geo. W. York, C. S. Eaton, A. F. House.

No 1918 report.

NEW BRUNSWICK POWER COMPANY, ST. JOHN, NEW BRUNSWICK.

The New Brunswick Power Co., chartered by special act of the Province of New Brunswick for the purpose of operating public utilities and acquiring and developing hydro-electric powers, has acquired by purchase the properties, rights and privileges of the St. John Railway Co., and has been granted rights and privileges on the Magaguadavic and the Lepreaux rivers, 34 and 18 miles, respectively, from St. John, N. B.

The company owns and operates without com-

petition the electric light and power business, the gas business and the system of street railways in St. John, N. B., and vicinity, serving a present estimated population of 60,000. The company's steam power plant is conveniently located in St. John, a short distance from tide-water, and is so constructed as to permit of future expansion.

The territory served includes St. John, East and West St. John, Fairville, Glen Fall and vicinity.

Metropolitan No. 2 Argand Burners, specified for candlepower test use by the London Gas Referee. The only burner which approaches perfect combustion of any kind of gas, whether coal gas, enriched coal gas or coal gas mixed with carburetted water gas. Write for Bulletin

First mtg. 5% gold bonds..	\$10,000,000	\$2,250,000
Preferred stock, 6% cum..	2,500,000	2,076,000
Common stock	3,500,000	2,500,000

First mortgage 5% gold bonds are dated December 1, 1916; due December 1, 1946. Interest payable June 1 and December 1, in New York, Montreal and London, without deduction for Canadian taxes or U. S. Federal taxes. Coupon bonds of \$1,000 and \$500 denominations, registerable as to principal only. Callable as a whole or in part for sinking fund, at 105 and accrued interest on any interest date. Trustees, Union

Trust Co. of New York, and The Royal Trust Co., Montreal.

Sinking Fund or Improvement Fund.—The mortgage provides for an annual sinking fund or improvement fund of 1% of the total bonds issued, the first payment to be on December 1, 1917. The company must use this fund either for additional properties or improvements, or else to purchase or call these bonds at not exceeding 105 and interest.

EARNINGS.—The company has shown the following earnings for the last five years:

	Gross	Net after Taxes
Year ending Dec. 31, 1911....	502,399	245,525
Year ending Dec. 31, 1912....	539,953	253,393

METERS. These are high grade experimental meters for use with corrosive gases, such as oxygen gas.

with January 1, 1914. Sinking fund 2 per cent on or before January 1, 1919. In lieu of cash payment bonds hereby secured, with unmaturred coupons attached, will be equivalent to a cash payment of 105 per cent and accrued interest. Bonds to be kept alive in the sinking fund. Additional bonds to be delivered from time to time upon request of company. Broadway Trust Company, New York, Trustee.

OFFICERS. — President, Frank W. Frueauff; Vice-President, Louis F. Musil; Secretary and Treasurer, E. H. Johnston; Assistant Secretary, E. E. McWhiney; Assistant Treasurer, T. A. Wallace.

DIRECTORS.—Louis F. Musil, E. H. Johnston, Frank W. Frueauff, T. A. Wallace, Frank L. Blackburn.

Annual meeting, first Monday in October.

UNITED GAS AND FUEL COMPANY OF HAMILTON, LTD., HAMILTON, ONT, CANADA.

Company's office, 72 James Street, North.

The United Gas and Fuel Co., Ltd., is a consolidation of the Ontario Pipe Line Co. and the Hamilton (Ont.) Gas Light Co., having acquired all the property of the latter company. The company was incorporated in 1904 under the laws of the Province of Ontario, and the new company began operations in 1913.

CAPITALIZATION.

	Authorized	Outstanding
Capital stock	\$1,000,000	\$1,000,000
First mortgage five-year		
6% gold bonds.....	\$3,500,000	942,600

*This issue is secured, in opinion of counsel, by a direct first mortgage upon all the property, rights, franchises, etc., of the United Gas and Fuel Company of Hamilton, Ltd., now owned or hereafter acquired. The trust deed provides that \$1,000,000 of the escrowed bonds may be issued for betterments and extensions at 80 per cent of actual cost, and under other conservative restrictions, including a provision that the annual net earnings must equal an amount $1\frac{3}{4}$ times the interest charges on bonds outstanding, together with those proposed to be issued. \$1,500,000 of bonds are set aside for specific corporate purposes and may be issued, with the approval of the trustees, at 80 per cent of actual cost, to provide funds with which to purchase in its entirety the Hamilton By-Product Coke Ovens, Ltd., under the optional purchase contract with the Coke Ovens Company hereinafter mentioned.

BONDS.—Are dated November 1, 1913; due November 1, 1918; redeemable at 101 and interest November 1, 1914, or any interest payment date thereafter. Principal and interest (May 1 and November 1) payable in gold at Canadian Bank of Commerce, Toronto and Montreal; Central Trust Company, New York, or Central Trust Company of Illinois, Chicago, at the option of the holder. Coupon bonds. Principal may be registered. Denominations, \$100, \$500,

\$1,000, \$5,000. Central Trust Company of Illinois, Chicago, and Donald A. Cameron, Toronto, Trustees.

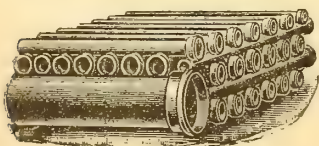

Concerning that provision of the United States federal income tax law relative to the deduction of the so-called normal tax of 1 per cent from interest payments, the American trustee will pay, from funds provided by the company, the interest on these bonds in full and where a deduction of said normal tax of 1 per cent is required and actually made the bondholder will be reimbursed by the said trustee.

MESTA MACHINE COMPANY

PITTSBURGH, PA.

HAVANA ELECTRIC RAILWAY, LIGHT AND POWER COMPANY, HAVANA, CUBA.

The Havana Electric Railway, Light and Power Company was incorporated in 1912 under the laws of the state of New Jersey and acquired all the properties, rights and franchises of the Havana Electric Railway Company by the merger of said company into it under the laws of said state, and in 1912 on the dissolution of the Compañia de Gas y Electricidad de la Habana (Havana Gas and Electricity Company) a Cuban corporation, the Havana Electric Railway, Light and Power Company acquired all its properties, rights and franchises.

The railway system comprises about seventy-nine miles, single track measurement (exclusive of yards) covering the city and suburbs. The equipment consists of 383 passenger cars, besides work cars and miscellaneous cars. This equipment is well maintained and of a very satisfactory type for the existing conditions. Some of the main electric feeders are underground, and in the more thickly settled parts of the city the company is now engaged in putting all its overhead conductors (except trolley wires) underground. The company has a large main car house, modern and fireproof, with repair shop equipment, and smaller houses at other points, affording ample facilities for these purposes. The stage lines operate about 150 stages, covering routes not reached by the tracks of the company, and probably the traffic ultimately will be transferred to the street railway.

Late in 1914 the company put into operation a new steam-driven electric generating plant, and early in 1915 the last of the three old power plants was shut down. The new consolidated plant is installed in a steel, concrete and terra cotta building 277 by 176 ft., and consists of three 37,500 kw. turbine generators, with space and boiler capacity for a fourth. While this plant is not yet fully loaded, the improvement in generating economy is already very large.

The power plants site includes 600 ft. of frontage on the harbor, along which a concrete wharf has been built, with tracks connected to the street railway and to the Havana Terminal R. R., and a mechanical coal-handling equipment of 100 tons per hour capacity, adapted to unload coal from barges and sea-going ships.

The gas plant consists of two generating apparatuses of 3,500,000 cubic feet daily capacity. There are about 11,957 meters in service, and about 5,800 street lights. The city is well covered by the distributing mains, the entire system comprising about 174 miles.

FRANCHISES.—The original street railway franchises date from 1859 and earlier and expire in 1958. The concession for the suburban line to Marianao is perpetual. Electrification and modification and extension of rights were authorized by decree of the American Military Government in 1901 and the Provisional American Government in 1908. The railway fare is five cents in United States currency, with transfers. Rights are also held for numerous extensions, the plans for which have already been approved by the Department of Public Works.

The electric light and power were originally supplied by two companies, one having a franchise expiring in 2001, and the other perpetual franchise. The gas franchise is also perpetual. The company has a lighting contract with the city for both gas and electric street lighting, dated in 1912, and running for fifteen years. The electric lighting base rate is 15.6 cents, United States currency, per K. W. H., with varying discounts for quantity on annual contracts. Power rates vary from 9.2 cents to 4.04 cents per kw. hr. The gas rate is about, first 1,000, \$2.26, over and above basis, \$1.35, United States currency, with liberal discounts to large consumers.

CAPITALIZATION.—Preferred stock 6% cumulative, authorized \$21,000,000; outstanding \$20,978,477; common stock, authorized \$15,000,000, outstanding \$14,948,406. Dividends on preferred stock, 6 per cent per annum; on common stock, 6 per cent.

PORTO RICO GAS CO.

Branch Office: San Juan, Porto Rico.

The Porto Rico Gas Co. is incorporated under the laws of the State of Delaware and started operating January 1, 1914, in the City of San Juan, the capital of Porto Rico, United States government, under a 50 year franchise, without burdensome restrictions, granted January 15, 1913, by the executive council of Porto Rico in accordance with section 3 of the Joint Resolution of the Congress of the United States, approved May 1, 1900.

FRANCHISES.—The Company was formed for the purpose of taking over a franchise granted by the executive council of Porto Rico and approved by the Governor General of Porto Rico. The franchise is for a period of 50 years from January 30, 1913, for the manufacture, distribution and sale of gas for lighting, heating and power. The franchise is free from burdensome restrictions.

CAPITALIZATION.

Van E. Britton, Chairman.

ANNUAL MEETING—September 1918, at Los Angeles, Cal.

PENNSYLVANIA GAS ASSOCIATION.

Officers.

PRESIDENT, - - - - - W. R. RHOADES, Williamsport, Pa.
 VICE-PRESIDENT, - - - - - GEO. S. SPEAKER, Lebanon, Pa.
 SECOND VICE-PRESIDENT, - - - - - OSCAR L. HECKERT, York, Pa.
 SECRETARY AND TREASURER, - - - - - L. R. DUTTON, Jenkintown, Pa.

COUNCIL.

Oscar Heckert. J. J. McKnight. E. L. Smith.
 E. G. Holzer. John A. Frick. Stanley Grady.
 H. J. Von Neida. W. A. Allison. Geo. W. Beck.

Representative on American Gas Inst. Board, F. P. Duggan, Lewistown, Pa.

ANNUAL MEETING—Second Wednesday in April, 1919, at Williamsport, Pa.

The initial cost of changing from leather, poppet or mechanically operated valves to MESTA AUTOMATIC PLATE VALVES (Iversen Patent) is insignificant compared to the saving effected in fuel consumption, reduced repairs, attendance, etc. Write for Bulletin "D." MESTA MACHINE COMPANY PITTSBURGH, PA.

SOCIETY OF GAS LIGHTING.

Officers.

PRESIDENT, - - - - -	COL. FRED. S. BENSON, Brooklyn, N. Y.
VICE-PRESIDENT, - - - - -	A. H. STRECKER, Newark, N. J.
SECRETARY, - - - - -	GEO. G. RAMSDELL, New York, N. Y.
TREASURER, - - - - -	W. CULLEN MORRIS.
MEMBER EXECUTIVE COMMITTEE, - - -	W. H. BRADLEY, New York, N. Y.
MEMBERS FINANCE COMMITTEE, - - -	W. F. LAWRENCE.
	R. W. BUSH.
	E. G. LOVE.

ANNUAL MEETING—Second Thursday in December, in New York, N. Y.

SOUTHERN GAS ASSOCIATION, (Incorporated.)

Officers.

PRESIDENT, - - - - -	L. GASTON, Knoxville, Tenn.
FIRST VICE-PRESIDENT, - - - - -	R. JOHN TITZELL, Birmingham, Ala.
SECOND VICE-PRESIDENT, - - - - -	NOBLE CLAY, Durham, N. C.
SECRETARY-TREASURER, - - - - -	M. A. BOWLIN, (Box 664), Macon, Ga.

DIRECTORS.

W. F. Croston, Newport News, Va.	Edgar Morris, Washington, D. C.
MacD. Dexter, Columbus, Ga.	R. L. Marques, Kalamazoo, Mich.
E. S. Dickey, Baltimore, Md.	E. E. Austin, Sumter, S. C.
Geo. Sligo, Atlanta, Ga.	Harry D. Wilson, Waycross, Ga.

J. W. Perkerson, Petersburg, Fla.

ANNUAL MEETING—May, 1919, at Asheville, N. C.

THE SOUTHWESTERN ELECTRICAL AND GAS ASSOCIATION.

Officers.

PRESIDENT, - - - - -	W. A. SULLIVAN, Shreveport, La.
FIRST VICE-PRESIDENT, - - - - -	BURR MARTIN, Dallas, Tex.
SECOND VICE-PRESIDENT, - - - - -	E. S. FLETCHER, Dallas, Tex.
THIRD VICE-PRESIDENT, - - - - -	A. HARDGRAVE, Marshall, Tex.
TREASURER, - - - - -	J. B. WALKER, Dallas, Tex.
SECRETARY, - - - - -	H. S. COOPER, Dallas, Tex.

Office of Secretary, Slaughter Building.

EXECUTIVE COMMITTEE.

THE NEEDHAM SYSTEM is a one pipe system and is free from the difficulty of air blast regulation. It is independent of the varying pressures in the gas mains and a full pressure is maintained at each burner regardless of the number of appliances in use.

MESTA AUTOMATIC PLATE VALVES (Iversen Patent) have proved to be the ideal valves for blowing and compressing units. They are rapidly replacing the old leather, poppet and mechanically operated valves. Bulletin "D" describes these valves in detail.

MacDONALD - MANN COKE QUENCHING CHUTES makes quenching an easier and more agreeable duty, as the gas and steam are confined in water-sealed bins during the process. Loss by incipient combustion is reduced to a minimum, and the labor of handling the finished coke is reduced. Write for Catalogue N15-3.

PAINTS FOR OIL TANKS AND HOLDERS

No. 250 BLUE LEAD PRIMING PAINT has no equal for priming coats on gas holders, especially where it will be subjected to extreme exposure from gases, as on gas holders and gas works structures.

Write for REVIEW OF TECHNICAL PAINTS

CHEESMAN & ELLIOT, 100 William St., New York

RELIABLE

RANGES

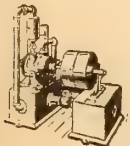

Set your expectations just as high as you like, order a sample line of "RELIABLE 'ANGLIRON'" ranges, examine and test them and you will find your ideal of what a gas range really should be. Write for catalog.

RELIABLE STOVE COMPANY, Div. Am. Stove Co., CLEVELAND, O.

YOUR GREATEST ASSET IN SELLING INDUSTRIAL

GAS. The Efficiency of the NEEDHAM HIGH PRESSURE GAS SYSTEM is now holding many of the largest industrial gas consumers where earlier experiences with less efficient methods were compelling them to consider other fuels.

THE NEEDHAM GAS APPLIANCE CO., 550 W. 25th St., New York, N. Y.

MacDONALD - MANN COKE QUENCHING CHUTES makes quenching an easier and more agreeable duty, as the gas and steam are confined in water-sealed bins during the process. Loss by incipient combustion is reduced to a minimum, and the labor of handling the finished coke is reduced. Write for Catalogue N15-3.

C. W. HUNT CO., INC., Main Office and Works, WEST NEW BRIGHTON, N. Y.

CALORIMETERS

American Meter Company

561 W. 47th St., New York, N. Y.

The American-Junkers' Calorimeter has been greatly improved and accessories added until it has been made what we consider the most advanced type of instrument for this purpose now in use. This is confirmed by the numerous orders we are constantly receiving for it from all parts of the country and that it has been furnished to all the large syndicates, State Public Utilities Commissions and the City Gas Inspectors, the Public Utilities Commission at Washington, D. C., the U. S. Bureau of Standards, and the U. S. Department of War.

ULCO LEAD WOOL FOR ECONOMY

IN ROPE FORM

UNITED LEAD COMPANY

111 BROADWAY, NEW YORK

CHEMICAL CONTROL OF GAS MANUFACTURE

By W. M. Russell, Mgr., and F. Wills, Gen'l Supt.

Emporia Gas Co., Emporia, Kansas.

PART I.—“Practical Application” deals with the retort house. PART II.—“Elementary Chemical Theory” provides the necessary fundamentals.

The Book has 140 pages with 47 illustrations and numerous reference tables and diagrams. Smallest possible use of technical language or formulæ is made, and every description of elementary principles is based on actual demonstration to workers, in the writers' experience.

THE GAS AGE

Price \$1.50 Postpaid
Lots of Five, \$6.00

52 VANDERBILT AVE., NEW YORK

Gas Appliance and Display Demonstration

By J. E. BULLARD

A practical description and discussion of the most successful methods of display and demonstration of gas appliances at the present time, with incisive analyses of the principles on which success depends; the wealth of illustrations, showing the good, with suggestions for adaptation to local conditions—and the less successful with indications of the elements to be avoided—give the book a day-in and day-out value not often attained.

The customer's point of view is studied from every angle. Window displays and arrangement of demonstration floors are considered from the standpoint of making sales and creating confidence and good will. Special demonstrations and campaigns are treated comprehensively, as well as the problems involved in gas company advertising.

CHAPTER HEADINGS

I. General Theory of Presentation. II. Gas Offices and Branch Stores. III. Gas Office Display Rooms (Domestic). IV. Gas Office Display Rooms (Industrial). V. Window Displays. VI. Exhibitions and Special Displays. VII. Demonstration of Cooking Appliances. VIII. Demonstration of Specialties. IX. Demonstration of Industrial Appliances. X. Advertising. XI. Interrelation of Departments. XII. Appendix containing Bibliography. Very complete index.

448 pages, 5 x 7, 213 illustrations. \$2.00 net, postpaid.

Instructions to Gas Appliance Salesmen

By J. E. BULLARD

A salesman's manual of modern selling methods selected with the sale of gas appliances ever in mind. This book is the first to place at the command of the gas company salesmen and sales manager a concise and practical treatment of the methods that have built up the prestige of many of the most successful commercial men in the field.

The book is written for the salesman who has not had the advantages of previous contact with the most recent developments of systematic salesmanship, and provides a groundwork of theory to support the greater detail of the particular plans recommended for gas company practice.

CHAPTER HEADINGS

I. Preparation. II. Straight Canvassing. III. Soliciting. IV. Personal Suggestions. V. General Instructions. VI. Scientific Sales Management.

128 pages, 5 x 7, 21 illustrations and 9 tables. \$1.00 net, postpaid.

"AMERICAN" FLEXIBLE BRONZE Indestructene Holder Hose

This hose is specially constructed to meet the exacting requirements of gas holder service. It is not affected by intense heat nor extreme cold and does not deteriorate when stored away between seasons. INDESTRUCTENE HOLDER HOSE is not an experiment, but a standard article of demonstrated efficiency which can be relied upon to give thoroughly satisfactory service at a minimum of expense.

Made in sizes: $\frac{1}{2}$ ", $\frac{3}{4}$ " and 1", any length, and in two styles, "A" and "B."
Style "A" for short and medium lengths, without special bronze braiding.
Style "B" for extra long lengths, with special bronze braiding.

"AMERICAN" FLEXIBLE METAL GAS TUBING

Made with quality, not cheapness, the first consideration, it fills the demand for a thoroughly reliable and moderate priced gas tubing that will last.

The use of inferior gas tubing is not only false economy, but an actual menace to life and property.

Insure safety and freedom from the nuisance of leaky tubing and frequent replacements by obtaining "American"—the Standard of Gas Tubing Perfection.

The standard size for gas heaters, hot plates, etc., is $\frac{5}{16}$ ". We can supply the tubing in cut lengths with rubber ends attached, or in long coils.

We manufacture American Metal Hose and Tubing for all purposes. Let us quote on your requirements.

The Venturi Meter

Versatility without
Sacrifice of Accuracy

Type M
Register—Indicator—Recorder

The Venturi Meter is admirably adapted for measuring with equally high degrees of accuracy hot water, cold water, artificial and natural gas, steam, air and oil—practically every fluid handled in the industries.

Detailed information will
be sent on request.

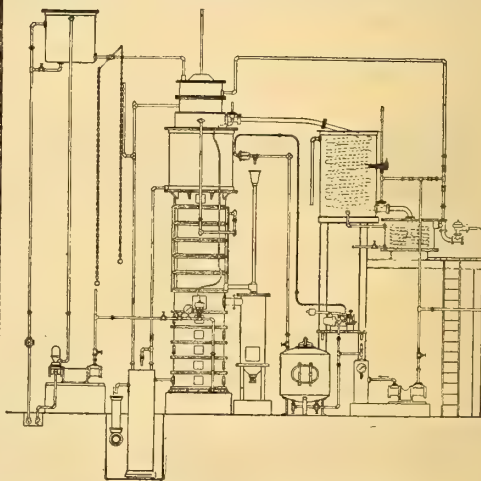

Builders Iron Foundry

PROVIDENCE, R. I.

"Builders of the Venturi."

Pittsburgh, Atlanta, Portland, Vancouver, B. C.

Unger Ammonia Stills

Produce a superior concentrate, without salting. Lime supplied with minimum amount of water and attention. The heat of the waste liquor utilized to preheat the weak liquor. Steam automatically regulated. All parts coming in contact with ammonia vapors and strong liquor made of cast iron and lead. Easy to clean and easy to operate.

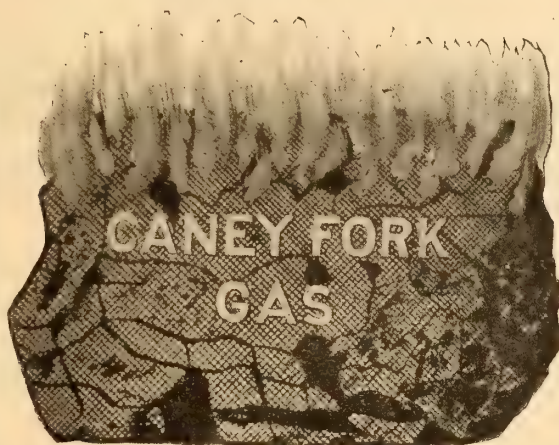

"Works like a charm." "Runs like clockwork."

HOMESTEAD Quarter Turn Valves

FOR EXACTING
CONDITIONS

Quick Opening—Straight Passage
Ease of Operation Safety

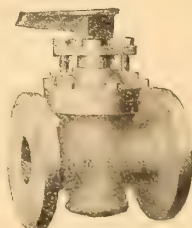

Acid Resisting—200 lbs.
Pressure

The Homestead Valve is "Unlike All Others," especially unlike Globe and Gate Valves, for the reason that when the pressure passes through it, the seat is Absolutely Protected from wear. The plug is balanced and held in place by the pressure when open, and when closed it is locked in the seat by our patent wedging cam, insuring freedom from friction in seat while plug is turning, which makes ours the quickest acting, simplest made, easiest operated and most durable valve known. Globe and Gate Valves, on the other hand, have their vital parts (seats) exposed to pressure and destruction every moment they are open.

A complete, new descriptive catalog will be mailed upon request. We will also be pleased to place your name on the mailing list for our various bulletins and pamphlets describing new developments issued from time to time.

TATE-JONES

IMPROVED RECUPERATIVE GAS OVEN FURNACE

For Accurate Temperature Work.

900° to 1600° Fahr.

Uses Artificial or Natural Gas.

Air Pressure—4 oz. to 2½ lbs.

For hardening carbon steel, preheating or reheating high speed steels. The most scientifically designed line of furnaces, also the most efficient, as actual comparative tests have proven.

The fire brick lining is backed up with one inch of special insulating material that is equivalent, in the prevention of heat loss, to nine inches of fire brick. This effects a big saving in fuel and improves operating conditions.

Because of the design of the interior, 100% of the available radiant and radiated heat is delivered to the work. This is nearly 50% more than other furnaces deliver.

The recuperation device is substantially built and saves fully 25% of the fuel. It is made of cast iron, sheet steel and high grade fire brick. The coil is 1¼" wrought iron pipe, so placed that no direct vent heat strikes it.

Series H Furnaces are for temperatures 1600° to 2400° Fahr. Use Artificial or Natural Gas with air at 1½ to 2½ lbs. pressure.

Series H Furnaces can be had recuperator type, same as Series A.

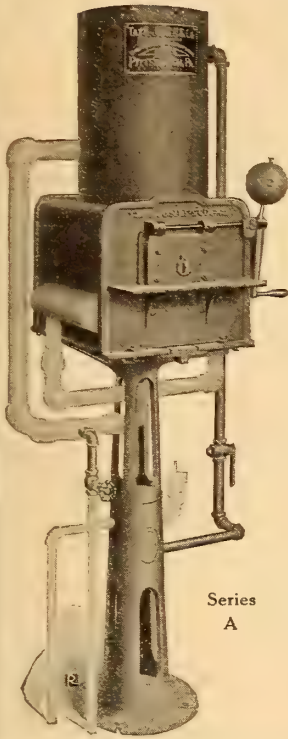

Circular 160-A sent on request.

KIRKWOOD NATURAL GAS BURNERS FOR STEAM BOILERS

In the Kirkwood Burner, the gas enters the interior of the burner in a number of exceedingly fine jets, through a series of brass spuds that are spirally placed. The air being drawn in through the burner intimately mixes with the gas, in the right proportion for complete and economical burning.

As to its technical and mechanical excellence—the design and arrangement of the various elements are the outcome of many long and costly experiments. In proof of their efficiency Kirkwood Natural Gas Burners are today carrying fuel to boilers generating, in round numbers, over a million horse power.

All Kirkwood Gas Burners are made of the best materials and in the best manner possible. They are simply yet scientifically constructed. Nothing to get out of order; cannot become clogged; spuds are of brass and cannot rust.

PERIODIC TESTS PROMOTE EFFICIENCY

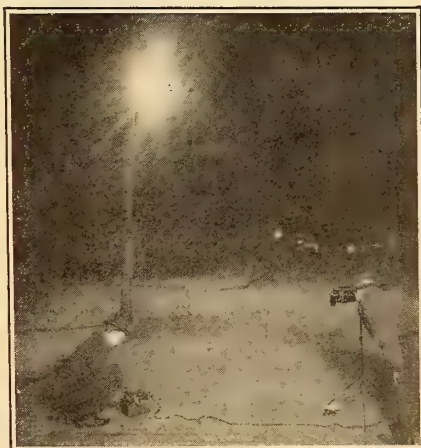

Tests and Reports of Gas Lamps and Appliances
Recognized as Authoritative and Impartial

The Electrical Testing Laboratories offers to gas companies a testing service which is complementary to that furnished by their own laboratories.

Our work is confined to testing and inspecting. We do practically any work within its field of activity which involves the ascertaining of facts and performance.

This picture shows a life test of mantle burners in progress

Test of Street Illumination

A reputation for integrity, reliability and accuracy, and a clientele distributed over the entire country has been attained which is unique among the laboratories of the country.

Testing of Gas Lamps and Appliances

The fees charged are as low as is compatible with the high standard of service. Some of the largest lighting companies are subjecting their standards to periodic tests by the laboratories.

15 Marshall Street Boston, Mass.

Sarco Temperature Regulators

The Sarco Temperature Regulator is self contained and self operated. It uses that basic principle science has demonstrated is most practical for temperature within a certain range, the expansion and contraction of suitable liquids.

The operating force is a heavy hydrocarbon oil hermetically sealed within a tube. When heated the oil expands and the pressure is transmitted through a fine tube to a valve operated by a packless piston.

Nothing could be simpler or more efficient.

Temperature Regulator
for Ammonia Stills, etc.

Made either to close or to open supply valve with rise of temperature. Controls steam, water or gas lines. Made in several types for liquids and atmosphere and for any desired temperature from 32° F. to 300° F.

Write for Bulletin R 75 on Temperature Control, also Bulletin R 15 on the steam trap Sarco.
